The Paladin Jul 12 2021 "Does it seem reasonable to you that a Regency continues--into an Emperor's thirtieth year " "No, m'lord," Shoka said. "Not to us, either. Not to many of us. We were ready to make that objection--when lord Gitu overran Yijang and Hua.... Assassinations, elsewhere. Hired killers. Bands of mercenaries traveling under imperial orders. The Emperor's seal, and the Regent's orders. How do we stop such a thing How do we prevent it--when every lord able to lead is apprehended, assassinated, when they strip us of men, even boys out of the fields--go to Saukendar, some said. Go to Saukendar. They urged me to send to you. This time he has to listen, they said. But if I had sent--and Ghita had known--you understand--" Reidi gave an uncomfortable twitch of the shoulders. His horse shifted again. "I had no true hope that you'd come. You'd indicated to the villagers--that you had no wish to hear from anyone. That you would refuse any such petitions--" "You were watching me." "It's my village, m'lord--as the Regent pointed out to me again and again, and threatened my life should you leave that mountain. Of course the word came to me. I tried to get a messenger down the road to you when I knew you'd left Mon.... We believed you'd come back to deal with Ghita and his partisans." Shoka felt cold, cold all the way to the bones. "There are men ready to follow you, lord Saukendar. There are men who've committed their lives to this-- We didn't know the hour. We only believed. Now you've come back" "It's gripping drama, tightly focussed and inexorable as Taizu herself. Read The Paladin and you'll never settle for another ordinary sword-wielding female." --Faren Miller LOCUS At the publisher's request, this title is sold without DRM (Digital Rights Management)

Pretender Dec 05 2020 The eighth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences...

Exhausted from a two-year rescue mission in space, the crew of the starship Phoenix return home to find disaster: civil war has broken out, the powerful Western Association has been overthrown, and Tabini-ajji, its forceful leader, is missing. In a desperate move, paidhi Bren Cameron and Tabini's grandmother Ilisidi, the ajji-dowager, along with with Cajeri, Tabini's eight-year-old heir, make planetfall and succeed in reaching the mainland. The brilliant and forceful Ilisidi seeks refuge at the estate of an old ally, and Tabini-ajji arrives at the door. As word of Tabini's whereabouts circulates, clans allied with Tabini descend upon the estate, providing a huge civilian presence that everyone involved hopes will deter impending attacks by the usurpers. But as more and more supporting clans arrive, Bren finds himself increasingly isolated, and it becomes clear that both his extremely important report of alien contact in space, and even his life, rest on the shoulders of only two allies: Ilisidi and Cajeri. Can one elderly ateva and eight-year-old boy--himself a prime target for assassination--protect Bren, a lone human involved in a civil war that most atevi believe he caused? The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments.

Inheritor Sep 26 2022 The third novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences... Six months have passed since the reappearance of the starship Phoenix--the same ship which brought a colony of humans to the hostile environment of alien atevi nearly two hundred years ago. During these six months, the atevi have reconfigured their fledgling space program in a bid to take their place in the heavens alongside humans. But the return of the Phoenix has added a frighteningly powerful third party to an already volatile situation, polarizing both human and atevi political factions, and making the possibility of all-out planetary war an even more likely threat. On the atevi mainland, human ambassador Bren Cameron, in a desperate attempt to maintain the peace, has arranged for one human representative from the Phoenix to take up residence with him in his apartments, and for another to be stationed on humanity's island enclave. Bren himself is unable to return home for fear of being arrested or assassinated by the powerful arch conservative element who wish to bar the atevi from space. Responsible for a terrified, overwhelmed young man, and desperately trying to keep abreast of the atevi associations, how can Bren possibly find a way to save two species from a three-sided conflict that no one can win? The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments. Inheritor is the 3rd Foreigner novel. IT is also the final book in the first subtrilogy.
