**1066** Mar 06 2021 While the date 1066 is familiar to almost everybody as the year of the Norman conquest of England, few can place the event in the context of the dramatic year in which it took place. In this book, David Howarth attempts to bring alive the struggle for the succession to the English crown from the death of Edward the Confessor in January 1066 to the Christmas coronation of Duke William of Normandy. There is an almost uncanny symmetry, as well as a relentlessly exciting surge, of events leading to and from the Battle of Hastings.

By tracing paper's evolution from antiquity to the present, with an emphasis on the contributions made in Asia and the Middle East, Mark Kurlansky challenges common assumptions about technology's influence, affirming that paper is here to stay. [A Nurse at the Front](#) Dec 15 2021 This, the first in a series of four unique War Diaries produced in conjunction with the Imperial War Museum, will tell a story that is rarely heard: the experiences of a nurse working close to the Western Front in the First World War. Incredibly, Edith Appleton served in France for the whole of the conflict. Her bravery and dedication won her the Military OBE, the Royal Red Cross and the Belgian Queen Elizabeth medal among others. Her diary details with compassion all the horrors of the 'war to end wars', including the first use of poison gas and the terrible cost of battles such as Ypres, but she also records what life was like for nurses and how she spent her time off-duty. There are moments of humour amongst the tragedy, and even lyrical accounts of the natural beauty that still existed amidst all the destruction.

[Manliness and the Boys' Story Paper in Britain: A Cultural History, 1855-1940](#) Apr 26 2020 In this pioneering work about the precursor to the comic book, Kelly Boyd traces the evolution of the boys' story paper and its impact on the imaginative world of working-class readers. From the penny dreadful and the Boy's Own Paper to the tales of Billy Bunter and Sexton Blake, this cultural form shaped ideas about gender, race, class and empire in response to social change. This study is an important analysis of a neglected part of popular culture.
