Just Wow!' Red Headed Book Lady, [REDACTED] 'UNPUTDOWNABLE.' Book Reviews by Shalini, [REDACTED] They find her just as the sun is beginning to rise in the early morning mist. They had begun at dawn, the group of searchers keen to get going. A missing child spurred everyone on. In the end, it was a flash of colour, a bright neon pink that caught her eye. They had been looking for pink. Nothing tests your faith like being a mother. The first time your children walk to school alone, their first sleepover, when they finally fly the nest. As a parent, you have to believe that everything will be OK. It's why, when Lydia's sixteen-year-old daughter Zoe goes on a school camping trip, she has no idea of the horrors that will unfold. It's why, when Lydia gets a call saying that her daughter has disappeared, she refuses to give up. As she searches the mountains, her voice hoarse from calling Zoe's name, she imagines finding her. She envisions being flooded with relief as she throws her arms around her child, saying, 'you*

gave us such a scare'. She pictures her precious girl safely tucked in bed that evening. It's why, when they find Zoe's body, Lydia can barely believe it. It is unthinkable. Her little girl has gone. Something terrible happened, she is sure of it. Something made Zoe get out of her sleeping bag in the middle of the night, walk out of the warmth and safety of the cabin, into the darkness of the mountains. Driven by the memory of her youngest child, Lydia needs to find out the truth. What kind of mother would she be if she didn't? A Favor for a Favor Sep 09 2020 From the New York Times bestselling author of *Pucked* and *A Lie for a Lie*, a new stand-alone romance about trading favors,

battling wills, and winning love. When I joined Seattle's NHL expansion team, I thought it was the start of something great. But nothing ever goes the way you expect. Take my introduction to my new neighbor. She came rolling in on the hot mess express at midnight, making a racket while she tried to get into my team captain's apartment. Did I mention that he's married to a woman who definitely was not her? Imagine my surprise when I end up with an injury that has me out of the game for weeks, and she's the one to offer to help me. I should probably add that she's not the captain's mistress. She's his sexy, pastel-haired younger sister. So we come up with an arrangement: she rehabs me so that I can get back on the ice sooner, and she can add a professional athlete that isn't her brother to her client list. Seems simple enough. As long as I can keep my hands to myself and my hormones in check.

Abide With Me Feb 12 2021 From the Man Booker Prize Longlisted author of *My Name is Lucy Barton* Katherine is only five-years-old. Struck dumb with grief at her mother's death, it is down to her father, the heartbroken minister Tyler Caskey, to

bring his daughter out of silence she has observed in the wake of the family's tragedy. But Tyler Caskey is barely surviving himself. His cold, church-assigned home is colder still since Lauren's death, and he struggles to find the right words for his sermons; struggles to be a leader to his congregation when he himself is lost. When Katherine's schoolteacher calls to discuss his daughter's anti-social behaviour, it sparks a chain of events that begins to tear down Tyler's defences. The small-town rumour-mill has much to make of Katherine's odd behaviour, and even more to say about Tyler's relationship with his housekeeper, Connie Hatch. And in Tyler's darkest hour, a startling discovery will test his congregation's humanity - and his own will to endure the kinds of trials that sooner or later test us all. From the Orange Prize-shortlisted author of *Amy & Isabelle*, this is a startlingly beautiful novel about love and abandonment, faith and hypocrisy; and the peril of family secrets...

That didn't stop me from thinking about him every day for ten years. I knew little about his life now, just that he was an entrepreneur living an ocean away. What if he hated me? What if he loved someone else now? I wasn't prepared for all the unknowns. And most of all, I wasn't prepared for today to be the day he came back.*

Arriving in Plaka, Alexis is astonished to see that it lies a stone's throw from the tiny, deserted island of Spinalonga - Greece's former leper colony. Then she finds Fotini, and at last hears the story that Sofia has buried all her life: the tale of her great-grandmother Eleni and her daughters and a family rent by tragedy, war and passion.
