[The CEO's Secret Weapon](#) _____ Dec 31 2019 Many executives don't take full advantage of the assistant who sits right outside their door. This book educates executives about all the ways in which they can streamline and improve the way they work with the help of a great assistant, while teaching them to identify great candidates and maximize the benefits of this special relationship.

[The Ceo's Secretary](#) _____ Sep 19 2021 "Tell me... your...name so...that I will...have a name to...call you" I said between each Strokes" Not knowing...your name... makes it more fun" he replied as he grind harder into me.Lexi Tyler got a post of Secretaryship in one of the biggest companies in the city without an interview after having a one night stand with a stranger who couldn't even share his name with her and when she realized that man she had a one stand with was also the billionaire the whole city have been talking about, she almost freaked out because the world she knew was about to end and she was about to start a new life with her cocky, rich boss

[What the CEO Wants You to Know](#) _____ Jun 28 2022 'The most influential consultant alive.' Fortune Have you ever noticed that the best CEOs seem to have a special kind of intelligence, an ability to sense where the opportunities in their industries are and how to take advantage of them? The best have a knack for simplifying the most complex business practices down to the fundamentals - the same fundamentals of the small family business. In *What the CEO Wants You to Know*, Ram Charan explains in clear, simple language how to do what great CEOs do instinctively and persistently - understand the basic building blocks of a company and use them to figure out how to make it work as a total business. Being able to decide what to do when, despite the clutter of day-to-day to-do lists and the complexity of the real world, takes the mystery out of business and offers a clear road map of organisational success. First published in 2001 (with over 300,000 copies sold worldwide) but never before published in the UK, this business classic has been completely rewritten and updated with new stories from today's market leaders and companies, and the latest insights from the cutting edge of management research. One of the world's most renowned management consultants and authors.' *Fast Company*

[The CEO's Guide to Marketing](#) _____ Jul 18 2021 This is the most practical marketing book you will ever read. It outlines a six-step process that will bring clarity to marketing like you've never experienced before. It's literally a step-by-step guide to more leads, higher sales and a stronger brand. The first step is simply being a competent marketer. As the CEO of your organization, this should worry you: Your marketing team knows a lot less about marketing than they let on. And you can prove it in an instant. Ask them to explain the difference between the marketing mix and the promotional mix. It's a basic question but surprisingly most marketers don't know the answer. Imagine asking your accounting staff the difference between a balance sheet and an income statement and finding out you stumped them. Now consider this: You can maybe ring another 20% in sales out of your current customers, but that's offset by the hole in your customer bucket. Real growth comes from new business development and you've entrusted a good share of that to a marketing team that can't define a basic marketing term. Not good. I suggest you buy a copy of this book for yourself first. I'll show you the six steps of Strategically Aimed Marketing or the SAM 6® process for short. It will get you up to speed quickly. Then buy copies for your staff and have them integrate the process into your organization. If you are a marketing manager, writer, graphic designer or anyone else who has a hand in marketing, you should buy this book and beat your CEO to the punch. I'm not kidding when I say *The CEO's Guide to Marketing* will make you the smartest marketer in the room. You are going to wish you had this book years ago. Lonny Kocina

[The Mountain Man's Bride](#) _____ Apr 26 2022 Will this runaway bride thaw the frozen heart of the grumpy mountain man? Maggie Walking away from my wedding and driving into a snowstorm wasn't my best idea. But I was too flustered to think clearly. Now here I am trapped in a remote cabin in the middle of a snowstorm. With a grumpy mountain man who seems to hate me. Too bad his every touch ignites my senses. Crew Maggie is beautiful with curves for days. She's the first woman I've noticed in months. But she's a runaway bride. And I've already been left at the altar once. I'm not about to go down this road a second time. No matter how bright the chemistry between us burns. Take a trip to Mount Bliss where groovy mountain men fall for curvy women who love just as fiercely as they do. There's NO cheating and NO cliffhangers. Just a sweet, sexy HEA.

[Dear CEO](#) _____ Jun 04 2020 This collection of specially-commissioned letters offers clear, calming and concise advice from across the spectrum of current leadership thinking. Written by respected business thinkers around the world, these 50 letters provide guidance, wisdom and personal insight into the particular challenges facing the business world today and anyone in a senior position. Contributors include high-profile names such as Tom Peters, who stresses the importance of focussing on the people within an organization; Liz Mellon, who writes to her CEO about gender equality in the workplace; Chris Zook, explaining how a change of mentality can lead to exponential growth; and Linda Brimm, who discusses managing global cosmopolitans and a modern workforce. *Dear CEO* also features a foreword by Zhang Ruimin, Chairman and CEO of Haier Group.

[The Ceo Buys in](#) _____ Feb 22 2022 Self-made billionaire Nathan Trainor feels restless and disillusioned. His company may be thriving, but he can't find a woman who sees him for more than his wealth. With his love life in the red, he meets two other billionaire bachelors at the ultra-exclusive Bellwether Club. The three of them make a wager of the heart: they must find women who love them for who they are, not their money. Savvy office temp Chloe Russell is trying to scrape together the money she needs to support her grandmother. So when a flu epidemic strikes Trainor Electronics and she's promoted to Nathan Trainor's assistant, she jumps at the lucrative opportunity. But then Nathan himself falls ill, and he and Chloe must work from his penthouse while he recuperates. Before long, it's clear there's genuine heat between them, and it's more than just a fever spike. Will Nathan win Chloe's heart and the bet? Or will their differences destroy any chance for love?

[The Effective CEO](#) _____ Nov 21 2021 In this book you're going to discover the proven process to hone your focus, prioritize your time and take control of your CEO role. Because the reality is that life of a CEO is a rollercoaster ride, filled with putting out fires, solving other people's problems and never-ending demands. There's always so much that needs to get done. Which is why at times it can feel like you're running backwards on a treadmill just trying to catch up, and that's before you even begin your tasks for the day! That's why the tools that work for "normal" people simply aren't enough to perform at the level needed to be an effective CEO. After all, most productivity advice is basic. It's for people in cubicle jobs with linear to-do lists. Whereas as a CEO, you're dealing with ten times more stress than most employees, and you have more things to get done than most people can even comprehend. Which is why picking up some rudimentary hacks isn't going to get you to the next level. Inside this book you're going to discover what it really takes to perform at the highest level, as we explore: - A process you can use each week to determine what to focus on, what to delegate, and what to outsource (as well as uncover what should be removed altogether) - How to structure your days and weeks in a way that aligns short and long-term priorities, so you can sustain momentum and maximize growth, all while defending your time - The one thing you need to do before every task that will hone your focus and allow you to execute at the highest level - A scientifically proven ninety-second exercise that'll be a complete game-changer for your stress, energy, and overall state of mind - The secret to structuring a life of freedom on your terms, so that you can crush your goals, without sacrificing time for your health, relationships and the other things that matter most We'll focus on everything from managing your time to boosting productivity, planning your days, figuring out your priorities, managing stress and scheduling. By the end, you'll know exactly what you need to do to take back control of your time so that you can free yourself up from your business. And you'll leave with the tools, knowledge and mental shift needed to become a more effective CEO.

[Hiring Success: How Visionary CEOs Compete for the Best Talent](#) _____ Oct 28 2019 Who you hire defines everything, from business success down to who you are as a leader. That's why hiring top talent is the #1 priority of most CEOs, and yet, studies show that the majority don't believe they recruit highly talented people. As the talent economy continues to evolve, CEOs need to adapt the way they compete for talent in order to keep up. As a current SaaS CEO and former recruiter, Jerome Ternynck packs 30 years of learnings and differentiated recruiting strategies into *Hiring Success* to provide CEOs a future-ready perspective for talent. You'll walk away with the ability to attract, select, and hire the best talent at a global scale on demand-leading to hiring success now and in the future.

[The CEO's Assistant: Enemies to Lovers Romance](#) _____ Jan 24 2022 Kerry So there we were. Two people as different as fire and ice. There's me. A committed, head-down-non-nonsense kind of girl who just wants to make a success of her career. Then, there's him: a self-obsessed, arrogant, entitled, class A jerk who hangs around the water cooler flirting with my female colleagues. And I see them flirting right back at him. Ugh! What they see in him is beyond me. Well, beyond the hot blue eyes fringed by the thickest most luxurious jet black lashes, a classically handsome face, muscles that flex and bunch up when he rolls up his sleeves, and that flat, hard stomach (not that I've touched it or anything, but it looks hard in a t-shirt). Other than those God-given privileges there's really nothing very interesting about him. Okay, I'll also admit he is very, very good at his job, which is quite annoying in itself considering how much time he spends by the water cooler. I avoid him as much as possible and I get the feeling he's doing that too. The closest I ever get to him is when he nods distantly at me whenever we find ourselves in the same space. Which, of course, is perfectly fine with me. After all, I don't like him. I'm just eternally grateful I don't have to work with him. Nothing could be worse. Then out of nowhere my father, who happens to co-own the firm with him, drops a nightmare bombshell on us. We have to work together on an important project! He seems as horrified as me at the prospect, but he doesn't walk away from the project. I want to refuse, but the project is too juicy to let him steal it away from me. I'll walk over burning coals before I'll allow him to stall my career and all my wonderful dreams. It'll be painful, but I'll grin and bear it. Closing the deal is all that matters. But now that we've started working together I got a funny feeling it's not walking on burning coals I'll have to worry about. There is a reason why my female colleagues are batting their eyelashes at him. Whenever he comes near, things start happening inside my body. Wicked things, uncontrollable wicked things... A full length steamy office standalone romance with guaranteed HEA.

[How to Act Like a CEO: 10 Rules for Getting to the Top and Staying There](#) _____ Jun 16 2021 This book looks at how CEOs approach decision-making and leadership by demonstrating that although no two CEOs think alike, there are certain habits of mind and a disposition to decide and to act that most leaders have in common.

[Startup CEO](#) _____ Mar 14 2021 You're only a startup CEO once. Do it well with Startup CEO, a "master class in building a business." —Dick Costolo, Former CEO, Twitter Being a startup CEO is a job like no other: it's difficult, risky, stressful, lonely, and often learned through trial and error. As a startup CEO seeing things for the first time, you're likely to make mistakes, fail, get things wrong, and feel like you don't have any control over outcomes. Author Matt Blumberg has been there, and in *Startup CEO* he shares his experience, mistakes, and lessons learned as he guided Return Path from a handful of employees and no revenues to over \$100 million in revenues and 500 employees. *Startup CEO* is not a memoir of Return Path's 20-year journey but a thoughtful CEO-focused book that provides first-time CEOs with advice, tools, and approaches for the situations that startup CEOs will face. You'll learn: How to tell your story to new hires, investors, and customers for greater alignment How to create a values-based culture for speed and engagement How to create business and personal operating systems so that you can balance your life and grow your company at the same time How to develop, lead, and leverage your board of directors for greater impact How to ensure that your company is bought, not sold, when you exit *Startup CEO* is the field guide every CEO needs throughout the growth of their company.

[CEO Excellence](#) _____ Jul 30 2022 "Based on extensive interviews with today's... corporate leaders, this look at how the best CEOs do their jobs focuses on the mindsets and actions that foster an environment of excellence" --

[That Will Never Work](#) _____ May 16 2021 In the tradition of Phil Knight's *Shoe Dog* comes the incredible untold story of how Netflix went from concept to company - all revealed by co-founder and first CEO Marc Randolph. "Engaging and insightful." --Reed Hastings, CEO of Netflix "As the founding CEO, Marc Randolph's leadership defined the culture of Netflix and laid the groundwork for successive, global revolutions in how we make and consume entertainment." --Gina Keating, author of *Netflixed: The Epic Battle for America's Eyeballs* "Charming, fascinating and very funny. If you've ever wondered how to turn an idea into a global household name, Marc Randolph will demystify the world of Silicon Valley start-ups, and make you laugh a lot along the way." --Decca Aitkenhead, *The Sunday Times* "A charming first-person account of the early days of one of the most successful tech start-ups ever. An engaging read that will engross any would-be entrepreneur." --The Washington Post Once upon a time,

brick-and-mortar video stores were king. Late fees were ubiquitous, video-streaming unheard of, and widespread DVD adoption seemed about as imminent as flying cars. These were the widely accepted laws of the land in 1997 when Marc Randolph had an idea. It was a simple thought - leveraging the internet to rent movies - and was just one of many more proposals, like personalised baseball bats and a shampoo delivery service, that Randolph would pitch to his business partner, Reed Hastings, on their commute to work each morning. But Hastings was intrigued, and the pair - with Hastings as the primary investor and Randolph as the CEO - founded a company. Now with over 150 million subscribers, Netflix's triumph feels inevitable but the twenty-first century's most disruptive start-up began with few believers and calamity at every turn. From having to pitch his own mother on being an early investor, to the motel conference room that served as a first office, to server crashes on launch day, to the now-infamous meeting when they pitched Blockbuster to acquire them, Marc Randolph's transformational journey exemplifies how anyone with grit, gut instincts and determination can change the world - even with an idea that many think will never work. What emerges, however, isn't just the inside story of one of the world's most iconic companies. Full of counter-intuitive concepts and written in binge-worthy prose, it answers our most fundamental questions about taking that leap of faith in business or in life: How do you begin? How do you weather disappointment and failure? How do you deal with success? What even is success? From idea generation to team building to knowing when it's time to let go, That Will Never Work is not only the ultimate follow-your-dreams parable but also one of the most dramatic and insightful entrepreneurial stories of our time. "Marc wastes no time cutting through the noise. He understands what is important whether it is your product, your marketing, or your business plan. A remarkable and one of a kind visionary." --Mitch Lowe, founder of RedBox and CEO of MoviePass "An entertaining chronicle of creativity, luck, and unflagging perseverance." --Kirkus

How To Become CEO Mar 26 2022 In How to Become CEO, consultant Jeffrey Fox has written an insightful book of traits to develop for aspiring CEOs, or for anyone who wants to get ahead in business. Open this book to any page and find a short, provocative piece of brutally honest advice written in a conversational tone. Each of the seventy-five 'rules' focuses on a specific action that should be taken, a trait that needs to be developed, or things to avoid. The words never and always are used frequently. These are smart, no-nonsense business messages that are meant to be revisited in your rise to the top. This is a book of hard-headed idealism that will empower you to develop leadership qualities: vision, persistence, integrity, and respect for superiors, subordinates, peers, and self. Anyone looking to climb the corporate ladder will be grateful for Fox's direct, pithy advice - the essentials to follow if you want to reach the top.

The CEO's Impossible Heir (Mills & Boon Modern) (Secrets of Billionaire Siblings, Book 2) Sep 27 2019 The secret is out: he's a father!
The CEO Test Oct 21 2021 Are you ready to lead? Will you pass the test? Despite all the effort through the years to understand what it takes to be an effective leader, the challenges of leadership remain enormously difficult and elusive; even today, most CEOs don't last five years in the job. The demands to deliver at a consistently high level can be unforgiving. The loneliness. The weight of responsibility. The relentless second-guessing and criticism. The pressure to build all-star teams. The 24/7 schedule that requires superhuman stamina. The tough decisions that often leave no one happy. The expectation to always have the right answer when it can be hard just to know the right question. These challenges are brought into their highest and sharpest relief in the corner office, but they are hardly unique to chief executives. All leaders face their own version of these tests, and the authors draw on the distilled wisdom, stories, and lessons from hundreds of chief executives to show how every aspiring leader can master these challenges and lead like a CEO. These foundational leadership skills will make all aspiring executives more effective in their roles today and lift the trajectory of their careers. The CEO Test is the authoritative, no-nonsense insider's guide to navigating leadership's toughest challenges, brought to you by authors uniquely qualified to tell the stories. Adam Bryant has conducted in-depth interviews with more than 600 CEOs. Kevin Sharer spent more than two decades as president and then CEO of Amgen, where he led its expansion from \$1 billion in annual revenues to nearly \$16 billion. He has served on many boards and is a sought-after mentor for CEOs of global companies. Leadership is getting harder as the speed of disruption across all industries accelerates. The CEO Test will better prepare you to succeed, whether you're a CEO or just setting out to become one.

Pregnant By The CEO (Mills & Boon Desire) (The Jameson Heirs, Book 1) Jan 12 2021 Derrick Jameson dedicated his life to the family business, and all he needs to close the deal is the perfect fiancée.

Be The CEO Of Your Emotions Mar 02 2020 About the Book BE THE CEO OF YOUR EMOTIONS is a guide to comprehension, interpretation and mastery of human emotions and corresponding behavioural patterns. The post modern era experiences the highest ever escalation in depression, anxiety and trauma, people struggle to counterbalance their mental well being with the fast paced, lifestyle that demands a specific level of intensity in their race to keep up with liveliness. This book sets off to dissect reasons to the origin of prevailing mental disorders which is intensively on basis of dealing with them in a constructive and optimistic manner. Emotional breakdown is never too far away from any individual. It can consume us and cause brain altering effects if not approached with understanding, compassion and empathy. Emotional ignorance is a step closer to acute mental dysfunction and in extreme cases, suicide. The book is a must-read for everyone wishing to achieve emotional stability and influence in their conduct. Enjoy! My emotional dark days is not too different from most people's own. I lost my mother at the age of seven. Her death was a literal blow to my entire being. Our super closeness made the pain unbearable for me. She was my best friend. Everything mom did had my interest securely tied to it.

Craving The CEO Aug 31 2022 Blair I'd never had a one-night stand before and all I wanted to do was celebrate snagging my interview at my anticipated new job, but he was cute on steroids. And then he went and smiled, and oh my, how much his parents must have spent on his teeth. He was downright edible. I could be exaggerating though, I did have a little too much to drink. To cut the long story short, I went back to his hotel room... and it was a totally ah-mah-zing night. Well, the rest is a bit sordid. One night stands are supposed to be. You creep out, or he does. I stole the march on him and left before he opened those heavenly eyes. I filed the night away in my head under Fantastic Experiences. When I was an old woman sitting on a rocking chair on my porch eating ice cream while my seven or even ten grandchildren played in the front yard, I would recall the night and tell me myself, "Blair, you scored well that night." Then I got ready for the interview day at the new job I was celebrating. Thankfully I did get the job. But now you must know where I'm going with this. That's right, that unforgettable gorgeous man I was going to be congratulating myself over when I was wrinkled and gray, he was my new boss! And even without the alcohol he was climb-worthy, but I should add, he was what any reasonable woman would also call a boss-hole. A full length standalone office romance with all the heat you can handle.

The Saint, the Surfer, and the CEO Oct 09 2020 From the bestselling author of *The Monk Who Sold His Ferrari* A chance encounter following a near-death experience sends Jack Valentine on a paradigm-shifting quest to understand the true meaning of life and find his most authentic self. Jack Valentine seemed to have it all. He made good money as an ad man and looked good doing it. He had a hot apartment, cool friends, even a slick car—at least until the hectic Monday morning a truck smashed into it, sending the critically injured Jack to the hospital. Everything happens for a reason, though, and Jack's reason reveals itself in the silver-haired cancer patient who becomes his roommate one evening. The elderly man, Cal, shares his life story—one not dissimilar to Jack's—of material wealth masking a gaping hole within. Cal ultimately found salvation through philosophy ("the love of wisdom"), and now offers to help Jack by prepping the younger man for the Final Questions we all must face: Have I lived wisely? Have I loved well? Have I served greatly? Presenting Jack with three plane tickets, each accompanied by a map marked with a red X, Cal sends Jack to meet with three great teachers, each of whom will help Jack answer one of the Final Questions—just as they once helped Cal. First, in Rome, Jack will meet "the Saint." Then a haunted beach in Hawaii introduces him to "the Surfer." And finally the grandeur of New York City sets the stage for his last encounter: with "the CEO." Along the way, Jack will learn to do his interior work, discover that our negative traits offer gateways to higher versions of ourselves, and understand that figuring things out in your head can distract you from the powerful whispers of your heart. Join Jack on his journey and step into the you that you were always meant to be.

Haunting the CEO Feb 10 2021 A business leadership book written in story format. Haunting the CEO follows the story of failing CIO Brian Kagey, who must learn what it means to become a true business leader in order to save his job and career.

The CEO Next Door Jul 06 2020 Winner of CMI Management Book of the Year 2019 New York Times Bestseller Wall Street Journal Bestseller Everything you thought you knew about becoming a CEO is wrong. You must graduate from an elite college or business school. In fact, only 7 percent of the CEOs of today's companies went to a top school—and 8 percent didn't graduate from college at all. Never put a foot wrong. In fact, people who have become CEOs have on average had five to seven career setbacks on their way to the top. Drawing on the biggest dataset of CEOs in the world -- in-depth analysis of 2,600 leaders, drawn from a database of 17,000 CEOs, as well as 13,000 hours of interviews -- The CEO Next Door is crammed full of myth-busting and counter-intuitive insights in what it really takes to get ahead. Discover the way actual CEOs of top companies think and behave, and the kind of traits to develop if you want to make your ambitions a reality and take your career right to the top.

The Great CEO Within: The Tactical Guide to Company Building Nov 02 2022 Matt Mochary coaches the CEOs of many of the fastest-scaling technology companies in Silicon Valley. With *The Great CEO Within*, he shares his highly effective leadership and business-operating tools with any CEO or manager in the world. Learn how to efficiently scale your business from startup to corporation by implementing a system of accountability, effective problem-solving, and transparent feedback. Becoming a great CEO requires training. For a founding CEO, there is precious little time to complete that training, especially at the helm of a rapidly growing company. Now you have the guidance you need in one book.

Play Nice But Win Nov 09 2020 WALL STREET JOURNAL BESTSELLER From Michael Dell, renowned founder and chief executive of one of America's largest technology companies, the inside story of the battles that defined him as a leader in 1984, soon-to-be college dropout Michael Dell hid signs of his fledgling PC business in the bathroom of his University of Texas dorm room. Almost 30 years later, at the pinnacle of his success as founder and leader of Dell Technologies, he found himself embroiled in a battle for his company's survival. What he'd do next could ensure its legacy—or destroy it completely. *Play Nice But Win* is a riveting account of the three battles waged for Dell Technologies: one to launch it, one to keep it, and one to transform it. For the first time, Dell reveals the highs and lows of the company's evolution amidst a rapidly changing industry—and his own, as he matured into the CEO it needed. With humor and humility, he recalls the mentors who showed him how to turn his passion into a business; the competitors who became friends, foes, or both; and the sharks that circled, looking for weakness. What emerges is the long-term vision underpinning his success: that technology is ultimately about people and their potential. More than an honest portrait of a leader at a crossroads, *Play Nice But Win* is a survival story proving that while anyone with technological insight and entrepreneurial zeal might build something great—it takes a leader to build something that lasts.

Knocked Up by the CEO Jan 30 2020 He's New York City's most eligible CEO, and he's about to be my baby's daddy. Zach Lockwood is irresistible. He's charming. He's confident. He's got a smile that brings me to my knees. Or at least, I wish it brought me to my knees. There's only one problem: Mr. Lockwood is my boss. Otherwise known as: Off. Limits. But off-limits doesn't mean a girl can't look, right? What's the point in having a Sex God CEO if you can't indulge in a few innocent fantasies? Well, innocent might not be the right word for them. But naughty as they may be, my fantasies are the least of my problems. When I ruin the office Christmas party, I think I might be in trouble. When he takes me back to his corner office, I know I'm in trouble! I never knew trouble could feel so good. And oh my, does it feel good! It's just one night. One wild, fantasy-fueled night. One night that changes everything. Neither of us know it yet, but things are about to get a whole lot more complicated. *Knocked Up* by the CEO is a standalone secret baby office romance, and the first book in the 'Knocked Up' series. If you like sizzling hot heat and happily-ever-afters, you'll love *Knocked Up* by the CEO. Download your copy today and see what makes Zach Lockwood the sexiest CEO in the city!

The CEO Test Apr 14 2021 Are you ready to lead? Will you pass the test? Despite all the effort through the years to understand what it takes to be an effective leader, the challenges of leadership remain enormously difficult and elusive; even today, most CEOs don't last five years in the job. The demands to deliver at a consistently high level can be unforgiving. The loneliness. The weight of responsibility. The relentless second-guessing and criticism. Be My Teacher Nov 29 2019 When a famous author has agreed to teach you, is it wrong to fantasise about it becoming more than just teacher/student? This is a super hot Age Gap, Butch-Femme, Teacher/Student Romance. It is Book 3 in the Celestian Series but you can read it as a standalone romance. This book contains light BDSM scenes. Rosa Martinez is a young writer who is determined to become a great author. Her plan involves getting her idol, the famous reclusive guarded author Max Moore to tutor her. Max eventually agrees to an arrangement where Rosa works in Max's office in exchange for learning from the great Max Moore. Rosa can't stop fantasising about

Max's dominance and assertive nature. She likes it when Max is hard on her. Can Rosa find a way to make this more than just a teacher/student arrangement? Find out in this super hot story about a famous author today. You can guarantee a sweet yet steamy love story with a HEA with any book from Emily Hayes.

The CEO Dec 11 2020 Douglas Aspine knew that being CEO of a public company was twenty times more lucrative than winning the lottery. He was forty-five and time was running out when fate dealt him an unexpected opportunity. The company was old, staid and well respected but it was underperforming and Aspine was determined to turn it around no matter who he had to crush or how many toes he had to stand on. Soon he was at war with the company's employees, unions, suppliers, financiers and co-directors but nothing was going to stop him. He knew he had countless detractors and enemies who he contemptuously labeled "losers" and paid no heed to. Would this prove to be a miscalculation of monumental proportions or would he prevail?

The CEO's Mindset Jul 26 2019 Are you stuck at a certain level in growing a business? Many entrepreneurs, CEOs, business owners and leaders struggle with the proper growth and scaling strategies for a company. A business is usually held back from scaling because of a few critical areas in the company. Hiring practices are inconsistent. No formal online business accounting. Team building and training is lacking. Team got away from a clear and simple marketing message. No formal process for training or system for management. What we have learned is that all of this starts with the proper mindset of the CEO and entrepreneur. He or she got off mission, if there was even one in the first place. So many small and medium sized businesses today struggle with growing and scaling because the company doesn't have a good team or team building strategy and the CEO is running blind on the real numbers of the business. The good news: There is a solution! It starts with you the leader of the company. If your mindset is focused on being the complete leader of a company that has other people in control of the core areas and not only you, then your company will break through to its next level of growth. In the CEO's Mindset, you will discover the secrets to breaking through and learning how to be in charge without having to be in control of every core area of your company. You will learn what the core areas are and how to create a simple, focused plan with real practical how to steps on implementing this plan into your business. You'll discover simple yet powerful ways to run your company that will give you and your leadership team more focus, purposeful growth, and more enjoyment. Successful companies throughout the world are applying the tactics of the CEO's Mindset every day to run profitable, frustration-free businesses that are NOT stuck--and you can too. Take the journey today and start with getting your mindset focused on being the complete leader in chapter one. The CEO's Mindset is so important: it is the name of the book. Then the book transitions to simply the most important aspect of scaling a company - TEAM! If you can only focus on one core area of your company then your specific hiring practice and team training investments will pay off. We have all of that for you! The next most important core areas to truly growing and scaling your company is the real numbers of the company. Are you tired of not knowing where your money is going? Well, the successful companies have a proper online business accounting system in place. The CEO's Mindset will give you the step-by-step guide to setting up this department along with the guidance you need to do these in all of the core areas of your company. There is no longer a good reason why the entrepreneur and leader of the company cannot be the complete leader. The Total CEO. Dive in today and discover how you can be in charge without being in control or ignoring core areas of your company and finally break through to your next level!

A CEO Only Does Three Things Sep 07 2020 Whether you're a new CEO trying to navigate chaotic workdays or a veteran of the C-Suite trying to reignite your passion, focus is your most important asset. Many owners and CEOs think they have to be involved in every aspect of their business. They spend valuable brainpower on low-priority decisions. Before long, they're overworked and burned out. Instead of doing everything, it's time to focus on the right things. A CEO Only Does Three Things zeroes in on the three pillars of business: culture, people, and numbers. Steeped in twenty-plus years of practical knowledge, training, and consulting with some of the world's largest companies, this indispensable guide shows how to articulate the right culture for your business, hire people with the right mindsets, and inspire your teams to produce optimal results. Hundreds of CEOs have used Taylor's methods to create fulfilled, efficient, professional lives, and you can join them. Learn how to focus on the work you love--and avoid CEO burnout.

Tangled with the CEO Dec 23 2021 SiennaMy boss asks me to go to Vegas with him. No, not like that! I mean, he's hot enough to burn off a girl's panties, but we don't see each other like that. Okay, he doesn't. Nope. It's his brother's stag party, but he's a workaholic who likes to spend even his weekends working! That's where I come in. His trusted PA figures by having me there in Vegas he could sneak in some work during the day and play at night. It all goes great until... I wake up in the morning and I'm not alone. My boss is in my bed. And I'm naked. Then I discover, oh God no, there's a gold band on my wedding hand that wasn't there the night before. It has to be a mistake. We stare at each other in horror. Slowly, my boss lifts up his hand. Yep, there's a gold band on his finger too. The look on the man who always has the answer is priceless. For two years we've exchanged a completely professional relationship and now we're married? It's just too crazy to contemplate. What the hell happened last night? How was it possible that neither of us could remember saying I do! Obviously, the right thing to do was to end this marriage mistake and tell no one. Mark it down to an embarrassing chapter of our lives. It might be a bit awkward at the beginning, but we would eventually go back to the relationship we had before. That worked just fine. What stays in Vegas stays in Vegas, right? But somewhere deep inside I didn't want what happened in Vegas to stay in Vegas. I wanted to feel his skin against mine again. I wanted to keep my shiny new wedding ring.

How to Think Like a CEO Aug 26 2019 Drawing on in-depth interviews with hundreds of the nation's top executives, D. A. Benton explains the 22 vital traits that make a CEO - the leader responsible for making decisions, guiding teams, selling ideas, managing crises, and conquering the mountains before them. You'll penetrate the mystery of why some people make it to the top and some don't, when they're all equally good at their jobs. You'll learn how to avoid getting fired and how to get promoted more quickly, how to enjoy the quality of life you want and deserve, and - if you decide you want to be the Big Boss - how to have the right character traits to get there. These are some of the traits that make a CEO. Are you ready to make them yours? You're gutsy and a little wild - yet modest and in control. You're competitive and tenacious - yet flexible and generous. You're willing to admit mistakes - yet unapologetic. You're secure in yourself - yet constantly improving. You're original and straightforward - yet think before you talk. Make your ascent not only gratifying, but also exhilarating and fun. This is how chiefs run the show - and how you can act like a chief to become a chief, even sooner than you dreamed.

The CEO Code Aug 07 2020 Inspirational and informative, The CEO Code shares real-life stories of success and failure from author David Rohlander's personal journey and work as a mentor and coach to CEOs and executives of Fortune 500 companies, mid-sized companies, and start-ups. The book will give you: Practical advice for dealing with people. Proven strategies to increase business profits and growth. Unique and simple solutions to complex problems. The secret to authentic communication.

Dear Mr. CEO, I Want You May 04 2020 My boss Grant O'Connell, the CEO of O'Connell, Thompson, and Taylor Enterprises, is sexy as sin. Too bad he's also a tyrannical jerk. For the past year and a half, I've worked my ass off for him and obeyed his every command. But one day, out of the blue, he fires me. I later discover it's because he found an unsent letter that I wrote to him - a letter that described all the dirty things I would like him to do to me... ***The first standalone book in the OTT Enterprises series featuring alpha male businessmen and the women they want to make theirs.*** WORD COUNT: 6,200

Saving the CEO Oct 01 2022 Real estate mogul Jack Winter has rules. Lots of rules. After all, a man doesn't build an empire without a little discipline. And on page one of the rulebook? Don't sleep with your employees. Especially when there's a multimillion dollar real estate deal at stake... Luckily for Jack, Cassie James isn't really his employee. She's a hot bartender who just happens to be the math genius he needs, and if they share a wicked chemistry? Well, that's just a sexy little perk. So they strike a deal: Cassie helps Jack with the merger. And until the deal goes through at Christmas, they can indulge every impulse they desire. But the more rules Jack makes, the more he seems to break...

It's Only Temporary: A Stand In Fake Fiancee Romance Jun 24 2019 Connor Question: What do you do when your fiancée breaks up with you via text message? Answer: Obviously, you get s**t-faced drunk with your mates at the bar and blurt/slur out an invitation to the gorgeous waitress to come with you to Colorado for your sister's wedding. Question: What happens when she, against all odds, says yes? Answer: You take her to Colorado with you and... wow! Asking her to come turns out to be the best thing you ever did in your life. Question: What happens when your ex turns up and wants to kiss and make-up? Answer: Baby, everything has a sell-by date.

My Possessive CEO May 28 2022 With the death of her parents, and the exhaustion of her part time job, Sarah decided on getting a job as a secretary for the CEO of a worldwide known company. What she didn't know was that her boss would turn out to be America's most eligible bachelor, and one of New York's most known player. Damien Reaves is one of the most powerful men, and CEO anyone could ever come across. He is known for his excellent business managing skills, his charming looks, not to mention his skills in bed, and his continuous list of women. But he is also cold hearted and arrogant. When a short woman, with a fiery attitude steps foot in his office for an interview, he couldn't help it, but to have a possessive feeling over her, wanting her all to himself, making sure no one else could have her. Now Sarah finds herself trapped in an invisible cage of emotions, feelings, lust and love, all because of her new boss, and his possessive hold on her.

The Divine CEO Apr 02 2020 The Divine CEO is a no-nonsense, pragmatic book about the hierarchy of spiritual ascent. It comes from the pen of acclaimed writer Geoff Thompson: former bouncer, world ranking martial arts guru, and BAFTA winning screenwriter. This is a masterclass on how to contract your ego, expand your conscious awareness, and build a powerful internal hierarchy, through mastery of mind, body and senses. For anyone looking to break their negative associations with the world and create a divine covenant with their Greatest Potential (their own internal Chief Executive Officer), this empirical, muscular and direct study of spiritual ascension is the perfect companion. It is the essence of the author's fifty year apprenticeship in practical spirituality, and high end Budo martial arts.

The Five Temptations of a CEO Aug 19 2021 A commemorative edition of the landmark book from Patrick Lencioni. When it was published ten years ago, The Five Temptations of a CEO was like no other business book that came before. Highly sought-after management consultant Patrick Lencioni deftly told the tale of a young CEO who, facing his first annual board review, knows he is failing, but doesn't know why. Refreshingly original and utterly compelling, this razor-sharp novelette plus self-assessment (written to be read in one sitting) serves as a timeless and potent reminder that success as a leader can come down to practicing a few simple behaviors that are painfully difficult for each of us to master. Any executive can learn how to recognize the mistakes that leaders can make and how to avoid them. The lessons in The Five Temptations of a CEO, are as relevant today as ever, and this special anniversary edition celebrates ten years of inspiration and enlightenment with a brand-new introduction and reflections from Lencioni on new challenges in business and leadership that have arisen in the past ten years.
