John's Apocalypse Approaching the Apocalypse The Apocalypse **The Apocalypse in the Middle Ages** *Archetype of the Apocalypse* **Cancel The Apocalypse** **The Apocalypse**

**Revelation** Jan 24 2022 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Apocalypse of John Jul 06 2020 The Apocalypse has been one of the most fascinating and most frustrating books of the Bible. Interpretations abound, yet the mystery at the heart of it continues to intrigue scholars. Father Kealy's thoughts on the Apocalypse are provocative, stimulating a search for quality in living, for values, for ultimates, for growth in hope.

**The Apocalypse in the Middle Ages** Sep 27 2019 An innovative overview of the influence of the Apocalypse on the shaping of the Christian culture of the Middle Ages.

Approaching the Apocalypse Nov 29 2019 Plague, earthquake and flame: ideas about divinely-inspired disaster and prophecies of doom have an enduring place in the history of Christian thought. For centuries men and women have made preparations for the imminent end of the world, and for the thousand year reign of Christ and his saints. Inspired principally by the startling texts of the Book of Revelation, Christianity has a rich and varied tradition of looking forward to the purifying fires of Armageddon. But what do recurring motifs like the Rapture, pestilence, biblical prophecy and the building of the New Jerusalem really add up to? And how have interpretations of

these patterns differed from century to century? Charting a steady course between the feverish predictions of early Christian heretics like the Montanists, and the febrile outpourings of modern-day millennialists such as the Branch Davidians and Christian Zionists in America, John M. Court explores the continuities and differences between their violent visions of cataclysm. His history comprises an incisive analysis of such movements and figures as the Levellers and Diggers, James Jezreel and his Trumpeters, Seventh-Day Adventists and Jehovah's Witnesses, cargo-cults and drug cultures. Embracing two thousand years of intense and fiery admonition, *Approaching the Apocalypse* offers students of religion, history and politics the definitive handbook to Doomsday.

**The Apocalypse of Adam** Oct 09 2020 The 'Apocalypse of Adam' was discovered among the papyri from the ancient gnostic library at Nag Hammadi, Egypt, in 1946. It is a revelatory discourse that Adam delivers to his son Seth. This discourse is the fifth and final tractate in Nag Hammadi Codex V. The manuscript is now in the Coptic Museum in Old Cairo (codex inv. no. 10548). In Part I of this significant treatment, Hedrick analyzes the sources that lay behind this work, the redaction, and the main theological themes. In Part II, he provides the Coptic text, translation, and notes on the complete text, broken down by Source A, Source B, and the Redactor's additions.

*Tales of the Apocalypse Volume 1* Nov 21 2021 The end of the world as you've never known it. From the pages of the best-selling Duck & Cover Adventures comes thirteen stories of those who survived the apocalypse. Some would go on to be heroes, others villains, some were dogs and will stay dogs, but they all must contend with the horrors of the new world and find a way to survive in the wasteland that was America. HOW TO

**HOST AN INTERVENTION** Long before he was a knight in the apocalypse, Tommy was preparing for the end of the world. His friends grew concerned for his well-being and planned to intervene. It wasn't so much that he was preparing, it was what he was preparing for. **GONE TO THE DOGS** Fidget and Sasquatch were loyal companions to the end. Now that the end has arrived, they must say goodbye to the only home they've ever known. If they can figure out how to open the door. **BUNKED UP** They took refuge in a homemade bomb shelter when the end of the world began. There they were safe from the bombs and the fallout. But they were never safe from each other. **PACK HUNTERS** Fidget and Sasquatch are on their own, a situation neither of them are really comfortable with. They decide to join a pack for safety, for food and for friends. Now all they have to do is find one. **ANIMAL'S CALLING** Before the world ended, Jackson drifted from job to job, never settling on anything that could be called a career path. But with the new world comes new opportunities. This is what he was born to do. **LAST BAND OF THE APOCALYPSE** Caught between county fair gigs during the apocalypse, the members of a cover band find themselves the last band left in the world. Getting gigs should be easy. Should be. **PRISONER'S DILEMMA** The Librarian has seen his fair share of "wasteland justice." Now he's chained to the floor of a grocery store with a man he must face in court. In a battle to the death. Naturally. **ALPHA DOG** Sergeant Satan was genetically enhanced to be the world's best military scout. He was designed to be smarter, faster and more than a match for any dog this side of the apocalypse. Of course, his creators had never met Fidget. **THE TRIAL OF HARMEGGEDON** They've got a new name. They've got a new act. And they are ready to rock your face off. Now all the last band in the world needs is a gig. **WILLIE AND COY RIDE**

AGAIN Willie and Coy aren't the brightest. Or the best looking. Or very likeable. No one would ever accuse them of being hard workers. But the pair have found a way to make an honest living in the apocalypse. If they can get enough people to watch. IN A PERSON PACK Tired of looking for a pack to join, Sasquatch and Fidget reminisce about the joys and delights of life in a people pack. NO QUARTER Deep in the swamp of New Orleans awaits a terror many refuse to believe exists. It's a monster of myth and rumor so horrible that it could not possibly be real. On the trail of a kidnapped woman, The Librarian must seek out and confront this monster of myth. EVE OF THE APOCALYPSE Man is the true monster. Unless there is a man who is a monster that also makes monsters. Then he's the truest monster and only a post-apocalyptic nomadic warrior can bring this monster's monster-making to an end. Get this laugh-out-loud collection of stories from the Duck & Cover Adventures post-apocalyptic series now.

The Apocalypse May 28 2022 The year 1998 marked the quincentennial of the publication of Albrecht Durer's illustrated edition of the Apocalypse. Here Robert Smith provides an introduction to and a commentary on the book of Revelation that is keyed to the Durer woodcuts.

**The Fanaticism of the Apocalypse** Nov 09 2020 The planet is sick. Human beings are guilty of damaging it. We have to pay. Today, that is the orthodoxy throughout the Western world. Distrust of progress and science, calls for individual and collective self-sacrifice to 'save the planet' and cultivation of fear: behind the carbon commissars, a dangerous and counterproductive ecological catastrophism is gaining ground. Modern society's susceptibility to this kind of thinking derives from what Bruckner calls "the seductive attraction of disaster," as exemplified by the popular appeal of disaster movies. But

ecological catastrophism is harmful in that it draws attention away from other, more solvable problems and injustices in the world in order to focus on something that is portrayed as an Apocalypse. Rather than preaching catastrophe and pessimism, we need to develop a democratic and generous ecology that addresses specific problems in a practical way.

*Archetype of the Apocalypse* Aug 26 2019 A Jungian psychologist provides an explanation of the psychic forces underlying contemporary issues such as the violence in our society, the psychological meaning of AIDS, and the increase in world terrorism. 20 photos & 20 illustrations.

*How to Survive the Apocalypse* Jun 16 2021 Incisive insights into contemporary pop culture and its apocalyptic bent The world is going to hell. So begins this book, pointing to the prevalence of apocalypse -- cataclysmic destruction and nightmarish end-of-the-world scenarios -- in contemporary entertainment. In *How to Survive the Apocalypse* Robert Joustra and Alissa Wilkinson examine a number of popular stories -- from the Cylons in *Battlestar Galactica* to the purging of innocence in *Game of Thrones* to the hordes of zombies in *The Walking Dead* -- and argue that such apocalyptic stories reveal a lot about us here and now, about how we conceive of our life together, including some of our deepest tensions and anxieties. Besides analyzing the dystopian shift in popular culture, Joustra and Wilkinson also suggest how Christians can live faithfully and with integrity in such a cultural context.

*The Apocalypse* Oct 28 2019 In this commentary, Pentecostal biblical scholar John Christopher Thomas offers a fresh reading of the Apocalypse informed by three decades of research and writing devoted to the Johannine literature. While engaging the best of critical scholarship he avoids simply recounting the views of other scholars on a variety of interpretive issues.

Rather, he gives priority to the world of the text by means of literary, intertextual, and theological analyses, as he seeks to discern the effect of this visionary experience upon the hearers (both implied and actual) of this text. The most extensive reading of the Apocalypse offered by a Pentecostal scholar to date, this commentary is shaped by the Pentecostal and wider communities via times of engagement with local worshipping communities, scholarly audiences at academic conferences, and academic settings at a variety of institutions around the globe. Thomas' distinctive literary and theological hearing of the Apocalypse, which adheres closely to the final form of the text and reflects the heart of Pentecostal theology and spirituality, marks a major transition in Pentecostal approaches to the Apocalypse and may well assist, along with others, in the reclamation of this canonical book for the Pentecostal community and beyond.

*Picturing the Apocalypse* Oct 01 2022 This book fills these gaps in a striking and original way by means of ten concise thematic chapters which explain the origins of these concepts from the book of Revelation in an accessible way. These explanations are augmented and developed via a carefully selected sample of the ways in which the concepts have been treated by artists through the centuries. The 120 visual examples are drawn from a wide range of time periods and media including the ninth-century Trier Apocalypse, thirteenth-century Anglo-Norman Apocalypse Manuscripts such as the Lambeth and Trinity Apocalypses, the fourteenth-century Angers Apocalypse Tapestry, fifteenth-century Apocalypse altarpieces by Van Eyck and Memling, Dürer and Cranach's sixteenth-century Apocalypse woodcuts, and more recently a range of works by William Blake, J.M.W. Turner, Max Beckmann, as well as film posters and film stills, cartoons, and children's book illustrations.

*The Apocalypse* Feb 10 2021

**The Apocalypse** Jun 24 2019

**Arguing the Apocalypse** Jun 28 2022 Armageddon, and a map of millennial consciousness.

*The Apocalypse* Jul 18 2021 New Testament Message, Volume 22: A Biblical-Theological Commentary "Those who continue to look for some help in deciphering the Apocalypse will welcome this clear and competent commentary." --The Bible Today "(Adela Yarbro Collins) can only be thanked for offering to a wide public a lucid, well-informed and profound commentary on a book which continues to cause considerable confusion." --The Catholic Biblical Quarterly

**Apocalypse** Feb 22 2022 The Book of Revelation has always been a mysterious and intriguing book, describing in symbolic terms the confrontation between the Disciples of Christ and the powers - political and supernatural - that hold sway over the current age. Fundamentalists have been attracted to the book and have sought to decipher its strange symbols as coded prophecy of future events. But as Pablo Richard shows in *Apocalypse*, the most powerful readings of the Book of Revelation are through the eyes of the oppressed, living out their Christian faith in the context of the modern empire. It is they who identify most strongly with Revelation's ultimate message of hope and life in the midst of death and persecution. *Apocalypse* first provides a general introduction to the reading of Revelation by examining three keys for its understanding: the historical, the sociological, and the literary-structural. The book then goes on to explore the whole of the Book of Revelation, following the book's own structure. Each section provides a line-by-line reading of the text, establishing the literal meaning before applying the interpretive keys already established.

**Buddha at the Apocalypse** Dec 23 2021 Timely and audacious,

Buddha at the Apocalypse challenges us to look directly at the devastating assumptions underlying the very mechanisms of the modern world. We believe with certainty in the inevitable forward march of progress, in the natural rightness of humankind's control of the environment, and, most pervasively, in the idea of an epic struggle that requires righteousness to utterly destroy evil. These images of apocalypse and dominance pervade our language, our politics, and, with coming of 2012, even our escapist entertainment. In *Buddha at the Apocalypse*, Kurt Spellmeyer offers us an alternative view that comes like breath of cool, fresh air in these times. Drawing on the Buddha, Spellmeyer makes an impassioned clarion call to awaken from the culture of destruction — or perish within it. The book also features a foreword by the most high-profile Buddhist academic in America — and possibly the world.

*Agents of the Apocalypse* Aug 31 2022 Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

*The Apocalypse* Jun 04 2020 This work affirms the centrality of

Jesus and His coming work of retribution and reward as the keys to understanding Revelation.

The Fellowship of the Throne in John's Apocalypse Dec 31

2019 What relevance does the book of Revelation hold for our lived reality within secular societies? In this book, Dr Fabián Santiago explores concepts of authority, society, and political power against the backdrop of the Apocalypse and in conversation with Oliver O'Donovan's political theology.

Santiago offers a reading of Revelation that does not bypass its exegetical complexities, but instead allows for new possibilities of engagement. He investigates the conception of authority presented in Revelation – a conception centered on the throne of God and transformed by the exalted Jesus – and argues that this divine authority ultimately correlates with the Fellowship of the Throne, a liturgical community mediated by the risen Christ. An excellent resource for students of political theory and theology, Christology, and biblical narrative, this book offers a powerful theo-political critique of secular discourse on the nature of political authority.

**Cancel The Apocalypse** Jul 26 2019 Ever get the feeling that things are falling apart? You're not alone. From bad banks to global warming it can all look hopeless, but what if everything could turn out, well, even better than before? What if the only thing holding us back is a lack of imagination and a surplus of old orthodoxies? In fascinating and iconoclastic detail - on everything from the cash in your pocket to the food on your plate and the shape of our working lives - *Cancel the Apocalypse* describes how the relentless race for economic growth is not always one worth winning, how excessive materialism has come at a terrible cost to our environment, and hasn't even made us any happier in the process. Simms believes passionately in the human capacity for change, and shows how

the good life remains in our grasp. While global warming and financial meltdown might feel like modern day horsemen of the apocalypse, Simms shows how such end of the world scenarios offer us the chance for a new beginning.

*The Apocalypse Now Book* Jul 30 2022 A cinematic legend: The making of Francis Ford Coppola's epic about Vietnam and the folly of war, based on unprecedented access to Coppola's private archives

The Art of Eating Through the Zombie Apocalypse Mar 14 2021

Just because the undead's taste buds are atrophying doesn't mean yours have to! You duck into the safest-looking abandoned house you can find and hold your breath as you listen for the approaching zombie horde you've been running from all day. You hear a gurgling sound. Is it the undead? No—it's your stomach. When the zombie apocalypse tears down life and society as we know it, it will mean no more take out, no more brightly lit, immaculately organized aisles of food just waiting to be plucked effortlessly off the shelves. No more trips down to the local farmers' market. No more microwaved meals in front of the TV or intimate dinner parties. No, when the undead rise, eating will be hard, and doing it successfully will become an art. *The Art of Eating through the Zombie Apocalypse* is a cookbook and culinary field guide for the busy zpsc survivor. With more than 80 recipes (from Overnight of the Living Dead French Toast and It's Not Easy Growing Greens Salad to Down & Out Sauerkraut, Honey & Blackberry Mead, and Twinkie Trifle), scads of gastronomic survival tips, and dozens of diagrams and illustrations that help you scavenge, forage, and improvise your way to an artful post-apocalypse meal. *The Art of Eating* is the ideal handbook for efficient food sourcing and inventive meal preparation in the event of an undead uprising. Whether you decide to hole up in your own home or bug out into

the wilderness, whether you prefer to scavenge the dregs of society or try your hand at apocalyptic agriculture, and regardless of your level of skill or preparation, *The Art of Eating* will help you navigate the wasteland and make the most of what you eat.

*Go-Go Girls of the Apocalypse* Sep 07 2020 Mortimer Tate was a recently divorced insurance salesman when he holed up in a cave on top of a mountain in Tennessee and rode out the end of the world. *Go-Go Girls of the Apocalypse* begins nine years later, when he emerges into a bizarre landscape filled with hollow reminders of an America that no longer exists. The highways are lined with abandoned automobiles; electricity is generated by indentured servants pedaling stationary bicycles. What little civilization remains revolves around Joey Armageddon's Sassy A-Go-Go strip clubs, where the beer is cold, the lap dancers are hot, and the bouncers are armed with M16s. Accompanied by his cowboy sidekick Buffalo Bill, the gorgeous stripper Sheila, and the mountain man Ted, Mortimer journeys to the lost city of Atlanta -- and a showdown that might determine the fate of humanity.

*The Apocalypse* Apr 26 2022 In this concise and clearly written commentary, Charles H. Talbert brings to mainline Christians a fresh reading of the book of Revelation, demonstrating that it is not only accessible but relevant for the modern-day Christian. According to Talbert, the primary causes of the marginalized status of the book of Revelation by mainline Christians are threefold--the apparent inaccessibility of its meaning, the seeming impossibility of its pastoral application, and its demonstrated susceptibility to abuse. Talbert ably demonstrates that the book of Revelation was written to help the early Christians avoid assimilation into the larger pagan culture. Talbert also gives full attention to the literature of the Greco-

Roman, early Christian, and early Jewish worlds as he examines the more mystical components of the narrative.

**Anna and the Apocalypse** Mar 26 2022 School's out for the end of the world. *Anna and the Apocalypse* is a horror comedy about a teenager who faces down a zombie apocalypse with a little help from her friends. Anna Shepherd is a straight-A student with a lot going on under the surface: she's struggling with her mom's death, total friend drama, and the fallout from wasting her time on a very attractive boy. She's looking forward to skipping town after graduation—but then a zombie apocalypse majorly disrupts the holidays season. It's going to be very hard to graduate high school without a brain. To save the day, Anna, her friends, and her frenemies will have to journey straight to the heart of one of the most dangerous places ever known, a place famous for its horror, terror, and pain...high school. This novel is inspired by the musical feature film, *Anna and the Apocalypse*—sing and slay along at home with the VOD release! An Imprint Book

**The Apocalypse Code** Aug 07 2020 Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. *The Apocalypse Code* offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the “Antichrist” and the “Great Whore of Babylon,” and what is the real meaning of “666”? How does our view of the end times change the way we think about the crisis in the Middle

East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world. "Provocative and passionate, this fascinating book is a must-read for everyone who's interested in end-times controversies." — Lee Strobel, Author, *The Case for the Real Jesus* "This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts such as Tim LaHaye. Every fan of the Left Behind series should read this book. The fog will clear, and common sense will return to our reading of the Bible." — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

### **A Commentary on the Apocalypse of John** May 16 2021

Edmondo Lupieri's main goal in *A Commentary on the Apocalypse of John* is to introduce readers to the mental and spiritual world of John as both a first-century Jew and a follower of Jesus. The fruit of over ten years of research, a constructive response to postmodern criticism, and an academic best-seller in its Italian edition, Lupieri's commentary offers both new proposals and traditional interpretations to shed light on this complex coda to the biblical message. In an illuminating preface Lupieri discusses the strange world of the Apocalypse and promises an open commentary, full of original treatments of knotty interpretive problems. Maintaining a strong historical perspective throughout, he examines the text of the Apocalypse line by line, paying careful attention to the Greek text, offering a new translation, making wide use of apocryphal, pseudepigraphal, and Qumran literature, and often analyzing John's Apocalypse as compared to other Jewish apocalypses. Thoughtful, thorough, and nonsectarian, Lupieri's *Commentary on the Apocalypse of John* will appeal to anyone with a serious

interest in the meaning of the biblical text.

*Fishing Through the Apocalypse* Mar 02 2020 Fishing Through the Apocalypse may be the most important fishing book you read this year! It's about the future of fishing.

**Media and the Apocalypse** Sep 19 2021 Responding to a plethora of media representing end times, this anthology of essays examines pop culture's fascination with end of the world or apocalyptic narratives. Essays discuss films and made-for-television movies - including *Deep Impact*, *The Core*, and *The Day After Tomorrow* - that feature primarily [hu]man-made catastrophes or natural catastrophes. These representations complement the large amount of mediated literature and films on religious perspectives of the apocalypse, the *Left Behind* series, and other films/books that deal with prophecy from the Book of Revelation in the Bible. This book will be useful in upper-level undergraduate/graduate courses addressing mass media, film and television studies, popular culture, rhetorical criticism, and special/advanced topics. In addition, the book will be of interest to scholars and students in disciplines including anthropology, history, psychology, sociology, and religious studies.

**Notes from an Apocalypse** Aug 19 2021 From the prize-winning author of *To Be a Machine* - meet the men and women preparing for the end of the world In the remote mountains of Scotland, in high-tech bunkers in South Dakota and in the lush valleys of New Zealand, small groups of determined men and women are getting ready. They are environmentalists who fear the ravages of climate change; billionaire entrepreneurs dreaming of life on Mars; and right-wing conspiracists yearning for a lost American idyll. One thing unites them: their certainty that we are only years away from the end of civilization as we know it. Not unconcerned himself by the possibility of the end of days, Mark O'Connell set out to meet them.

*The Apocalypse* Nov 02 2022 This accessible and enlightening history provides insights into the fascinating genre of apocalyptic literature, showing how the apocalypse encompasses far more than popular views of the last judgment and violent end of the world might suggest. An accessible and enlightening history of the "apocalypses"--ancient Jewish and Christian works -- providing fresh insights into the fascinating genre of literature Shows how the apocalypses were concerned not only with popular views of the last judgment and violent end of the world, but with reward and punishment after death, the heavenly temple, and the revelation of astronomical phenomena and other secrets of nature Traces the tradition of apocalyptic writing through the Middle Ages, through to the modern era, when social movements still prophesise the world's imminent demise

**The Seven Churches of the Apocalypse: A Look at the Seven Churches in the Book of Revelation** May 04 2020 While in exile on the Island of Patmos, the Apostle John received this instruction from Jesus: "Write what you see into a book. Send it to the seven churches: Ephesus, Smyrna, Pergamum, Thyatira, Sardis, Philadelphia and Laodicea" (Revelation 1:11; The Message Bible). Jesus then proceeds to dictate to the apostle personal messages to each of the seven churches. The content of these messages does not contain the opinions, or instructions of a pastor, deacon, elder or governing church council. These messages were sent directly from Jesus and reveal his assessment of each church. This in itself should be sufficient reason for taking the time and exerting the energy to do an exhaustive study of the seven churches. But there are additional reasons as well which are dealt with extensively in this book. The messages reveal what is acceptable and unacceptable to Jesus in the life of a church. They also reflect seven periods of church history. In addition, the messages explain a Christian's

relationship to the group of believers with which they are associated. Furthermore, they stress the responsibility of every Christian to protect the spiritual welfare of the local church. Finally, these messages provide the proper perspective of what Jesus values most in a church. At the end of each message Jesus makes this statement: "Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches!" (Revelation 2:7; New Living Translation). The messages to the seven churches of the Apocalypse are as relevant today as they were when John received them. They are intended for anyone who has ears to hear what the Spirit says to the churches.

**Boyband of the Apocalypse** Apr 02 2020 When Sam agrees to take his little sister, Lexie, to see the world's most popular boy band, Apocalips, he expects it to be bad. But he doesn't expect to get locked in a cupboard, to overhear the band plotting to destroy the world and to witness them disintegrate one of their own members. When no one believes him but his best friend, Milo, Sam is left with no option but to take part in a contest to join the band to try and save the world from Armageddon. To do this Sam will have to become someone he's never been before. With help from Milo and Lexi, he'll have to overcome the Four Horsewomen of the Apocalypse, pop Svengali Nigel Cruul, a dodgy haircut, and his complete inability to sing or dance. Still, it's not the end of the world. Not yet anyway.

The Apocalypse of John Jan 12 2021 In this major, paradigm-shifting commentary on Revelation, internationally respected author Francis Moloney brings his keen narrative and exegetical work to bear on one of the most difficult, mysterious, and misinterpreted texts in the biblical canon. Challenging the assumed consensus among New Testament scholars, Moloney reads Revelation not as an exhortation to faithfulness in a period of persecution but as a celebration of the ongoing effects of

Jesus's death and resurrection. Foreword by Eugenio Corsini.

**The Apocalypse - A Series of Special Lectures on the Revelation of Jesus Christ with Revised Text - Dec 11 2020**

This vintage book contains a collection of lectures on the revelation of Jesus Christ, written by J. A. Seiss and first published in 1869. The lectures focus on the idea of the Apocalypse, exploring its meaning, importance, chronology, and much more. Contents include: "The Preface, Scope, Contents, Derivation, Value, and Preciousness of the Apocalypse", "The Apostolic Introduction to the Apocalypse, and its Several Important Allusions", "The First Vision-A Picture of the Saviour in His relation to the Churches", "Supplementary Declarations, Touching the Character and Prerogatives of Christ", "The Seven Churches-Meaning of Numbers-The Seven Ages of the Church", etc. Joseph Augustus Seiss (March 18, 1823 - June 20, 1904) was an American theologian and Lutheran minister most famous for his contributions to pyramidology and dispensationalism. His best-known work is "The Great Pyramid of Egypt, Miracle in Stone: Secrets and Advanced Knowledge" (1877), considered a primary text of pyramidology. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

**From the Brink of the Apocalypse** Jan 30 2020 It was a firm belief in the ways of providence and the first stirrings of greater political freedom, says Aberth (history, U. of Nebraska), that allowed European communities to endure the full share and more of misery that befell them during the later Middle Ages. He takes his themes from the Four Horsemen of the Apocalypse to describe responses to the Great Famine and the Black Death that swept away nearly half of the continent's population, while English and French leaders occupied themselves with the

Hundred Years War. Annotation copyrighted by Book News Inc., Portland, OR

**The Apocalypse and the End of History** Oct 21 2021 How the political violence of modern jihad echoes the crises of western liberalism In this authoritative, accessible study, historian Suzanne Schneider examines the politics and ideology of the Islamic State (better known as ISIS). Schneider argues that today's jihad is not the residue from a less enlightened time, nor does it have much in common with its classical or medieval form, but it does bear a striking resemblance to the reactionary political formations and acts of spectacular violence that are upending life in Western democracies. From authoritarian populism to mass shootings, xenophobic nationalism, and the allure of conspiratorial thinking, Schneider argues that modern jihad is not the antithesis to western neoliberalism, but rather a dark reflection of its inner logic. Written with the sensibility of a political theorist and based on extensive research into a wide range of sources, from Islamic jurisprudence to popular recruitment videos, contemporary apocalyptic literature and the Islamic State's Arabic-language publications, the book explores modern jihad as an image of a potential dark future already heralded by neoliberal modes of life. Surveying ideas of the state, violence, identity, and political community, Schneider argues that modern jihad and neoliberalism are two versions of a politics of failure: the inability to imagine a better life here on earth.

Crisis and Catharsis Apr 14 2021 For the first time in complete form, the results of recent analyses of the Apocalypse are presented in a way that is easily understood by the beginning student and challenging to the scholar looking for a fresh approach. In a clear and vivid manner, Adela Yarbro Collins discusses the authorship of the book of Revelation, when it was

written, the situation it addressed, the social themes it considered, and the psychological meaning behind apocalyptic language.
