Gounod's Faust Feb 12 2021

Faust - Romeo Et Juliet Mar 28 2022 In 1850, the French mezzo-soprano Pauline Viardot wrote to her friend Turgenev: "Among that mass of talented composers who are witty in a vulgar sort of way, intelligible not because of their clarity but because of their triviality, the appearance of a musical personality such as Gounod's is so rare that one cannot welcome him heartily enough." Pendragon Press welcomes this addition to their Vox Musicae Series of Operatic Performance Guides by Mary Dibbern. The libretti and literary sources of Gounod's two masterpieces are studied in depth. The libretto section includes word-by-word translations into English and IPA transcriptions of both libretti in their final, opéra-comique versions. Dibbern explains how the literary source materials were converted into libretti, as well as the history of the various musical editions and versions. Numerous illustrations have been provided by a member of Gounod's family.

Commonwealth Caribbean Corporate Governance Aug 21 2021 Corporate governance initiatives have been developing at a rapid pace in the Commonwealth Caribbean through legislation, case law and codes. Commonwealth Caribbean Corporate Governance offers an overview of current practice and legal developments in corporate governance, highlighting the interpretation of the legislation through case law and the codes of corporate governance which have now been implemented. It also considers the challenges which emerging markets face in an attempt to adopt the corporate governance initiatives of developed markets. This text explores the emergence and development of corporate governance in the region from a range of angles, including the protection and empowerment of shareholders, the impact on government agencies, and the role and responsibilities of directors and officers in companies and in government agencies. Written by a panel of academics, legal practitioners and experts working in business, this book will be an invaluable resource for judges, lawyers, corporate executives and students of business, corporate law and corporate management.

Faust, Part One Mar 04 2020 The original tale of moral destruction, in a brand-new translation: Faust is a man torn between the urges of the living world and the significance of moral living. He feels nothing, he lives for nothing, and thus engages in a wager with Mephistopheles, the devil himself. Goethe's master work shares the deep complexity of a human life, rife with pain, mistakes and dynamic complexity. With Faust, the lushly lyrical and philosophically brilliant drama on which the poet spent almost his entire life, Goethe solidified himself as a major literary figure whose work would transcend time and space to create the modern world. Now, this brand-new, dynamic translation demands we ask of our world: who will win, humanity or Mephistopheles?

The Faust Legend Oct 23 2021 What do men and women desire? For what will they barter their immortal souls? These two questions have haunted Western society, and these persistent queries find their fullest embodiment in the Faust legend. This memorable story, told and retold in novels, prose fiction, and drama, has also profoundly influenced music, art, and cinema. Sara Munson Deats explores its impact, tracing the development of the Faust topos from the seminal works of Marlowe and Goethe to the large number of dramatic and cinematic adaptations which have fascinated audiences and readers throughout the centuries. Her study traces the durability of this legend and its pervasive influence on the literature of the Western world, in which it has adapted across time, languages, and nations to reflect the concerns of a given era or place. This is the first comparative analysis of the Faust legend in drama and film.

A Reference Guide for English Studies Nov 11 2020 This ambitious undertaking is designed to acquaint students, teachers, and researchers with reference sources in any branch of English studies, which Marcuse defines as "all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature." Within each of 24 major sections, Marcuse lists and annotates bibliographies, guides, reviews of research, encyclopedias, dictionaries, journals, and reference histories. The annotations and various indexes are models of clarity and usefulness, and cross references are liberally supplied where appropriate. Although cost-conscious librarians will probably consider the several other excellent literary bibliographies in print, such as James L. Harner's *Literary Research Guide* (Modern Language Assn. of America, 1989), larger academic libraries will want Marcuse's volume.-- Jack Bales, Mary Washington Coll. The Oxford Handbook of Faust in Music Feb 24 2022 Since its emergence in sixteenth-century Germany, the magician Faust's quest has become one of the most profound themes in Western history. Though variants are found across all media, few adaptations have met with greater acclaim than in music. Bringing together more than two dozen authors in a foundational volume, *The Oxford Handbook of Faust in Music* testifies to the spectacular impact the Faust theme has exerted over the centuries. The Handbook's three-part organization enables readers to follow the evolution of Faust in music across time

and stylistic periods. Part I explores symphonic, choral, chamber, and solo Faust works by composers from Beethoven to Schnittke. Part II discusses the range of Faustian operas, and Part III examines Faust's presence in ballet and musical theater. Illustrating the interdisciplinary relationships between music and literature and the fascinating tapestry of intertextual relationships among the works of Faustian music themselves, the volume suggests that rather than merely retelling the story of Faust, these musical compositions contribute significant insights on the tale and its unrivalled cultural impact.

The Palgrave Handbook of Steam Age Gothic Feb 01 2020 By the early 1830s the old school of Gothic literature was exhausted. Late Romanticism, emphasising as it did the uncertainties of personality and imagination, gave it a new lease of life. Gothic—the literature of disturbance and uncertainty—now produced works that reflected domestic fears, sexual crimes, drug filled hallucinations, the terrible secrets of middle class marriage, imperial horror at alien invasion, occult demonism and the insanity of psychopaths. It was from the 1830s onwards that the old gothic castle gave way to the country house drawing room, the dungeon was displaced by the sewers of the city and the villains of early novels became the familiar figures of Dr Jekyll and Mr Hyde, Dracula, Dorian Grey and Jack the Ripper. After the death of Prince Albert (1861), the Gothic became darker, more morbid, obsessed with demonic lovers, blood sucking ghouls, blood stained murderers and deranged doctors. Whilst the gothic architecture of the Houses of Parliament and the new Puginesque churches upheld a Victorian ideal of sobriety, Christianity and imperial destiny, Gothic literature filed these new spaces with a dread that spread like a plague to America, France, Germany and even Russia. From 1830 to 1914, the period covered by this volume, we saw the emergence of the greats of Gothic literature and the supernatural from Edgar Allan Poe to Emily Bronte, from Sheridan Le Fanu to Bram Stoker and Robert Louis Stevenson. Contributors also examine the fin-de-siècle dreamers of decadence such as Arthur Machen, M P Shiel and Vernon Lee and their obsession with the occult, folklore, spiritualism, revenants, ghostly apparitions and cosmic annihilation. This volume explores the period through the prism of architectural history, urban studies, feminism, 'hauntology' and much more. 'Horror', as Poe teaches us, 'is the soul of the plot'.

The Emerald Modem Sep 09 2020 Twenty years ago, in England, author Richard Leviton "discovered the planet." Following quite specific guidance, he began a long process that amounted to an apprenticeship. "My mentors dispatched me to various specific locations in the Somerset landscape, and at all hours of the night and day. I sat on hills and valleys and rocks under sunlight, moonlight, rain, snow, and fog, and had visions. I started to see another landscape behind the apparent landscape. It was an apparitional landscape with stars, planets, galaxies, angels, spirits of Nature, mythic deities, divinity." As time went on, he found himself talking with angels, visiting celestial cities, and following gnomes. He came to understand that at one level we are the planet, and that both we and it have an intimate relationship with our galaxy. "I found myself living inside the myths of the world as if they were expert scripts for real-life inner adventures. I never once thought I was crazy. Why should I? Quite the opposite. I believed I was finally getting grounded in something real. But it would take me twenty years to make sense of it. That sense is embodied in *The Emerald Modem*." *The Emerald Modem* includes: direct correspondences between human chakras and the Earth's energy features--and the galactic originalstables listing locations of sacred sites around the planet where you may experience this relationshipexplanations of world myths, which provide clues to this unsuspected visionary world around us This is the first book to synthesize all the fragments of geomantic perception (sacred sites, energy points, vertexes, etc.) into a global interactive model that ties human consciousness directly to it. Leviton describes 85 subtle features in the planetary landscape, places you can go for mystical experiences. They are features of the Earth's energy body, almost all invisible to conventional sight. But psychic cognition can be trained, and you can usefully interact with any of these types of sites today without seeing what you're doing. Your intent to interact for the benefit of yourself and the planet is all that's required. Just as modems dial us into the Internet, so the features of the Earth's energy body described in *The Emerald Modem* help us get online with the galaxy. You can learn to visit Grail Castles, experience a Mount Olympus, or walk through the stars in a landscape zodiac--and you can learn enough to become confident that you're not traveling alone.

Faust is Dead Oct 30 2019 Mark Ravenhill's Faust (Faust is Dead) is a dark and often brutally funny journey through a world of virtual reality The world's most famous philosopher arrives in Los Angeles and is greeted as a star. In a round of chat show appearances, he announces the Death of Man and the End of History. When he meets up with a young man who is on the run from his father, a leading software magnate, they embark on a hedonistic voyage across America. But in the play's bloody conclusion, they discover that not all events are virtual. "In Shopping and Fucking, Mark Ravenhill made theatre relevant to the Thatcher generation. Now he's put videos and Net-surfing in FAUST. And it's no less stunning." (The Guardian)

Faust Adaptations from Marlowe to Aboudoma and Markland Apr 04 2020 Faust Adaptations, edited and introduced by Lorna Fitzsimmons, takes a comparative cultural studies approach to the ubiquitous legend of Faust and his infernal dealings. Including readings of English, German, Dutch, and Egyptian adaptations ranging from the early modern period to the contemporary moment, this collection emphasizes the interdisciplinary and transcultural tenets of comparative cultural studies. Authors variously analyze the Faustian theme in contexts such as subjectivity, genre, politics, and identity. Chapters focus on the work of Christopher Marlowe, Johann Wolfgang von Goethe, Adelbert von Chamisso, Lord Byron, Heinrich Heine, Thomas Mann, D. J. Enright, Konrad Boehmer, Mahmoud Aboudoma, Bridge Markland, Andreas Gössling, and Uschi Flacke. Contributors include Frederick Burwick, Christa Knellwolf King, Ehrhard Bahr, Konrad Boehmer, and David G. John. Faust Adaptations demonstrates the enduring meaningfulness of the Faust concept across borders, genres, languages, nations, cultures, and eras. This collection presents innovative approaches to understanding the mediated, translated, and adapted figure of Faust through both culturally specific inquiry and timeless questions.
