Healing the Shame that Binds You Aug 14 2021 This classic book, written 17 years ago but still selling more than 13,000 copies every year, has been completely updated and expanded by the author. "I used to drink," writes John Bradshaw, "to solve the problems caused by drinking. The more I drank to relieve my shame-based loneliness and hurt, the more I felt ashamed." Shame is the motivator behind our toxic behaviors: the compulsion, co-dependency, addiction and drive to superachieve that breaks down the family and destroys personal lives. This book has helped millions identify their personal shame, understand the underlying reasons for it, address these root causes and release themselves from the shame that binds them to their past failures.

Homecoming Jun 24 2022 In the thrilling, pulse-pounding conclusion to Kass Morgan's New York Times bestselling The 100 series, the Hundred face their greatest challenge yet. Because... Humanity is coming home. Weeks after landing on Earth, the Hundred have managed to create a sense of order amidst their wild, chaotic surroundings. But their delicate balance comes crashing down with the arrival of new dropships from space. These new arrivals are the lucky ones - back on the Colony, the oxygen is almost gone - but after making it safely to Earth, GLASS's luck seems to be running out. CLARKE leads a rescue party to the crash site, ready to treat the wounded, but she can't stop thinking about her parents who may still be alive. Meanwhile, WELLS struggles to maintain his authority despite the presence of the Vice Chancellor and his armed guards, and BELLAMY must decide whether to face or flee the crimes he thought he'd left behind. It's time for the Hundred to come together and fight for the freedom they've found on Earth, or risk losing everything - and everyone - they love.

That Certain Saturday: My Journey as a Caregiver Kindle Edition Feb 20 2022 That Certain Saturday tells the true story of Madelyn S Leigh's struggle with her mother's illness from Madelyn's age of nine until she was sixty. Her father always being their rock. Beginning in 1960 with a pill which was proclaimed by doctors to be a miracle, Madelyn had to watch that medication prolong the pain and stigma of her loving and kind mother's problem rather than fix things. Her mother seemed to have the perfect life by being a contented housewife and very involved with her women's church group in the years prior to 1960. Her daughter Madelyn's childhood had been celebrated with the beauty of daily horseback rides which her mother enjoyed watching. The events of the morning that her mom's nerves came unraveled were something that no child should have to endure. Madelyn did endure it, but her life would never be the same. Psychiatric ward visits and hearing her mother be "labeled" made for a quick jump from childhood to adulthood at age nine. Two years later equaled two more nervous breakdowns and three out-of-state moves due to her dad being transferred because of his job. Her mother had the determination to keep trying to start over by driving again and getting involved with life. A first marriage for Madelyn and a wonderful baby boy, three years later, still did not help to normalize her situation. Her father had been the only stabilizing factor for her since young childhood. His diagnosis of cancer in the late 1980s was a huge awakening Life was a complete confusion for Madelyn while she was always wishing she was simply riding a horse, her favorite pastime. Modern medicines were prescribed for her mom after her last hospital stay and made a great difference. In the 1990s, Madelyn inherited all of the responsibilities of her mom. With her mom's mental condition greatly improving, her mom's physical condition began to deteriorate rapidly. The number of doctors for her care grew to nine. Exhaustion and insomnia took over Madelyn's life, but she kept going due to her love for her mother and the kindness of her mom under terrible circumstances. The coming years contained many changes, but she and her mom always remain together. The wait for Jesus had many challenges. It was a roller-coaster life, growing up in a dysfunctional family which never included alcohol, drug abuse, or physical or mental abuse. It was simply one person's personal struggle with a chronic illness which affected the whole family. The love of family and the love of animals defeated everything that was bad.

Visions of the Lamb of God Dec 06 2020 This commentary on Revelation is for those who are looking for an easy-to-read, biblically central, and Christologically focused commentary on one of the most intriguing books of the Bible. It is a shame that pastors and followers of Jesus avoid the book of Revelation because of the confusing theories they heard about in the past, or just too many movies! This commentary attempts to get away from the needless debate (though different views are presented) and focus the reader's attention on the primary focus of the book, the Lamb of God. The Lamb holds history in his hand by virtue of his eternal authority and his invested authority because of the blood that he spilled and his testimony. Therein lies his victory, and therein lies the victory for those who follow him.

[The Homecoming of Bubbles O'Leary](#) Nov 17 2021 A luxury stay in an Irish castle, a handsome, experienced tour guide, and a secret that has never been revealed. Life as manager of the magnificent resort of Castle Dysert on Ireland's wild Atlantic coast is never dull, and Conor O'Shea's life to date has taught him to be prepared for the unexpected. Even he however, is not ready for the gang from Bubbles O'Leary's bar in New York. A motley crew, from spinster sisters of a certain age, to exhausted social workers, they are all in Ireland for one reason. The fact that this bunch of unusual people arrive during Ireland's biggest matchmaking festival just adds to the intrigue. But is everyone who they say they are? Are all their motives pure? Conor is ready to do his best to show the visitors his beloved Ireland, but his personal life takes a devastating turn and he finds himself

torn, unsure how to proceed. Is the past best left there, or is there redemption to be found in opening old wounds?

Conversations with Silence Aug 02 2020 Silence—scary, inviting, or both? What do you do with silence? And what if silence was a language we could learn to read, hear, and even speak? This book invites you to tune the eyes and ears of your heart to the cadences of silence. Enter into conversations with silence as you are taken on an odyssey. Venture into the Australian bush. Trek deep into the red desert. Encounter shadows and desert dwellers. You will also delve into the tiny houses of everyday silences and receive their gifts of hospitality. And stumbling into that other territory, where silence becomes a death threat, or survival, an orchard can show you the fruit of life beginning again. Conversations with Silence takes you to the Rosetta Stone of an ancient, forgotten language, a language some have called God, or the soul. Immerse yourself in the silent realm of mystics, musicians, poets, and pilgrims of every path. These are our companions, as we explore the nuanced vocabulary of the worlds of silences and join in the conversation with a new voice.

Summer on the River Feb 26 2020 Evie loved the house. The bright, sunny rooms looking across the river. The terraced gardens with fruit trees growing against the high stone walls. The scent of lavender at the end of a hot day. It was a family house. As summer beckons, Evie's family gathers once more at the beautiful old riverside house they all adore. But when Evie discovers a secret that threatens their future, a shadow falls over them all: this summer by the river could be their last together . . . For Charlie, a visit home to see stepmother Evie is an escape from his unhappy marriage in London. Until a chance encounter changes everything: in the space of a moment, he meets a woman by the river, falls in love, and his two worlds collide. As Evie and Charlie struggle to keep their secrets safe, they long for the summer to never end . . . Can the happiness of one summer last for ever? Marcia Willett writes heartwarming and captivating novels set in the West Country - perfect for fans of Erica James, Santa Montefiore and Victoria Hislop "

Reading Books and Prints as Cultural Objects Jun 12 2021 This book contributes significantly to book, image and media studies from an interdisciplinary, comparative point of view. Its broad perspective spans medieval manuscripts to e-readers. Inventive methodology offers numerous insights into visual, manuscript and print culture: material objects relate to meaning and reading processes; images and texts are examined in varied associations; the symbolic, representational and cultural agency of books and prints is brought forward. An introduction substantiates methods and approaches, ten chapters follow along media lines: from manuscripts to prints, printed books, and e-readers. Eleven contributors from six countries challenge the idea of a unified field, revealing the role of books and prints in transformation and circulation between varying cultural trends, 'high' and 'low'. Mostly Europe-based, the collection offers book and print professionals, academics and graduates, models for future research, imaginatively combining material culture with archival data, cultural and reading theories with historical patterns.

The Carpenter's Son Mar 29 2020 What is humanity's ultimate destiny? Could there be life beyond the grave? What is genuine spirituality? These questions and many more are answered by a carpenter's son, Jesus, born in ancient Judaea two thousand years ago. He healed thousands, yet never received medical training. He taught in streets, homes, and temples, yet never achieved scholarly status. He demanded perfection, yet chose the imperfect to follow him. He spoke of the arrival of an eternal kingdom, yet he never ran for political office or led a nation. He spoke of peace and love, yet led the greatest counter-revolutionary effort in human history. Despised by his critics and revered by society's lowest members, Jesus still speaks to our deficiencies as well as our weaknesses, and assures a redemption we could never achieve on our own. Out of an original rebellion, we all face a self-imposed defeat by pointlessly attempting to establish our own kingdoms despite confronting the same abysmal fate. Yet, God has achieved the greatest comeback in history by conquering death, and in doing so, has prepared for us a victory we could not possibly imagine, for to lose all is to gain all.

My Dear Far-Nearness Jun 19 2019

The Wanderer's Diary Book 6 Jul 01 2020 This is the final book in the Wanderer's Diary Series. This is the book where I come off the streets and start to try to build a life indoors, but with little hope as the Church's harm to me increases steadily. It isn't all a happy ending unfortunately but at least I made it off the streets.

Holy Dark Places Oct 04 2020 The Christian believer routinely experiences periods in their life referred to as a dark night of the soul. In such times a person feels as if God has left him or her alone and God has distanced himself from the individual in this period of liminality. It is considered to be a time of trial and testing which only afterwards is viewed as a period of growth and maturing in Christ. In this book, Daniel McGregor explores the Biblical foundation for this concept, as well as providing a historical survey of Christian theologians and authors who examine these themes and experiences. This volume will provide an ideal introduction to the subject for the serious layperson or a suitable reading for an introductory class in religious studies.

The Reinvention of Populist Rhetoric in The Digital Age Dec 18 2021 This highly original work considers the rhetoric of political actors and commentators who identify digital media as the means to a new era of politics and democracy. Placing this rhetoric in a historical and intellectual context, it provides a compelling explanation of the reinvention and thematic recurrence of democratic discourse. The author investigates the populist sources of rhetoric used by digital politics enthusiasts as outsiders inaugurating new eras of democracy with digital media, such as Barack Obama and Julian Assange, and explores the generations of rhetorical and political history behind them. The book places their rhetoric in the context of the permanent tensions between insiders and outsiders, between the political class and the populace, which are inherent to representative democracy. Through a theoretical and conceptual research that is historically grounded and comparative, it offers rhetorical analysis of candidates for the 2016 presidential election and discusses digital democracy, particularly discussing their origins in American populism and their influence on other countries through Americanization. Uniquely, it offers a sceptical assessment of epochal claims and a historical-rhetorical account of two of the defining figures of twentieth-century politics to date, and reveals how modern rhetoric is grounded in an older form of anti-politics and mobilises tropes that are as old as representative democracy itself.

Befriend Feb 08 2021 2017 ECPA Christian Book Award Finalist (Faith and Culture category) Is real friendship too risky? We live in a world where real friendship is hard to find. Suspicious of others and insecure about ourselves, we retreat into the safety of our small, self-made worlds. Now more than ever, it's easy to avoid people with whom we disagree or whose life experiences don't mirror our own. Safe among like-minded peers and digital "friends," we really don't have to engage with those who can challenge and enhance our limited perspectives. Tragically, even the church can become a place that minimizes diversity and reinforces isolation. Jesus models a much richer vision of friendship. Scott Sauls, pastor and teacher, invites you to see the breadth of Christ's love in this book, BeFriend. Join Scott on this journey through twenty-one meditations to inspire actively pursuing God's love through expanding your circle of friends. Scott has met too many people whose first impulse is to

fence off their lives with relational barriers that only end up starving their own souls. Yes, it's true: Real friendship is costly. Love does make us vulnerable. But without risk, our lives will remain impoverished. Join Scott in BeFriend as he summons you toward diverse friendship that can enrich your life and, in the process, reveal a better version of yourself.

Joining God in the Great Unraveling Dec 26 2019 The awareness that the churches shaped out of the European Reformations are in an advanced process of unraveling is becoming increasingly sensed by many. This book proposes a way of addressing this unraveling based on the experiences and knowledge of people who have always had to struggle with the unraveling of their own communities and worlds. It takes us outside the circular conversations of the Euro-tribal churches into dialogue with people who have been marginalized to see how they have learned to reenter their formative stories to discover ways of remaking themselves in the unraveling. The book then turns these discoveries into ways the churches can engage their own massive unraveling.

Noah Sep 15 2021 Noah is a heartbreaking saga about Tiffany Mitchell's often difficult journey to find love. From the start, Tiffany Mitchell's road to love took her through dramatic twists and turns that left her thinking that love would be forever out of her reach. In fact, for many years love seemed elusive, like a never-ending pathway to certain disappointment until Tiffany meets a handsome bartender named Noah Crawford and, she falls in love at once. The special event gave Tiffany an immediate attraction to the undisputed possibilities of love, in a moment that would change her whole life. This love raised the bar for others; only, it couldn't have happened at the worst time, for on the eve that Tiffany meets the "Love of her Life" Noah; it is one day before her wedding day to Piper. Will Tiffany have to walk away from the only man she loves? Or, will she lose it all in one night? Carol Denise Mitchell is one of the few authors who work harder than anyone to pull at those heart strings. In the end, readers will be rooting for love. However, will Tiffany ever end up with Noah? Or, will she lose him forevermore?

The Routledge Companion to Anglophone Caribbean Literature Apr 29 2020 The Routledge Companion to Anglophone Caribbean Literature offers a comprehensive, critically engaging overview of this increasingly significant body of work. The volume is divided into six sections that consider: the foremost figures of the Anglophone Caribbean literary tradition and a history of literary critical debate textual turning points, identifying key moments in both literary and critical history and bringing lesser known works into context fresh perspectives on enduring and contentious critical issues including the canon, nation, race, gender, popular culture and migration new directions for literary criticism and theory, such as eco-criticism, psychoanalysis and queer studies the material dissemination of Anglophone Caribbean literature and generic interfaces with film and visual art This volume is an essential text that brings together sixty-nine entries from scholars across three generations of Caribbean literary studies, ranging from foundational critical voices to emergent scholars in the field. The volume's reach of subject and clarity of writing provide an excellent resource and springboard to further research for those working in literature and cultural studies, postcolonial and diaspora studies as well as Caribbean studies, history and geography.

Family Secrets Sep 22 2019 What you don't know can hurt you—but it can also lead to self-acceptance and healing. Family Secrets gives you the tools you need to understand your family—and yourself—in an entirely new way. In his bestselling books and compelling PBS specials, John Bradshaw has transformed our understanding of how we are shaped by our families. Now join him on this fascinating journey of discovery, which starts with your life today and takes you back through the conflicts, the strengths, and the weaknesses of your parents' generation—and even your grandparents'. Using a powerful technique for exploring your "family tree," you'll trace the visible and invisible patterns that have influenced you. You'll learn about family secrets that are healthy and necessary, and also about the secrets that can limit your wholeness and freedom—even if you don't know they exist. This work is sometimes painful, but it is always enlightening—filled with the kind of "aha" moments and realizations that make everything fall into place. With John Bradshaw's guidance, you will come to a new appreciation and acceptance of yourself. You will also be able to build more open, honest, and loving relationships with the people who matter most.

Homecoming In Mossy Creek Apr 22 2022 The eighth novel in the acclaimed Mossy Creek Hometown Series continues the warm, witty, and wise doings in a small Southern village you'll want to call home. It's been over twenty years since Mossy Creek experienced Homecoming, and they're determined to do it right! And you know Creekites...if there's something interesting going on, they won't rest until they know about it. So when a letter shows up at the Police Station with a warning about ugly secrets hidden in the time capsule buried twenty years ago, the whole town is abuzz with the possibilities. Amos, Ida, & Win put Peggy Caldwell and Louise Sawyer on its trail, hoping the sleuth-loving ladies can find it before the week ends at the Homecoming Dance. Meanwhile, Amos & Ida tangle in a deserted Haunted House. Ardaleen & Inez scrimmage at the Bake Sale. Pearl & Spiva spar as they volunteer at the Booster Club Canteen. All of your favorite characters are back as Mossy Creek celebrates Homecoming with festivities that make Southerners cheer. Football. Homecoming Queens. Parades. Plays. It's all happening during Homecoming in Mossy Creek! Including stories from: Carolyn McSparren, Sandra Chastain, Martha Crockett, Debra Dixon, Nancy Knight, Brenna Crowder, Darcy Crowder, Susan Goggins, Maureen Hardeegree, and Berta Platas.

Love or Work Nov 05 2020 Is it possible to work with purpose, stay in love, and raise a healthy family--all at the same time? Popular podcast hosts and founders of Plywood People Jeff and André Shinabarger share proven research, insightful practices, and stories from 100 working couples to cast new vision for the modern family. We know the harm that comes from prioritizing work or family at the cost of the other, so what is the secret to living a fully engaged and balanced life in both work and family? Hosts of the Love or Work podcast, Jeff and André Shinabarger posed this question to 100 working couples--from professional athletes and artists, entrepreneurs and CEOs, to fashion icons and church leaders. They partnered with the Barna Group for a yearlong nationwide research project to find the answer and now, along with their own unique story of juggling demanding careers and a growing family, Jeff and André offer their findings: a new vision for the modern family and a path forward for the socially-conscious working partnership. In this one-of-a-kind book, they address head-on the complex tensions in career fulfillment, working parent guilt, timing, and marital and spiritual health. With proven research, personal experience, and applicable insights, Jeff and André reveal the practices that will help you cultivate your own, individual, purpose-fueled family. More than a formula, Jeff and André found that work-life balance is about embracing where you're at in the journey, pursuing your passion with your family, and living the adventure of it all together.

A Companion to Public History Nov 24 2019 An authoritative overview of the developing field of public history reflecting theory and practice around the globe This unique reference guides readers through this relatively new field of historical inquiry, exploring the varieties and forms of public history, its relationship with popular history, and the ways in which the field has evolved internationally over the past thirty years. Comprised of thirty-four essays written by a group of leading international

scholars and public history practitioners, the work not only introduces readers to the latest scholarly academic research, but also to the practice and pedagogy of public history. It pays equal attention to the emergence of public history as a distinct field of historical inquiry in North America, the importance of popular history and 'history from below' in Europe and European colonial-settler states, and forms of historical consciousness in non-Western countries and peoples. It also provides a timely guide to the state of the discipline, and offers an innovative and unprecedented engagement with methodological and theoretical problems associated with public history. Generously illustrated throughout, *The Companion to Public History*'s chapters are written from a variety of perspectives by contributors from all continents and from a wide variety of backgrounds, disciplines, and experiences. It is an excellent source for getting readers to think about history in the public realm, and how present day concerns shape the ways in which we engage with and represent the past. Cutting-edge companion volume for a developing area of study Comprises 36 essays by leading authorities on all aspects of public history around the world Reflects different national/regional interpretations of public history Offers some essays in teachable forms: an interview, a roundtable discussion, a document analysis, a photo essay. Covers a full range of public history practice, including museums, archives, memorial sites as well as historical fiction, theatre, re-enactment societies and digital gaming Discusses the continuing challenges presented by history within our broad, collective memory, including museum controversies, repatriation issues, 'textbook' wars, and commissions for Truth and Reconciliation *The Companion* is intended for senior undergraduate students and graduate students in the rapidly growing field of public history and will appeal to those teaching public history or who wish to introduce a public history dimension to their courses.

The Bethlehem Story Oct 16 2021 Jesus was born in Bethlehem, but why Bethlehem? Why should God purpose to become man somewhere so marginal, so insignificant? This book follows the unfolding story of Bethlehem through the Bible, from the death of Rachel to the birth of Jesus, uniquely combining four perspectives: a) the Bible as one developing story, b) the Bible as a Middle Eastern book, c) insights from contemporary Palestinians from Bethlehem, and d) what this means for mission. Suffering Rachel, refugee Rahab, vulnerable Ruth, overlooked David all have a connection with Bethlehem. If Bethlehem shelters refugees, then so must we. If Bethlehem welcomes strangers, so must we. If Bethlehem weeps at injustice, and takes a stand against empire, so must we. What we see in Bethlehem's story, we apply to our own stories. We enter into Bethlehem's story with as much cultural and geographical colour and flavour as we can muster in order to feel the crises, taste the dust, hear the lambs bleating on the hillside. And there we find the Christ-child, son of David, the Good Shepherd, Lion of Judah, Bread of Life, Lamb of God, fulfilling all the recurring themes, taking his inevitable place as rightful king.

Shakespeare's Returning Warriors – and Ours Apr 10 2021 *Shakespeare's Returning Warriors – and Ours* takes its primary inspiration from the contemporary U.S. Post-Traumatic Stress Disorder (PTSD) crisis in soldiers transitioning from battlefields back into society. It begins by examining how ancient societies sought to ease the return of soldiers in order to minimize PTSD, though the term did not become widely used until the early 1980s. It then considers a dozen or so Shakespearean plays that depict such transitions at the start, focusing on the tragic protagonists and antagonists in paradigmatic "returning warrior" plays, including *Titus Andronicus*, *Julius Caesar*, *Othello*, *Macbeth*, *Antony and Cleopatra*, and *Coriolanus*, and exploring the psychological and emotional ill-fits that prevent warriors from returning to the status quo ante after battlefield triumphs, or even surviving the psychic demons and moral disequilibrium they unleash on their domestic settings and themselves. It also analyzes the history plays, several comedies, and *Hamlet* as plays that partly conform to and also significantly deviate from the basic paradigm. The final chapter discusses recent attempts to effect successful transitions, often using Shakespeare's plays as therapy, and depictions of attempts to wage warfare without inducing PTSD. Through the investigation of the tragedies and model returning warrior experiences, *Shakespeare's Returning Warriors – and Ours* highlights a central and understudied feature of Shakespeare's plays and what they can teach us about PTSD today when it is a widespread phenomenon in American society.

Soldiers of a Different God Oct 24 2019 The untold story of how an unlikely anti-Islamic alliance of gay activists, feminists, fascists, evangelical Christians, populist politicians, and surfing rabbis from California fuelled the rise of the hard right across Europe and gave us President Donald J Trump.

The Quilter's Homecoming Jul 13 2021 A Roaring Twenties tale of boom and bust unfolds as young bride Elizabeth Bergstrom Nelson sets off with her husband, Henry, from her family home of Elm Creek Manor in Pennsylvania to start a new life in the unfamiliar terrain of southern California. Expecting to assume ownership of Triumph Ranch, the couple instead learns that their deed is a fake, and that they must work for the rightful proprietors to earn their keep. Resourceful Elizabeth trades her trousseau—including the fine quilts stitched by her Bergstrom relatives—for the practical goods the Nelsons need to survive, and finds friendship with California native Rosa Diaz Barclay. When Elizabeth discovers a mysterious cache of quilts made by a member of the Diaz family that reveals a misplaced legacy of love, land, and ancestral ties, it becomes clear that only by stitching the rift between the past and the future can the inhabitants of Triumph Ranch hope to live in peace alongside history.

Tribe Jan 19 2022 We have a strong instinct to belong to small groups defined by clear purpose and understanding—"tribes." This tribal connection has been largely lost in modern society, but regaining it may be the key to our psychological survival. Decades before the American Revolution, Benjamin Franklin lamented that English settlers were constantly fleeing over to the Indians-but Indians almost never did the same. Tribal society has been exerting an almost gravitational pull on Westerners for hundreds of years, and the reason lies deep in our evolutionary past as a communal species. The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, *TRIBE* explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that-for many veterans as well as civilians-war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations. *TRIBE* explains why we are stronger when we come together, and how that can be achieved even in today's divided world.

Homecoming Sep 27 2022 Up on the North Yorkshire moors, the Hartle family is about to have a life-changing year. Ann and Joe, with more than thirty years of marriage and two sons between them, are torn between giving up and pressing on with their struggling farm. Max, their older son, is set to inherit the farm and his wife Primrose has news to share, but is he ready for these new responsibilities? Their younger son, Bartholomew, escaped to the south as soon as he could, building a new life for himself with his girlfriend Ruby. But when tragedy strikes he is forced to return home - and must come to terms with his past, in

order to create a future. Filled with both the joys and losses of ordinary life, Homecoming is a big-hearted drama about how a family falls apart and comes back together again from a hugely talented new writer.

Harold Pinter May 31 2020 Harold Pinter has acted on stage, screen and radio, he has appeared on countless political platforms, and his work has been celebrated in festivals at Dublin's Gate Theatre and New York's Lincoln Center. In 2005, he was awarded the Nobel Prize for Literature and in 2006, the European Theatre Prize.

The Homecoming Oct 28 2022 'An exultant night - a man in total command of his talent.' Observer 'The most intense expression of compressed violence to be found anywhere in Pinter's plays.' The Times When Teddy, a professor in an American university, brings his wife Ruth to visit his old home in London, he finds his family still living in the house. In the conflict that follows, it is Ruth who becomes the focus of the family's struggle for supremacy.

Trajectories Sep 03 2020 Trajectories meets an urgent need in both undergraduate and graduate study of the Old Testament. Too often Old Testament theology focuses on the end-product and leaves the process obscured. Each chapter of Trajectories provides a clear path connecting biblical research to theological conclusions. The final chapter offers a step-by-step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message. Trajectories also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology. The implications of globalization and the rise of millennials on Old Testament theology are critical and thought-provoking topics for discussion. Chapters in Trajectories are organized thematically, so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament. In addition, the exploration of topics allows each study to link to the New Testament. Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection.

Care for the Sorrowing Soul Mar 21 2022 Moral Injury is now recognized as a growing major problem for military men and women. Operant conditioning can overwhelm moral convictions and yet the question of whether "to shoot or not to shoot" often will never have a settled answer. Certain theories and treatment models about MI have been well developed, but too often overlook root issues of religious faith. The authors propose a new model for understanding moral injury and suggest ways to mitigate its virtually inevitable occurrence in pre-combat training, and ways to resolve MI post-trauma with proven spiritual resources. People outside the military, too, among whom the incidence of MI also is a growing threat, will benefit from this analysis. The stories of the injured—their shaping and their telling—are the key, and there are many illuminating stories of moral injury and recovery. Those who suffer MI, their families, and caregivers, including counselors, pastors, and faith communities, will find hope-giving first steps toward the healing of MI in this book.

Vasily Grossman Jan 07 2021 Vasily Grossman (1905–1964) was a successful Soviet author and journalist, but he is more often recognized in the West as Russian literature's leading dissident. How do we account for this paradox? In the first collection of essays to explore the Russian author's life and works in English, leading experts present recent multidisciplinary research on Grossman's experiences, his place in the history of Russian literature, key themes in his writing, and the wider implications of his life and work in the realms of philosophy and politics. Born into a Jewish family in Berdychiv, Grossman was initially a supporter of the ideals of the Russian Revolution and the new Soviet state. During the Second World War, he worked as a correspondent for the Red Army newspaper and was the first journalist to write about the Nazi extermination camps. As a witness to the daily violence of the Soviet regime, Grossman became more and more aware of the nature and forms of totalitarian coercion, which gradually alienated him from the Soviet regime and earned him a reputation for dissidence. A survey of the remarkable accomplishments and legacy left by this controversial and contradictory figure, Vasily Grossman reveals a writer's power to express freedom even under totalitarianism.

Herpel Holler Homecoming May 11 2021 After a career of many years in the east, Norma Jean Clark returns to take over the old home place in Herpel, Arkansas expecting to find peace and quiet. Second day home she is met with a land dispute that leads into a personal mystery. What really happened to her mom? Did her dad hold secrets to his dying day? She heads down a pathway to find the truth. In the first of many Norma Jean mysteries to come, Herpel Hollow Homecoming begins with Norma Jean Clark returning to the old farm. The homestead and land belonged to the Clark family for generations, most recently willed to Norma when her father died. Jason Brahm with whom Norma had grown up with from a toddler, had taken over the farm duties when Dad Clark got too old to continue. Jason, a black man, had been left with the Clark's when his parents moved on. He'd always been treated as a member of the Clark family and Norma's Dad had become his dad. Gentry Newsom enters in the story as a determined land developer who will not take no for an answer. Through Gentry, Norma finds a long lost cousin, Shelly McComb who is claiming part of the Clark land. Pauly Parks, a neighbor also abandoned and taken in by Danny Clark, is a man with a child's mind, but as the mystery unfolds, Norma realizes, though mentally challenged, Pauly is intelligent and knows more about the past than she was aware. With the country ways of Aunt Ida and Norma's inquisitive mind, a story unfolds revealing secrets that lead her on a journey to find the truth about the past she thought she knew all too well. Set in the Arkansas Ozarks, the mystery is told from the Christian perspective of country folks, both good and bad traits, and works through questions and answers to a satisfying conclusion.

Homecoming Aug 26 2022 In Homecoming John Bradshaw one of the world's leading figures in the field of psychology and recovery, explains his revolutionary techniques to reveal the inner child. He believes that the wounds we receive during childhood and adolescence can continue to contaminate our adult lives. His methods explained clearly in this book, help people to reach back to the child inside and heal those wounds. Homecoming includes unique questionnaires which allow readers to work through John Bradshaw's world-famous inner child course themselves. There are specifically designed exercises that allow you to reclaim and nurture your inner child, so that you as an adult can grow and move on. 'Three things are striking about inner child work' says John Bradshaw. 'The speed with which people change the depth of that change, and the power and creativity that can result when the wounds from the past are healed For more information on John Bradshaw please visit www.johnbradshaw.com

Transforming Plastic: From Pollution to Evolution Jul 21 2019 The scourge of plastic has poisoned our environment and damaged our health. In this timely book, Albert Bates takes a critical look at the magnitude of this ubiquitous problem, and explains that what is needed is mandatory economic and industrial changes so that recycled, bio-sourced, and biodegradable plastic become more cost-effective than plastic made from fossil fuels. He also explores current worldwide efforts for stronger regulations and better waste management, along with exciting new biological and man-made technologies for improved plastics disposal and viable alternatives. Packed with anecdotes and tips for living with less plastic, it is clearly defined that if we take

real action now there is the potential of hope.

The Return of Twin Peaks Jan 27 2020 In 2017, twenty-five years after its initial release, a new season of Twin Peaks shook the world of television. This new book is a detailed analysis of the third season of the television series and aims to elucidate some of the meanings of Twin Peaks: The Return and explain these in terms of philosophical, mythological and spiritual approaches. It focuses on the third season of Twin Peaks but also refers to the first two seasons, and to the film, Fire Walk with Me. Divided into three sections, the book first examines the third season as expanded storytelling through the lens of Gene Youngblood's theory of synesthetic cinema, intertextuality, integrationist, and segregationist approaches in the realm of fiction, and focuses on the role of audio and visual superimpositions in The Return. It goes on to question the nature of the reality depicted in the seasons via scientific approaches, such as electromagnetism, time theory, and multiverses. The third and final section aims to transcend this vision by exploring the role of theosophy, the occult, and other spiritual sources. The author's focus on the role of spirituality and science in Twin Peaks is what distinguishes this book from other works on the famous television series. The work of a scholar who is also a fan, the book should appeal to any hard-core Twin Peaks viewer. Foreword by Matt Zoller Seitz, editor-at-large at RogerEbert.com, and the television critic for New York magazine. This will be essential reading for fans of Twin Peaks and academics writing about it. Also of interest for students with an interest in philosophy, religion, science or spiritualism in visual and popular culture.

Homecoming Jul 25 2022 Are you outwardly successful but inwardly do you feel like a big kid? Do you aspire to be a loving parent but all too often "lose it" in hurtful ways? Do you crave intimacy but sometimes wonder if it's worth the struggle? Or are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful childhood—carrying within you a "wounded inner child" that is crying out for attention and healing. In this powerful book, John Bradshaw shows how we can learn to nurture that inner child, in essence offering ourselves the good parenting we needed and longed for. Through a step-by-step process of exploring the unfinished business of each developmental stage, we can break away from destructive family rules and roles and free ourselves to live responsibly in the present. Then, says Bradshaw, the healed inner child becomes a source of vitality, enabling us to find new joy and energy in living. Homecoming includes a wealth of unique case histories and interactive techniques, including questionnaires, letter-writing to the inner child, guided meditations, and affirmations. Pioneering when introduced, these classic therapies are now being validated by new discoveries in attachment research and neuroscience. No one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw.

Blackhouse Aug 22 2019

Recovery of Your Inner Child Mar 09 2021 Explains how to experience at first hand the portion of one's personality that feels emotions and is playful, and tells how to use this experience for personal healing

The Homecoming May 23 2022 When Seth Sileski, whose professional football career ended before it could start, returns to Thunder Point, he struggles to convince his childhood neighbor and best friend Iris McKinley to forgive him for breaking her heart.
