Toward the Sunrise Sep 28 2019 Julia Broeder is only six months shy of graduating from the Women's Medical College of Pennsylvania when one small decision spirals out of control and results in her expulsion. Hoping to travel the world as a missionary doctor, her only choice is to return back home . . . or throw herself upon the mercy of Ashton Carlyle. Formal and straight-laced, Ashton is not pleased to see an expelled Julia arrive at his Manhattan office. His position as an attorney for the Vandermark family's world-famous shipping empire entails taking care of the Broeders, longtime employees of the Vandermarks. But Ashton has no intention of using his employer's resources in defense of Julia's impulsive and reckless actions. What Ashton does not expect are a scathing reprimand from none other than the Vandermark family patriarch and the bewildering resistance from Julia herself when he's forced to change his tune. At an impasse, Ashton and Julia are unprepared for the revelations that arise or the adventure that awaits them. In this novella, award-winning novelist Elizabeth Camden introduces readers to the world of the grand Hudson River Valley estate Dierenpark and the enigmatic Vandermark family. Includes an extended preview of *Until the Dawn*, Camden's full-length Dierenpark novel.

James Clavell's Whirlwind Dec 24 2021

Look for Me in the Whirlwind Apr 15 2021 Amid music festivals and moon landings, the tumultuous year of 1969 included an infamous case in the annals of criminal justice and Black liberation: the New York City Black Panther 21. Though some among the group had hardly even met one another, the 21 were rounded up by the FBI and New York Police Department in an attempt to disrupt and destroy the organization that was attracting young people around the world. Involving charges of conspiracy to commit violent acts, the Panther 21 trial—the longest and most expensive in New York history—revealed the illegal government activities which led to exile, imprisonment on false charges, and assassination of Black liberation leaders. Solidarity for the 21 also extended well beyond “movement” circles and included mainstream publication of their collective autobiography, *Look for Me in the Whirlwind*, which is reprinted here for the first time. *Look for Me in the Whirlwind*: From the Panther 21 to 21st-Century Revolutions contains the entire original manuscript, and includes new commentary from surviving members of the 21: Sekou Odinga, Dhoruba Bin Wahad, Jamal Joseph, and Shaba Om. Still-imprisoned Sundiata Acoli, Imam Jamil Al-Amin, and Mumia Abu-Jamal contribute new essays. Never or rarely seen poetry and prose from Afeni Shakur, Kuwasi Balagoon, Ali Bey Hassan, and Michael “Cetewayo” Tabor is included. Early Panther leader and jazz master Bilal Sunni-Ali adds a historical essay and lyrics from his composition “Look for Me in the Whirlwind,” and coeditors kioni-sadiki, Meyer, and Panther rank-and-file member Cyril “Bullwhip” Innis Jr. help bring the story up to date. At a moment when the Movement for Black Lives recites the affirmation that “it is our duty to win,” penned by Black Liberation Army (BLA) militant Assata Shakur, those who made up the BLA and worked alongside of Assata are largely unknown. This book—with archival photos from David Fenton, Stephen Shames, and the private collections of the authors— provides essential parts of a hidden and missing-in-action history. Going well beyond the familiar and mythologized nostalgic Panther narrative, *From the Panther 21 to 21st-Century Revolutions* explains how and why the Panther legacy is still relevant and vital today.
