Australian Finance Law Sep 19 2019 "Australian Finance Law, 7th Edition provides comprehensive coverage of Australian finance law, including the regulation of the Australian financial system, capital markets, debt finance, taxation and insolvency law. It has been written and compiled by Partners, Consultants and Associates of King & Wood Mallesons. This well-regarded work combines both legal analysis and its practical application to financing transactions. It is designed for general and specialist advisers, combining both fundamental and more complex legal and practical analysis. It is also an important resource for students of Australian financial and commercial law. Although it has been written from a primarily Australian context, a number of the chapters have a more international application, either because of the global nature of finance, or because of the similarity in legal concepts between common law jurisdictions." --Publisher's website.

Pharmacy Practice and the Law Dec 03 2020 Pharmacy Practice and the Law creates a solid overview of pharmacy law, incorporating relevant case laws and historical backgrounds of why and how specific laws developed. The new Fourth Edition stimulates critical thinking issues in pharmacy law and explains the federal and state pharmacy regulation that corresponds to recent directives of the American Association of Colleges of Pharmacy. This text serves as a tool to pass the law portion of a board examination, and helps students develop as practitioners, contributors and leaders to the profession itself.

Partnership Law Oct 21 2019 The new edition of this established text is a fully updated account of the law of partnerships in a readily accessible and readable form. It is a valuable tool for practitioners who need a readily available source of information on partnership law as well as students of partnership law. The work explains the essential characteristics of the subject, highlighting difficult and developing areas by reference to both established and modern cases and legislation. In addition to UK authorities, of which there are an increasing number at a high level, it also covers cases from many parts of the Commonwealth that still use the Partnership Act of 1890. New developments such as the amendments to the law on limited partnerships and changes to the legislative framework of limited liability partnerships are covered. In essence the book explains the essential characteristics of the subject through areas such as formation, regulation and dissolution of partnership and has incisive commentary that even experienced lawyers find useful.

Elliott and Quinn Feb 05 2021 Now in its third edition, AS Law continues its clear explanation of the law, allowing students to enjoy learning, and providing a pathway to examination success. Throughout the text, critique of existing law, law reform proposals and commentary are discussed to stretch students understanding and give them the confidence to tackle essay and examination questions. Newspaper articles and photographs on topical cases are included, keeping the law fresh and engaging. The new edition includes the Constitutional Reform Act 2005 which introduces the radical constitutional reforms of the Labour governments and the increase police powers contained in the Serious Organised Crime Police Act 2005.

Tort Law Mar 18 2022 This is an ideal main text for undergraduate tort law courses. The authors combine a lively, engaging writing style with a critical approach to the subject. Butt's Land Law Nov 14 2021 Land Law, 7th edition provides a comprehensive coverage of all areas and jurisdictions of contemporary land law. This edition continues the approach of previous editions. It traces the development of land law from its English origins, but in the context of local conditions that led to the emergence of a uniquely Australian land law. Also, this edition broadens the focus of the chapters on general land law to include all Australian jurisdictions.

Computer Law Apr 26 2020 "Early treatment of computer law was no more than the application of existing principles to novel sets of facts. Today, it has been recognized generally that computing technology does indeed give rise to unique legal problems which are not resolvable by applying existing legal principles. This is particularly apparent where transactions are carried out through the exchange of digital information rather than human interaction. The developing law which seeks to resolve these problems is at the heart of the latest edition of this book, now established as a standard text on computer law for students, practitioners, and business in general for whom information technology is an integral part of their daily activities."--BOOK JACKET.

Introduction to Law Mar 26 2020 This book is exceptional in the sense that it provides an introduction to law in general rather than the law of one specific jurisdiction, and it presents a unique way of looking at legal education. It is crucial for lawyers to be aware of the different ways in which societal problems can be solved and to be able to discuss the advantages and disadvantages of different legal solutions. In this respect, being a lawyer involves being able to reason like a lawyer, even more than having detailed knowledge of particular sets of rules. Introduction to Law reflects this view by focusing on the functions of rules and on

ways of arguing the relative qualities of alternative legal solutions. Where 'positive' law is discussed, the emphasis is on the legal questions that must be addressed by a field of law and on the different solutions which have been adopted by, for instance, the common law and civil law tradition. The law of specific jurisdictions is discussed to illustrate possible answers to questions such as when the existence of a valid contract is assumed.

Contract Law Directions Jan 04 2021 A considered balance of depth, detail, context, and critique, Directions books offer the most student-friendly guide to the subject; they empower students to evaluate the law, understand its practical application, and approach assessments with confidence.
