Activities for Teaching Psychology and Law Aug 01 2020 This book presents a wide variety of experiential learning activities to help instructors enliven their courses and teach critical concepts in psychology and law.

Activities for Teaching Positive Psychology Aug 25 2022 Positive psychology is a rapidly expanding area of study that is of great interest to students at the graduate, undergraduate, and high school levels. But the field is so broad that teachers who want to cover all the bases when designing a positive psychology course may have difficulty locating and selecting materials. **Activities for Teaching Positive Psychology: A Guide for Instructors** addresses this problem by presenting a comprehensive set of fun, interactive classroom activities devised by contributors who are experienced teachers as well as leading scholars in their areas. Chapters cover all the topics typically included in existing positive psychology textbooks, emphasizing the hands-on experience that makes positive psychology courses so powerful. Extensive reading lists point interested readers toward a fuller understanding of the topics. The book is a rich source of ideas for all teachers of psychology, from novice to experienced instructors Positive psychology is unique among teaching topics in that it lends itself to experiential teaching methods. This book is what is needed most: a guide to activities related to the concepts and experiments that make up the foundation of positive psychology. Froh and Parks have created a book that every instructor should have-full of reflections and other activities that will benefit every student Robert Biswas-Diener, CMC, Managing Director, Positive Acorn, Milwaukie, OR Positive psychology needs to be given away. Froh and Parks teach you how Shane Lopez, PhD, Senior Scientist in Residence, Clifton Strengths School, Omaha, NE

Swedish Death Cleaning Activity Guide Jan 26 2020 Find out exactly how to do the Swedish Death Cleaning in just 4-weeks If like most people, you aren't sure what the Swedish Death Cleaning involves, then this guide is exactly what you need to not only help you understand the concept but to also walk you through every step of the way. Designed and organized into a 4-week exercise, you get a daily guide that shows you exactly what needs to be done, how to do it and when to do it. In this Workbook, the entire concept is simplified and laid out in a format complete with activities, trackers, questions and helpful tips throughout the entire journey. Imagine having an assistant that knows exactly what needs to go where, this workbook provides the proper guidance necessary to navigate the process while keeping you in line. Decluttering can be an overwhelming process, especially if you have grown attached to some of your belongings. But wouldn't it be a lot better if you can finally set up the space in your home, unburden your mental faculty and take back control of your life with a simple exercise that puts you in the driver's seat? While there are lots of resources that may teach what Swedish Death Cleaning is, there isn't any kind of guide that tells you what you need to do. In this book, you get: *An activity tracker to help you along *A weekly guide detailing everything you need to do *Daily activities *Weekly milestones and goals *Tips and strategies for categorizing your items *A detailed introduction and explanation of the Swedish Death Cleaning concepts *Questions, tables, activities and so much more Get started today on your journey to a clutter free life. Grab a copy of this book to begin!

Story Central Level 4 Activity Book Oct 23 2019

Perkins Activity and Resource Guide - Chapter 4: Functional Academics Jun 23 2022 This chapter is designed to address the needs of individuals with visual and multiple disabilities who may not be able to follow all parts of a traditional academic curriculum. As educators, our primary goal should be to provide students with skills that will be of use throughout their lives. Skill acquisition often takes longer for students with multiple disabilities, and they are not always able to generalize them into other settings. For this reason it is important to identify skills that will help prepare students to lead the most independent lives possible and to provide many opportunities to practice them.

This resource book brings you a wealth of inspiring activities, discussion ideas and guided reading notes based on War Horse by Michael Morpurgo. Stimulating content mapped to curriculum objectives Grammar, punctuation and spelling section Shared reading and whole-class guided reading section including non-fiction extracts Time-saving lesson plans, activities and assessments Huge variety of speaking, listening and creative activities. Our Read & Responder series now has a dedicated online space containing: Curriculum and teaching overviews with recommendations on books to read for pleasure Classic small-group guided reading notes and resources Teaching reading resources such as ideas for vocabulary and fluency Access to the additional content referenced in the teacher's book. Including media resources and interactive activities (this content was previously available via a CD-ROM, it is an installable desktop program for Windows). Read & Responder helps you build a whole-school literacy programme based on timeless children's stories, chosen to inspire reading for pleasure. Fun-filled activities help children to fully engage with each story, encouraging a love of reading and building a range of skills. Underpinned by a wealth of research the teacher's guides provide activities with a strong focus on all of the 'big five' plus oracy and reading for pleasure, as well as concentration on grammar, punctuation & spelling and writing Foster reading for pleasure with stories from acclaimed and award-winning authors Prepare with confidence with essential teacher's books and supportive resources Save hours of preparation time with ready-to-use print and digital resources Boost guided reading in every year group with detailed teachers notes. PRAISE FOR READ & RESPOND 'The resources are wonderful. I like the fact that it has a mix of fiction and non-fiction activities ... and how material can link to other areas of the curriculum, not just literacy.' Miss North, teacher 'Reading for enjoyment and writing for enjoyment are two of the most powerful ways of getting children interested in books. Read & Respond provides exactly this.' Michael Morpurgo, author '[Read and Respond] makes it easy to explore texts fully and ensure that the children want to keep on reading more.' Chris Flanagan, Primary teacher.

The 1980 Activity Guide for National Employ the Handicapped Week Oct 03 2020

The Dot Apr 09 2021 Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

London for Kids Travel Book - Activity Book, Pocket Guide and Travel Journal Nov 23 2019 Are you planning a family trip to London and wondering how to involve kids? Yes, it's possible! Amazing Activities for Low Function Abilities and Caregiver Guide Jul 12 2021 Amazing Activities for Low Function Abilities addresses a growing public health issue in America: providing therapeutic activities for people with Alzheimer's, other dementia disorders, and persons with low function abilities. A dedicated activities professional with many years of experience, the author champions the advancement of non-drug therapy for this population. Amira Choukair Tame has shared these techniques with other professionals through her caregiver training sessions and workshops. Her book includes therapeutic activities for caregivers to use for anyone with dementia. The text isn't just a list of activities. The techniques offered in the book are designed to assist caregivers in identifying individual strengths and weaknesses that will help them customize a set of activities suitable for diverse needs, and address the frustrations and difficulties encountered while caring for this population. The exercises are suitable for individuals at any stage of dementia, as well as those with low function abilities. A one-hour training video complements the book with an informative lecture and real-life examples.

Physical Activities for Improving Children's Learning and Behavior Sep 21 2019 Explains sensory motor development and provides activities and games for use in the classroom and at home.
