**Emotional Banking for Kids** Oct 10 2020 We all have emotional bank accounts. Just as we want our traditional bank accounts to have positive balances and to be filled with money, we also need our emotional bank accounts to have positive balances and be filled with healthy emotions. Emotional Banking for Kids offers a handbook on emotional intelligence designed for children in elementary and middle school. Written by family empowerment expert Yvonne Brooks and coauthored by nine-year-old Yasmin Soferi, this manual provides helpful exercises for raising self-esteem by becoming more secure, increasing understanding, depositing healthy emotions daily, advancing emotionally through forgiveness, using self-control to fill up your personal emotional bank account, and operating at the highest emotional frequencylove. There is no reason for any child to be left behind emotionally. With the right tools available to them, children ages nine to twelve can take full responsibility for their own happiness and emotional well-being. This emotional intelligence guide presents practical guidance for children in elementary and middle school, helping them to grow stronger emotionally.

**Lake of Fire** Jan 01 2020 In "Lake of Fire" our main character travels through the world, escaping mental institutions and jobs to keep one step ahead of his father (whose name is Dr. Crabb) who is pursuing him to take over the family business. What is the family business? Nothing short of (eventual) world domination. Our main character finds that the farther he runs from his father, the more he becomes him, discovering that he has been inside of him all along. In a final climactic scene, father and son, reunited descend into the fiery depths of the Lake of Fire. In the second part of our book, "A Fire in the Heart" we experience episodes of miracle and of nightmare as the world is examined on an autopsy table of the author's dreams and fears. In the third book, "Jupiter's Hills" I weep for the beauty of the world. Ostensibly a story about Jupiter's Hills, history is examined. The hills are from Jupiter, belong to the God Jupiter or are just red hills here on Earth that suggest a strata of reality and detail that is other-worldly.

**Self-Help Books** Sep 08 2020 Based on a reading of more than three hundred self-help books, Sandra K. Dolby examines this remarkably popular genre to define "self-help" in a way that's compelling to academics and lay readers alike. Self-Help Books also offers an interpretation of why these books are so popular, arguing that they continue the well-established American penchant for self-education, articulate problems of daily life and supposed solutions for them, and present their content in an accessible rather than arcane form and style. Using methods associated with folklore studies, Dolby then examines how the genre makes use of stories, aphorisms, and a worldview that is at once traditional and contemporary. The overarching premise of the study is that self-help books, much like fairy tales, take traditional materials, especially stories and ideas, and recast them into extended essays that people happily read, think about, try to apply, and then set aside when a new embodiment of the genre comes along.

**A Wiccan Bible** Nov 10 2020 "If there is one quote from this book which deserves to be emblazoned on the opening pages of your Book of Shadows; above the door of your house (or temple); and in every mind it is this: 'Wicca is not a place to go, it is a journey to take.'"—Spiral Nature For thousands of years, we have been told that God was a man. Then someone reminded us of when God was a woman. Now we have a reference for the sensible folk who have always felt that it takes two. If you have ever thought there was more to religion than ancient rituals performed for reasons unknown, this book will show you exactly what you have been looking for. If you have already come to the realization that Wicca is the religion for you, this book will help fill those many blanks that have been left by other books. Author A.J. Drew makes no attempt to dictate religious dogma or routine. He is quick to point out that the title does not start with the word the. He illustrates the many issues a person's religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world. A Wiccan Bible takes you through the journey of life in three stages: • Maiden and Master: Creation, Wiccaning, and Self-dedication. • Mother and Father: Initiation, Handfasting/Handparting, and the Wheel of the Year. • Crone and Sage: Community, the world, and death. Mythology and science converge as the author details a life's journey into a religion with both old world ritual and new world science, fusing both into a creation myth which satisfies not only mind, but soul as well. A Wiccan Bible not only shows a religious path filled with joy, but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding, and a necessary part of everyday life. As A.J. addresses each issue, he demonstrates not only how he found the solutions in Wicca, and the many ways in which science and magick have helped him to do so. A Wiccan Bible also contains select recipes that the author has collected, including mixtures for incense, oils, and baths.

**Up, Not Down Syndrome** Jun 25 2019 Up, Not Down Syndrome is a love letter and a map. Experience how it feels to think your life is over after having an unlovable baby. At first the loss seems impossible to overcome. Alex becomes the author's greatest teacher. Love is stronger than fear. Everyone has gifts. The book consists of three parts: the story, the lessons Alex taught the writer and Alex's perspective. Up, Not Down Syndrome is a promise to stay positive, no matter what: up, not down. Nancy's journey gets to the core of what it is to be human: \* Explore what it feels like to think life, as you know it, is over. \* Discover the fierce love, joy and peace a baby diagnosed with Trisomy 21 (Down syndrome) brings. \* Learn the lessons this child taught his mom. \* Understand the gift this baby brings to our world. \* Realize the depth of the love this family has for the child. "A beautiful, honest account of not just accepting--but embracing--the unknown. Nancy shows us the blessing of an unexpected gift and the enormity of love." --Sara Byala, Ph.D. "This is a wonderful book to remind you that the joy of love is possible in unexpected places when you open your heart to it." --Barbara Taylor Bowman, Irving B. Harris Professor of Child Development "A moving and wise story of how a family navigates through hope, loss, learning and, most of all, love." --Rabbi David Wolpe, author of David: The Divided Heart "The truth and beauty of Nancy Schwartz's words tell an ongoing story of love, learning and the power of acceptance. All can learn from this family's boundless hope and from their

source of joy and strength: Alex." --April Beard, Music Educator and Cellist Learn more at [www.UpNotDownBook.com](http://www.UpNotDownBook.com) From Modern History Press [www.ModernHistoryPress.com](http://www.ModernHistoryPress.com)

**Soul Taken** May 05 2020 'Patricia Briggs never fails to deliver an exciting, magic and fable-filled suspense story' Erin Watt, No. 1 New York Times bestselling author of the Royals series. Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the No. 1 New York Times bestselling series. The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of 'fun' is stalking Mercy, some may see it as no great loss. But when he disappears, the Tri-Cities pack is blamed. The mistress of the vampire seethe informs Mercy that the pack must produce Wulfe to prove their innocence, or the loose alliance between the local vampires and werewolves is over. So Mercy goes out to find her stalker - and discovers more than just Wulfe have disappeared. Someone is taking people from locked rooms, from the aisles of stores and even from crowded parties. And these are not just ordinary people but supernatural beings. Until Wulfe vanished, all of them were powerless loners, many of whom quietly moved to the Tri-Cities in the hope that the safety promised by Mercy and Adam's pack would extend to them as well. Who is taking them? As Mercy investigates, she learns of the legend of the Harvester, who travels by less-trodden paths and reaps the souls that are ripe with a great black scythe . . .

**The Psychic & Spiritual Awareness Manual** May 17 2021 The Psychic & Spiritual Awareness Manual is aimed at people who wish to develop their psychic and spiritual awareness in a very practical way. Although organically linked, each chapter deals with a separate aspect of development and also acts as a diagnostic empowering tool. It is a companion to the teacher and student of these disciplines alike and is based around the Spiritualist and New Age approach to full realisation. It fills the gap left by so many books written by people who are not true, experienced practitioners or adepts in these fields. This book is filled with helpful exercises and hands-on useful techniques designed to empower the reader and awaken within them a sense of who, what, why, where and how they are. The chapters include lessons and writings on healing, meditation, psychic awareness, clairvoyance, psychometry, scrying, psychic and spiritual philosophy, colours, auras and their energies, sitting in circle, and much more. This book is not a narrative - it is a manual.

**When Food Is Comfort** Aug 27 2019 Learn Inner Nurturing and End Emotional Eating If you regularly eat when you're not truly hungry, choose unhealthy comfort foods, or eat beyond fullness, something is out of balance. Recent advances in brain science have uncovered the crucial role that our early social and emotional environment plays in the development of imbalanced eating patterns. When we do not receive consistent and sufficient emotional nurturance during our early years, we are at greater risk of seeking it from external sources, such as food. Despite logical arguments, we have difficulty modifying our behavior because we are under the influence of an emotionally dominant part of the brain. The good news is that the brain can be rewired for optimal emotional health. When Food Is Comfort presents a breakthrough mindfulness practice called Inner Nurturing, a comprehensive, step-by-step program developed by an author who was herself an emotional eater. You'll learn how to nurture yourself with the loving-kindness you crave and handle stressors more easily so that you can stop turning to food for comfort. Improved health and self-esteem, more energy, and weight loss will naturally follow.

**HeartBreak Therapy** Nov 22 2021 HeartBreak Therapy presents a groundbreaking approach to healing the painful emotions of heartbreak following the end of a relationship. While the book teaches the mind about the nature of heartache, the companion audio tracks gently guide the heart and emotions back to health. Andrew condenses the wisdom gained from years of individualized hypnotherapy sessions into a series of healing techniques, allowing the reader to embark upon a literal choose your own healing adventure. In HeartBreak Therapy, Andrew provides an explanation of the conscious and subconscious mind and how hypnotherapy is used to free us from cyclical negative thinking and get our emotions back to within a healthy range. Through a hypnotherapeutic perspective on love, relationships, and the nature of heartache, Andrew introduces the reader to new models of healing that facilitate insight and encourage emotional well-being.

**SOUL REPAIR MANUAL** Nov 03 2022 Just When You Thought "Nothing Beats Chicken Soup.....".along comes author Randy Petrick with Volume Two of the highly practical and innovative book series, The Soul Repair Manual. The daily devotions in this volume focus on hope and joy, providing tangible encouragement for anyone feeling emotionally overwhelmed by life's hardships, struggles, and storms. Life is not easy when we are in the broken places, but if we can learn to trust God and allow Him to actively work in our lives, we can find peace and contentment to replace anxiety and discouragement.Refreshingly, Randy allows his personal struggles and flaws to be exposed, helping craft advice and insight for real issues we all face. Showing how his relationship with God has grown will inspire you to view your own relationship and see where God might be encouraging you to change.Randy begins his daily devotions with a section titled "Storms," covering common situations and quandaries people have where they wonder if God is listening and whether their struggles will ever end. Section Two, "Keys to Survival," reinforces Randy's belief that the key to Soul Repair lies in building and strengthening our relationships with God. It contains ideas and biblical steps to help further that process and facilitate "survival." Finally, "Recovery" concludes the sections by celebrating the rewards to come as we grow closer to God. Taken together, the daily devotions will help you restore your relationship with God, strengthen your spiritual foundation, and help you move from any storm to the safety and comfort of God's loving hands.Reading The Soul Repair Manual is like getting a Scripture-based prescription for hope and joy. The daily doses are easily absorbed and can be returned to time and again whenever the storms of life threaten to overtake you."

*Modern Infidel: Filet of Soul* Jul 19 2021 Stalked by a hitman for a heinous crime of which he was acquitted, a church pastor suffers waking nightmares about a dysfunctional divine family, a grim reaper which bears a striking resemblance to Johnny Cash, four riderless horses and a looming apocalypse. Meanwhile, society is in turmoil. Federal laws have disarmed honest citizens while freeing convicted murderers. Runaway taxation has driven the everyday economy underground. Congressional assent to a United Nations treaty facilitates the deadliest terrorist attack since 9/11/01. As the Presidential election nears, an irresistible urge to be truthful seizes the incumbent and her Republican opponent. The incumbent's revelation about systemic voter fraud triggers reforms which result in a landslide victory for the third-party underdog. Ironically, not a single voter remembers selecting the spoiler at the ballot box. Predator and prey finally meet at a funeral, but the ceremony is hijacked by General George Patton. After performing a slapstick resurrection and setting humanity straight on a few things, Patton solves the political mystery by explaining the evolutionary leap which has begun to expand human consciousness. The newly aware congregants proceed to reinvent the United States of America envisioned by its founders.

**Alcoholics Anonymous and the Rockefeller Connection: How John D. Rockefeller Jr. and his Associates Saved AA** Sep 28 2019 This book straddles the divide between personal story and period history. In his finely researched account, Jay D. Moore follows the life of a driven, genius stock analyst brought to the brink of insanity by alcohol. A second thread traces the story of a physician humbled and bewildered by the same struggle. Finally, the story traverses the path through life of an unimaginably wealthy man, telling how he decides to use his treasure to benefit others. It has been said that there are no new ideas, only history we have not yet learned. No new ideas were brought to the Fellowship of Alcoholics Anonymous, for everything the co-founders and early members did had been done before. What they managed to change, however, was to stick to their knitting. The facts presented here help separate the truth from legend, as the story of Alcoholics Anonymous and the Rockefeller connection is presented with more depth and analysis than has been brought to the subject before.

*A Soil Owner's Manual* Jul 07 2020 A Soil Owner's Manual: Restoring and Maintaining Soil Health, is about restoring the capacity of your soil to perform all the functions it was intended to perform. This book is not another fanciful guide on how to continuously manipulate and amend your soil to try and keep it productive. This book will change the way you think about and manage your soil. It may even change your life. If you are interested in solving the problem of dysfunctional soil and successfully addressing the symptoms of soil erosion, water runoff, nutrient deficiencies, compaction, soil crusting, weeds, insect pests, plant diseases, and water pollution, or simply wish to grow healthy vegetables in your family garden, then this book is for you. Soil health pioneer Jon Stika, describes in simple terms how you can bring your soil back to its full productive potential by understanding and applying the principles that built your soil in the first place. Understanding how the soil functions is critical to reducing the reliance on expensive inputs to maintain yields. Working with, instead of against, the processes that naturally govern the soil can increase profitability and restore the soil to health. Restoring soil health can proactively solve natural resource issues before regulations are imposed that will merely address the symptoms. This book will lead you through the basic biology and guiding principles that will allow you to assess and restore your soil. It is part of a movement currently underway in agriculture that is working to restore what has been lost. A Soil Owner's Manual: Restoring and Maintaining Soil Health will give you the opportunity to be part of this movement. Restoring soil health is restoring hope in the future of agriculture, from large farm fields and pastures, down to your own vegetable or flower garden.
