Overcomers Against All

Odds Jun 06 2020 My name is Flora Padilla and I am a mother, grandmother, pastor, and an author. I married a man that physically, emotionally and mentally abused me. During this turbulent marriage, I was also trying to raise two small children, work full-time and financially support my household. Unexpectedly, I was injured on the job and lost the stability of having a steady income. This life-changing event shifted my path to my true calling. How did I become an overcomer against all odds? My book has the tools that I used to succeed, to be happy, blessed, victorious, and now an inspiration to others. I have spent my life "Mending Broken Hearts", because of my mended heart. Receive my story by faith.
