investigating and tracking down the culprits in continuing environmental contamination. He rises to meet the beauty and grace of the Great Lakes with lively tales of decades out on their waters as a researcher. This book is an indispensable part of the Great Lakes literary canon." 21st Century" and "The Blanchard Connection". "Ludwig has written a monumental compendium about the largest source of fresh water in the world, a life support system whose function he reveals has been under siege. It reflects what happened as peer reviewed science, public health, and common sense were set aside and corporate-creeper infected the chambers where policy decisions are made. It also parallels the same problem where humanity is now under siege from a growing list of epidemics of endocrine-related disorders the problem first reported by Ludwig and his cronies back in the early 80s." Theo Colborn, Ph.D President, The Endocrine Disruption Exchange

How to Be a Leader May 30 2020 Classicist Beneker translates three political essays written by the philosopher, statesman, and moralist Plutarch of Chaeronia. These essays are timeless reflections on the proper way to lead and serve, publicly, at least with respect to the European and American political traditions.

The Leadership Journey Sep 14 2021 Master the essential skill set of the truly effective leader The Leadership Journey charts a course through four critical areas of being a great leader. Written by Korn Ferry CEO Gary Burnison, this book brings world-renown people and talent development expertise to bear in a discussion about 'good' versus 'great' leadership. Successful leadership at any level is about getting results, but how do the best of the best manage to consistently deliver bigger and better things? This book shares the 'secret sauce' of successful leadership, and provides an actionable framework for discovering—and developing—your own leadership skills and potential. Anyone can have the right hands-on skills, but true leadership finesse lies in the much tougher realm of developing self-awareness to lead yourself first ('Look in the Mirror'); navigating by a fixed

organizational purpose ('Embody Purpose'); journeying with others who want to follow you ('Don't Walk Alone'); and plotting a course that's beyond the line of sight of what everyone sees ('Navigate Beyond the Horizon'). By distilling the broad and complex topic of leadership into highly accessible points and discussions, The Leadership Journey is perfect traveling companion for everyone along the leadership path. Effective leaders help people do more—and become more—than even they ever thought possible. This book gives you a practical framework for becoming the kind leader your team needs to succeed. Master the key elements of great leadership Understand why hard skills aren't enough Learn how to motivate and lead others Achieve more by helping others inspire and empower themselves Grounded in practical and proven real-world experience, this invaluable guide packs a powerful punch. When it comes to great

leadership, reaching your destination requires a precise, well-planned journey that covers all critical ground. The Leadership Journey gives you a clear roadmap with expert direction and world-class advice.

Great Lakes Shipwrecks & Survivals Oct 03 2020 Tragic, memorable, or miraculous, the author here dramatizes the most spectacular shipwrecks and most incredible survivals in the history of the Great Lakes. Re-creating scenes of high courage and screaming panic, Ratigan writes of strange tales, like the captain who went down with his ship rather than let her die alone, and includes the three greatest killer storms in modern times on the freshwater seas -- among them, the squall that caused the wreck of the Edmund Fitzgerald, to which an entire section of the book is dedicated. These are stories destined to be retold by generations of sailors and lovers of the Great Lakes.
