Even in paradise, people do die. And it's the job of Mimi Charles, Forensic Anthropologist, to analyze the bodies that aren't found right away - skeletons, mostly. Mimi and her colleagues at the Medical Examiner's office are a tightly-knit team that relishes solving the mysteries presented by their cases. But outside of the office, their lives in the sweet little town of Hilo, Hawaii, flow in a gentle island rhythm. None of them is prepared for the disappearance of one of their own, right from

the building where they work (or the parking lot outside, anyway). Soon a series of notes begins to arrive, supposedly from the missing person. Even though the FBI shows up to join the local police in the search for clues, Mimi and her friends can't resist doing a little "digging" of their own. Suddenly, there's a very pesky TV reprotor calling Mimi at home and peeking out at her from behind potted plants. And then John, the Death Investigator who works with Mimi, behins to act strangely. Despite the distractions, Mimi begins to piece together odd, seemingly unrelated bits of information in the race to find her missing friend, and she most sincerely hopes that she's not too late....

Do you attack like Miss Grant or negotiate like Father O'Shea? Maybe you would call in outside help like Scoop, Zack and Timmy did. Love At First Sight May 16 2021 After the death of her husband, Rebecca turned to God for everything. She was alone and needed God more than ever. This personal relationship with God became so intense that she experienced Him in ways she never dreamed were possible. Rebecca's journey began when she became convinced God used a man she named Adam to awaken her passion to be a married lady again. When Rebecca shared every little detail of her life with God, she felt certain God orchestrated the funniest situations to give her confidence as she traveled into unknown territory. She insisted God was being playful with her and wanted her to relax and trust that He was the one that was in control. Those times Rebecca experienced doubt, God did some remarkable things to prove He was with her. As a result she developed a boldness to do what she believed God was asking of her. God always confirmed the decisions she

made were the stepping-stones leading to her destiny. She learned God was pleased by her faith that she entrusted to Him alone. God demonstrated two-way communication with Him was not only possible but was necessary in order to turn her dreams into reality. This two-way conversation brought her relationship with God to a deeper level. She knew He had prepared the way that would lead her to her future husband. Rebecca claims God is still in the match making business and is the best dating coach any person could ask for because Father knows best. All proceeds from the sale of this book will go to a mobile ministry that gives women who are facing unplanned pregnancies image clear ultrasounds free of charge. When women are in crisis due to an unwanted pregnancy they need to know that God loved them at "First Sight." Hopefully with knowledge of this truth these women will now be willing to "step out on a maybe" and trust God to work out a solution that begins with them choosing life for the child within.

Butterfly Wings Aug 07 2020

A chance encounter on a plane throws together Doha, a fashion designer unhappily married to a leading figure in the Mubarak regime, and Ashraf, an academic and leading dissident. The story of their relationship and Doha's self-discovery runs alongside a young Egyptian's search for the mother he never knew, and these intersecting narratives

unfold against the background of political protests that culminate in the overthrow of the regime. A moving and at times humorous story, *Butterfly Wings* is an extended allegory of Egypt's modern experience of authoritarian rule and explores the fractures and challenges of a society at the moment of revolutionary transformation. Mohamed Salmawy's almost prophetic novel was first published in Arabic immediately prior to the events of 25 January 2011, and has been celebrated as 'the novel that predicted the Revolution.'

Caged Lightning Jan 30 2020

"Like an arrow in the hand of a warrior, so are the sons of those who have been shaken. Hurl lightning bolts and scatter them. Shoot your arrows and rout them." King David, circa 1000 BC Wyatt Striker hated to admit that he was nervous. A senator he had treated in the ER after a mountain biking accident had invited Wyatt and his wife to a party at his vacation home near Tijuana. Unfortunately he did not mention that a dozen of California's most influential people would be there, too. He knew he had faced far worse situations during his glory days in special ops, but he hardly thought his training would help with this one. When he arrived at the house early, however, he was caught off guard by what seemed to be a two-bit burglar. The thief's behavior, which included nearly putting a peephole in Wyatt's cranium, suggested something much more dangerous. Shaken, he returned home to find his

sister-in-law tied to a chair in the kitchen, his son gone, and a ransom note on the table. As he attempts to connect the dots, he discovers that the captor is less interested in the money than in Wyatt. Confused and determined, he sets off to unravel the web of leads and players. Will his calm and careful mind and the resources he can muster be enough to outsmart the captor? Will he discover the deadly identity of his adversary before it's too late? In this fast-paced action adventure, Brent Russell weaves a tapestry of mystery, suspense, and good-old-fashioned fight scenes described in a uniquely thrilling voice.

You Made Me What I Am Dec 23 2021 "You Made Me What I Am" is all about the tragedy, romance and experiences that a simple boy, a student of B.Tech faces in his life. It is a romantic suspense novel. Arya, a student of B.Tech tall, gangly and introvert, he is not every girls dream boy falls in love with Ayesha who reminds him of Promises and Forever. Ayesha was from the same college but she never talk with Arya during the course. Their first conversation start through Facebook and they fall in love. There was no similarity between the two. Only one thing common between them is they are 'HRF' Hrithik Roshan's fan. Everything was going good between them and they were at the peak of their romantic relationship. But suddenly destiny played a cruel role which Arya had never expected and that created a vast differences in their happy relationship. Everything got shattered in a single blow, his love, his hope and his dream were also in the row... The book contains the craziness of Arya, Rahul and Abhi, their friendship and the bond of brotherhood they carry in every iota of their blood. The novel also describes the lifestyle of an engineering student, experiences of the later and the dilemma faced during the course. This book is based on my Real Life Experiences. I don't want to reveal how much fiction, how much fact is there in my book rather I want my reader to find it their own.
