Building Strong Brands Oct 07 2020 As industries turn increasingly hostile, it is clear that strong brand-building skills are needed to survive and prosper. In David Aaker's pathbreaking book, MANAGING BRAND EQUITY, managers discovered the value of a brand as a strategic asset and a company's primary source of competitive advantage. Now, in this compelling new work, Aaker uses real brand-building cases from Saturn, General Electric, Kodak, Healthy Choice, McDonald's, and others to demonstrate how strong brands have been created and managed. A common pitfall of brand strategists is to focus on brand attributes. Aaker shows how to break out of the box by considering emotional and self-expressive benefits and by introducing the brand-as-person, brand-as-organisation, and brand-as-symbol perspectives. A second pitfall is to ignore the fact that individual brands are part of a larger system consisting of many intertwined and overlapping brands and subbrands. Aaker shows how to manage the "brand system" to achieve clarity and synergy, to adapt to a changing environment, and to leverage brand assets into new markets and products. As executives in a wide range of industries seek to prevent their products and services from becoming commodities, they are recommitting themselves to brands as a foundation of business strategy. This new work will be essential reading for the battle-ready.

Caravan Apr 12 2021 Join a journey of millennia in this remarkable collection of short stories from popular author Etki Gittel Schwartz. From the splitting of the Red Sea to the hedgerows of Normandy, from ancient Jerusalem to the Catskills: here are the voices of children and adults, paratroopers, pilgrims, Levites, tollbooth operators and rabbi detectives, united all in triumphant, passionate celebration of the Jewish spirit. An impossible choice is offered in a tiny jail before dawn—and death. An injured U.S. Marine finds himself a stranger in his own life, a child robbed of name or identity inherits a family of millions, and joyous multitudes throng the roads to ancient Jerusalem; two mothers exchange babies and change history, Eisenhower ' s Cow visits a board meeting, the CIA ' s top balabuste comes out of retirement, and the Rotberg family unwittingly wreaks matchmaking havoc. From the oilfields of Galveston and the battlefields of Chickamauga, the bonfires of Meron and the frigid haystacks of the Hungarian border emerge adventures both true and fictional to entertain, ignite and inspire. Join the Caravan of Jewish experience. Sojourn through travail, through hope and discovery, and emerge exultant. Drink deeply from the oasis of the soul and taste history, heritage and destiny, today and tomorrow and a thousand generations glittering across the sky.
