The Chosen Jun 06 2020 The story of two fathers and two sons and the pressures on all of them to pursue the religion they share in the way that is best suited to each. And as the boys grow into young men, they discover in the other a lost spiritual brother, and a link to an unexplored world that neither had ever considered before. In effect, they exchange places, and find the peace that neither will ever retreat from again.

Because You Love Me Dec 13 2020 Because You Love Me, a women's devotional book, is a journey of faith, love, and direction for women seeking to develop an intimate relationship with God. Women share a unique place in God's heart because we are redeemed and chosen with a real purpose in His plan. Discovering that purpose is sometimes difficult because of who we believe we are in God's order, but we must allow God to deliver us from our preconceived notions to find our real purpose. When we develop a relationship with God, we learn that we are complete with Him, daughters of the Highest, with spiritual gifts at our command. In these pages, you will find daily scripture, commentary, and prayers that give comfort, inspiration, and spiritual blessing to grow you into the woman that God intended you to be. There are fifty-two weeks of devotions included in this book--one devotional for every day to lead and guide you through your spiritual journey with God.

The Chosen Jul 08 2020 The story of two fathers and two sons and the pressures on all of them to pursue the religion they share in the way that is best suited to each. And as the boys grow into young men, they discover in the other a lost spiritual brother, and a link to an unexplored world that neither had ever considered before. In effect, they exchange places, and find the peace that neither will ever retreat from again.

The Chosen Wars Mar 16 2021 "An important beginning to understanding the truth over myth about Judaism in American history" (New York Journal of Books), Steven R. Weisman tells the dramatic story of the personalities that fought each other and shaped this ancient religion in America in the eighteenth and nineteenth centuries. The struggles that produced a redefinition of Judaism illuminate the larger American experience and the efforts by all Americans to reconcile their faith with modern demands. The narrative begins with the arrival of the first Jews in New Amsterdam and plays out over the nineteenth century as a massive immigration takes place at the dawn of the twentieth century. First there was the practical matter of earning a living. Many immigrants had to work on the Sabbath or traveled as peddlers to places where they could not keep kosher. Doctrine was put aside or adjusted. To take their places as equals, American Jews rejected their identity as a separate nation within America. Judaism

became an American religion. These profound changes did not come without argument. Steven R. Weisman's "lucid and entertaining" (Publishers Weekly, starred review) *The Chosen Wars* tells the stories of the colorful rabbis and activists—including Isaac Mayer Wise, Mordecai Noah, David Einhorn, Rebecca Gratz, and Isaac Lesser—who defined American Judaism and whose disputes divided it into the Reform, Conservative, and Orthodox branches that remain today. "Only rarely does an author succeed in writing a book that reframes how we perceive our own history. *The Chosen Wars* is...fascinating and provocative" (Jewish Journal).

Chosen Jul 28 2019 Closing the cover, she stared down at the reason for her life on the run. The small body of her daughter, Raine, sleeping on the hotel bed, smeared dried chocolate ice cream on her rosy lips. Her first words tangled in a two-year old language I am Christ. Father Mc Kenna tossed the folder down on his desk letting his eyes remain on the rain splattered window. Weighing out the common denominators, trying to justify and dispel what he was learning on his trip from the Vatican to the United States. All the children were born in the same year. They all told the same stories. Most importantly, they all searched for the one girl they claimed to Christ walking on earth again. If he took the job offered to him as a liaison between the States and the church, he would oversee the school designed to house all the children together, study them, analyze and scatter their credibility. Yet in the back of his mind, the question lingered what if Christ had returned? Michael David stared out his binoculars at the mother and daughter playing in the backyard of their newest home. A cold chill ran up his spine as he recalled the typed black on white words written in the folder given to him by his commander General Frank Mc Gunther. No, surely not, it couldn't be this bright eyed little girl shaking off the cool water her mother sprayed on her with the garden hose, she looked so ordinary. If there was a God, He was surely playing a joke on all of them. Or so he thought.

The Chosen: I Have Called You By Name (Revised & Expanded) Jul 20 2021 Based on the acclaimed video series *The Chosen*, the most amazing story ever told—the life of Jesus—gets a fresh, new telling from New York Times bestselling author Jerry B. Jenkins. What was it like to encounter Jesus face-to-face? How would he have made you feel, changed your way of thinking about God? Would he have turned your world upside down? Journey to Galilee in the first century. See the difference he made in the lives of those he called to follow him and how they were forever transformed. Experience the life and power of the perfect Son of God as never before—through the eyes of everyday people just like you. SPECIAL FEATURES • The official novel based on Season 1 of the immensely popular TV series, which has been seen in every country in the world, with over 85 million views. • The latest fiction from Jerry Jenkins, perhaps the bestselling Christian novelist of recent times

A Chosen Faith Nov 04 2022 An updated edition of the classic text on the history and beliefs of the Unitarian Universalism—from a senior minister of the Unitarian Church For those contemplating religious choices, Unitarian Universalism offers an appealing alternative to religious denominations that stress theological creeds over individual conviction and belief. Featuring two new chapters, a revealing and entertaining foreword by best-selling author Robert Fulghum, and a new preface by UU moderator Denise Davidoff, this updated edition of the classic introductory text on Unitarian Universalism explores the many sources of the living tradition of this 'chosen faith'.

God's Chosen Fast Jan 14 2021 This is a balanced study which seeks to give fasting the weight that Scripture gives, while avoiding abuse. The book includes a biblical index, and an appendix dealing with the textual problems surrounding four references to fasting in the New Testament. Copyright © Libri GmbH. All rights reserved.

Chosen Oct 23 2021 In life, we face certain circumstances that can be so overwhelming there seems to be no hope. We all may face betrayal even by our own blood, such as the lack of love and validation on this earth, which can put us in a dark place. But with Christ in our hearts, we find hope that no matter what we go through, we can do all things through him. The poems included in this book are filled with the hope we find in Jesus Christ. The author describes how God took her out of two very abusive relationships—an abusive relationship with her mother and an abusive marriage. Some of the poems just express a romantic side, like her conversations with the Lord. God's love can transform us in a way

that we could never imagine. Through Jesus Christ, we find who lives within us and the person whom God created us to be. She hopes that by reading this, you, too, can find that hidden treasure God put inside of you. The cover and images of this work was painted by the artist: Maribel Juarez IG: mari.bellarte012 mmamcd4@yahoo.com Love never gives up, never loses faith, is always hopeful, and endures through every circumstance. –1 Corinthians 13:7 (NLT)

The Chosen May 18 2021 Darkness lurks on the edge of the Kingdom of Limerick. A queen thirsty for blood and hungry for power is searching for a magical scepter. The scepter will give her what she longs for, the throne of Limerick and the death of the High King. A handmaiden with a quest sown into the legends of Limerick is the kingdom's only hope. Things aren't always what they seem, and the hand of friendship hides the face of evil. Lachlan, a knight in the High King's guard is tasked with recovering the scepter before the queen and her murderous horde gain its advantage. Deception and mistrust pit Lachlan against the woman he loves, and when the High King disappears, all seems lost. Will those chosen be victorious? Or will the king and his kingdom fall forever in darkness?

Chosen by God Feb 24 2022 Nearly 200,000 copies sold! Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

The Faith of Chosen People Aug 09 2020 English readers are familiar with Saint Nikolai's PROLOGUE FROM OCHRID, THE LIFE OF ST SAVA, and other writings which are of great benefit for the whole Church. He thought of his writings as silent sermons addressed to people who would never hear him preach. In his life and writings, the grace of the Holy Spirit shone forth for all to see, but in his humility he considered himself the least of men. A spiritual guide and teacher with a magnetic personality. He has also left behind many soul-profiting writings which proclaim the truth of Christ to modern man. In them he exhorts people to love God, and to live a life of virtue and holiness.

A Book of Good Faith Jan 26 2022

You Are My Servant and I Have Chosen You Mar 04 2020 The book is about the painful hardships, tests, trials, and tribulations the Lord has put me through in the process of my calling, choosing, preparation, and ordination for ministry. It traces my calling at the age of eleven and how, from then, God protected me from the numerous attempts of the enemy to kill me. It looks at my rise to power and prestige as a company executive, my calling into and gifting for full-time ministry, the liquidation of my transport company, my subsequent financial bankruptcy, and my falling into debt and sequestration. Having lost everything I had and fallen into insolvency, the Lord began to teach me what it truly meant to live by faith and to depend on him. The book details how God led me every day by his word and the abundant revelations he showed me and the tools of survival he gave me. It contains also prophecies directed at my countrymen and Church of Christ universal. It shows how God strengthened me to overcome my tribulations, to remain positive, to not lose hope, to get back up again, and how he faithfully began to restore his favor and blessing on me once again.

Faith for Those God Has Called and Chosen Jun 30 2022 What is faith? Can faith be increased? Is faith just a feeling? Does faith nullify the law? Many talk about faith, but do they really have it? Millions lack the faith to receive answers to their prayers. Often this is due to lack of understanding what faith really is. Can you handle reading and doing what the Bible teaches about faith?

The Decision of Faith Mar 28 2022 Kevin Kinghorn uses experimental studies within the psychological literature on self-deception to make sense of the Christian idea of 'spiritual blindness'; and argues that whether or not a person wilfully contributes to self-deception will hinge on decis

Chosen to Suffer May 06 2020 This book was designed to help my brothers and sisters in Christ understand why suffering is necessary. My hope is that you began to have a different viewpoint when the art of suffering for Christ is involved. I do not profess to know everything, but I do know that God

receives no pleasure in watching His children suffer. Nevertheless, He does take pleasure in observing His children model Christ during our times of trouble.

Faith Without Certainty Oct 11 2020 This book lays out the basic characteristics of liberal theology, delving into historical and philosophical sources as well as social and intellectual roots. Ideal for readers who want a better understanding of liberal theology, a religious tradition that is rooted not in authority but in one's own experience and conscience.

Being Christian in an Almost Chosen Nation Nov 11 2020 Since September 11, religion has been explicitly connected to most of the major events occurring in national and international arenas. This book shows how pastors can engage public issues from the pulpit without surrendering their authority as ministers of the gospel to a partisan agenda.

A Chosen Faith Oct 03 2022 For those contemplating religious choices, Unitarian Universalism offers an appealing alternative to religious denominations that stress theological creeds over individual conviction and belief. In this new edition of the classic introductory text on Unitarian Universalism, which includes a revealing, entertaining foreword by best-selling author Robert Fulghum (All I Really Need to Know I Learned in Kindergarten, It Was on Fire When I Lay Down on It), a new preface by UU moderator Denise Davidoff, and two new chapters by the authors, John Buehrens and Forrest Church explore the many sources of the living tradition of their chosen faith.

I Choose Honor Jun 18 2021 This book will lead you to have deeper relationships with others because you will learn to recognize that each person, as a creation of God, deserves honor.

Desiring God Dec 25 2021 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The Risen, the Chosen, and the Dark Sep 21 2021 It was shadow. A dark mass that was both visible and invisible, opaque and transparent - a shadow with dimension - darkness with volume. An ominous sound of hushed mutters seemed to sigh out from within the darkness itself as the Hunter continued to expand it. The misty shadows stretched forth, as if to get a feel for the surroundings. This was where the Dark Ones got their name.. For over fifty years, a war has been raging. Threatened by the Dark Ones, Man has agreed to a system of partnerships, forming a new way of life with phoenixes, winged horses, and dragons. Children are taught at a young age to fight for what is right and to trust in the One. As war ravages the land, eight children will learn how to defend themselves, their friends, families, and homelands. The son of a king, the daughter of a queen, a descendant of an underground fighter, and a child of the forest will choose four others and unite, unwittingly setting a prophecy in motion as the Dark Ones initiate a new offensive. Will the eight be able to halt this advancement, or will more of the world fall into darkness? Jessica Lynn Campos is an engineering student at Oklahoma State University. Between classes, she enjoys reading, playing games and guitar, and, of course, writing. Her ideas stem from a strong Christian faith and from watching the world around her, especially her family. Her mother, father, sister, and three brothers were the inspiration for many of the characters. They were also her support when she looked to publish. She gives credit to God, who made everything fall into place at the right time. Without Him, nothing would be possible. Gal 6:17

Broken To Chosen Jan 02 2020 Broken To Chosen is a transparent book about Joy's journey of faith, healing and restoration. Even though Joy felt broken and as if she were merely surviving life, Jesus helped her to heal and find freedom from abuse, abortion, substance abuse, rejection, Lyme disease and so much more. This book was written for you, so you could see the amazing work God did in her life and know that He wants to do it in your life too! Healing and freedom are for everyone! All you must do is BE WILLING! God is saying do not stay broken, you are CHOSEN!

A Refutation of Calvinism ... Third edition Jun 26 2019

Chosen May 30 2022 Michele Guinness was brought up to observe all the traditions and ritual of her Jewish culture. But in her teens she found something lacking. When she encountered a Christian it

raised questions in her own mind, and she turned to the Bible for answers. In this lively account she tells how she came face to face with the Messiah and had to make sense of being both Jewish and Christian. In due course she would marry Peter Guinness, of the brewing family - who would become a minister in the Church of England. This highly diverting autobiography, studded with vivid anecdotes, describes her spiritual journey from one faith to another and the social and cultural pitfalls involved.

Mama Bear Apologetics Aug 21 2021 *Foreword written by Nancy Pearcey* "Parents are the most important apologists our kids will ever know. Mama Bear Apologetics will help you navigate your kids' questions and prepare them to become committed Christ followers." –J. Warner Wallace "If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation." –Natasha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics® is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, "Mess with our kids and we will demolish your arguments"? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

The Chosen Nov 23 2021 When you think of being chosen, does your mind go back to recess days on that schoolyard playground long ago, when Teacher asked the two biggest boys in the class to choose up teams? Remember how the rest of you lined up, dutifully waiting for your name to be called? And remember how you stood there, nervously holding your breath, shifting your weight from one sneaker to the other, hoping against hope that this time you'd be chosen? Good news. You have been chosen! Maybe not for the starting lineup on your school's basketball team or for the next promotion at work. But your calling is much more extraordinary For "you are a chosen people, . . . a people belonging to God, that you may declare the praises of him who called you out of darkness into his wonderful light" (1 Peter 2:9, NIV). Who is this God who has chosen you? Why have you been chosen? And how are the chosen to live? Join Dwight K. Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land

Chosen, Listen, Respond Apr 16 2021 Considering a submission to the guided directions of God, here stands His affirmation that is transmitted on behalf of the Holy Spirit. Remain vigilant in belief, faith, and being obedient to listening and hearing the voice of God as a chosen vessel. God describes His architectural structure as one willing to listen while being thoroughly engaged with the spiritual ups and downs in the process without deflecting. He oversees the love, endurance, integrity, and leadership fulfilled within the designation enlighten with free will. God brings comparison of the structure leading in the evangelical apostleship by the natural free will self-controlled and to the spiritual free will responding to the Holy Spirit. It is through submitting obedience to God's visionary revelation expressing, "Don't lose your structure" from titling of Chosen, Listen, Respond. The book denotes without any hesitation to seek God first from an empty vessel which is prepared and ready to fulfill service. The book is also a mentoring solution to surfacing issues and problems such as the following: When surrounded by great diversity entangling bad and good collaboration, look for the more effective righteous collaboration directed by God while in pray. Though awkward situations may arise leading to degrade and destroy the structure, continue to look toward the righteous narrow pathway while fasting, reading, and meditating in pray for healing. Often, issues linger within a vessel tired of the old manipulated ways, forgetting and looking back, reminiscing and struggling to define the new chapter. The vessel must generate desperation for something better through a committed and intimate godly relationship focusing with a spiritual mentality and less natural in the pursuit of critical and logical changes. To readers of Chosen, Listen, Respond, a process of change begins from the heart which first hears and acts upon the Word of God. These elements such as character, comprehension, conscience, godly power,

knowledge, patient ability, and self-control when faithfully maintained will highlight a progressive change occurrence. Thus, believers honestly submitting to the Word of God and the Holy Spirit in love, endurance, integrity, and leadership solidify their change in the spiritual structure.

Who is Chosen? Feb 12 2021 Who is Chosen? introduces students to four different theories about Christian salvation. The goal is not to convince anyone to agree with a particular theory, but rather to allow students to be more informed about major lines of thought within Christian theology. Discussion questions and a short critique are provided for each major theory. There are also brief remarks concerning the vexing problem of addressing Christian salvation to those outside of the Christian Church.

Singled Out Apr 04 2020

Conflagration Apr 28 2022 A dramatic retelling of the story of the Transcendentalists, revealing them not as isolated authors but as a community of social activists who shaped progressive American values. Conflagration illuminates the connections between key members of the Transcendentalist circle—including James Freeman Clarke, Elizabeth Peabody, Caroline Healey Dall, Elizabeth Stanton, Thomas Wentworth Higginson, Theodore Parker, and Margaret Fuller—who created a community dedicated to radical social activism. These authors and activists laid the groundwork for democratic and progressive religion in America. In the tumultuous decades before and immediately after the Civil War, the Transcendentalists changed nineteenth-century America, leading what Theodore Parker called “a Second American Revolution.” They instigated lasting change in American society, not only through their literary achievements but also through their activism: transcendentalists fought for the abolition of slavery, democratically governed churches, equal rights for women, and against the dehumanizing effects of brutal economic competition and growing social inequality. The Transcendentalists’ passion for social equality stemmed from their belief in spiritual friendship—transcending differences in social situation, gender, class, theology, and race. Together, their fight for justice changed the American sociopolitical landscape. They understood that none of us can ever fulfill our own moral and spiritual potential unless we care about the full spiritual and moral flourishing of others.

Chosen Faith, Chosen Land Aug 01 2022 This book takes a look at the faith, philosophy, and way of life of the country's one remaining Shaker community. Lauber explores their spiritual and daily lives by weaving together proprietary Shaker quotations, interviews, and photographs. The result is a book that pierces many misconceptions, most notably that the Shakers and their faith are dead. Lauber places the topics of faith, community, work, and worship in the context of Shaker history and contemporary developments on the American landscape.

You Are Chosen!: Prepare to Triumph in a Fallen World Feb 01 2020 You Are Chosen! is a challenge—a challenge for Christians to become warriors for Christ. For the second time in history Christianity is the most persecuted religion on Earth. All around the world are church bombings, executions, lawsuits, hostile legislation, incarceration, torture. Today's churches spend precious little time teaching Christians to live in a world that hates and targets them for their faith. Yet the properly trained warrior knows that Christ came to set fire to the Earth and that His Kingdom would suffer both oppression and violence. They know Christ never came to bring world peace, and that they must be prepared for persecution. More than ever, Christians need to be properly trained and equipped. With proper guidance and armor, Christians can become warriors for Christ and confidently sing, "Let God arise, let his enemies be scattered." (Ps. 68:1)' Do not think that I came to bring peace on the earth; I did not come to bring peace, but a sword,' Christ told his disciples. (Matt. 10:34 NASB) Step by step, You Are Chosen! turns the reader into an effective warrior for Christ. From understanding the ways of God's enemies, to knowing how to put on God's full armor, the reader will learn how to become "worthy" to Christ. Jesus said to his disciples, "He who does not take his cross and follow after Me is not worthy of Me." (Matt. 10:38) But what does it mean to "take up the cross" and be counted "worthy"? Becoming "worthy" of Christ is vital for every Christian who wants to live under divine protection, especially in an age of persecution. The only way to escape that day of evil is to be counted "worthy." Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and

to stand before the Son of man. (Luke 21:36, emphasis added) The authors take a hard look at important scriptures almost universally ignored (or grossly misinterpreted) by today's church. What did Christ mean when he said the Kingdom of God would suffer violence? Did Christ really come to bring peace to all? Why did Christ tell his disciples to sell everything and buy a sword? What does it really mean to "turn the other cheek"? Is the Antichrist coming? Is he already here? In a world that increasingly denies the existence of God, the validity of human life at conception, the existence of gender roles or even the fact that God created male and female, Christians must learn to provide their communities with the Salt and Light of scripture: We are the salt of the Earth, meaning we are not only here to give flavor to the world, but to act as a preserver of God's glorious truths. If we fail to do this, we are worthless as a Christian body. Increasingly, the world of non-believers does not shy away from displaying their hatred for Christian soldiers who bring this Salt and Light. They will do whatever they can to shut down God's truths and silence those who dare to enunciate them. Employers are firing Christians over their biblical views. Christians have faced malicious and ruinous lawsuits. Others have gone to jail. Still others have been subjected to violence. Christian businesses have been forced to shut down. Former Arkansas Governor and onetime presidential candidate Mike Huckabee explained it this way on FOX News: 'Today, the new direction of the left is: In the name of tolerance be intolerant. In the name of love, hate people. In the name of diversity, demand conformity. Because that's where we are.' Christ did not choose the church for defeat; He chose the church for victory. You Are Chosen! teaches survival skills for the Kingdom of God and how to "crush Satan under your feet." (Ro. 16:20) But it will take the proper training, equipment, scriptural insight and instructions. You Are Chosen! focuses on the tools necessary for every Christian to stand firm and scatter the enemies of Christ. As a Christian warrior you can be triumphant in a fallen world.

Who are the Real Chosen People? Dec 01 2019 "To understand how and why the concept of chosenness became so important in religion, Reuven Firestone examines the emergence of Judaism, Christianity and Islam and explores how chosenness became the authoritative marker of authenticity for the competing expressions of monotheism. He discusses how chosenness became a category over which great arguments, inquisitions, and religious wars have been fought. He shows how understanding the notion of chosenness can help you navigate between your beliefs and those of others, and help you make sense of your own unique place in a religiously complex world."--BOOK JACKET.

Beloved and Chosen Sep 09 2020 This is a valuable addition to the heightened awareness that acknowledges, in a gentle and spiritual way, the witness and contribution of women to the spread of Christianity throughout the ages. The lives of some three hundred women are woven into this fascinating account --from biblical times, through early persecutions, of mystics, martyrs, pioneers and missionaries, up to the present time, including the work of Mother Teresa. It is hoped the book will stir the imagination of many to discover how God has chosen women to be living stones in the building of his Church in the world of their day.

The Way of the Chosen Sep 29 2019 Discover what it means to belong to and be blessed by God. We all have to choose: the wide road that leads to destruction or the narrow path that leads to life. The third season of the groundbreaking television show, The Chosen, picks up with how Jesus' followers apply His teaching to their lives. The Way of the Chosen is an eight-lesson interactive Bible study for individuals or small groups that works in tandem with each episode of the show. In modeling "the narrow road that leads to life" it includes: Forgiving the way Jesus does Going when and where He says to go Grieving what He grieves Standing firm on His words and character Delighting in the things that please Him Asking because He says to Welcoming those He welcomes Trusting His will and way Readers will be challenged to move from knowing who Jesus is to living out their faith by going the way of the Chosen.

Chosen Faith, Chosen Land Sep 02 2022 This book takes a look at the faith, philosophy, and way of life of the country's one remaining Shaker community. Lauber explores their spiritual and daily lives by weaving together proprietary Shaker quotations, interviews, and photographs. The result is a book that

pierces many misconceptions, most notably that the Shakers and their faith are dead. Lauber places the topics of faith, community, work, and worship in the context of Shaker history and contemporary developments on the American landscape.

A Disruptive Gospel Aug 28 2019 Stories Help Readers Impact Their Communities What would happen in your city if 10 percent more people became vibrant Christians who worked together for the good of the community? Mac Pier knows from firsthand experience that when the gospel invades your city, big things start to happen. For thirty years he's watched and participated in what God has been doing in New York City. Now he shares true stories of transformation to inspire readers who long to see God move in their own communities. He helps readers understand the greatest barriers to the gospel in major cities all over the world, shares hopeful stories of reconciliation, highlights the passion and leadership of millennials advancing the gospel, and offers insight into how to start or join a gospel movement wherever in the world readers find themselves. Anyone looking for motivation and inspiration to join God where he is working will love these exciting dispatches from the front lines of outreach on five continents. Foreword by Tim Keller.
