**Snowmen in Paradise** Jun 26 2022 "Winter Carnival comes to Serenity and with it Tj finds her schedule busier than ever. Not only is her ski and snowboard team heavily involved in demonstrations and local competitions, but her rag tag choir is about to debut in their first live performance. To make matters even more complicated, someone has killed Travis Davidson, a town favorite son, world class snowboarder, and Olympic hopeful. Tj is determined not to get involved in the subsequent investigation until she finds out that the prime suspect is Chelsea Hanson, her high school boyfriend Hunter Hanson's sister. Although there is no shortage of Sereninites with a grudge against the hometown hero, even Tj has to admit that there is good cause to suspect Chelsea of the murder. Balancing bridesmaid duties, Winter Carnival obligations, and show choir duty, with after hours investigation, Tj sets out to prove Chelsea innocent"--Page [4] of cover.

*Karma Police: The Complete Series* Nov 27 2019 From the bestselling authors of *Yesterday's Gone* and *WhiteSpace*. One more day in a body that doesn't belong to me. Another day further from a life I can't remember. I am a Jumper. Almost every day, I wake up in a different body. I don't know my name, nor who or what I was before I started jumping. I've been male and female, young and old, a cop and a criminal. I try not to make waves, to leave my host's body and life the way I found it. I know they'll be back for it, and I'll be off to another body, another life. But this jump is different. This jump turns deadly, and for the first time, my jumps aren't random. The bodies in which I find myself all have a connection: a merciless killer who can see the real me inside the host. A killer whose crimes I might be seeing before they are committed. A killer who wants me dead. Includes all six stories in the Karma Police series: Jumper Karma Police The Collectors Deviant The Fall Homecoming Get the complete collection of the Karma Police series, for fans of *Quantum Leap*, *Minority Report*, and *Person of Interest*.

Paradise at Your Fingertips Sep 25 2019 Jeanette and Maria Vandermeer were born fraternal twins. Even though they have the same birthday, they don't have anything else in common. They are night and day different, inside and outmost notably in that Jeanette is always happy, while Maria never seems to be. Growing up together, they learned many of the same lessons; even so, the way they look at the world is very different. As an adult, Maria is kicked out of the family home for unruly behavior, and Jeanette moves away to marry her boyfriend. Despite their differences, they both find themselves settling for less than they're worth in life and in love. Cheerful Jeanette finds that her sunny disposition is not enough to keep her marriage together, while Maria wanders in her own self-doubt and despair. But where there's life, there's hope. Jeanette is given a second chance to find true love, while Maria makes the acquaintance of Leon Lanix, who offered her hope for her future. Despite challenges, the sisters do find ways to make life work. Different by birth, they do have something in common: Jeanette and Maria both know that no matter what happens, it's how we react that makes us who we really are. Sisters, one happy, one sad, each seeks her own place in paradise; they may be surprised where they find it.

**Edible Paradise** Jan 10 2021 Learn how to create your own no-dig, organic garden with permaculture design and techniques. Vera's 15 years of experience as a no dig gardener provides a vast amount of knowledge on growing fruit, vegetables, herbs and flowers. The book is divided into two sections, container gardening and permaculture kitchen gardening. Part One shares knowledge especially useful to urban gardeners and those with little space. Part Two advises on starting and maintaining a garden. Vera's specialty is creating beautiful and delicious polycultures and she offers a range of examples to get you started and the knowledge to experiment. She also includes recipes for your fresh harvests. Chapters on making compost, building raised beds, and a monthly job guide make this useful for all levels of gardener. Vera demonstrates that gardens can look beautiful and be productive, and her advice and examples encourage us to look at our own growing spaces in a different light. We no longer need to hide our veggie patches; they can take centre stage. Why not incorporate cut flowers with herbs, brassicas and peas? Or plant a pottager garden? These examples will help people create edible paradises everywhere, like patios, balconies, windowsills, allotments, community and school gardens, front and back gardens and anywhere else we can grow.

**Even in Paradise** Oct 31 2022 The Great Gatsby meets Looking for Alaska in this stunning debut from Chelsey Philpot. With inspiration drawn from Evelyn Waugh's *Brideshead Revisited*, this novel perfectly captures the love and heartbreak that can change us most. When Julia Buchanan enrolls at St. Anne's at the beginning of junior year, Charlotte Ryder already knows all about her. Most people do . . . or think they do. But as Charlotte is pulled into the larger-than-life new girl's world—a world of midnight rendezvous, dazzling parties, palatial vacation homes, and fizzy champagne cocktails—she realizes that behind Julia's self-assured smiles and toasts to the future, she is still suffering from a tragedy. A tragedy that the Buchanan family has kept hidden . . . until now.

"What's your dream, son?" A six year-old boy, head bowed, mumbles the eternal answer: "Be a footballer...." Steadman Scott, football's most unlikely talent scout, smiles indulgently, and takes him in from the street. He knows the odds. Only 180 of the 1.5 million boys who play organised youth football in England will become a Premier League pro. That's a success rate of 0.012 per cent. How and why do the favoured few make it? What separates the good from the great? Who should they trust – the coach, the agent or their parents? Michael Calvin provides the answers on a journey from non-league grounds to hermetically sealed Premier League palaces, via gang-controlled sink estates and the England team's inner sanctum. He interviews decision makers, behavioural specialists, football agents and leading coaches. He shares the hopes and fears of players and their parents. He exposes bullying and a black economy in which children are commodities, but remains true to the dream.

Pawpaw May 14 2021 The largest edible fruit native to the United States tastes like a cross between a banana and a mango. It grows wild in twenty-six states, gracing Eastern forests each fall with sweet-smelling, tropical-flavored abundance. Historically, it fed and sustained Native Americans and European explorers, presidents, and enslaved African Americans, inspiring folk songs, poetry, and scores of place names from Georgia to Illinois. Its trees are an organic grower's dream, requiring no pesticides or herbicides to thrive, and containing compounds that are among the most potent anticancer agents yet discovered. So why have so few people heard of the pawpaw, much less tasted one? In *Pawpaw*—a 2016 James Beard Foundation Award nominee in the Writing & Literature category—author Andrew Moore explores the past, present, and future of this unique fruit, traveling from the Ozarks to Monticello; canoeing the lower Mississippi in search of wild fruit; drinking pawpaw beer in Durham, North Carolina; tracking down lost cultivars in Appalachian hollers; and helping out during harvest season in a Maryland orchard. Along the way, he gathers pawpaw lore and knowledge not only from the plant breeders and horticulturists working to bring pawpaws into the mainstream (including Neal Peterson, known in pawpaw circles as the fruit's own "Johnny Pawpawseed"), but also regular folks who remember eating them in the woods as kids, but haven't had one in over fifty years. As much as *Pawpaw* is a compendium of pawpaw knowledge, it also plumbs deeper questions about American foodways—how economic, biologic, and cultural forces combine, leading us to eat what we eat, and sometimes to ignore the incredible, delicious food growing all around us. If you haven't yet eaten a pawpaw, this book won't let you rest until you do.

The Princess's Valentine (Pirates of Flaundia #2.5) Jul 24 2019 Daisy and her ex-pirate wife of one year have created a wonderful life together on an island paradise, after many years of separation and heartache. **Too Good to Be True** Jan 22 2022 ONE LOVE STORY. TWO MARRIAGES. THREE VERSIONS OF THE TRUTH. *Too Good to Be True* is an obsessive, addictive love story for fans of Lisa Jewell and *The Wife Upstairs*, from Carola Lovering, the beloved author of *Tell Me Lies*. Skye Starling is overjoyed when her boyfriend, Burke Michaels, proposes after a whirlwind courtship. Though Skye seems to have the world at her fingertips—she's smart, beautiful, and from a well-off family—she's also battled crippling OCD ever since her mother's death when she was eleven, and her romantic relationships have suffered as a result. But now Burke—handsome, older, and more emotionally mature than any man she's met before—says he wants her. Forever. Except, Burke isn't who he claims to be. And interspersed letters to his therapist reveal the truth: he's happily married, and using Skye for his own, deceptive ends. In a third perspective, set thirty years earlier, a scrappy seventeen-year-old named Heather is determined to end things with Burke, a local bad boy, and make a better life for herself in New York City. But can her adolescent love stay firmly in her past—or will he find his way into her

future? On a collision course she doesn't see coming, Skye throws herself into wedding planning, as Burke's scheme grows ever more twisted. But of course, even the best laid plans can go astray. And just when you think you know where this story is going, you'll discover that there's more than one way to spin the truth.

*The Collectors* Nov 07 2020 From the bestselling authors of *Yesterday's Gone* and *WhiteSpace*. One more day in a body that doesn't belong to me. Another day further from a life I can't remember. I am a Jumper. Stuck waking up in a new body almost every day. I don't know why this is happening, and I have no memory of anything before this started. Each Jump seems to get me closer to the answers I'm desperate to find, but they remain just out of reach. But this time, I wake inside a girl clinging to life. I find myself Jumping from body to body in her circle of family and friends—as well as enemies—with one question on my mind: Can I save her? And as I start to unravel the dark secret that led to her attempted suicide, the soul-eating Collectors are closing in on me. For the first time, I feel like my host can die. And so can I. ????? “I've been hooked since Jumper and these novellas keep getting better. The story evolves, gets deeper and richer throughout the series. A bit saddened that I have to wait until summer for part 4 but I'm sure it will be worth the wait.” — Christian Burch ????? “It was hard to wait for this book. I kept looking for it to come out and ended up sending an email to one of the authors. He as well as the others are always wonderful about getting right back with their fans. I found out the book was out, Immediately bought it and stayed up all night to read it.” — Catherine Johnson ????? “Just finished book three and talk about thrilling...I'm so ready for the next books! Ella makes the characters come alive no matter how old or young, man or woman, you feel them. Great writing guys...bravo” — Judy Reynolds ????? “What makes ‘The Collectors’ stand out as the best in a series of very good books is its voice. Co-author David Wright is a terrific writer- but when his subject matter is bullying, he rises to a whole nother level. Whether it's first Charlie and then Luca in *Yesterday's Gone*, the handful of bullies stupid enough to draw Boricio's attention in short stories, or Milo in *White Space*, Wright excels. He lays bare the emotional anguish, humiliation, and helplessness the victim of bullying experiences with a skill that few writers possess.” — Brian Switzer ????? “Yes, their highly creative books always end on a cliffhanger, but they are gold at writing more to keep you satisfied. Interesting worlds, plot twists, action and adventure and character development in unforeseen ways abound. Big fan!” — C The *Collectors* is the third book in the Karma Police series, for fans of *Quantum Leap*, *Minority Report*, and *Person of Interest*.

**Choker** Jun 02 2020 Sixteen-year-old Cara Lange has always been a loner, even more so since she moved away from her best and only friend, Zoe, a few years ago. Cara mostly spends her time avoiding the popular girls who call her 'choker' after a humiliating incident in the cafeteria, and watching Ethan Gray from a distance, wishing he would finally notice her. Then one day Cara comes home and finds Zoe waiting for her. Zoe's on the run from problems at home, and Cara agrees to help her hide. With Zoe back, Cara's life changes overnight. Zoe gives her a new look and new confidence, and before she can blink, Cara is flirting with Ethan and getting invited to parties. And best of all, she has her best friend to confide in again. But just as quickly as Cara's life came together, it starts to unravel. A girl goes missing in her town, and everyone is a suspect ~ including Ethan. Worse still, Zoe starts behaving very strangely, and Cara begins to wonder what exactly her friend does all day when she's at school. You're supposed to be able to trust your best friend no matter what, but what if she turns into a total stranger?

*The Real Boy* Mar 24 2022 National Book Award Longlist \* Bank Street Children's Book Committee Best Book of the Year "Beautifully written and elegantly structured, this fantasy is as real as it gets."—Franny Billingsley, author of *Chime* *The Real Boy*, Anne Ursu's follow-up to

her widely acclaimed and beloved middle grade fantasy *Breadcrumbs*, is a spellbinding tale of the power we all wield, great and small. On an island on the edge of an immense sea there is a city, a forest, and a boy named Oscar. Oscar is a shop boy for the most powerful magician in the village, and spends his days in a small room in the dark cellar of his master's shop grinding herbs and dreaming of the wizards who once lived on the island generations ago. Oscar's world is small, but he likes it that way. The real world is vast, strange, and unpredictable. And Oscar does not quite fit in it. But now that world is changing. Children in the city are falling ill, and something sinister lurks in the forest. Oscar has long been content to stay in his small room in the cellar, comforted in the knowledge that the magic that flows from the forest will keep his island safe. Now even magic may not be enough to save it.

**A Winter Place** Feb 29 2020 A family carrying ice skates passes villages, farms, and forests on the way to a frozen lake high in the hills. Fifteen paintings accompany brief descriptive text.

**Fraser's Magazine** Aug 17 2021 Contains the first printing of *Sartor resartus*, as well as other works by Thomas Carlyle.

*Rosie Girl* Dec 09 2020 Little Peach meets *We Were Liars* in this haunting YA debut about a troubled teen searching for her birth mom who uncovers disturbing family secrets along the way. After her father passes away, seventeen-year-old Rosie is forced to live with her abusive stepmom Lucy and her deadbeat boyfriend, Judd, who gives Rosie the sort of looks you shouldn't give your girlfriend's step-daughter. Desperate for a way out, Rosie would do just about anything to escape the life she's been handed. Then she finds a letter her dad wrote years ago, a letter confessing that Rosie's birth mother isn't dead, as she believed, but alive somewhere—having left them when Rosie was a little girl for reasons he won't reveal. Rosie resolves to find her birth mom, and she'll put everything on the line to make that happen. She hires a PI paid for by her best friend, Mary, who turns tricks for money. Unlike Rosie, Mary's no delicate flower and when she sees the opportunity to make some cash and help out her closest friend, she takes it. Romance blooms when the PI Rosie hires hands the case off to his handsome nephew Mac, but Rosie struggles to keep her illicit activities with Mary a secret. Things begin to unravel when Rosie starts getting creepy anonymous texts from johns looking for Mary. And then there's Mary, the one person Rosie can count on, who's been acting strangely all of a sudden. As Rosie and Mary get closer to finally uncovering the truth about Rosie's mom, Rosie comes face to face with a secret she never saw coming. A visceral, poignant tale of friendship, sacrifice and identity, *Rosie Girl* is an unforgettable debut that will leave you guessing till the very last page.

*Paradise Rot* Nov 19 2021 Jo is in a strange new country for university and having a more peculiar time than most. In a house with no walls, shared with a woman who has no boundaries, she finds her strange home coming to life in unimaginable ways. Jo's sensitivity and all her senses become increasingly heightened and fraught, as the lines between bodies and plants, dreaming and wakefulness, blur and mesh. This debut novel from critically acclaimed artist and musician Jenny Hval presents a heady and hyper-sensual portrayal of sexual awakening and queer desire.

*Godshot* Jul 28 2022 "Imagine if Annie Proulx wrote something like *White Oleander* crossed with *Geek Love* or *Cruddy*, and then add cults, God, motherhood, girlhood, class, deserts, witches, the divinity of women . . . Terrifying, resplendent, and profoundly moving, this book will leave you changed." —T Kira Madden, author of *Long Live the Tribe of Fatherless Girls* *Drought* has settled on the town of Peaches, California. The area of the Central Valley where fourteen-year-old Lacey May and her alcoholic mother live was once an agricultural paradise.

Now it's an environmental disaster, a place of cracked earth and barren raisin farms. In their desperation, residents have turned to a cult leader named Pastor Vern for guidance. He promises, through secret "assignments," to bring the rain everybody is praying for. Lacey has no reason to doubt the pastor. But then her life explodes in a single unimaginable act of abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of Pastor Vern's shocking plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. With her only guidance coming from the romance novels she reads and the unlikely companionship of the women who knew her mother, she must find her own way through unthinkable circumstances. Possessed of an unstoppable plot and a brilliantly soulful voice, *Godshot* is a book of grit and humor and heart, a debut novel about female friendship and resilience, mother-loss and motherhood, and seeking salvation in unexpected places. It introduces a writer who gives Flannery O'Connor's Gothic parables a Californian twist and who emerges with a miracle that is all her own. "[A] haunting debut . . . This is a harrowing tale, which Bieker smartly writes through the lens of a teenager on the cusp of understanding the often fraught relationship between religion and sexuality . . . It's a timely and disturbing portrait of how easily men can take advantage of vulnerable women—and the consequences sink in more deeply with each page."—Annabel Gutterman, *Time* "Drawn in brilliant, bizarre detail—baptism in warm soda, wisdom from romance novels—Lacey's twin crises of faith and femininity tangle powerfully. Fiercely written and endlessly readable, a novel like this is a godsend. A—"—Mary Sollosi, *Entertainment Weekly*

**Paradise Walk** May 26 2022 Jen Templeton Jay is a wealthy New England socialite when she leaves home to become a writer. To help her screenwriting career, she moved to California and made the acquaintance of charming film director Dem Dmitri. Dem is married, however, and their affair does not materialize . . . until they met again at a museum in London, where Jen is researching a Georgian romance novel. Free from his wife's proximity, Dem starts an affair with Jen. Meanwhile, Jen has begun to write. Her novel will be historical romance, and it will feature British socialite Elizabeth Ollernshaw Cullen, who just happens to fall in love with a penniless actor named Jack Kincaid. Back in real life, Dem leaves Jen brokenhearted. Unable to hide from the truth in her fiction, Jen tries to kill herself and wakes up in a London clinic. On the road to recovery, she seems to be doing well—except she hears things, like the sound of rustling leaves, when no leaves are rustling. Meanwhile her novel continues to grow, set in the current location of the London clinic—once known as the Marylebone Pleasure Gardens, where ladies promenaded in skirts that sounded oddly of rustling leaves. Perhaps Jen's failed love story can be healed through the love of her characters—or perhaps not.

*On a Quiet Street* Apr 12 2021 The perfect neighborhood can be the perfect place to hide . . . Who wouldn't want to live in Brighton Hills? This exclusive community on the Oregon coast is the perfect mix of luxury and natural beauty. Stunning houses nestle beneath mighty Douglas firs, and lush backyards roll down to the lakefront. It's the kind of place where neighbors look out for one another. Sometimes a little too closely . . . Cora thinks her husband, Finn, is cheating—she just needs to catch him in the act. That's where Paige comes in. Paige lost her son to a hit-and-run last year, and she's drowning in the kind of grief that makes people do reckless things like spying on the locals, searching for proof that her son's death was no accident . . . and agreeing to Cora's plan to reveal what kind of man Finn really is. All the while, their reclusive new neighbor,

Georgia, is acting more strangely every day. But what could such a lovely young mother possibly be hiding? When you really start to look beyond the airy open floor plans and marble counters, Brighton Hills is filled with secrets. Some big, some little, some deadly. And one by one, they're about to be revealed... "A writer to watch." —Publishers Weekly
