Who Are Your Divine Friends? Oct 24 2019 My book goes into many Myths, Gods and Goddesses. There is lore from the Poetic and prayers for many deities. The book can help you befriend and learn a lot about Odin, Thor, Frigg, Hela, Freya, Tyr, Frey and more... There are many names for the Celestial Being, and it can be harder to define than air. Worldwide there is Lady, Goddess, Dely, Loki, Yahweh, Father, Xochiquetzal... well you get the idea. Many Pagans prefer to use a gender free word such as "Spirit". For me, I use "Divine Friends". My book also gives a modern twist. A way to honor those Gods and Goddesses in the twenty-first century. For example, the first Goddess listed is Valkyries. An ancient "warrior maiden on winged horses". How does a twenty-first city boy with no spear or horse honor her? "Honor their friendship by helping veterans of war or by feeding the homeless". Something anyone today can do easily. For more information see my blog: <http://nordicwiccan.blogspot.com/>

The Rebel Guardian Jan 27 2020 From New York Times and USA Today bestseller Lexi Blake comes a new novel in her Thieves world... After fighting her way across another plane of existence and facing off against ancient witches, there should be nothing more satisfying than coming home. Unfortunately, Kelsey Atwood had a different experience. The world she returned to has changed. Twelve years have passed, and they've been twelve hard years for the friends and family she never meant to leave behind. The little boy she adopted is now a grown man. The husbands she longed to see are scattered and on different sides of a war for control of the supernatural world. Her most trusted friend is now the leather-clad minion of the enemy, Myrdinn. Dealing with the wreckage of her personal life will have to wait, though, because the only chance at a hopeful future is deciphering an obscure prophecy, and she means to solve it. This quest will take her crew to a nest of primal vampires and the fierce world known as The Under. Filled with fantastic creatures and wonders she never imagined she would see, this new discovery leads her to something she is all too familiar with—a murder to solve and a killer to catch. Trying to reconnect with her husbands and her son is already challenging enough, but as she begins piecing together the story behind the crime, it becomes clear that this mystery may tear down The Under and everyone who calls it home.

Quinn Jun 19 2019 The only constant in my long life is murder. Assassin for hire, to put a finer point on it. I'm an earth wizard. Usually, we're on the peaceful side. Not sure what happened to me, but I never fit in with my kinsmen. They'd have chased me out of the fold—for obvious reasons—but I saved them the trouble. I left on my own. The same way I left the Circle of Assassins because it was too tame for my taste. Or maybe too structured. Along with my bondmate, an oversized eagle, I've been playing fast and loose with the rules forever. Of course, the rules have changed, but I've rolled with the punches. Never found a policy I couldn't manipulate to my advantage. There's an old saying about life coming full circle. It's about to snatch me up and spit me out. I can run, but there's nowhere far enough to hide from what I am or the Circle of Assassins. My first home. My first nemesis. Grigori said I'd be back. How in the hell could he have known?

The White Hound: Mythology in Modern Times Nov 24 2019

Outcast Dec 18 2021 On the hunt for a vicious killer, Kelsey discovers that the true threat lies closer than she could have ever imagined. It's been months since Trent Wilcox was sentenced to exile, but Kelsey hasn't given up on finding a way to bring him home. Grayson Sloane doesn't share her enthusiasm. Loving two men is challenging enough without them being at each other's throats, and she is unwilling to compromise on the future she knows is meant for them. Kelsey's only hope for bringing them all together comes in the form of the Hell lord who insisted on Trent's exile—Gray's father. Lord Sloane is willing to acquiesce on Trent's punishment if Kelsey will do one little job for him. A stray wolf is on a killing spree in Wyoming and he's killed a number of witches in Lord Sloane's service. The situation is made all the more complicated by the presence of a sinister werewolf cult in the area. Lupus Solum is known for being cruel to their own kind, and even worse to outsiders. Caught between a craven wolf cult, a brutal killer, a Hell lord, and a mounting pile of bodies, Kelsey is going to have her work cut out for her. But if she can solve the case, she might have a chance to earn her happily ever after.

Gears of Mischief Oct 16 2021 Otilie Kingford has dealt with the judgmental eyes of the elite her entire life, especially since she's one of them. She leads a double life, one she was raised for since birth: Lady during the day, Spy during the night. She's a master of blending in, and the only currency she deals in are secrets and lies. When her assignment takes her to a disruption in the main square, she never expects to witness a magical war between gods and monsters. She most certainly doesn't intend for the gods to catch her slipping away to give her report. Now Big Ben won't tick no matter how many tinkers work on it and the harshest winter in history has descended on London. The Gods keep insisting it's the end of times, but Otilie doesn't believe in myths and legends. If two of those so-called legends would stop ogling her like she's some sort of circus freak, she could do her job. She just needs to stop the end of days and send the two men back to Asgard, where they belong. The gears of Ragnarök are turning, and Otilie will not fail her Queen. Even if the world suddenly belongs to monsters...

Campfire Cooking in Another World with My Absurd Skill: Volume 1 Feb 20 2022 Mukouda Tsuyoshi was nothing special in modern Japan, so when he was summoned to a world of swordplay and sorcery, he thought he was ready for the adventure of a lifetime. Too bad the kingdom that summoned him only got him by mistake! Not only was he not one of the three summoned heroes, but his stats were laughable compared to theirs. On top of that, there's something really sketchy about this kingdom... "Ah, these people are the kind to try and use the Hero," he realized, and immediately left to make his own way in this other world. The only thing Mukouda can rely on is his unique skill: the "Online Supermarket," a skill that allows him to buy modern goods in a fantasy world. It's useless for combat, but if he plays his cards right, he could lead a comfortable life, maybe? At least, that's what Mukouda thinks, but it turns out modern food bought with this skill has some absurd effects! What happens when Mukouda introduces ridiculously tasty modern cooking to a fantasy world like this? He gets some ridiculous repeat customers begging for more...

Fenrir Oct 28 2022 The Vikings are laying siege to Paris. They want the Count's sister, in return they will spare the rest of the city. As houses on the banks of the Seine burn, a debate rages in the Cathedral on the walled island of the city proper. Can the Count really have ambitions to be Emperor of the Franks if he doesn't do everything he can to save his people? Can he call himself a man if he doesn't do everything he can to save his sister? His conscience demands one thing, the state demands another. The Count and the church are relying on the living saint, the blind and crippled Jehan of St. Germain, to enlist the aid of God and resolve the situation for them. But the Vikings have their own gods, and outside their camp, a terrifying brother and sister, priests of Odin, have their own agenda—an agenda of darkness and madness. And in the shadows a wolfman lurks. M. D. Lachlan's stunning epic of mad Gods, Vikings, and the myth of Fenrir, the wolf destined to kill Odin at Ragnarok, is a compelling mix of bloody horror, unlikely heroism, dangerous religion, and breathtaking action. From the Trade Paperback edition.

Her Dragon Captor Jul 13 2021 Damianos Drakon is insanely hot, ridiculously huge, and incredibly evil. He's the trillionaire king of dragons. And also my family's mortal enemy. So what did I do the first time I meet him? Grabbed his junk. Look, I had to distract him somehow so that my twin sister could escape with the dragon he was keeping prisoner. My grandfather is a time-traveling Viking werewolf. My fathers are two time-traveling Viking werewolves. My sister met her dragon husband in the Ice Age! My family wrote the book(s) on dramatic love stories, but I have to warn you, my romance is more epic than all of theirs combined. You ready for this? I can tell you right now you totally aren't. But go ahead and read anyway. Just remember you were warned.

Finally, in The Raven God, an army of red giants gather in the Eighth Realm of Musspell, determined to destroy Orkney—and it's all Sam's fault. After all, he took Odin's life with an ancient cursed dagger, and now mankind has lost its protector. **The Ære Saga Boxed Set (Books 1-4) May 31 2020** "Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review From international bestselling author S.T. Bende comes the complete story of the Ære Saga (Books 1-4). **Book 1: PERFECT ORDER** All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-ever-after, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason... until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had. **Book 2: PERFECT CONTROL** Rule the realms. Brynn Aksel is a valkyrie—a battle goddess tasked with protecting both the God of War and the future of Asgard. She fends off giants and dark elves with an iron fist, a glossy smile, and no less than perfect control. She's focused one-hundred-percent on rising through the valkyrie ranks, and not at all on her lifelong crush on Henrik Andersson—the one guy in all the realms who could be her undoing. Henrik serves as War's other bodyguard, and he's too focused on protecting their shared charge to realize that Brynn's a girl. When an unprecedented surge of darkness abducts the Goddess of Love, Brynn's already-steely focus is singularly directed on her new assignment—accompany Henrik to recover the realms' source of light before the cosmos descends into chaos. While battling demons, dragons, and the not-quite-dead, it becomes clear that immortality does not equal invincibility. And when Hel herself puts a hit on Brynn, the valkyrie has to decide if staying in control is worth losing everything... or if it's time to rule the realms. **Book 3: PERFECT BALANCE** Become what you believe. Elsa Fredriksen knows there's a thin line between love and fear. As High Healer, she rights the wrongs committed by those who choose the darkness. But even Asgard's secret weapon can't undo every injury—especially when her fate is completely entwined with the god she's trying to save. Elsa's in love with the Norse God of Justice. But For's heart is ruled by fear—fear that the past will repeat itself; fear that opening his heart will compromise his ability to do his job; fear that he'll hurt the one girl he desperately wants to protect. Again. When Elsa faces off against the very monster she once swore to protect, her survival depends on a power she isn't sure she can control. And when For's worst nightmare unfolds in front of him, Elsa has to decide whether it's more important to hold the realms in perfect balance... or hold onto the guy she can't imagine existing without. **Book 4: PERFECT MATCH** For honor. For love. For Asgard. Valkyrie Brynn Aksel is ready for some downtime. Goddess of Love Freya Skönsten can't shake the darkness that's clung to her since her Helheim imprisonment. An unsanctioned romantic connection with a mortal is the only thing keeping her in the light, but Freya's vow to the Norns prevents her from fully uniting with her perfect match. When Hel returns to finish what she started, Freya must decide how much she's ready to sacrifice to save the family she loves... and whether she's willing to give up everything for the worlds she's sworn to protect. With the forces of darkness aligning to destroy the realms, it's clear more than just Love hangs in the balance. Ragnarok has arrived. And it's shaping up to be the perfect storm.
