Factory-Original Ford Capri Mk II & Mk III Jul 29 2022 Inspired by the success of the Ford Mustang “pony car” in the USA, Ford UK launched “The Car You Always Promised Yourself” in 1969 and it was an instant hit, with its long bonnet, sleek 2+2 coupé body, and low stance. For 1974, Ford launched the Capri II, with a new smooth body style, engines ranging from 1300 to 3000cc, and a plush Ghia version of the 3-litre model. In 1978 came the Capri Mk3 with yet more refinement and a four-headlamp nose. These classic Fords now have an almost fanatical following, supported by some very active owner’s clubs. Good examples are eagerly sought, and with prices rising restoration has become a very viable proposition. An astonishing number of variants of the Capri Mk2 and Mk3 were offered, so they really need to be identified. **Factory-Original Ford Capri Mk II & Mk III**, companion to our 2017 title **Factory-Original Ford Capri Mk I**, does the job, taking the reader right through the production period and pinning down the correct factory specifications, equipment and finishes across the range. This information is backed up by 300 specially commissioned colour photographs of outstanding examples of the cars.

The Burnt Orange Heresy Jul 17 2021 A driven art critic’s plan to steal a painting leads to murder in this classic neo-noir novel by the author of the Hoke Moseley series. Fast-talking, backstabbing, womanizing, and fiercely ambitious art critic James Figueras will do anything—blackmail, burglary, and beyond—to make a name for himself. When an unscrupulous collector offers Figueras a career-making chance to interview Jacques Debierue, the greatest living—and most reclusive—artist, the critic must decide how far he will go to become the art-world celebrity he hungers to be. Will Figueras stop at the opportunity to skim some cream for himself or push beyond morality’s limits to a bigger payoff? Crossing the art world with the underworld, Willeford creates a novel of dark hue and high aesthetic polish. **The Burnt Orange Heresy**—the 1970s crime classic now back in print—has lost none of its savage delights as it re-creates the making of a murderer, calmly and with exquisite tension, while satirizing the workings of the art world as the ultimate con. Now a major motion picture starring Donald Sutherland and Mick Jagger Praise for **The Burnt Orange Heresy** “Stunning . . . A novel full of genuine fun that also manages to make a level statement about the art world and its hermetic credulities.” —New Yorker

I Wanna Be Yours Mar 13 2021 'One of Britain's outstanding poets' Sir Paul McCartney 'Riveting' Observer 'An exuberant account of a remarkable life' New Statesman This is a memoir as wry, funny, moving and vivid as its inimitable subject himself. This book will be a joy for both lifelong fans and for a whole new generation. John Cooper Clarke is a phenomenon: Poet Laureate of Punk, rock star, fashion icon, TV and radio presenter, social and cultural commentator. At 5 feet 11 inches (32in chest, 27in waist), in trademark dark suit, dark glasses, with dark messed-up hair and a mouth full of gold teeth, he is instantly recognizable. As a writer his voice is equally unmistakable and his own brand of slightly sick humour is never far from the surface. *I Wanna Be Yours* covers an extraordinary life, filled with remarkable personalities: from Nico to Chuck Berry, from Bernard Manning to Linton Kwesi Johnson, Elvis Costello to Gregory Corso, Gil Scott Heron, Mark E. Smith and Joe Strummer, and on to more recent fans and collaborators Alex Turner, Plan B and Guy Garvey. Interspersed with stories of his rock and roll and performing career, John also reveals his boggling encyclopaedic take on popular culture over the centuries: from Baudelaire and Edgar Allan Poe to Pop Art, pop music, the movies, fashion, football and showbusiness – and much, much more, plus a few laughs along the way.

Remember the 70s Sep 30 2022 From Bohemian Rhapsody and David Bowie to Star Wars and Watergate, the history of an unforgettable era that rocked (and discoed) the world. The 1970s was one of the most exciting, innovative, and colorful decades of the twentieth century. It was ten years of major events in music (Freddie Mercury, The Sex Pistols, The Carpenters, and Blondie), film (Jaws, Dirty Harry, The Godfather, and Saturday Night Fever), television (The Mary Tyler Moore Show, All in the Family, Benny Hill, and The Waltons), and politics (Richard Nixon, Margaret Thatcher, and Jane Fonda). It was also a time of social change (the women's movement and gay rights), and unforgettable nutty trends (orange shag carpets, bell bottoms, platform shoes, and wing-collared shirts). From home-life and fashions to entertainment, sports, headlining-making crimes, and pioneering new technologies, Remember the 70s is a fabulous record of a chaotic, pivotal, loud, and revolutionary era. For those who lived through it, and for those who just heard about it, historian Derek Tait (who came of age in it—and has the photos to prove it) offers fascinating insights, truths, and reflections into a dazzling pop-culture turning point that resonates to this day.

Factory-Original Ford RS Cosworth Jan 11 2021 When Ford teamed up with Cosworth Engineering to breathe life onto its humdrum Sierra, few knew it would be the birth of a motoring legend. Through circuit racing and supercar-humbling on-road ability, the 1985 Sierra RS Cosworth quickly became a household name. A practical four-seater boasting 204bhp from its two-litre turbocharged powerplant, the RS Cosworth's massive performance was equalled only by an extroverted rear wing designed for high-speed stability.. While motorsport machines scooped innumerable victories and increasingly powerful engines, in 1987 Ford homologated a yet-more-spectacular Sierra - the 224bhp RS500. It instantly became a desirable collector's piece.. Other RS Cosworths soon followed. The restrained four-door Sierra Sapphire RS Cosworth of 1988 was Ford's vision of a 150mph executive express; two years later, its four-wheel-drive successor returned the firm to rallying. By

1992, Ford had squeezed the 4x4's running gear into a shorter Escort body, complete with 227bhp engine and ever-more-aggressive aerodynamic aids. The limited-edition Monte Carlo came in 1994, followed by the final RS Cosworth - a revised Escort with smaller turbocharger and user-friendly appeal. Production ceased in 1996. Today, each model has a loyal following among motorsport fans and fast Fords enthusiasts. And as the cars become increasingly sought-after, so too does the pursuit of perfection. This book examines RS Cosworth authenticity, outlining standard specifications alongside in-depth colour photography of outstanding examples of the breed. From body panels and trim to turbochargers and tyres; from interior fabrics and paint schemes to shock absorbers and stickers, Ford's factory-original fitments are covered in comprehensive detail.

Sideswipe Nov 28 2019 'No one writes a better crime novel than Charles Willeford' Elmore Leonard In a hot Florida summer, Sergeant Hoke Moseley's life is going to hell: his ex-wife just remarried, his teenage daughters want to quit school and his beat partner is eight months pregnant - and living in his house. A break seems long overdue, so Hoke decides to bail out, give up police work and watch the ocean roll. But things don't always work out. A handsome, cowboy-hatted psychopath is planning another armed robbery - one that will draw a retiree into a life of crime and leave half-a-dozen bystanders dead. It's a case right up Hoke's alley: weird enough to catch his attention, personal enough to make him mad, and twisted enough to make Hoke forget he no longer wants to be a cop.

The Real Jesus Jan 23 2022 The writer of Hebrews knew the Real Jesus. He wanted to make sure the reader know the facts about Jesus. He said: Jesus is the Son of God: The Jewish reader would need to know this first and be willing to accept this or none of the others would make sense. Jesus is how God created the universe: It is as if the write has read John 1.1 and 1 John 1.1 where the apostle speaks of all creation happening through Jesus. Jesus is the very character of God: If you want to know God the father all you really need to know is His son Jesus. Jesus sustains everything by his mighty power: Not only is he the creator, he is also the one who keeps everything running. God did not create and then step back. He is actively involved in what is happening. Jesus is the one who cleanses sins: After stating his relationship with God the writer wants all who read his book to know Jesus is the answer to humanity's sin problem. Jesus is now setting at God's right hand: He is the resurrected Lord who has the position and power to back up and enforce all that has been promised, both positive and negative. The Real Jesus is the resurrected Lord. He is the one we serve and the one who directs our lives. This is the Real Jesus these studies work to introduce you to. Bob Highlands III

Wild Child Dec 22 2021 “Quiet but compelling arguments about the importance of kids getting out more and connecting to nature . . . A book that deserves to flourish.” —The Guardian From climbing trees and making dens, to building sandcastles and pond-dipping, many of the activities we associate with a happy childhood take place outdoors. And yet, the reality for many contemporary children is very different. The studies tell us that we are raising a generation who are so alienated from nature that they can't identify the commonest birds or plants, they don't know where their food comes from, they are shuttled between home, school and the shops and spend very little time in green spaces—let alone roaming free. In this timely and personal book, celebrated nature writer Patrick Barkham draws on his own experience as a parent and a forest school volunteer to explore the relationship between children and nature. Unfolding over the course of a year of snowsuits, muddy wellies, and sunhats, *Wild Child* is both an intimate story of children finding their place in the natural world and a celebration of the delight we can all find in even modest patches of green. “Entrancing . . . If ever there was a book to fuel the ecological interest of future generations, this is it.”—Isabella Tree, author of *Wilding* “Barkham takes us through a year giving his children an education in wildness. He encourages them that a physical relationship with wildlife is of the utmost importance . . . His memoir reveals the abundance of wildlife that can be explored in our own back gardens.” —The Herald
