QuickBooks Online (QBO). Creating multilingual invoices, tracking mileage, working with a cash flow dashboard that helps you with cash forecasting and planning reports, and uploading a batch of bills and checks are just a few of the new features covered in this edition. As you progress, you'll learn how to manage sales tax, including how to set up, collect, track, pay, and report sales tax payments. Dedicated sections will also take you through new content focused on the latest features in the QBO line-up, while also showing you the different types of businesses that can benefit from QBO Advanced. In addition to this, you'll explore how to export reports to Google Sheets, use the custom chart builder, import budgets, perform smart reporting with Fathom, and much more. By the end of this QuickBooks book, you'll be well-versed with the features of QuickBooks and have the confidence to manage all your bookkeeping tasks with ease. What you will learn

Bookkeeping Easy, Even If You Don't Have Much Time and Math Is Difficult for You! Are you looking for a simple way to manage your company's finances? Do you use QuickBooks in your business, but find it difficult and time-consuming to navigate the dashboard? If you said "Yes" to any of those questions, this book is for you... This book shares extremely important information with you in order to simplify the process of running your business! I understand that complex technical and business calculations are not for everyone. Many business owners find handling finances and bookkeeping to be a time-consuming but necessary task for tax issues and tracking the progress of the business. You may also not want to spend too much of your valuable time on product development, customer attraction, and other important aspects of the business, especially if you are not yet ready to bear the expense of hiring an accountant. This book

certified trainer for Intuit's Certified Trainer Network. As a member of this select group, she provides training to accountants and consultants each fall when the new version of QuickBooks is released. She also is a guest instructor for Intuit at many trade shows throughout the year, and she writes published QuickBooks technical documentation and presentations for Intuit. Laura owns a software and accounting firm that has for more than 20 years helped a large variety of businesses manage their financials using Intuit's QuickBooks software (Intuit's Quicken in those early years). In fact, she has been training users on QuickBooks since the very first version was released many years ago.
