**Engine Performance Tasksheet Manual for NATEF Proficiency** Jun 14 2021 For sales or pricing inquiries outside of the United States, please visit: <http://www.cdxauto.com/ContactUs> to access a list of international CDX Automotive Account Managers. Engine Performance Tasksheet Manual for NATEF Proficiency is designed to guide automotive students through the tasks necessary to meet National Automotive Technicians Education Foundation (NATEF) requirements for National Institute for Automotive Service Excellence (ASE) Standard 8: Engine Performance. Organized by ASE topic area, companion tasks are grouped together for more efficient completion, and are clearly labeled with CDX and NATEF task numbers and the NATEF priority level to help students easily manage responsibilities. This manual will assist students in demonstrating hands-on performance of the skills necessary for initial training in the automotive specialty area of engine performance. It can also serve as a personal portfolio of documented experience for prospective employment. Used in conjunction with CDX Automotive, students will

demonstrate proficiency in engine performance fundamentals, diagnosis, service, and repair.

*101 Performance Projects for Your Pickup and SUV* Feb 08 2021

"Pickup" and "sports utility vehicle" seem like quaint names for these workhorses. More and more, they're what people tune up, trick out, and take on the road (or off). This book aims to help drivers make the most of their machines. With 101 projects running the gamut from installing light bars and brush guards to gearing up for hard-core horsepower and high-performance feats, this book will show truck and SUV owners of all stripes how to personalize their rides. 101 Performance Projects for Your Pickup and SUV offers easy-to-follow, clearly illustrated how-to information on everything from appearance modifications to more extensive upgrades, with plenty of instructions for the many bolt-on solutions that are available in the marketplace. Planning, tools, expenses, pros, and cons: it's all here. The author walks owners through the nuts and bolts of lowering and lift kits, running boards and in-car entertainment systems, winches, wheels and tires, and the full range of installations and accessories that will take a truck or an SUV to the next level.
