This magisterial compendium of Bibão's essays introduces English-speaking audiences to the writings of one of the foremost theorists and psychologists of twentieth-century European politics and culture. Elegantly translated by Pâeter Pâasztor and with a scholarly introduction by Ivâan Zoltâan Dâenes, the essays in this volume address the causes and fallout of European political crises, postwar changes in the balance of power among countries, and nation-building processes"--

OF THE YEAR • NEW YORK TIMES BEST SELLER • From one of our most iconic and influential writers, the award-winning author of *The Year of Magical Thinking*: a timeless collection of mostly early pieces that reveal what would become Joan Didion's subjects, including the press, politics, California robber barons, women, and her own self-doubt. With a forward by Hilton Als, these twelve pieces from 1968 to 2000, never before gathered together, offer an illuminating glimpse into the mind and process of a legendary figure. They showcase Joan Didion's incisive reporting, her empathetic gaze, and her role as "an articulate witness to the most stubborn and intractable truths of our time" (The New York Times Book Review). Here, Didion touches on topics ranging from newspapers ("the problem is not so much whether one trusts the news as to whether one finds it"), to the fantasy of San Simeon, to not getting into Stanford. In "Why I Write," Didion ponders the act of writing: "I write entirely to find out what I'm thinking, what I'm looking at, what I see and what it means." From her admiration

Netflix film starring Sandra Bullock, Sarah Paulson, Rosa Salazar and John Malkovich! Something terrifying that must not be seen. One glimpse and a person is driven to deadly violence. No one knows what it is or where it came from. Five years after it began, a handful of scattered survivors remain, including Malorie and her two young children. Living in an abandoned house near the river, she has dreamed of fleeing to a place where they might be safe. Now, that the

Engulfed in darkness, surrounded by sounds both familiar and frightening, Malorie embarks on a harrowing odyssey—a trip that takes her into an unseen world and back into the past, to the companions who once saved her. Under the guidance of the stalwart Tom, a motely group of strangers banded together against the unseen terror, creating order from the chaos. But when supplies ran low, they were forced to venture outside—and confront the ultimate question: in a world gone mad, who can really be trusted? Interweaving past and present, Josh Malerman's breathtaking debut is a horrific and gripping snapshot of a world unraveled that will have you racing to the final page.

Analysis is one of the most influential financial books ever written. Selling more than one million copies through five editions, it has provided generations of investors with the timeless value investing philosophy and techniques of Benjamin Graham and David L. Dodd. As relevant today as when they first appeared nearly 75 years ago, the teachings of Benjamin Graham, "the father of value investing," have withstood the test of time across a wide diversity of market conditions, countries, and asset classes. This new sixth edition, based on the classic 1940 version, is enhanced with 200 additional pages of commentary from some of today's leading Wall Street money managers. These masters of value investing explain why the principles and techniques of Graham and Dodd are still highly relevant even in today's vastly different markets. The contributor list includes: Seth A. Klarman, president of The Baupost Group, L.L.C. and author of *Margin of Safety* James Grant, founder of Grant's Interest Rate Observer, general partner of Nippon Partners Jeffrey M. *Touched by God* Jan 24 2022  
Luigi Gioia's book *Say it to  
God: In Search of Prayer* was  
chosen as the 2018 Archbishop  
of Canterbury's Lent Book and  
welcomed by many as an  
honest, accessible guide to  
freshen their practice of prayer  
in the midst of busy modern  
life. In *Touched by God*, Gioia  
moves on to explore the art of  
contemplation. He points out  
that contemplation is not a  
more advanced way of praying  
but a silent and loving  
attentiveness to God which has  
nothing in common with  
disembodied, ahistorical and  
impersonal forms of  
spirituality. Contemplation  
begins when we are touched by  
God through Scripture and  
become aware of his presence  
in us. Gioia shows how this

happens concretely in the lives  
of the characters of the Gospel  
of John, his chosen guide to  
learn how to welcome God in  
our lives and interact with him.  
Gioia's way to contemplation  
takes the reader not only  
through Scripture but also  
through plays and novels  
where God is never mentioned  
or is seen as absent, distant or  
even as an enemy. By engaging  
with both religious and non-  
religious authors the reader  
can discover that  
contemplation is not some kind  
of spiritual wonderland but  
coexists with doubts, thrives in  
the middle of struggles, is  
discovered even in suffering,  
dissolves guilt and leads to  
authentic self-knowledge and  
compassion for every human  
being.
