You Can Get Answers To Your Prayers Jan 26 2022 "I want a stronger and more powerful prayer life. What can I do?" If this is your desire, you're only a short while away from making it a reality! Millions of Christians read wonderful Bible promises and wonder why nothing happens when they pray. They know God loves them, but for some reason their prayers never seem to make it past the ceiling. This is not what we see in the Bible; it is not what we should see in our own lives. It is not going to remain this way in your life! John had applied to a bunch of dental schools and was turned down. In front of the whole church, I explained to him some of the principles and methods in this book. "Pray like this and go back to those same schools and apply again and see what God does." He now attends one of the dental schools that had previously turned him down! God made the impossible possible. This short, simple, but insightful book is

*How to Meet the Queen* Jan 02 2020 Doctors on average spare only eighteen seconds to diagnose a patient, which results in misdiagnosis one in every six times because both doctor and patient ask the wrong questions or no questions at all. Identity theft victims readily yield passwords without questioning. Even the routine job interview process is broken filled with tired predictable questions that surface textbook answers. How To Meet The Queen attacks our questioning deficit by gleaning principles from the professionals who are paid to ask good questions. This eminent cast includes headline interviewers like CNN s Larry King, 60 Minutes Mike Wallace, Harvard Medical School Professor Dr. Jerome Groopman, and even high-profile former criminal Frank Abagnale (subject of the Hollywood film Catch Me If You Can). These principles are applied to real life - personal health, the job interview, crime prevention, the art of selling, choosing a vacation, launching a startup business, and more. And as the title suggests, the author recounts chapter-by-chapter how close he came to meeting Queen Elizabeth II armed only with these principles! For more details please visit <http://www.6basix.com/howtomeetthequeen> Endorsement from Dr. Sean Wise, Professor of Entrepreneurship, Ryerson University, and the first online host of CBC's hit reality TV show, Dragons' Den: "Lee illustrates that knowing the right questions to ask is as important as finding the correct answers. How to meet the Queen is a strong introduction to the role that inquiry plays in customer and strategic development in business."
