*Cultural Techniques* Jan 08 2021 This volume presents the preliminary results of the work carried out by the interdisciplinary cultural techniques research lab at the University of Erfurt. Taking up an impulse from media studies, its contributions examine—from a variety of disciplinary perspectives—the interplay between the formative processes of knowledge and action outlined within the conceptual framework of cultural techniques. Case studies in the fields of history, literary (and media) studies, and the history of science reconstruct seemingly fundamental demarcations such as nature and culture, the human and the nonhuman, and materiality and the symbolical order as the result of concrete practices and operations. These studies reveal that particularly basic operations of spatialization form the very conditions that determine emergence within any cultural order. Ranging from manual and philological "paper work" to practices of opening up and closing off spaces and collective techniques of assembly, these case studies replace the grand narratives of cultural history focusing on micrological examinations of specific constellations between human and nonhuman actors.

**Straight Line Crazy** Nov 25 2019 For forty uninterrupted years, Robert Moses was the most powerful man in New York. Though never elected to office, he manipulated those who were through a mix of guile, charm and intimidation. Motivated at first by a determination to improve the lives of New York City's workers, he created parks, bridges and 627 miles of expressway to connect the people to the great outdoors. But in the 1950s, groups of citizens began to organize against his schemes and against the motor car, campaigning for a very different idea of what a city should be. David Hare's blazing account of a man - played by Ralph Fiennes - whose iron will exposed the weakness of democracy in the face of charismatic conviction, premieres at the Bridge Theatre, London, in March 2022.

**Come from Away** May 12 2021 From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the

fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

**The Kiss of Life** Jun 13 2021 How do you deal with the most difficult moments in your life? Every experience that we go through changes us and helps us grow. As we learn to laugh and cry, win and lose, share and care, the meaning of life and true happiness unfolds before us. Known for his bold forays into Bollywood, Emraan Hashmi walks us through his memories that have shaped him—from a confused teenager who dabbled in a variety of things to finding his calling to the suave, smart and unorthodox actor he has become today. At the heart of his story lies the most important and transformative experience of his life—the period when his son, Ayyan, was battling with cancer. It reveals the man behind the limitless charm of Emraan Hashmi and how he dealt with his son's illness. Honest, personal, bold and heart-warming, *The Kiss of Life* is about an actor and a father's trials and triumphs.

*IOS Apprentice (Eighth Edition): Beginning IOS Development with Swift and UIKit* Jul 26 2022 Learn iPhone and iPad Programming via Tutorials! If you're new to iOS or Swift, or to programming in general, learning how to write an app can seem incredibly overwhelming. That's why you need a book that: Shows you how to write an app step-by-step. Has tons of illustrations and screenshots to make everything clear. Is written in a fun and easygoing manner! In this book, you will learn how to make your own iPhone and iPad apps, through four engaging, epic-length tutorials. These hands-on tutorials describe in full detail how to build a new app from scratch. Five tutorials, five

apps. Each new app will be a little more advanced than the one before, and together they cover everything you need to know to make your own apps. By the end of the series you'll be experienced enough to turn your ideas into real apps that you can sell on the App Store.

**Adults Coloring Pages** Oct 05 2020 Beautiful coloring pages with adult for all ages! 30 pages for coloring with adult! Illustrations are printed on 6" x 9" pages. Coloring Pages are beautiful! Perfect for adults and for children! The images are printed one-sided with adult on to avoid bleed through, very suitable for colored pencils. Note that markers don't work well over coloring pages grayscale, as they are much more transparent than colored pencils.

**Home Body** Jun 01 2020 From the Number One Sunday Times bestselling author of *milk and honey* and *the sun and her flowers* comes her greatly anticipated third collection of poetry. rupi kaur constantly embraces growth, and in *home body*, she walks readers through a reflective and intimate journey visiting the past, the present and the potential of the self. *home body* is a collection of raw, honest conversations with oneself - reminding readers to fill up on love, acceptance, community, family, and embrace change. illustrated by the author, themes of nature and nurture, light and dark, rest here. i dive into the well of my body and end up in another world everything i need already exists in me there's no need to look anywhere else - home

**Find Me** Sep 04 2020 Elio believes he has left behind his first love - but as an affair with an older man intensifies, his thoughts turn to the past and to Oliver. Oliver, a college professor, husband and father, is preparing to leave New York. The imminent trip stirs up longing and regret, awakening an old desire and propelling him towards a decision that could change everything. In *Call Me By Your Name*, we fell in love with Oliver and Elio. *Find Me* returns to these unforgettable characters, exploring how love can ripple out from the past and into the future.

**An Alien in the Jam Factory** Dec 27 2019

Checkerboard

Library is an imprint of ABDO Publishing Company.

**Taking Shots** Feb 09 2021 In New York Times and USA Today bestselling author Toni Aleo's exhilarating Loveswept debut, the first in a series featuring the hockey hunks of the Nashville Assassins, a reformed bad boy helps a charming, willful woman face off against the demons of her past. No matter how hard she tries, Eleanor Fisher never thinks she's good enough, from her job to her weight to her love life. After enduring years of abuse at the hands of an ex-boyfriend, Elli has been drifting through life in a daze. Until, that is, she meets Shea Adler on a promotional shoot for the NHL's Nashville Assassins. Before Elli knows what's happening, the gorgeous Shea breaks the ice and shatters her world. A brilliant athlete inside the rink, Shea Adler is tired of the life he's living outside of it: the women, the money, the drinking. But everything changes when he meets Elli. After laying eyes on this feisty, witty, beautiful woman, he feels like he's just taken the hardest hit of his life. No matter how skeptical she is, Shea knows they are meant to be together—if only he can convince Elli to put her insecurities aside before she misses out on a shot at love. Praise for Toni Aleo's Nashville Assassins romances "Aleo melts the ice and hits it into the net with her Assassins series."—Award-winning author Jami Davenport "Taking Shots is really the whole package. You get romance, humor, steamy sex, drama, and then it all wraps up with a great conclusion. I am amazed that this is Toni's first book. She has come out in a huge way. I can't wait to read more from her. Don't hesitate for a moment to grab this book."—Guilty Pleasures Book Reviews "A little steamy, a little heartbreaking, and a whole lot of fanning yourself are in order this time around, readers. Are your cheeks feeling a little pink yet? Get used to the feeling."—Dreaming in the Pages, on Trying to Score "Empty Net is an honest, heartwarming, endearing story. . . . Toni Aleo doesn't just write a story. She gives you the ability to experience the journey of her characters right along with them. Her stories are enveloped with passion, emotion, humor, love; and let me tell you, that girl knows how to write a sex scene that just makes you sweat!"—Guilty Pleasures Book Review "Sexy and riveting. . . the perfect combination of love and lust."—USA Today bestselling author Heidi McLaughlin, on Blue Lines "Funny, charming, sweet, sexy. . . [Falling for the Backup] has everything you want in a story."—Blushing Reader Includes an excerpt from another Loveswept title.

*The Indigenous Trees of the Hawaiian Islands* Dec 19 2021

**Hitler Was My Friend** Jun 20 2019 "Here's Adolf Hitler in a series of bizarre photographs which he kept hidden from the world. . . They have now been published in this memoir."—Daily Express Heinrich Hoffman was a key part in the making of the Hitler legend, the photographer who carefully crafted the image of the Fuhrer as a godlike figure. Hoffmann published his first book of photographs in 1919, following his work as an official photographer for the German army. In 1920 he joined the Nazi Party, and his association with Hitler began. He became Hitler's official photographer and traveled with him extensively. He took over two million photographs of Hitler, and they were distributed widely, including on postage stamps, an enterprise

that proved very profitable for both men. Hoffmann published several books on Hitler in the 1930s, including *The Hitler Nobody Knows* (1933). Hoffmann and Hitler were very close, and he acted not only as a personal confidante—his memoirs include rare details of the Fuhrer—but also as a matchmaker; it is Hoffmann who introduced Eva Braun, his studio assistant, to Hitler. At the end of the war, Hoffmann was arrested by the US military, who also seized his photographic archive, and was sentenced to imprisonment for Nazi profiteering. This edition of a classic book includes photographs by Hoffmann and a new introduction by Roger Moorhouse. "An extraordinary new book of photographs of Adolf Hitler includes one that so embarrassed him he banned it from being published. It shows the Führer in his lederhosen, striking an absurdly camp pose as he leans against a tree."—The Times

*Midnight Modern* Dec 07 2020 *Midnight Modern* brings into focus a view of Palm Springs and its internationally renowned modernist houses never before shown, shot entirely by the light of the full moon. Created over the course of three years, by Australian photographer Tom Blachford, the surreal images function as portals in time, with the homes, cars, and beautiful scenery appearing almost exactly as it all did 60 years ago. The crisp moonlight adds a new dimension to the famous mecca of desert modernism and shows a contrasting side to a town famous for its sunshine, cocktails, and hedonism. Working closely with the Palm Springs community Blachford gained remarkable access to some of the most coveted architectural jewels in the area, including the Kaufmann House, Edris House, Frey House II, Sinatra House, and dozens of restored Alexander Tract homes in the valley. Blachford's work builds on the famous documentary and lifestyle approaches of Slim Aarons and Julius Shulman, but injects a signature mystery. His cinematic aesthetic acts as a stage for an untold narrative, inviting the viewer to script their own drama going on behind the walls of these historic homes. This original, lush work is a rich contribution to the record for those mid-century architecture and design lovers fascinated by Palm Springs.

**The Heroin Diaries: Ten Year Anniversary Edition** Mar 22 2022 The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

**Cosmos & Culture** Jul 14 2021 From GPO Bookstore's Website:

Authors with diverse backgrounds in science, history, anthropology, and more, consider culture in the context of the cosmos. How does our knowledge of cosmic evolution affect terrestrial culture? Conversely, how does our knowledge of cultural evolution affect our thinking about possible cultures in the cosmos? Are life, mind, and culture of fundamental significance to the grand story of the cosmos that has generated its own self-understanding through science, rational reasoning, and mathematics? Book includes bibliographical references and an index.

*Full Disclosure* Jul 22 2019 Instant New York Times bestseller

"Standing up to bullies is my kind of thing." How did Stormy Daniels become the woman willing to take on a president? In this book, Stormy Daniels tells her whole story for the first time: what it's like to be a leading actress and director in the adult film business, the full truth about her journey from a rough childhood in Louisiana onto the national stage, and everything about her interaction with Donald Trump that led to the nondisclosure agreement and the behind-the-scenes attempts to intimidate her. Stormy is funny, sharp, warm, and impassioned by turns. Her story is a thoroughly American one, of a girl who loved reading and horses and who understood from a very young age what she wanted—and who also knew she'd have to get every step of the way there on her own. People can't stop talking about Stormy Daniels. And they won't be able to stop talking about her fresh, surprising, completely candid, nothing-held-back book.

**Infra Realism** Apr 30 2020 In *Infra Realism*, Australian-born photographer Kate Ballis presents a unique vision of Palm Springs, rendering the arid landscape and its Modernist architecture in vivid hues of pink, purple and red through the use of an infrared camera. Comprising more than 100 colour images photographed over the course of several tours, *Infra Realism* offers a never-before-seen take on the iconic Californian destination

**You Can't Be Serious** Feb 21 2022 In this refreshingly candid memoir, Kal Penn recounts why he embarked on a surprising journey that has included acting, writing, working as a farmhand, and smoking fake weed with a fake President of the United States, before serving the country and advising a real one.

**Putin Country** Jun 25 2022 Short-listed for the Pushkin House Russian Book Prize More than twenty years ago, the NPR correspondent Anne Garrels first visited Chelyabinsk, a gritty military-industrial center a thousand miles east of Moscow. The longtime home of the Soviet nuclear program, the Chelyabinsk region contained beautiful lakes, shuttered factories, mysterious closed cities, and some of the most polluted places on earth. Garrels's goal was to chart the aftershocks of the U.S.S.R.'s collapse by traveling to Russia's heartland. Returning again and again, Garrels found that the area's new freedoms and opportunities were exciting but also traumatic. As the economic collapse of the early 1990s abated, the city of Chelyabinsk became richer and more cosmopolitan, even as official corruption and intolerance for minorities grew more entrenched. Sushi restaurants proliferated; so did shakedowns. In the neighboring

countryside, villages crumbled into the ground. Far from the glitz of Moscow, the people of Chelyabinsk were working out their country's destiny, person by person. In Putin Country, Garrels crafts an intimate portrait of Middle Russia. We meet upwardly mobile professionals, impassioned activists who champion the rights of orphans and disabled children, and ostentatious mafiosi. We discover surprising subcultures, such as a vibrant underground gay community and a circle of determined Protestant evangelicals. And we watch doctors and teachers trying to cope with inescapable payoffs and institutionalized negligence. As Vladimir Putin tightens his grip on power and war in Ukraine leads to Western sanctions and a lower standard of living, the local population mingles belligerent nationalism with a deep ambivalence about their country's direction. Through it all, Garrels sympathetically charts an ongoing identity crisis. In the aftermath of the Soviet Union, what is Russia? What kind of pride and cohesion can it offer? Drawing on close friendships sustained over many years, Garrels explains why Putin commands the loyalty of so many Russians, even those who decry the abuses of power they regularly encounter. Correcting the misconceptions of Putin's supporters and critics alike, Garrels's portrait of Russia's silent majority is both essential and engaging reading at a time when cold war tensions are resurgent.

**Big Veg** Nov 18 2021 Learn how to grow big veg with Gerald Stratford, the gardening grandad loved by over a quarter of a million fans on Twitter. "I am very grateful for all the interest my wonderful friends and followers have taken in my gardening. Now, I hope this book gives you the motivation you need to get out in the garden. Cheers!" - GERALD Gerald's book is packed with decades of gardening know-how and fully illustrated with photos from his Cotswolds garden. It includes a helpful month-by-month guide to sowing, planting and harvesting veg, as well as tips on how to grow Gerald's speciality: really big veg. Full of encouragement and Gerald's infectious enthusiasm, Big Veg makes an ideal companion for anyone keen to grow-your-own.

**National Stockman and Farmer** Jan 20 2022

**Hema Malini** Oct 25 2019 One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johnny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued

her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

**The Photo Ark** Aug 27 2022 This book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by photographer Joel Sartore to make portraits of the world's animals -- especially those that are endangered. His message: to know these animals is to save them. Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits: from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the prose of veteran wildlife writer Douglas Chadwick, this book presents an argument for saving all the species of our planet. **The Sun and Her Flowers** Sep 16 2021 Divided into five chapters and illustrated by Kaur, the sun and her flowers is a journey of wilting, falling, rooting, rising, and blooming. A celebration of love in all its forms. this is the recipe of life said my mother as she held me in her arms as i wept think of those flowers you plant in the garden each year they will teach you that people too must wilt fall root rise in order to bloom

**Alumni Directory, 1979** Aug 23 2019

**Inside the White Cube** May 24 2022 These essays explicitly confront a particular crisis in postwar art, seeking to examine the assumptions on which the modern commercial and museum gallery was based.

**Fake Photos** Oct 29 2022 A concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Stalin, Mao, Hitler, Mussolini, and other dictators routinely doctored photographs so that the images aligned with their messages. They erased people who were there, added people who were not, and manipulated backgrounds. They knew if they changed the visual record, they could change history. Once, altering images required hours in the darkroom; today, it can be done with a keyboard and mouse. Because photographs are so easily faked, fake photos are everywhere—supermarket tabloids, fashion magazines, political ads, and social media. How can we tell if an image is real or false? In this volume in the MIT Press Essential Knowledge series, Hany Farid offers a concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Farid, an expert in photo forensics, has spent two decades developing techniques for authenticating digital images. These techniques model the entire image-creation process in order to find the digital disruption introduced by manipulation of the image. Each section of the book describes a different technique for analyzing an image, beginning with those requiring minimal technical expertise and advancing to those at

intermediate and higher levels. There are techniques for, among other things, reverse image searches, metadata analysis, finding image imperfections introduced by JPEG compression, image cloning, tracing pixel patterns, and detecting images that are computer generated. In each section, Farid describes the techniques, explains when they should be applied, and offers examples of image analysis.

**Symphony** Oct 17 2021

**I Am Malala** Jul 02 2020 \*Winner of the 2014 Nobel Peace Prize\* In 2009 Malala Yousafzai began writing a blog on BBC Urdu about life in the Swat Valley as the Taliban gained control, at times banning girls from attending school. When her identity was discovered, Malala began to appear in both Pakistani and international media, advocating the freedom to pursue education for all. In October 2012, gunmen boarded Malala's school bus and shot her in the face, a bullet passing through her head and into her shoulder. Remarkably, Malala survived the shooting. At a very young age, Malala Yousafzai has become a worldwide symbol of courage and hope. Her shooting has sparked a wave of solidarity across Pakistan, not to mention globally, for the right to education, freedom from terror and female emancipation. **Flash: The Haunting of Barry Allen** Nov 06 2020 Following the supercharged, crime-fighting superhero with the power to move at superhuman speeds, this first Flash adventure pits the Scarlet Speedster against the villains who comprise his metahuman Rogues Gallery. But when The Flash's own abilities begin to fail him, he must seek help from his closest ally - The Arrow. This two-part adventure based on characters from DC Comics will cross directly into the next Arrow novel.

**The Joy of Photoshop** Feb 27 2020 The Joy of Photoshop is the long-awaited book from the social-media sensation James Fridman. How many people have taken a seemingly-perfect picture only to have it ruined by one small detail, like an annoying photo-bomb in the background, or someone making a stupid face. Enter the Photoshop master! James Fridman is only too happy to help, even if he sometimes takes the requests a little too literally. In The Joy of Photoshop, James Fridman's favourite and funniest edits are combined with never-before-seen pictures to provide a meme-tastic book that is certain to have you in stitches!

**TIME 100 Photographs** Apr 23 2022 Since its inception, TIME

magazine has been synonymous not just with outstanding journalism, but also with outstanding photography. Now, to mark the 175th anniversary of photography and the birth of photojournalism, the Editors of TIME magazine are publishing this companion book to the groundbreaking digital celebration of photography that TIME.com will be mounting online, displaying the most influential photographs of all time. While they may not be the most famous or well-known photographs, each one is unique for the way in which it changed, influenced, or commemorated a particular world event. From the first sports photograph to ever win the Pulitzer Prize - that of Babe Ruth at Yankee Stadium to the photograph of Student Neda Agha-Soltan's death during Iran's 2009 election protests, each of the photographs in 100 Photographs: The Most Influential Images of All Time is significant in how it forever changed how we live, learn, communicate, and in many cases, view the world.
