[Aim High 3 Student Pack](#) Aug 18 2021 Use the workbook and CD-ROM in Aim High to practice the work you cover in each unit. You can set and check homework easily using the digital iTools for each level too. It has both the Student's Book and the Workbook on-screen, so students will be clear about exactly what you want them to do. To help your students get ahead in English encourage them to use the Student CD-ROM for self-study. With over 180 varied activities, they'll gain practice in ways which are interesting and motivating.

[What Ever Happened to Baby Jane?](#) Oct 08 2020 The literary classic that inspired the iconic film - the story of two sisters and the hell they made their home. Once an acclaimed child star of vaudeville, Baby Jane Hudson performed for adoring crowds before a move to Hollywood thrust her sister, Blanche, into the spotlight. As Blanche's film career took off, a resentful Jane watched from the shadows as her own career faded into obscurity - until a tragic accident changed everything. Now, years later, the two sisters live in a decaying mansion, isolated from the outside world. Crippled by the accident, Blanche is helpless under the control of her abusive sister, who is slowly descending into madness. And when Baby Jane decides it's time to revive her childhood act, she won't let anything - or anyone - stand in her way. This edition features exclusive extra material: three previously unpublished short stories by Henry Farrell, including the inspiration for the movie Hush...Hush, Sweet Charlotte, and an introduction that reveals how the original novel came about as well as the behind-the-scenes drama of the iconic film starring Joan Crawford and Bette Davis, now recreated in the TV show Feud.

[What Ever Happened to Baby Jane?](#) Jan 29 2020 The chilling novel that inspired the iconic film The neighbors all whisper about the two sisters who live on the hill: It's Blanche Hudson who lives in that house, you know. The Blanche Hudson, who starred in big Hollywood films all those years ago. Such a shame her career ended so early, all because of that accident. They say it was her sister, Jane, who did it--that she crashed the car because she was drunk. They say that's why she looks after Blanche now, because of the guilt. That's what they say, at least. Nobody remembers that Jane was once a star herself. A fixture of early vaudeville, Baby Jane Hudson performed her song and dance routines for adoring crowds until a move to Hollywood thrust her sister into the spotlight. Even now, years later, Jane dreams of reviving her act. But as the lines begin to blur between fantasy and reality, past resentments become dangerous--and the sisters' long-kept secrets threaten to destroy them. Now with three short stories available for the first time in print, including What Ever Happened to Cousin Charlotte, the basis for the film Hush...Hush, Sweet Charlotte.

Insight: Advanced: Student's Book Mar 01 2020 insight will challenge, develop and inspire your students. It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in. It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits. It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.

[Harvest for Hope](#) Jul 05 2020 From world-renowned scientist Jane Goodall, as seen in the new National Geographic documentary Jane, comes a provocative look into the ways we can positively impact the world by changing our eating habits. "One of those rare, truly great books that can change the world." -John Robbins, author of The Food Revolution The renowned scientist who fundamentally changed the way we view primates and our relationship with the animal kingdom now turns her attention to an incredibly important and deeply personal issue-taking a stand for a more sustainable world. In this provocative and encouraging book, Jane Goodall sounds a clarion call to Western society, urging us to take a hard look at the food we produce and consume--and showing us how easy it is to create positive change. Offering her hopeful, but stirring vision, Goodall argues convincingly that each individual can make a difference. She offers simple strategies each of us can employ to foster a sustainable society.

Brilliant, empowering, and irrepressibly optimistic, Harvest for Hope is one of the most crucial works of our age. If we follow Goodall's sound advice, we just might save ourselves before it's too late.

[The Death and Life of Great American Cities](#) Oct 27 2019 In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written. Throughout the post-war period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to live in. 'Perhaps the most influential single work in the history of town planning... Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' New York Times Book Review

[Principles of Clinical Laboratory Management](#) Mar 25 2022 This concise summary of the most common clinical laboratory management topics emphasizes the need for the entry-level laboratory practitioner to be aware of the financial, personnel, operational, and marketing issues affecting the laboratory in order to successfully perform and compete in the rapidly changing health care environment. Using examples, case studies, and commentaries, this book covers all topics relevant to laboratory management, including professionalism, ethics, employment interviews and selection, diversity, stress management, team building, communication and interpersonal relationships, public relations, scheduling, quality control, information systems, and legal considerations. Medical technologists and clinical laboratory scientists with less than 3 years' experience would benefit from this discussion of basic management topics.

[Seeds of Hope](#) Dec 30 2019 From world-renowned scientist Jane Goodall, as seen in the new National Geographic documentary Jane, comes a fascinating examination of the critical role that trees and plants play in our world. From world-renowned scientist Jane Goodall, as seen in the new National Geographic documentary Jane, comes a fascinating examination of the critical role that trees and plants play in our world. Seeds of Hope takes us from Goodall's home in England to her home-away-from-home in Africa, deep inside the Gombe forest, where she and the chimpanzees are enchanted by the fig and plum trees they encounter. She introduces us to botanists around the world, as well as places where hope for plants can be found, such as The Millennium Seed Bank. She shows us the secret world of plants with all their mysteries and potential for healing our bodies as well as Planet Earth. Looking at the world as an adventurer, scientist, and devotee of sustainable foods and gardening--and setting forth simple goals we can all take to protect the plants around us--Goodall delivers an enlightening story of the wonders we can find in our own backyards.

[Oxford Connect: Level 1: Students Book](#) Apr 01 2020 - What is the value of time? - How do groups work together? - Why do we tell stories? [Aim High, Level 4](#) Jun 15 2021 Aim High will help your students succeed as language learners in the classroom, with their homework and also in exams. How will it do this? It builds students vocabulary knowledge through a structured and progressive approach. What does this mean? There are over 50 active vocabulary items in each unit, including words from the Oxford 3000TM. Students learn the meaning of new words but they also learn how and when to use them for themselves. And these are not just useful, everyday words. They're also introduced to expressions, idioms, phrasal verbs, and so on. Essential language for communicating well in English. As a teacher you'll want to help your students become autonomous learners. In Aim High there are lots of opportunities to prepare for this. In the Student's Book there's a 'Dictionary Corner', with exercises to help them towards learner autonomy. There's also a Literacy Corner to extend their vocabulary, focusing on selected readers of the right level. With the self-check and review boxes they can see how they're progressing for themselves. A Grammar Reference and Grammar Builder bring together all the grammar and vocabulary for the unit. These allow students to look back over grammar points and review what they have learned.

[Jane Hudson the American Girl, Or Exert Yourself \(Classic Reprint\)](#) Dec 10 2020 Excerpt from Jane Hudson the American Girl, or Exert Yourself This lively and useful narrative was written for the young people of the United States of America. It contains several references to customs and manners which differ from those of England; but these appear suited to enforce the important lesson of the book - the duty of exerting ourselves in fulfilling the duties of life. This work also shows that godliness is profitable unto all things, having promise of the life. That now is.
