**Rebellious Bodies** Jul 04 2020 Celebrity culture today teems with stars who challenge long-held ideas about a "normal" body. Plus-size and older actresses are rebelling against the cultural obsession with slender bodies and youth. Physically disabled actors and actresses are moving beyond the stock roles and stereotypes that once constrained their opportunities. Stars of various races and ethnicities are crafting new narratives about cultural belonging, while transgender performers are challenging our culture's assumptions about gender and identity. But do these new players in contemporary entertainment media truly signal a new acceptance of body diversity in popular culture? Focusing on six key examples—Melissa McCarthy, Gabourey Sidibe, Peter Dinklage, Danny Trejo, Betty White, and Laverne Cox—*Rebellious Bodies* examines the new body politics of stardom, situating each star against a prominent cultural anxiety about bodies and inclusion, evoking issues ranging from the obesity epidemic and the rise of postracial rhetoric to disability rights, Latino/a immigration, an aging population, and transgender activism. Using a wide variety of sources featuring these celebrities—films, TV shows, entertainment journalism, and more—to analyze each one's media persona, Russell Meeuf demonstrates that while these stars are promoted as examples of a supposedly more inclusive industry, the reality is far more complex. Revealing how their bodies have become sites for negotiating the still-contested boundaries of cultural citizenship, he uncovers the stark

limitations of inclusion in a deeply unequal world.

Modelland Oct 31 2022 Modelland - the FIERCE NEW NOVEL BY TYRA BANKS—IS OUT! No one gets in without being asked. And with her untamable hair, large forehead, and gawky body, Tookie De La Crème isn't expecting an invitation. Modelland—the exclusive, mysterious place on top of the mountain—never dares to make an appearance in her dreams. But someone has plans for Tookie. Before she can blink her mismatched eyes, Tookie finds herself in the very place every girl in the world obsesses about. And three unlikely girls have joined her. Only seven extraordinary young women become Intoxibellas each year. Famous. Worshipped. Magical. What happens to those who don't make it? Well, no one really speaks of that. Some things are better left unsaid. Thrown into a world where she doesn't seem to belong, Tookie glimpses a future that could be hers—if she survives the beastly Catwalk Corridor and terrifying Thigh-High Boot Camp. Along the way, she learns all about friendship, courage, laughter and what it feels like to start to believe in yourself. When you enter the fantastical world of Modelland, you'll see that Tookie was inspired by Tyra's life as a supermodel. All those crazy and wild adventures Tookie has with her friends? Some of them were ripped straight from the headlines of Tyra's life! Tyra knows all about beauty and fashion and fierceness, and she shares everything here in MODELLAND. It's fun, zany, and 100 bazillion-percent Tyra. You don't want to miss Tyra's amazing new novel! From the Hardcover edition.

*The One Year Devos for Teens* Oct 26 2019 With so many pressures from friends, parents, and teachers sometimes it's hard to know where to turn. Best-selling author and Brio magazine editor Susie Shellenberger reveals the energy and purpose that can come with daily time in God's Word. Each day's devotion includes a suggested Scripture reading, a devotional thought, application idea, and a short prayer. Get into God's Word each day to keep going strong.

**How To Watch Television** Nov 19 2021 Examines social and cultural phenomena through the lens of different television shows We all have opinions about the television shows we watch, but television criticism is about much more than simply evaluating the merits of a particular show and deeming it 'good' or 'bad.' Rather, criticism uses the close examination of a television program to explore that program's cultural significance, creative strategies, and its place in a broader social context. *How to Watch Television* brings together forty original essays from today's leading scholars on television culture, writing about the programs they care (and think) the most about. Each essay focuses on a particular television show, demonstrating one way to read the program and, through it, our media culture. The essays model how to practice media criticism in accessible language, providing critical insights through analysis—suggesting a way of looking at TV that students and interested viewers might emulate. The contributors discuss a wide range of television programs past and present, covering many formats and genres, spanning fiction and non-fiction, broadcast and cable, providing a broad representation of the programs that are likely to be covered in a media studies course. While the book primarily focuses on American television, important programs with international origins and transnational circulation are also covered. Addressing television series from the medium's earliest days

to contemporary online transformations of television, *How to Watch Television* is designed to engender classroom discussion among television critics of all backgrounds.

**Celebrity Birthday Directory** Aug 24 2019 The *Celebrity Birthday Directory* provides the birthday of thousands of film and television stars, authors, politicians, recording stars, athletes, and other famous people. It's alphabetized for quick reference.

*Mediated Boyhoods* Nov 27 2019 *Mediated Boyhoods: Boys, Teens, and Young Men in Popular Media and Culture* brings together work from various disciplines that explores the relationships among the everyday lives of boys and such media platforms as television, films, games, sports, music, urban and suburban culture, fashion, young adult novels, Facebook, MySpace, and YouTube. Offering a comprehensive overview of boyhood studies, chapters consider questions about the current state of boyhood as it is represented in the popular media; the ways that boys are influenced by and work to influence popular culture; the ways that popular texts often reflect adult expectations, anxieties, and prejudices about boys and boyhood; and the ways that boys, teens, and young men are often able to reflect upon and to act, sometimes unpredictably, to resist, subvert, or re-imagine and re-create popular culture and media. The volume serves as a companion to *Mediated Girlhoods: New Explorations of Girls' Media Culture* Annette Wannamaker is Associate Professor in the Department of English Language and Literature at Eastern Michigan University, where she also serves as the coordinator of children's literature studies.

*Celebrity Philanthropy* Sep 17 2021 There is no question that celebrities these days are some of the most prominent faces of philanthropic activity – yet their participation raises questions about efficacy, motivations and activism overall.

This book presents case studies of celebrity philanthropy from around the globe – including such figures as Shakira, Arundhati Roy, Zhang Ziyi, Bono and Madonna – looking at the tensions between celebrity activism and ground-level work and the relationship between celebrity philanthropy and cultural citizenship.

*Black America, Body Beautiful: How the African American Image is Changing Fashion, Fitness, and Other Industries* Jun 02 2020

Despite all the medical and media attention focused on the rate of overweight and obesity in the African American population, African American images and body types are greatly influencing changes in the fashion, fitness, advertising, television and movie industries. This is because overweight, like beauty, can be in the eye of the beholder. Most research studies investigating attitudes about body image and body type among African Americans have shown they are more

satisfied with their bodies than are their white counterparts and that there appears to be a wider range of acceptable body shapes and weights, and a more flexible standard of attractiveness, among black Americans as compared to whites. That fact is not being lost on leaders of industries that might profit from understanding this wider range of beauty, as well as playing to it. In this book, medical anthropologist Eric Bailey introduces and explains the self-acceptance and body image satisfaction of African Americans, and traces how that has spurred changes in industry. His book fills the void of scientific evidence to enhance the understanding of African Americans' perceptions related to body image and beauty—and is the first to document these issues from the perspective of an African American male. Despite all the medical and media attention focused on the rate of overweight and obesity in the African American population, African American images and body types are greatly influencing changes in the fashion, fitness, advertising, television, and movie industries. This is because overweight, like beauty, can be in the eye of the beholder. Most research studies investigating attitudes about body image and body type among African Americans have shown they are more satisfied with their bodies than are their white counterparts. Most black women, for example, are of course concerned with how they look, but do not judge themselves in terms of their weight and do not believe they are valued mostly on the basis of their bodies. Black teen girls most often say being thick and curvaceous with large hips and ample thighs is seen as the most desirable body shape. Thus, there appears to be a wider range of acceptable body shapes and weights, and a more flexible standard of attractiveness, among black Americans as compared to whites. That fact is not lost on leaders of industries that might profit from understanding this wider

range of beauty, as well as playing to it. Voluptuous supermodel Tyra Banks is just one African American who's broken the mold in that industry. The effects have been seen right down to department and local clothes stores, where lines of larger and plus-size fashions are expanding, becoming more colorful and more ornate. In the fitness industry, health gurus Madonna Grimes and Billy Blanks have been revolutionizing how people get fit and how fitness needs to be redeveloped for the African American population. Advertising has taken a similar turn, not the least manifestation of which were the major campaigns Dove and Nike ran in 2005 with plus-sized actresses (who continue to appear in promotions for both companies). In movies and on television shows, the African American beautiful body image has followed suit. In this book, medical anthropologist Eric Bailey introduces and explains the self-acceptance and body image satisfaction of African Americans, and traces how that has spurred changes in industry. His book fills the void of scientific evidence to enhance the understanding of African Americans' perceptions related to body image and beauty—and is the first to document these issues from the perspective of an African American male.

*Encyclopedia of African American History, 1896 to the Present: O-T* May 14 2021

Television Specials Dec 29 2019 This is a complete revision of the author's 1993 McFarland book *Television Specials* that not only updates entries contained within that edition, but adds numerous programs not previously covered, including beauty pageants, parades, awards programs, Broadway and opera adaptations, musicals produced especially for

television, holiday specials (e.g., Christmas and New Year's Eve), the early 1936–1947 experimental specials, honors specials. In short, this is a reference work to 5,336 programs—the most complete source for television specials ever published.

*EGirls, ECitizens* Jan 28 2020 *eGirls, eCitizens* is a landmark work that explores the many forces that shape girls' and young women's experiences of privacy, identity, and equality in our digitally networked society. Drawing on the multi-disciplinary expertise of a remarkable team of leading Canadian and international scholars, as well as Canada's foremost digital literacy organization, MediaSmarts, this collection presents the complex realities of digitized communications for girls and young women as revealed through the findings of The eGirls Project ([www.egirlsproject.ca](http://www.egirlsproject.ca)) and other important research initiatives. Aimed at moving dialogues on scholarship and policy around girls and technology away from established binaries of good vs bad, or risk vs opportunity, these seminal contributions explore the interplay of factors that shape online environments characterized by a gendered gaze and too often punctuated by sexualized violence. Perhaps most importantly, this collection offers first-hand perspectives collected from girls and young women themselves, providing a unique window on what it is to be a girl in today's digitized society.

**Tyra Banks** Aug 29 2022 According to Encyclopedia Britannica, Tyra Banks was the first African-American woman to be featured on the cover of GQ magazine and on the cover of the Victoria's Secret catalog. **Spy** Aug 05 2020 Smart. Funny. Fearless."It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

**Perfect Is Boring** Sep 29 2022 Supermodel and super CEO of our time Tyra Banks and her mother Carolyn show readers why when you kick perfection to the curb and showcase your unique beauty ain't nobody gonna stop you! In *Perfect Is Boring*, Tyra Banks and her mother, Carolyn, get raw, real and cray-in-a-good-way as they share what they've learned on Tyra's journey from insecure preteen to supermodel and entrepreneurial powerhouse. Though she'll be the first to tell you she is not her daughter's best friend—'cause she ain't that kinda mama!—there's no doubt that Carolyn's signature mix of pep talks and tough love got Tyra to where she is today, and here they pay it forward to empower readers with a reminder that perfect really isn't all that. Whether they're writing about watching Tyra's most imperfect moment go viral (Does "Be Quiet Tiffany!" ring any bells?), no-holds-barred sex talks or how they've overcome everything from fashion industry discrimination to media fat-shaming and a misguided attempt at a music career, they never lose their sense of humor or we-got-your-back-spirit. Full of smart, wise, and often hilarious lessons for mothers, daughters, fathers and sons everywhere—including "Take Responsibility for Yourself," "Lip Gloss + Pizza Sauce = Boss," and "Fix It or Flaunt It"—*Perfect Is Boring* is a must-read for anyone who needs a kick in the booty, a pat on the back, or a good reason

to laugh-out-loud.

**Money** Nov 07 2020 A lively, illustrated, trivia-packed volume about the subject that makes the world go round. Ever made a fast buck? How about traded cowrie shells for a bride or paid for gum with a \$10,000 bill? This entertaining and information-packed miscellany explains our fascination with money and how it has shaped our world. Vintage photographs and artwork illustrate surprising facts, lists, and trivia about forgotten financial catastrophes and famous bank robbers, the history of bankruptcy and ancient money gods, wacky cash-related slang and get-rich-quick schemes for the ages. **Becoming Holyfield** Feb 29 2020 The never-before-published narrative of Evander Holyfield's life reveals a man of character behind the larger-than-life public image. He rose from an impoverished background to become history's only four-time World Heavyweight Champion, commanding fees of up to \$30 million a fight. Never the biggest, nor the meanest (Tyson), nor the prettiest (Ali), he is nevertheless among the most respected and beloved. BECOMING HOLYFIELD is a treasure-trove of behind-the-scenes stories of people who have become legend, including promoter Don King and boxers Lennox Lewis and, of course, Mike Tyson, whose two showdowns with Evander -- including the infamous 'Bite Fight' -- have gone down as all-time classic contests. It is also one legend's honest look back over his life and the many lessons he learned to become a fulfilled father, husband and simply a good man.

**Celebrities' Most Wanted™** Oct 19 2021 Team Aniston or Team Jolie? Whether you have admittedly chosen a side, chances are you know the feud these slogans reference and

perhaps even remember where you were when news of the Aniston-Pitt split broke. Over the past three decades, buzz over the rich and famous has exploded, thanks in part to refined technology, well-oiled media outlets, and a dedicated few who have greased up their own laptops to challenge the tabloid giants (think Perez Hilton). Much to their chagrin, or so they say, celebrities have become all the rage, lending to their adoring, or simply inquisitive, public not only a glamorous escapism but also the reality that even megastars suffer fault. Marjorie Hallenbeck-Huber fills you in on the juiciest bits to hit the celebrity gossip circuit over the past three decades. Read about the most bizarre hookups (Lance Armstrong and an Olsen twin, anyone?); marriages that lasted a Hollywood second, or fifty-five hours in the case of Britney Spears; celebrity baby names, like Heavenly Hiranni Tiger Lily, that even the creative teams at Crayola could not dream up; diet tricks and training regimens that guarantee a camera-ready body; “it” travel destinations where celebs go to laze under the sun—or to do good; and infamous crack-ups that surely sent publicists into a damage-control frenzy. Did we forget to mention sex tapes? Celebrities’ Most Wanted™ grants you access to the fascinating world of the rich and famous, where Red Carpet is a season, Fiji is more than a bottle of water, and saving the world is not such a far-off possibility.

Trailblazers of Physical Fitness Jul 16 2021 Biographies of four notable men in the world of physical fitness training, including Joe Weider, Jack LaLanne, Jake Steinfeld, and Richard Simmons.

**Genius 3** Jan 10 2021 “THE THIRD ONE IS ALWAYS THE CHARM” G3NIU\$ Welcome to the final act! Gene Geter delivers the third installment in the greatest trilogy of poetic history. As all true trilogies are, this book ties all the loose ends Genius and Genius 2 first introduced. He used the

following rules to create the trilogy: (1) no rules of diction, (2) no rules of grammar and (3) no rules of fact. But it wasn't easy completing the set; Gene endured an extensive amount of stress and tormented restless nights. Since the beginning, major duplicity was created and printed to make the talented artist, a nefarious one, such as his misleading and nonsensical connection with Chicago Tribune Broadcasting instead of Tribune Interactive. Or his made-up friendship with singer Erykah Badu. As well as the rumors that he has racy photos of actress Neve Campbell. The rumors that he's the brother of New York Yankees player Derek Jeter and dating supermodel Tyra Banks in addition to dating actress Mena Suvari. The rumored lawsuit reported on "The Doug Banks Show." The rumors he attended this year's Academy Awards with former pornstar Heather Hunter. The rumors that Gene is working on an upcoming erotic novel and photography books. Why he unknowingly dedicated his first two poetry books to different women born on the same day. And let's not forget the untrue ignominy of satanic orgy parties, flesh peddling demimondaines and manufacturing drugs. Some of these preposterous publicity stunts were created by only two individuals...independent publicists Vidal Rodriguez and Tinnyqua Williams. These people did everything in their power to sell Genius and Genius 2 to the masses, resulting in violent feuds over the gossip in bookstores across America. It's too early to tell what Rodriguez and Williams will do to sell Genius 3. But time will tell all!

Antonio and Sabrina Struck In Love Boxset 1-4 Oct 07 2020

Enjoy this steamy possessive, dark italian mafia romance....

\*\*\*\*Antonio and Sabrina Struck In Love Boxset\*\*\*\* Book 1.

One moment is all it took to ignite a love affair neither would soon forget. Nothing and no one could tear Antonio and Sabrina apart, no matter how hard they tried. Ex-lovers, angry

family members, jealous rival tried and failed. But they're not the only threats to this match made in passion. Antonio has secrets - secrets that could force them to sever ties forever. When the danger hits too close to home, he's forced to face his demons and keep her safe from harm. With more obstacles against them than they can count, will they ever have their happily-ever-after? Book 2. Sabrina Washington has worked hard to get what she wants in life. The last thing the sassy, headstrong VP executive wants is an Alpha male who breaks all the rules, but when she meets Antonio De Luca, her steely façade starts to crumble under his gaze. He's exactly the kind of man who can unravel her straight-shooting reputation and she's not so convinced that's a bad thing. As they grow closer, her ability to resist her desires begins to waver. Soon, she finds herself immersed in his sexy and dangerous world and she's not sure she wants to go back to her old life. Is Sabrina ready to accept all the good and bad that comes with Antonio and his lifestyle? Book 3. Antonio and Sabrina think they've put the worst behind them. They're ready to begin the next chapter of their lives, but forces beyond their control have other plans for them. Before either can settle into their new roles of parent and newly-minted Don of the De Luca Cartel, people from their sordid pasts take their vengeance a step further. Distinguishing friend from foe, acquaintances from hired guns is only the beginning of the trouble they'll face. If Antonio can't bring this madness to an end, he may very well lose not only his new title, but lose the family he fought so hard for. Will their unimaginable love story end in tragedy or will their shared will to survive see them through? Book 4. Antonio and Sabrina think they've put the worst behind them.
