Perfect Nonsense May 04 2020 Perfect Nonsense tells the complete story behind one of the most innovative and under-rated Golden Age artists, classic children's illustrators, and nonsense poets in American history. For more than 50 years, George Carlson created thousands of distinctive and dynamic cartoons, comics, riddles, and games that thrilled both children and adults with their fanciful spirit and nonsensical humor. There has never been a career retrospective of this startling cartoonist and illustrator — until now! Carlson's inspired cartoons — ranging from the intellectual to the surreal — place him at home with not only acknowledged masters of American humor like George Herriman, S. J. Perelman, Milt Gross, Bill Holman, and Jack Kent, but also globally celebrated absurdists like Beckett, Pirandello, and his life-long inspiration, Lewis Carroll.
