The Antelope in the Living Room Jul 24 2022 Welcome to the story of a real marriage. Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on. It is the joy of knowing there is someone to share in your joys and sorrows, and the challenge of living with someone who thinks it's a good idea to hang a giant antelope head on your living room wall. In *The Antelope in the Living Room*, New York Times best-selling author and blogger Melanie Shankle does for marriage what *Sparkly Green Earrings* did for motherhood—makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage.

*The Big Mama Collection: Sparkly Green Earrings / The Antelope in the Living Room / Nobody's Cuter than You* May 22 2022 This collection bundles all 3 of popular author Melanie Shankle's previous books together in one e-book, for a great value! Sparkly Green Earrings "There is really no better indicator you're a mother than acquiring the ability to catch throw-up in a plastic bag, disinfect your hands, and immediately ask your friend to pass the beef jerky as you put on another Taylor Swift song and act as if nothing has happened." This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood. Written in the familiar, stream-of-consciousness style of her blog, Big Mama, Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories—from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it—Sparkly Green Earrings will make you feel like you're sitting across the table from your best friend. A must-read for anyone who's ever had a child or even thought about it. The Antelope in the Living Room Welcome to the story of a real marriage. Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on. It is the joy of knowing there is someone to share in your joys and sorrows, and the challenge of living with someone who thinks it's a good idea to hang a giant antelope head on your living room wall. In *The Antelope in the Living Room*, New York Times best-selling author and blogger Melanie Shankle does for marriage what Sparkly Green Earrings did for motherhood—makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage. *Nobody's Cuter than You* There is nothing as precious in life as a friend who knows you and loves you in spite of yourself. Yet over the last couple of decades, we've substituted the joy of real friendship with cheap imitations. We settle for "community" on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment. We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community. But real friendship requires effort. It's showing up, laughing loud, and crying hard. It's forgiving and loving and giving the benefit of the doubt. It's making a casserole, doing a carpool pickup, and making sure she knows those cute shoes are 50 percent off. Written in the same comedic style as the New York Times bestsellers Sparkly Green Earrings and *The Antelope in the Living Room*, *Nobody's Cuter than You* is a laugh-out-loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments. From the friendships we develop over a lifetime to the ones that

wounded us and the ones that taught us to love better, Melanie Shankle reveals the influence our friends have on who we were, who we are, and who we will become. And on a day when our jeans feel too tight, our chins have decided to embrace hormone-related acne reminiscent of our teen years, and our kids have tested the limits of our sanity, they are the ones who will look at us and say, “Nobody’s cuter than you!”

*An Inheritance of Hope* May 10 2021 A deadly virus is raging war on the human race, and the CDC and its global partners can't stop it. When patient zero enters the United States from China via San Francisco with a connecting flight to Boston, no one is aware of the pandemic he has unleashed in the country. Riley Cooper and her teenagers leave California in the early hours of the morning bound for Utah, on what was to be a month-long vacation at her parents' home. During the first six hours of her drive, Riley feels something is wrong but can't quite put her finger on it. Pulling over in Saint George for food and gas, she and her kids find the world they knew has begun to unravel. In its wake-good, decent, law-abiding citizens have

become their own worst nightmares by committing the most vile and heinous crimes. Riley's only mission is to ensure a future for her children in a world that doesn't want them to have one. Through the midst of all the terror and horrors of the world, Riley is reintroduced to the one true God and the resounding love He has for her family and the people that have joined them. Because of Him, hope is more than just a word; it is the new foundation for the world that lies before them.
