oracle jdbc frequently asked questions Aug 12
2021 05 01 2022 go through the jdbc
reference guide and javadoc for jdbc for more
detailed information this should be less of a
problem with the 11 1 and later drivers as they
use less memory than the 10g drivers the only
known workaround at this time is to configure
the first installation to use dblinks when
contacting the second installation this
