Harmony Lessons, Book 2 (Note Speller 4) Dec 21 2021 A practical volume that can be used by instrumental and vocal teachers who want their students to know some of the essentials of harmony, but who haven't the time to teach it as a separate subject. Thus, a piano teacher, for example, can teach harmony in conjunction with the regular piano lesson. At the end of Book 2, students will be able to harmonize melodies using a variety of harmonic accompaniment patterns. Also included are exercises in transposition and composition.

Complete Physical Education Plans for Grades 5 to 12 Jun 22 2019 "This popular book provides loads of teacher-tested lesson plans and assessment tools that will decrease your preparation time and increase your students' competency. After listening to requests of the first edition's users, the author has packed two more popular field sports and a unique chapter on educational gymnastics into this new edition of Complete Physical Education Plans for Grades 5 to 12. Lessons can cover beginner, intermediate, and advanced levels and break down each skill as it is introduced. The chapters also integrate the applicable rules and strategies during the learning process and use methods that will keep students active, learning, successful, and completely motivated. In addition to the clear instruction for teaching skills, rules, and strategies, each lesson generates opportunities for students to develop physical, cognitive, and social skills. Each unit is designed to help students gain competency appropriate for their experience level. Formerly published as Complete Physical Education Plans for Grades 7 to 12, the book features exciting new material: Detailed introductions of skills and how to practice the mechanics of each skill or dance; Three new chapters (field hockey, lacrosse, and educational gymnastics, the latter of which includes three units that can be used in teaching both gymnastics and creative dance). Complete Physical Education Plans for Grades 5 to 12 provides field-tested lesson plans for 484 classes covering 18 areas of fitness, creative movement and dance, and sports. These professionally prepared plans will not only cut your own prep time but also help you focus on the essentials in each step of your students' learning process. It is a great resource when you need material for a substitute teacher or when you are asked to submit plans to your school administrator. In addition to the lesson plans, the book and CD-ROM package contains a wealth of teaching and assessment tools, including skills rubrics, portfolio checklists, unit fact sheets, and quizzes. The accompanying CD-ROM enables you to print study sheets, student extension projects, portfolio checklists, unit quizzes, and answer keys. You can also print out any page of the text from the CD-ROM (e.g., lessons, full units, tests)."--Publisher's website.

Jazz Fiddle Wizard Jan 28 2020 Jazz Fiddle Wizard is a book/CD set tailored for advanced violinists who want to learn to improvise in the jazz tradition. The book contains practical theory lessons, presenting rhythms and scales that are immediately put to use. Concepts are introduced progressively, requiring comprehension of previously introduced techniques and terminology. Each lesson includes a theory section and an exercise or performance section. The book's companion play-along CD provides professional full rhythm section accompaniment for each exercise and tune. As the method was designed for college students and advanced players, no violin tracks are included on the CD. The Stuff Smith solo from "Knock, Knock- Who's There?" transcribed at the onset of the book is readily available at <http://www.rhapsody.com/stuffsmith/tracks.html> This method assumes that the reader/player has a basic technical command of the instrument and reads standard music notation at an elementary level or higher. Jazz Fiddle Wizard is the most challenging of Martin Norgaard's fiddle improv books. If you are a novice jazz player, the author recommends beginning with Jazz Fiddle Wizard Junior, Books 1 & 2 followed by Getting Into Gypsy Jazz Violin, all of which include violin tracks on their respective companion CDs. Jazz Fiddle Wizard works in conjunction with the www.jazzfiddlewizard.com website, offering a unique interactive experience in which the reader is invited to pose questions directly to the author. This method has been field-tested with college students and other players from different musical backgrounds and at various levels of technical proficiency. The bottom line on this product is that IT WORKS!
