A separate book is also available that contains a companion study guide to the book.

**A Woman of Intelligence** Aug 08 2020 "Captivating." —The Washington Post Named a Best Book of Summer by Good Morning America • BuzzFeed • PopSugar • BookRiot • LifeSavvy • CT Post From "a master of historical fiction" (NPR), Karin Tanabe's *A Woman of Intelligence* is an exhilarating tale of post-war New York City, and one remarkable woman's journey from the United Nations, to the cloistered drawing rooms of Manhattan society, to the secretive ranks of the FBI. A Fifth Avenue address, parties at the Plaza, two healthy sons, and the ideal husband: what looks like a perfect life for Katharina Edgeworth is anything but. It's 1954, and the post-war American dream has become a nightmare. A born and bred New Yorker, Katharina is the daughter of immigrants, Ivy-League-educated, and speaks four languages. As a single girl in 1940s Manhattan, she is a translator at the newly formed United Nations, devoting her days to her work and the promise of world peace—and her nights to cocktails and the promise of a good time. Now the wife of a beloved pediatric surgeon and heir to a shipping fortune, Katharina is trapped in a gilded cage, desperate to escape the constraints of domesticity. So when she is approached by the FBI and asked to join their ranks as an informant, Katharina seizes the opportunity. A man from her

past has become a high-level Soviet spy, but no one has been able to infiltrate his circle. Enter Katharina, the perfect woman for the job. Navigating the demands of the FBI and the secrets of the KGB, she becomes a courier, carrying stolen government documents from D.C. to Manhattan. But as those closest to her lose their covers, and their lives, Katharina's secret soon threatens to ruin her. With the fast-paced twists of a classic spy thriller, and a nuanced depiction of female experience, *A Woman of Intelligence* shimmers with intrigue and desire.

For any literature project, trust *Short Stories for Students* for all of your research needs.

*Inventing the "American Way"* Aug 20 2021 In the wake of World War II, Americans developed an unusually deep and all-encompassing national unity, as postwar affluence and the Cold War combined to naturally produce a remarkable level of agreement about the nation's core values. Or so the story has long been told. Inventing the "American Way" challenges this vision of inevitable consensus. Americans, as Wendy Wall argues in this innovative book, were united, not so much by identical beliefs, as by a shared conviction that a distinctive "American Way" existed and that the affirmation of such common ground was essential to the future of the nation. Moreover, the roots of consensus politics lie not in the Cold War era, but in the turbulent decade that preceded U.S. entry into World War II. The social and economic chaos of the Depression years alarmed a diverse array of groups, as did the rise of two "alien" ideologies: fascism and communism. In this context, Americans of divergent backgrounds and beliefs seized on the notion of a unifying "American Way" and sought to convince their fellow citizens of its merits. Wall traces the competing efforts of business groups, politicians, leftist intellectuals, interfaith proponents, civil rights activists, and many others over nearly three decades to shape public understandings of the "American Way." Along the way, she explores the politics behind cultural productions ranging from *The Adventures of Superman* to the Freedom Train that circled the nation in the late 1940s. She highlights the intense debate that erupted over the term "democracy" after World War II, and identifies the origins of phrases such as "free enterprise" and the "Judeo-Christian tradition" that remain central to American political life. By uncovering the culture wars of the mid-twentieth century, this book sheds new light on a period that proved pivotal for American national identity and that remains the

unspoken backdrop for debates over multiculturalism, national unity, and public values today.

**A Study Guide for Saul Bellow's *Seize the Day*** Nov 22 2021 A Study Guide for Saul Bellow's "Seize the Day," excerpted from Gale's acclaimed Novels for Students. For any literature project, trust Short Stories for Students for all of your research needs.

***Macroeconomics*** Dec 24 2021 This book presents the stylized facts on the important variables (output, inflation, money

supply and interest rates, etc.) of the macro economy and uses them to differentiate how well particular economic theories perform or fail to do so. On the determination of aggregate demand, this book presents two approaches: the traditional IS-LM analysis under the assumption that the money supply is exogenous because the central bank uses its monetary policy to control it, and the emerging IS-IRT analysis under the assumption that the interest rate is the exogenous monetary policy variable set by the central bank to manipulate aggregate demand in the economy. The IS-IRT analysis is important for the macro analyses of many economies, yet is totally neglected in most textbooks on macroeconomics. The chapter on Paradigms in Economics introduces students to the heritage of ideas in macroeconomics, and the evolution of ideas and approaches over the last two centuries. It also provides the justification for the simultaneous relevance of both Classical ideas and Keynesian ones. The two growth theory chapters go beyond the Solow growth model to cover the broad evolution of growth from Malthus's theory to the present endogenous approaches, and the link between money supply, inflation and growth over very long periods. *The Fifties* Jun 25 2019 This vivid New York Times bestseller about 1950s America from a Pulitzer Prize-winning journalist is "an engrossing sail across a pivotal decade" (Time). Joe McCarthy. Marilyn Monroe. The H-bomb. Ozzie and Harriet. Elvis. Civil rights. It's undeniable: The fifties were a defining decade for America, complete with sweeping cultural change and political upheaval. This decade is also the focus of David Halberstam's triumphant *The Fifties*, which stands as an enduring classic and was an instant New York Times bestseller upon its publication. More than a survey of the decade, it is a masterfully woven examination of far-reaching change, from the unexpected popularity of Holiday Inn to the marketing savvy behind McDonald's expansion. A meditation on the staggering influence of image and rhetoric, *The Fifties* is vintage Halberstam, who was hailed by the *Denver Post* as "a lively, graceful writer who makes you . . . understand how much of our time was born in those years." This ebook features an extended biography of David Halberstam.

For any literature project, trust Drama for Students for all of your research needs.

**Mr Strangelove** Oct 10 2020 Peter Sellers was a genius, whose unique mastery created enduring comic characters. But behind the man that could make the world laugh was a tragic sadness. Employing his creations as masks to hide behind, Sellers was convinced his own life was meaningless and empty. Acclaimed (On Sunset Boulevard - the story of Billy Wilder) biographer Ed Sikov has spoken to many who knew and worked with Sellers, including Sophia Loren, Goldie Hawn, and Roman Polanski. Sikov reveals how Sellers was a casualty of his own insecurities and used his public persona to mask his tormented private life, littered with four marriages (and three divorces), countless affairs, and drug and alcohol

abuse. This is the authoritative and touching story of a majestic comedian, showing the very private face of a man whose world was lived through the public arena. 'An authoritative biography and a compulsive page turner.' Michael Palin, New York Times 'Sikov's book is often melancholy, but always informative, and entertaining... They don't really make 'em like that any more - you can't get the wood you know' Simon Louvish, Guardian

*The Negro Motorist Green Book* Jan 01 2020 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
