**Harry Ferguson** Jun 03 2020 First published in 1972, Colin Fraser's book has remained the main source of information about the life and work of Harry Ferguson. This first paperback edition is an unabridged copy of the second printing of the text, complete with all the original photographs. It has been completely re-set in 2012. Before he wrote his book, Colin Fraser had spent five years lecturing and instructing on Massey Ferguson equipment, so he was well qualified to deal with the technical side of Ferguson's work. During eight months of research Fraser had full access to Ferguson's papers and interviewed 62 of his associates. Fraser's book provides a thorough account of the development of the system and tractors that are Ferguson's permanent memorial. It also covers Ferguson's early days as an aviator and motor car pioneer, his business dealings, the tumultuous relationship with Ford and the merger with Massey.

**A Year in the Life** Nov 20 2021 This is the personal and revealing football diary of the 1994-1995 season of Manchester United's manager, Alex Ferguson. This book offers a behind-the-scenes account of what Ferguson goes through everyday in the football season, what he thinks, eats, breathes and does. As the game lurched from one crisis to another during the 1994-1995 season, Ferguson had his own problems to deal with. The diary reveals the reasoning, thoughts and decisions of United's manager as he and his team battled their way through the Premier League, European Champions League and FA Cup. This book is endorsed by Manchester United.

**ALEX FERGUSON My Autobiography** Nov 01 2022 Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business

School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

*The Power of the Purse* Dec 30 2019 In *The Power of the Purse*, E. James Ferguson examines the intricate financial history of the American Revolution and the Confederation and connects it to political and constitutional developments in the period. Whether states or Congress should pay the debts of the Revolution and collect the taxes was a pivotal question whose solution would largely determine the country's progress toward national union. Ultimately, says Ferguson, the Revolutionary debt fulfilled an important purpose as a "bond of union." Ferguson's masterful analysis, originally published in 1961, has become a classic among the literature on the American Revolution.

**Managing My Life** Jul 29 2022 This book is about the beginning of Sir Alex's football career, until the year 2000. 1999 was an outstanding year for Alex Ferguson - not only did he lead Manchester United, the most glamorous club in the world, to a unique and outstanding treble triumph, but he was awarded the highest honour for his sporting achievements; a Knighthood from the Queen. Universally respected for his tough, but caring managerial style, Ferguson is an unusually intelligent man with a fascinating life story. Covering his tough Govan upbringing through to his playing days and onto his shift into management, *Managing My Life* is told with the fine balance of biting controversy and human sensitivity which made it such an unprecedented success in hardback. Alex Ferguson is a legend in his lifetime.

*Doom: The Politics of Catastrophe* Oct 20 2021 'Magisterial ... Immensely readable' Douglas Alexander, Financial Times 'Insightful, productively provocative and downright brilliant' New York Times A compelling history of catastrophes and their consequences, from 'the most brilliant British historian of his generation' (The Times) Disasters are inherently hard to predict. But when catastrophe strikes, we ought to be better prepared than the Romans were when Vesuvius erupted or medieval Italians when the Black Death struck. We have science on our side, after all. Yet the responses of many developed countries to a new pathogen from China were badly bungled. Why? While populist rulers certainly performed poorly in the face of the pandemic, Niall Ferguson argues that more profound pathologies were at work - pathologies already visible in our responses to earlier disasters. Drawing from multiple disciplines, including economics and network science, *Doom: The Politics of Catastrophe* offers not just a history but a general theory of disaster. As Ferguson shows, governments must learn to become less bureaucratic if we are to avoid the impending doom of irreversible decline. 'Stimulating, thought-provoking ... Readers will find much to relish' Martin Bentham, Evening Standard

Football - Bloody Hell! Mar 25 2022 Soccer.

*My Story* Nov 08 2020 The Duchess of York provides a revealing look at Britain's

royal family, her romance with and marriage to Prince Andrew, their divorce, and her new life

**Blue** Apr 25 2022 Barry Ferguson is Scotland's most gifted footballer, the heartbeat of Rangers and the captain of his country. He has grown up in the spotlight, but the fans know only his public face. Now, a star who is notoriously protective of his privacy opens his heart and delivers a no-holds-barred account of his controversial career. *Blue* features Ferguson's take on all aspects of his eventful journey so far, including the axing of Lorenzo Amoroso as Gers' skipper and Ferguson's appointment at the age of only 22; the horrifying night of violence when he was bottled in the face after being sent off in a 6-2 Old Firm defeat; his venture into the Premiership after signing for Blackburn Rovers in 2003; the bust-up that followed with Rangers chairman David Murray; the despair and agony of the broken kneecap he feared had ended his career; the elation he felt on his eventual return to his boyhood heroes; and his turbulent relationship with Paul Le Guen, who was replaced as Rangers manager after controversially stripping Ferguson of the captaincy. Ferguson also reveals the details of his secret wedding to Margaret, his Catholic bride, and his pride when his career was recognised by the Queen. Candid and frank, the man behind the headlines is revealed in *Blue: The Life and Times of Barry Ferguson*.

**Alex** Jan 23 2022 BEFORE, DURING AND AFTER MANCHESTER UNITED Alex is the most up-to-date biography of Sir Alex Ferguson-the most decorated manager in British football history. Find out how he recovered from his brain surgery in 2018. Why he appointed David Moyes as his successor. How livid he was when Moyes was sacked ten months later. What he thought of Louis van Gaal's tenure as Manchester United manager. What he thought of Jose Mourinho's reign. And just how big a role he played in the appointment of Ole Gunnar Solskjaer. This book also takes a deep dive into Alex's relationship with the Glazer family and how he views the work carried out by Ed Woodward. From nought to eighty, this is the most complete biography ever written about Sir Alex Ferguson. □□□□ Eamonn Holmes (Respected broadcaster and friend of Alex Ferguson): "A portrait of a genius for anyone wanting to know what makes Fergie tick. This is the Fergie factor explained." □□□□ Ken O'Doherty (World champion snooker player and friend of Alex Ferguson): "A fitting and wonderful tribute to the greatest football manager of all time." □□□□ Mike McGrath (The Daily telegraph): "A terrific journey"

**The Second Half** Oct 27 2019 'A masterpiece ... thoughtful and self-mocking, insightful and funny' THE TIMES 'He's scarily extreme, dangerously provocative, oxy-acetylene forthright ... and hugely entertaining' SCOTLAND ON SUNDAY 'Searingly honest' THE SUN 'A thoroughly entertaining rampage' Matt Dickinson, THE TIMES BOOKS OF THE YEAR No. 1 bestselling memoir of Roy Keane, former captain of Manchester United and Ireland - co-written with Man Booker Prize-winner Roddy Doyle. In a stunning collaboration with Booker Prize-winning author Roddy Doyle, Roy Keane gives a brutally honest account of his last days as a player, the highs and lows of his managerial career, and his life as an outspoken ITV pundit. 'Roy Keane's book is a masterpiece . . . It may well be the finest, most incisive deconstruction of football management that the game has ever produced'

Mail on Sunday 'A genuine pleasure . . . His thoughts on his players are humane, interesting, candid and never less than believable' The Times 'The best things are the small things: regretting joining Ipswich when he discovered the training kit was blue; refusing to sign Robbie Savage because his answerphone message was rubbish; being appalled that his side had listened to an Abba song before playing football' Evening Standard 'The book is brilliantly constructed, rattling along at breakneck speed . . . full of self-deprecation . . . a ruthless self-examination' Daily Telegraph

**Waterfront** Oct 08 2020 A young cop descends into New York City's underworld to chase down a killer in this 1951 hard-boiled detective novel, by the author of *Counterfeit Corpse*. Rookie detective Johnny Malone is on his way to pick up his engagement ring in midtown Manhattan when a man is shot dead on the sidewalk. He tries to handle the situation by the book, but one mistake quickly lets a killer run free and threatens Malone's career. As a ruse, the police commissioner announces the detective's suspension. But Malone's now the only man on the force who can identify the city's biggest criminal. Blackie Clegg runs the crime syndicate currently controlling New York's harbors. Now, he's also wanted for murder. Malone's mission is to bring him in—in cuffs or a body bag. Of course, there's a good chance Clegg remembers Malone's face, too, and Clegg doesn't like to leave witnesses . . . The inspiration for the film noir classic, *The Mob*, starring Broderick Crawford and Ernest Borgnine.

*The War of the World* Jun 23 2019 The world at the beginning of the 20th century seemed for most of its inhabitants stable and relatively benign. Globalizing, booming economies married to technological breakthroughs seemed to promise a better world for most people. Instead, the 20th century proved to be overwhelmingly the most violent, frightening and brutalized in history with fanatical, often genocidal warfare engulfing most societies between the outbreak of the First World War and the end of the Cold War. What went wrong? How did we do this to ourselves? *The War of the World* comes up with compelling, fascinating answers. It is Niall Ferguson's masterpiece.

**Writing for Pleasure** Apr 01 2020 This book explores what writing for pleasure means, and how it can be realised as a much-needed pedagogy whose aim is to develop children, young people, and their teachers as extraordinary and life-long writers. The approach described is grounded in what global research has long been telling us are the most effective ways of teaching writing and contains a description of the authors' own research project into what exceptional teachers of writing do that makes the difference. The authors describe ways of building communities of committed and successful writers who write with purpose, power, and pleasure, and they underline the importance of the affective aspects of writing teaching, including promoting in apprentice writers a sense of self-efficacy, agency, self-regulation, volition, motivation, and writer-identity. They define and discuss 14 research-informed principles which constitute a Writing for Pleasure pedagogy and show how they are applied by teachers in classroom practice. Case studies of outstanding teachers across the globe further illustrate what world-class writing teaching is. This ground-breaking text is essential reading for anyone who is concerned about the current status and nature of

writing teaching in schools. The rich Writing for Pleasure pedagogy presented here is a radical new conception of what it means to teach young writers effectively today.

**Red** Sep 06 2020 For twenty glorious years, Gary Neville has worn his heart on his sleeve. This is his story No player has been more synonymous with the glory years of Manchester United Football Club over the past two decades than right?back Gary Neville. An Old Trafford regular since he attended his first match at the age of six, captain of the brilliant 1992 FA Youth Cup?winning team, outspoken representative of MUFC, Neville is the ultimate one?club man. He has been at the heart of it all and, at the end of an amazing career, is now ready to tell all. Neville reveals the behind?the?scenes secrets of his early days with the likes of Giggs, Scholes, and his best mate, David Beckham.

Me, Myself, They: Life Beyond the Binary May 03 2020 From renowned non-binary trans activist Joshua M. Ferguson comes a personal work of memoir and critical analysis that pushes for an inclusive understanding of sex and gender.

Managing My Life: My Autobiography Sep 30 2022 This book is about the beginning of Sir Alex's football career, until the year 2000. 1999 was an outstanding year for Alex Ferguson - not only did he lead Manchester United, the most glamorous club in the world, to a unique and outstanding treble triumph, but he was awarded the highest honour for his sporting achievements; a Knighthood from the Queen. Universally respected for his tough, but caring managerial style, Ferguson is an unusually intelligent man with a fascinating life story. Covering his tough Govan upbringing through to his playing days and onto his shift into management, *Managing My Life* is told with the fine balance of biting controversy and human sensitivity which made it such an unprecedented success in hardback. Alex Ferguson is a legend in his lifetime.

**Under The Hairdryer: Fergie Untold Tales** Jul 05 2020

*Alex Ferguson* Aug 30 2022 Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

**Leading** Apr 13 2021

**Sir Alex** May 15 2021 A must-read biography of one of the greatest football managers of all time. Sir Alex Ferguson is a former Scottish football player and was manager of Manchester United from 1986 to 2013. During his 26 years in charge of United, he won more trophies than any other manager in the history of football. Packed with nearly 80 entertaining and exclusive interviews from those who know Ferguson best - friends, colleagues, associates and those who worked

with him at both Aberdeen and Manchester United share their unique insight into the innermost secrets of Ferguson's fascinating life and hugely successful career.

**Leading** Jun 27 2022 'One of the World's all-time great leaders' Professor Anita Elberse, Harvard Business School What does it take to lead a team to world-class success over a sustained period of time? Sir Alex Ferguson is one of the few leaders who truly knows. In his 38 years in management, Sir Alex won an astonishing 49 trophies and helped grow Manchester United into one of the biggest commercial brands in the world. In this inspirational and straight-talking book, Sir Alex reveals the secrets behind his record-breaking career. LEADING is structured around the key skills that Sir Alex values most highly. It includes subjects we immediately associate with his managerial style: Discipline, Control, Teamwork and Motivation. But it also addresses subjects that are less obvious but no less important when seeking success: Delegation, Data Analysis and Dealing with Failure. Written with the investor Sir Michael Moritz, a longstanding friend of Sir Alex, LEADING is packed with insight, wisdom, humour and honesty. The individual stories inevitably concern themselves with football, and the phenomenal success that came along the way, but the lessons can be applied by anyone. Whether you run a business, teach in a classroom, or work in a small team, LEADING will help you become a better leader.

**Alex Ferguson** Aug 25 2019 Alex Ferguson, once king of Scottish football, gave up the easy life in Aberdeen to follow in the famous footsteps of Sir Matt Busby. Others had flickered and then faded in the shadow cast by the legendary Busby but Ferguson couldn't resist the call. 'Football is a strange obsession. Winning is a drug and when I got the invitation to manage Manchester United I simply could not resist,' he says. For nearly six years he has chased the end of the rainbow and spent millions of pounds to bring the coveted championship to Old Trafford for the first time in 25 years. Now he feels it is time to tell the inside story of the best-supported club in Britain and his struggle to fulfil the title dream of thousands of supporters. He found the famous club in disarray and he admits he came close to the sack himself. 'No manager is prepared for the job at Old Trafford. The legend is huge. It's different from any other club with its traditions and expectations. It took me three or four years to understand the particular politics and demands. Only through success can a manager get control of his destiny.' Ferguson fought his battles and won the trophies which slowly but surely see him now established as a manager who has laid the old ghosts to rest and created a new vision. Winning the FA cup in 1990 bought him valuable time, and success in the European Cup-Winners' Cup, beating Barcelona in a memorable final in Rotterdam, gave him the right platform for the most convincing championship challenge since the days of Busby. After seven years at Aberdeen, Ferguson wrote *A Light in the North*, an account of how he broke the Glasgow stranglehold on Scottish football. Now comes the sequel of how he conquered English football at the helm of their greatest club.

**Just Champion!** Aug 18 2021

**How to Think Like Sir Alex Ferguson** Dec 22 2021 'How to Think Like Sir Alex Ferguson is an insightful and interesting book packed with leadership ideas and real life examples taken from the cutting edge of sport that apply in leading any

top team or business. I would recommend this book to anyone, especially those currently in leadership positions and those aspiring to get there, as Damian Hughes draws out the inspirational qualities required from one of the greatest managers in football.' Stuart Lancaster, Former England Head Coach, Rugby Football Union Delve deep into the mind of one of the world's most successful leaders and discover 10 powerful and practical lessons for leadership and business, with this unique and inspiring handbook for anyone looking to improve performance in turbulent, changing times. Distilling the primary lessons of Ferguson's phenomenal success as manager at Manchester United and showing how you can apply them to your own personal goals, this book explains Ferguson's approach to people-management, changing mind-sets, visualisation, building confidence and embracing change - all techniques at the heart of turning Manchester United into a winning machine. Discover how he remained at the forefront of one of the world's most competitive industries and how to make this count with your own ambition, as well as learning about the techniques he employed to extract the finest qualities from his team, and how to lead other individuals and teams in their pursuit of success within changing times. With exercises for you to work on, drawing from Professor Hughes's practical and academic background within sport, organisation and change psychology, this is the perfect handbook for the business of winning and managing success.

**Leading** Jul 25 2019 After an astonishing career-first in Scotland, and then over 27 years with Manchester United Football Club- Sir Alex Ferguson delivers *Leading*, in which the greatest soccer coach of all time will analyze the pivotal leadership decisions of his 38 years as a manager and, with his friend and collaborator Sir Michael Moritz, draw out lessons anyone can use in business and life to generate long-term transformational success. From hiring practices to firing decisions, from dealing with transition to teamwork, from mastering the boardroom to responding to failure and adversity, *Leading* is as inspiring as it is practical, and a go-to reference for any leader in business, sports, and life.

**BDD in Action** Aug 06 2020 Summary BDD in Action teaches you the Behavior-Driven Development model and shows you how to integrate it into your existing development process. First you'll learn how to apply BDD to requirements analysis to define features that focus your development efforts on underlying business goals. Then, you'll discover how to automate acceptance criteria and use tests to guide and report on the development process. Along the way, you'll apply BDD principles at the coding level to write more maintainable and better documented code. Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications. About the Technology You can't write good software if you don't understand what it's supposed to do. Behavior-Driven Development (BDD) encourages teams to use conversation and concrete examples to build up a shared understanding of how an application should work and which features really matter. With an emerging body of best practices and sophisticated new tools that assist in requirement analysis and test automation, BDD has become a hot, mainstream practice. About the Book BDD in Action teaches you BDD principles and practices and shows you how to integrate them into your existing development process, no matter what language you use.

First, you'll apply BDD to requirements analysis so you can focus your development efforts on underlying business goals. Then, you'll discover how to automate acceptance criteria and use tests to guide and report on the development process. Along the way, you'll apply BDD principles at the coding level to write more maintainable and better documented code. No prior experience with BDD is required. What's Inside BDD theory and practice How BDD will affect your team BDD for acceptance, integration, and unit testing Examples in Java, .NET, JavaScript, and more Reporting and living documentation About the Author John Ferguson Smart is a specialist in BDD, automated testing, and software lifecycle development optimization. Table of Contents PART 1: FIRST STEPS Building software that makes a difference BDD—the whirlwind tour PART 2: WHAT DO I WANT? DEFINING REQUIREMENTS USING BDD Understanding the business goals: Feature Injection and related techniques Defining and illustrating features From examples to executable specifications Automating the scenarios PART 3: HOW DO I BUILD IT? CODING THE BDD WAY From executable specifications to rock-solid automated acceptance tests Automating acceptance criteria for the UI layer Automating acceptance criteria for non-UI requirements BDD and unit testing PART 4: TAKING BDD FURTHER Living Documentation: reporting and project management BDD in the build process

Maynard! Nov 28 2019 Bandleader and jazz trumpet phenom Maynard Ferguson is remembered by 30 musicians and others from his earliest U.S. gigs to the peak of his career.

**Smacked** Mar 13 2021 Smacked is the powerful, uncompromising story of one woman's downward spiral into addiction. Hooked on heroin and crack cocaine, Melinda Ferguson gave up everything she cared about - her children, her marriage, her career - in pursuit of the next fix, the next high. Bold, raw and unashamedly honest, Smacked is a tale of loss and rehabilitation that takes us to the darkest corners of an addict's psyche.

Expectations of Modernity Jun 15 2021 Once lauded as the wave of the African future, Zambia's economic boom in the 1960s and early 1970s was fueled by the export of copper and other primary materials. Since the mid-1970s, however, the urban economy has rapidly deteriorated, leaving workers scrambling to get by. Expectations of Modernity explores the social and cultural responses to this prolonged period of sharp economic decline. Focusing on the experiences of mineworkers in the Copperbelt region, James Ferguson traces the failure of standard narratives of urbanization and social change to make sense of the Copperbelt's recent history. He instead develops alternative analytic tools appropriate for an "ethnography of decline." Ferguson shows how the Zambian copper workers understand their own experience of social, cultural, and economic "advance" and "decline." Ferguson's ethnographic study transports us into their lives—the dynamics of their relations with family and friends, as well as copper companies and government agencies. Theoretically sophisticated and vividly written, Expectations of Modernity will appeal not only to those interested in Africa today, but to anyone contemplating the illusory successes of today's globalizing economy.

*In Search of Duncan Ferguson* May 27 2022 He was one of the hardest, most controversial footballers of his generation: the £20million man who became the first professional player to go to jail for an offence committed on the field of play. He was the fans' hero who disappeared. Duncan Ferguson was an old-fashioned Scottish centre-forward who went from a boarding house in Dundee to the marble staircase of Rangers in a record-breaking transfer. His £4m move from Dundee United to Ibrox made him British football's most expensive native player. But he would also become one of the most notorious footballers in the land. Sent to prison after head-butting an opponent during a Scottish Premier Division match between Rangers and Raith Rovers, Ferguson made history all over again. He served half of a three-month sentence in Glasgow's infamous Barlinnie Prison. A twelve-match ban from the Scottish Football Association was later overturned following a long appeal process. Bruised by the experience, he turned his back on Scotland's national team and the media. Ferguson reaped the riches of the Sky era. He was a folk hero at Everton, where he spent ten years either side of an injury-hit spell at Newcastle United. Although the game made him a millionaire, he rejected its new culture of celebrity and remained a fiery figure, racking up a Premiership record of eight red cards. And then, after scoring in the final minute of the last game of his career, he turned his back on football completely - or so it seemed.

**Riding the Elephant** Sep 18 2021 From the comedian, actor, and former host of *The Late Late Show* comes an irreverent, lyrical memoir in essays featuring his signature wit. Craig Ferguson has defied the odds his entire life. He has failed when he should have succeeded and succeeded when he should have failed. The fact that he is neither dead nor in a locked facility (at the time of printing) is something of a miracle in itself. In Craig's candid and revealing memoir, readers will get a look into the mind and recollections of the unique and twisted Scottish American who became a national hero for pioneering the world's first TV robot skeleton sidekick and reviving two dudes in a horse suit dancing as a form of entertainment. In *Riding the Elephant*, there are some stories that are too graphic for television, too politically incorrect for social media, or too meditative for a stand-up comedy performance. Craig discusses his deep love for his native Scotland, examines his profound psychic change brought on by fatherhood, and looks at aging and mortality with a perspective that he was incapable of as a younger man. Each story is strung together in a colorful tapestry that ultimately reveals a complicated man who has learned to process—and even enjoy—the unusual trajectory of his life.

**How to Think Like Sir Alex Ferguson** Jan 29 2020 "An insightful and interesting book packed with leadership ideas" - Stuart Lancaster Consider the question - why does anyone buy sports books, or books about or by sports stars? For sure there is a souvenir and nostalgia element. But people also buy sports books to see if our heroes give any clues to the magic ingredient that has made them so successful. We read them to see what we can learn about their lives, particularly in the hard times, and how they triumphed over adversity. In the first in the new series from Aurum Sports sports psychologist Damian Hughes, who has worked with Manchester United, lifts the lid on what made Sir Alex Ferguson

the most successful football manager Great Britain has ever produced. He will give the reader an understanding of what Ferguson did to get the best out of his players, and how we can learn from him and apply these lessons to our professional and personal lives.

**The Finder** Jul 17 2021 From the Scotiabank Giller Prize-winning novelist of 419 comes a spellbinding literary adventure novel about precious objects lost and found. The world is filled with wonders, lost objects—all real—all still out there, waiting to be found: · the missing Fabergé eggs of the Romanov dynasty, worth millions · the last reel of Alfred Hitchcock's first film · Buddy Holly's iconic glasses · Muhammad Ali's Olympic gold medal How can such cherished objects simply vanish? Where are they hiding? And who on earth might be compelled to uncover them? Will Ferguson takes readers on a heroic, imaginative journey across continents, from the seas of southern Japan, to the arid Australian Outback, to the city of Christchurch, New Zealand, after the earthquake. Prepare to meet Gaddy Rhodes, a brittle Interpol agent obsessed with tracking "The Finder"—a shadowy figure she believes is collecting lost objects; Thomas Rafferty, a burnt-out travel writer whose path crosses that of The Finder, to devastating effect; and Tamsin Greene, a swaggering war photographer who is hiding secrets of her own. The Finder is a beguiling and wildly original tale about the people, places, and things that are lost and found in our world. Both an epic literary adventure and an escape into a darkly thrilling world of deceit and its rewards, this novel asks: How far would you be willing to go to recover the things you've left behind?

**If You're Second You Are Nothing** Jan 11 2021 Bill Shankly was one of ten children from an Ayrshire mining village. Alex Ferguson was a shipyard worker's son who went on to become a toolmaker's shop steward. Both of them enjoyed distinguished but not outstanding playing careers. Both of them raged against the might of the rich in their early managerial days, and both of course will be remembered as two of the mightiest figures in the history of the English game. There is a rich seam that links the epic lives of Shankly and Ferguson, running between their enemy football strongholds in Liverpool and Manchester. It goes deeper than the myriad achievements of both men - three league titles for Shankly, eight championships and a European Cup for Ferguson. What binds them is their long love affairs with football, which were so consuming that a tragic form of rejection was almost inevitable. Shankly felt betrayed by the club he had built from the ground up in the 1960s, and when he died from a heart attack in 1981 the deep rift between him and Liverpool had not been healed. Equally, with Malcolm Glazer's takeover, Ferguson looks more and more like a man out of his time, a man whose once absolute authority over his players may be slipping. In this riveting dual biography Oliver Holt takes two of football's undisputed greats and shows what made both men tick. In part a celebration of two driven, charismatic and hard-nosed characters, *If You're Second You Are Nothing* is also a poignant evocation of men not knowing how to let go of the game to which they have given so much.

**The Alex Ferguson Quote Book** Mar 01 2020 Football. Bloody hell.' The longest serving and most successful manager in British football history shocked the world by finally retiring in May 2013 and instantly created more column

inches and twitter mentions that the death of Margaret Thatcher. And he wasn't just the greatest, but also one of the most outspoken, engaging and witty voices from the game, as this book proves. Here is the history of his supreme verbal sparring during his years at Manchester United - the man in his own words (with a few additional thoughts from those who knew him best and crossed swords with him most). 'There's nothing wrong with losing your temper once in a while if it's for the right reasons' 'If he was an inch taller he'd be the best centre-half in Britain. His father is 6ft 2in - I'd check the milkman' On Gary Neville 'He could start a row in an empty house' On Denis Wise 'The list of gentle, naturally retiring men who have been successful in their attempts at running clubs isn't a long one, is it?

**We Demand** Sep 26 2019 "In the post-World War II period, students rebelled against the archaic university. In student-led movements, they fought for the new kinds of public the university needed to serve--women, minorities, immigrants, indigenous people, and more--with a success that had a profound impact on the intellectual landscape of the twentieth century. Because of their efforts, ethnic studies, women's studies, and American studies were born, and minority communities have become more visible and important to academic debate. Less than fifty years since this pivotal shift in the academy, however, the university is fighting back. In *We Demand*, Roderick A. Ferguson shows how the university, particularly the public university, is moving away from "the people" in all their diversity. As more resources are put toward STEM education, humanities and interdisciplinary programs are being cut and shuttered. This has had a devastating effect on the pursuit of knowledge, and on interdisciplinary programs born from the hard work and effort of an earlier generation. This is not only a reactionary move against the social advances since the '60s and '70s, but part of the larger threat of anti-intellectualism in the United States."--Provided by publisher.

**The Boss** Dec 10 2020 Ferguson's own autobiography was a great bestseller on its publication in 1999. But Fergie's book told the story through only one pair of eyes. Now, Michael Crick, acclaimed biographer of Jeffrey Archer, writes the first fully rounded, independent portrait of Sir Alex. From his roots as a Govan trade unionist to the current peaks of world football, Crick applies the same forensic skills he applied to his study of the disgraced Tory peer. Through hundreds of interviews with those who've known and worked with Sir Alex, and delving back through the archives, Michael Crick explores the money and the politics of football, the bust-ups, the fights, and those memorable moments of glory. Charismatic and charming, volcanic and ruthless, searingly ambitious and astonishingly successful. What makes Sir Alex Ferguson tick? How did this complex character become the most successful manager in British football, producing -- first at Aberdeen and now at Manchester United -- two of the most prolific trophy-grabbing machines in the modern game? *THE BOSS* is essential reading not just for Manchester United fans and football followers in general, but for anyone interested in the skills of successful management.

[Her Heart for a Compass](#) Feb 09 2021

*Sir Alex* Feb 21 2022 There are few people who know the real Alex Ferguson.

Those who do have contributed to this unique insight into the inner most secrets of Ferguson's life and career. Many stories are being told for the very first time, some of the classics are being rekindled to produce a full picture of what the man and his methods were really like Ferguson's friends, colleagues, associates, those who have played for him and worked for him at both Aberdeen and Manchester United, helped fashion him or rather he has fashioned them, have been interviewed for this book, Chairmen, agents, players, the game's administrators, the media - written press, radio and TV personalities, have all contributed some fascinating anecdotes. Fittingly this in-depth study is a tribute to a genuine G.O.A.T. as both friend and foe alike have a common bond of admiration for Sir Alex's success. With more than 50 exclusive interviews together they paint a portrait of what makes the longest serving manager in Manchester United's history tick. It's a virtual Who's Who of football. Anyone who is anyone in the game has been more than willing to provide thoughts, views and personal stories about the greatest ever legend in management. The life and times of Ferguson through the eyes of the people he has encountered throughout his fascinating and highly successful career - a more comprehensive insight than even Ferguson might provide himself!
