Barrie in Finding Neverland. His good looks, oddball charm, and tempestuous love affairs have helped push him into the limelight and kept him there. Now, in this updated biography (originally titled What's Eating Johnny Depp?), Nigel Goodall looks at his bad-boy image, his rise to fame, and his high-profile romances.

Johnny Got His Gun May 07 2020 "Trumbo sets this story down almost without pause or punctuation and with a fury accounting to

eloquence."—The New York Times This was no ordinary war. This was a war to make the world safe for democracy. And if democracy was made safe, then nothing else mattered—not the millions of dead bodies, nor the thousands of ruined lives. . . . This is no ordinary novel. This is a novel that never takes the easy way out: it is shocking, violent, terrifying, horrible, uncompromising, brutal, remorseless and gruesome . . . but so is war.

[Johnny Get Your Gun](#) Jan 03 2020 At the age of seventeen-and-a-half, full of idealism and patriotism, John Tucker enlisted as an Infantryman in the London Kensington Regiment and reached France, after training, in August 1915. Against all odds he survived three years of bitter trench warfare, was seriously wounded, and returned to Blighty a few months before Armistice Day. During those years he took part in the Battle of the Somme, the battles of Arras and Cambrai, and the Third Battle of Ypres. Yet though his patriotism remained unflinching, his idealism gave way to the grim realities of day to day survival in the trenches and, as he began to understand what constitutes courage, he grew from boyhood to manhood.??The author contrasts the beauties of the French countryside with the ugliness of widespread death and destruction, and paints a picture of French country life hardly less squalid than the soldiers' own lot. But above all, he makes the reader realise what it was like to fight in the war to end all wars.??These are the memoirs of one Infantryman, but through his eyes a vivid canvas of the whole war gradually unfolds.

Bambi and Me May 31 2022 When Johnny Kingdom met Bambi she was a frightened baby deer abandoned by her mother and trapped by the leg in a barbed wire fence. After he untangled her, Johnny became the calf's surrogate mother, carrying her from place to place and nursing her after the dangerous operation to amputate her now infected leg. As Bambi grew bigger she became a part of Johnny's family, taking over his garden and developing a taste for custard creams (and Johnny's wife's roses). But it wasn't just Johnny and his family who loved Bambi, the entire village came to lavish her with care and attention, dropping by with tasty treats they thought she might enjoy. But a three-legged deer was only the start of what Johnny had to contend with. Although Bambi was the centre of the Kingdom menagerie, she certainly wasn't the only member and she didn't always take kindly to the others. Getting to know Tommy the buzzard was a bit of a challenge. Having introduced us to Bambi in his autobiography Johnny now tells her full life story. At times both poignant and hilarious, this is the tale of how one very special animal united a family and brought together a whole community.

The Complete Lyrics of Johnny Mercer Oct 24 2021 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs-his words have never gone out of fashion-and with this

superb collection, it's easy to see that his lyrics elevated popular song into art.

Johnny Cash's American Recordings Jul 29 2019 When Johnny Cash signed to Rick Rubin's record label in 1993, he was already in the wax museum of memory, a fondly regarded but totally marginalized legend, unheard on the radio and unseen on the charts. His odyssey from oldies act to folk hero depended entirely on his first American Recordings album, a record of uncompromising directness. Tony Tost digs into the worlds of American Recordings, showing it to be the crossroads where cultural, spiritual and mythic forces came together, reanimating and revitalizing The Man in Black. Tost has written a guidebook to myth and mystery, revealing the stark, often hidden terrains of Cash's greatest album. American Recordings- the sound of history singing to itself. American Recordings- the secret ache of the old, weird American. American Recordings- a man alone with the silence and darkness, buying back his soul, one song at a time.

Johnny Kingdom Jul 09 2020 Johnny Kingdom is the English countryside made flesh. He has

lived his whole life on Exmoor, from his childhood catching moles to sell their skins, to his early wild days of adventure as a poacher, to today, when the demands of wildlife photography make extraordinary patience rather more useful than the ability to run fast... He embodies a way of life that may soon be gone for ever. His life story is both highly entertaining and completely enchanting. In *Johnny Kingdom - A Wild Life on Exmoor*, we see how integral the both the landscape and the creatures of Exmoor have been to Johnny's often hair-raising life story. When a horrific accident made him change his lifestyle and seek less physically demanding work, Johnny found solace in wildlife photography and has never looked back. His book is full of hilarious and captivating stories of his escapades, from how he spent the night in a jail cell with a red deer, to how he persuaded the local badger population to run along a mini assault course, turning wheels and tilting up and down on seesaws. Johnny is a wonderfully charismatic raconteur. This amazing book and new ITV series are already conferring on him the title of national treasure.

[Lucky Johnny](#) Dec 14 2020 In 1938 Johnny Sherwood was a young professional footballer on the brink of an England career, touring the world with the all-star British team the Islington Corinthians. By 1942 he was a soldier surrendering to the Japanese at the siege of Singapore. Taken prisoner he was sent to a POW camp deep in the heart of the Thai jungle, where he was starved, beaten, and forced to build the notorious 'railway of death' on the River Kwai. Johnny kept his and his men's spirits up with tales of his footballing past, even organising matches until he and the other prisoners became too weak to play. One day, he even encountered a brutal Japanese guard, and was shocked to recognise him as a Japanese footballer Johnny had played against. Many years after Johnny's death, his grandson Michael discovered an old manuscript hidden in the attic of his mother's house. It was Johnny's own account of his wartime experiences - the story too horrific to reveal in full to his loved ones. In the tradition of bestselling memoirs like *The Railway Man*, *Lucky Johnny* is an inspirational tale of survival against the odds. *Becoming Johnny Vegas* Nov 05 2022 'My name is Michael Pennington, and I am not a comic character. I'm often mistaken for one though. You might know him by another name. Johnny Vegas.'
