Heart of God Jan 03 2020 Awarded the Noble Prize for Literature in 1913, Rabindranath Tagore (1861-- 1941) is considered the most important poet of modern-day India. He was also a distinguished author, educator, social reformer, and philosopher. Today, Tagore along with Mahatma Gandhi is prized as a foremost intellectual and spiritual advocate of India's liberation from imperial rule. This inspiring collection of Tagore's poetry represents his "simple prayers of common life." Each of the seventy-seven prayers is an eloquent affirmation of the divine in the face of both joy and sorrow. Like the Psalms of David, they transcend time and speak directly to the human heart. The spirit of this collection may be best symbolized by a single sentence by Sarvepalli Radhakrishnan, the renowned philosopher and statesman who served as president of India: "Rabindranath Tagore was one of the few representatives of the universal person to whom the future of the world belongs."

Translating Tagore's Stray Birds Into Chinese Mar 29 2022 Translating Tagore's 'Stray Birds' into Chinese explores the choices in poetry translation in light of Systemic Functional Linguistics (SFL) and illustrates the ways in which readers can achieve a deeper understanding of translated works in English and Chinese. Focusing on Rabindranath Tagore's 'Stray Birds', a collection of elegant and philosophical poems, as a source text, Ma and Wang analyse four Chinese target texts by Zheng Zhenduo, Yao Hua, Lu Jinde and Feng Tang and consider their linguistic complexities through SFL. This book analyses the source text and the target texts from the perspectives of the four strata of language, including graphology, phonology, lexicogrammar and context. Ideal for researchers and academics of SFL, Translation Studies, Linguistics, and Discourse Analysis, Translating Tagore's 'Stray Birds' into Chinese provides an in-depth exploration of SFL and its emerging prominence in the field of Translation Studies.

Stray Birds Sep 03 2022 *Stray Birds* (1916) is a collection of poems by Rabindranath Tagore. Translated into English by Tagore after he received the 1913 Nobel Prize in Literature, *Stray Birds* is a powerful collection of short poems by a master of Indian literature. "Stray birds of summer come to my window to sing and fly away. And yellow leaves of autumn, which have no songs, flutter and fall there with a sigh." The poems of *Stray Birds* are a masterclass in clarity and concision. Like birds themselves, they flutter across the sky of the page before passing beyond the limit of sight. In prayer, in celebration, and in evocations of the natural world, Tagore comes as close to the truth as possible, catching a glimpse before it can fly away forever: "Let me live truly, my Lord, so that death to me become true." In plainspoken language, Tagore gives voice to the soul. With a beautifully designed cover and professionally typeset manuscript, this edition of Rabindranath Tagore's *Stray Birds* is a classic of Indian literature reimagined for modern readers.

Paper Boats Sep 22 2021 A child launches paper boats hoping someone in another country will find them.

The Wayfaring Poet Aug 29 2019 "Rabindranath's first major excursion out of the Calcutta home took place in 1873 when his father took the boy to accompany him on one of his yearly trips to the Himalayas via Bolpur and Amritsar. This was his first experience of real freedom in the midst of Nature which he loved so dearly. This was also the precursor to a series of travels, inland and foreign, of which Tagore has left such vivid impressions in letters, diaries, poems, songs and articles. This anthology seeks to record some of these experiences in a selective compilation arranged, for the most part, chronologically. Where translations were readily available they have been reprinted. Other selections have been freshly translated. It is but natural that some extracts have been included which represent Tagore's reflections on travel and on the pioneers who have made such great contributions to developing the means of travel"--Pages 5-6.

Selected Short Stories Jan 15 2021 Poet, novelist, painter and musician, Rabindranath Tagore (1861-1941) is the grand master of Bengali culture. Written during the 1890s, the stories in this selection brilliantly recreate vivid images of Bengali life and landscapes in their depiction of peasantry and gentry, casteism, corrupt officialdom and dehumanizing poverty. Yet Tagore is first and foremost India's supreme Romantic poet, and in these stories he can be seen reaching beyond mere documentary realism towards his own profoundly original vision.

Asha and the Spirit Bird Apr 05 2020 In contemporary India, 12-year-old Asha will journey across the dangerous Himalayas to find her missing father and save her family's home -- guided by a mythical bird and a green-eyed tiger who she believes to be the spirits of her ancestors. This is an incredibly unique debut about loss, family, buried treasure, and hope. Asha lives on a family farm with her mother in rural India in the foothills of the Himalayas. Life would be perfect if her father were with them instead of working at the factory in the faraway city. But she knows they wouldn't be able to afford their home without the money he sends home. When four months go by without a single letter, a ruthless debt collector arrives with a warning, and soon the entire world that Asha has known is threatened. Determined to save her home, Asha and her best friend must swallow their fears and set out on a dangerous journey across the Himalayas to find her father. As desperation turns to peril, Asha will face law enforcement, natural disaster, and the wild dangers of the Himalayas. But with a majestic bird and a green-eyed tiger as her guides, who she believes to be the spirits of her ancestors, she's determined to keep faith in order to save her family.

The Gardener Apr 29 2022 *The Gardener* is a collection of the most beautiful love poems by Rabindranath Tagore, a Bengali poet, writer, playwright, composer, philosopher, social reformer, and painter. The central theme of these poems, set in the Bengali countryside, is love and life.

Homeless Bird Oct 24 2021 Koly's parents have arranged a marriage for their only daughter and now, like many girls her age in India, she will leave her home forever. She longs to run away, but she knows that she cannot go against tradition. On her wedding day, Koly's fate is sealed. Caught up in a series of events that threaten to sweep her towards a frightening future, Koly finds herself cast out and alone. But sometimes courage and hope can be more powerful than tradition, and Koly learns that fate can be taken into her own hands.

Stray Birds (Esprios Classics) Oct 12 2020 Rabindranath Tagore FRAS (born Robindronath Thakur, 7 May 1861 - 7 August 1941), sobriquets Gurudev, was a Bengali poet, writer, composer, philosopher and painter from Bengal. He reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of the "profoundly sensitive, fresh and beautiful verse" of *Gitanjali*, he became in 1913 the first non-European as well as the first lyricist to win the Nobel Prize in Literature. Tagore's poetic songs were viewed as spiritual and mercurial; however, his "elegant prose and magical poetry" remain largely unknown outside Bengal. He is sometimes referred to as "the Bard of Bengal".

Songs of Kabir Sep 30 2019 Songs of Kabir Rabindranath Tagore - Kabir lived in the 15th Century (1440-1518); born to Mohammadan parents; he came under the influence of the famous Hindu saint; Sri Ramananda and delved deep into the mysteries of Hindu mysticism. A true worshipper of God; he emphasized the purity of mind and selfless devotion to God. He openly opposed the weaknesses of both Hinduism and Islam. During his life time he composed many poems. They are usually two line couplets; known as dohas; recited by many scholars even today to denote some deep philosophical truths. All these songs of Kabir were translated into English by none other than Rabindranath Tagore; the mystic poet and the Noble Laureate; the first edition; published by The Macmillan Company; 1915; New York. This book shall prove to be an asset for the Kabir lovers who can't enjoy his writings in Hindi.

Nationalism Dec 14 2020 "Their real freedom is not within the boundaries of security, but in the highroad of adventures, full of the risk of new experiences." Nationalism was a popular subject of debate in the pre-Independence era and academics from across the world shared their ideas on the same. Tagore's idea of nationalism is deep-rooted in his belief that growth has to be all-inclusive -- not just for a nation, but also for its people. This book is a collection of Tagore's lectures on Nationalism in the West, Japan and India. His mastery with expression is further highlighted as he recounts the need of the concept of Nation to benefit its people, and not just exist as an idealistic theory that benefits a few. Nationalism brings to fore Tagore's deep understanding of contemporary politics and paves a middle path between growth of the people and a nation, and aggressive ways towards modernity.

NL Snowmageddon 2020 May 07 2020 On January 17, 2020, Newfoundland and Labrador experienced one of the worst blizzards in its history. Life came to a screeching halt. Entire roads and cars were buried, people became trapped in their homes, and a week-long state of emergency was just one more surprise Mother Nature had in store for the people of the province. The record-breaking snowstorm, which the media labelled "Snowmageddon," came to test the resilience of Newfoundland. But as you will see throughout this book, Newfoundlanders are made of sterner stuff. What makes a Newfoundlander? Newfoundlanders themselves are sometimes hard pressed to provide an explanation. But NL Snowmageddon 2020 gives us the answer once and for all. "On January 17, the City of St. John's experienced an unprecedented storm. The snowfall that week left us with no choice

but to declare a state of emergency, the city's first in thirty-four years. The week following was very challenging for residents and business owners in St. John's, with travel prohibited, then restricted, before the state of emergency could be lifted more than a week later. City snow clearing crews put in tremendous hours and effort to get our roadways clear and were supported in that work by municipalities from across the province, the provincial government, and private contractors. Our Armed Forces came to the aid of our more vulnerable, offering snow shovelling support, and the community rallied together to ensure that those in need had food and supplies as the days of the storm wore on. "I saw this city I call home in its worst state, certainly in my memory, but I also saw this city at its best during Snowmageddon--neighbours helping neighbours, communities playing in the snow, people advocating for the most needy. As mayor, I will forever be grateful for the extraordinary efforts of our staff during this significant event, those who came to our aid, and most of all to the residents and business owners for their resilience and strength." -- Danny Breen, Mayor of St. John's "Snowmageddon 2020 will go down as one of the biggest weather events we've experienced in Newfoundland in many years, certainly a reminder of the power of Mother Nature. I would like to focus on the amazing display of humanity and kindness that I witnessed throughout this whole ordeal. It was truly remarkable. With its many stories of camaraderie, resilience, and indomitable human spirit, Snowmageddon 2020 truly brought out the best in people and renewed my faith in humanity." -- Paul Lane, Member of the House of Assembly, Mount Pearl-Southlands

The Bird Catcher and Other Stories Sep 10 2020 Set in Bangladesh and the United States, the eight stories in *The Bird Catcher* address gender expectations, familial love, and questions of identity and belonging. In "The Anomalous Wife," when Nirjhara decides she wants to walk into the ocean, her husband of thirty years is confused: she has the perfect life, he insists, the life of a dutiful housewife and mother who wants for nothing in her adopted country. The staff at the psychiatric facility can't even pronounce Nirjhara's name, let alone understand her mordant humor and her use of wide-ranging literary references (from Rabindranath Tagore to Sylvia Plath to *The Ancient Mariner*) to describe her despair. The other stories are equally resonant and thought-provoking. A college professor has to contend with a student who "laughed every time I struggled on a word that didn't want to come out of my forked tongue: one part third world, one part hyphenated American." A young woman enjoys a loving but complicated relationship with her mother-in-law, a Bangladeshi immigrant who is both ebullient and opinionated, charming and exasperating. In the title story, drawing on fairy tale motifs, string theory, Sufi philosophy, and other traditions, a bird and a recluse argue over the nature of time and the meaning of freedom. *The Bird Catcher* offers wide-ranging variations on the theme of diasporic identity, intriguing glimpses into suppressed, fragmented, and resilient lives, and a meditation on the power and limitations of language. As Nirjhara explains in "The Anomalous Wife," "Life is all about right word choices, right verbs, and right prepositions. If you walk by the ocean, you are a lover of life. If you walk into it out of your love for the ocean, you are kept here as a prisoner until you learn the correct use of prepositions."

Fireflies Feb 13 2021 *Fireflies* is a collection of 253 brief poems by the famed Indian poet Rabindranath Tagore, recipient of the 1913 Nobel Prize for Literature. Originating in China and Japan, and often written on fans and bits of silk, they are here wonderfully illustrated in black and white by Alberta Hutchinson.

Stray Birds Oct 04 2022 "Stray Birds" contains ideas on nature, man, and his environment as may be entertained by a man sitting by a window where the stray birds of summer sing and fly away. These short, sometimes merely one-line poems are often just an image or the distillation of a thought, but they stay in the mind and do not fly away as easily as the birds. The author, Rabindranath Tagore, was a Nobel laureate for literature (1913) as well as one of India's greatest poets and the composer of independent India's national anthem, as well as that of Bangladesh. He wrote successfully in all literary genres, but was first and foremost a poet, publishing more than 50 volumes of poetry. He was a Bengali writer who was born in Calcutta and later traveled around the world. He was knighted in 1915, but gave up his knighthood after the massacre of demonstrators in India in 1919.

I Know Why the Caged Bird Sings Feb 02 2020 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

My Reminiscences Jul 21 2021 "My Reminiscences" is Rabindranath Tagore's 1917 memoir written just before he embarked on a trip to Europe and America in 1912 due to his bad health. Rabindranath Tagore FRAS (1861–1941) was a Bengali writer, poet, painter, and composer who is credited with reshaping Bengali and Indian art through Contextual Modernism in the late nineteenth and early twentieth centuries. In 1913 he became the first non-European winner of the Nobel Prize in Literature. "My Reminiscences" offers a unique insight into the life and mind of this amazing polyglot who single-handedly changed the face of literature, art and music on the Indian subcontinent. Contents include: "Teaching Begins", "Within and Without", "Servocracy", "The Normal School", "Versification", "Various Learning", "My First Outing", "Practising Poetry", "Srikantha Babu", "Our Bengali Course Ends", etc. Other notable works by this author include "The Fatal Hunt" (1882) and "The Play of Illusions" (1888). Read & Co. Books proudly republishing this classic autobiography now in a new edition complete with a specially-commissioned new biography of the author.

A Maze of Stars and Spring Water Mar 17 2021 *A Maze of Stars & Spring Water* is a collection of poems directly inspired by the poetic forms that emerged after the May Fourth Movement. Specifically, the "mini poem," which by Bing Xin's own admission, hadn't quite existed before she started experimenting with its form. Inspired by Tagore's *Stray Birds*, she started gathering her "scattered and fragmentary thoughts," not originally intended as poetry, but which would eventually become the present collection. The popularity of the poems and the distinction of the form led the genre to become known as the "Bingxin style."

The Fugitive Jun 07 2020 Rabindranath Tagore was born to a Brahmin family in Calcutta and through his writings became the literary voice of India. He developed a following for his work in Bengali, but he became a worldwide sensation after the English translation of his poem *Gitanjali* caught the attention of W.B. Yeats. He toured the world and became known for his spiritual and artistic presence and global views that bridged the East and West. He received the Nobel Prize in Literature in 1913, the first non-Western writer to achieve such an honor. In addition to poetry, Tagore also wrote short stories, plays, novels, and essays, and many of his paintings hang in museums. He also founded a school, *Visva Bharati*, which combined Hindu and Western influences. Tagore loved music, and two of his songs became the national anthems for India and Bangladesh. *The Fugitive* is one example of his artistic powers: We came hither together, friend, and now at the cross-roads I stop to bid you farewell. Your path is wide and straight before you, but my call comes up by ways from the unknown. I shall follow wind and cloud; I shall follow the stars to where day breaks behind the hills; I shall follow lovers who, as they walk, twine their days into a wreath on a single thread of song. "I love."

Clouds and Waves Aug 22 2021 An endearing poem of a child who refuses tempting invitations, instead staying with her mother at playtime, blissful in her company. Words woven with great tenderness by the greatest poet of all times, a gentle verse for all the little ones.

The Tagore Reader Jun 27 2019 Collected here are six of Rabindranath Tagore's most important works including *Gitanjali*, *Songs of Kabir*, *Thought Relics*, *Sadhana: The Realization of Life*, *Stray Birds*, and *The Home and the World*. Tagore was a Bengali poet, Brahma religionist, visual artist, playwright, novelist, and composer whose works reshaped Bengali literature and music in the late 19th and early 20th centuries. He became Asia's first Nobel laureate when he won the 1913 Nobel Prize in Literature. These landmark works all have a lyrical, rhythmic quality that makes them both accessible and beautiful.

Stray Birds Nov 12 2020 Rabindranath Tagore (1861-1941), also known by the sobriquet Gurudev, was a Bengali poet, Brahma Samaj philosopher, visual artist, playwright, novelist, and composer whose works reshaped Bengali literature and music in the late 19th and early 20th centuries. A cultural icon of Bengal and India, he became Asia's first Nobel laureate when he won the 1913 Nobel Prize in Literature. A Piri Bengali Brahmin from Calcutta, Tagore first wrote poems at age eight. He published his first substantial poetry under the pseudonym Bhanushingho (Sun Lion). Tagore's works included numerous novels, short-stories, collection of songs, dance-drama, political and personal essays. Some prominent examples are *Gora* (Fair-Faced) (1910), *Gitanjali* (Song Offerings) (1912), and *Ghare-Baire* (The Home and the World) (1919). His verse, short stories, and novels—many defined by rhythmic lyricism, colloquial language, meditative naturalism, and philosophical contemplation—received worldwide acclaim. His other works include *The King of the Dark Chamber* (1914), *The Gardener* (1915), *Songs of Kabir* (1915), *Fruit-Gathering* (1916), *Stray Birds* (1916), *The Hungry Stones and Other Stories* (1916) and *Glimpses of Bengal* (1920).

The Complete Works of Rabindranath Tagore (Illustrated Edition) Jun 19 2021 The Works of Rabindranath Tagore consist of poems, novels, short stories, dramas, and essays that Bengali poet and Brahma philosopher Rabindranath Tagore created over his lifetime. This ebook presents a collection of all major works of Tagore. A dynamic table of contents allows you to jump directly to the work selected. Tagore's literary reputation is disproportionately influenced very much by regard for his poetry; however, he also wrote novels, essays, short stories, travelogues, dramas, and thousands of songs. The poems of Rabindranath Tagore are among the most haunting and tender in Indian and in world literature, expressing a profound and passionate human yearning. His ceaselessly inventive works deal with such subjects as the interplay between God and the world, the eternal and transient, and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies. Poems such as 'Earth' and 'In the Eyes of a Peacock' present a picture of natural processes unaffected by human concerns, while others, as in 'Recovery 14', convey the poet's bewilderment about his place in the world. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of modern South Asia. The Essential Tagore Jan 27 2022 India's Rabindranath Tagore was the first Asian Nobel Laureate and possibly the most prolific and diverse serious writer ever known. The largest single volume of his work available in English, this collection includes poetry, songs, autobiographical works, letters, travel writings, prose, novels, short stories, humorous pieces, and plays.

Fruit-Gathering Dec 26 2021 Fruit-Gathering Rabindranath Tagore - Fruit-Gathering is a poem by Rabindranath Tagore, first published in 1916. Fruit Gathering is a book so rare in style and theme, yet not difficult to relate to as it is based on the relationship between God and man, the atom and the cosmos. Tagore was heavily influenced by the rich heritage of the Subcontinent and uses its fruit and flowers to symbolise the spiritual and moral values that underlie his own devotion and love for the creator. His simple poetic style finds the most evocative words and phrases, symbols and images, which have haunting music in them bringing out the deepest emotions of any reader. Fruit Gathering is the finest example of Tagore's simple poetic style whose influence is still strong today with his words heard daily in the Indian and Bangladesh national anthems and studied in countless countries as they continue to capture hearts and minds.
