It is written in a very simple and easy-to-understand language. The careful study of the

An Essay on the Composition of a Sermon (Classic Reprint) Apr 26 2020 Excerpt from An Essay on the Composition of a Sermon This Essay on the Composition of a Sermon was originally written by the Reverend John Claude, a minister of the reformed religion in France, who preached upwards of forty years with great acceptance, first at St. Afrique, afterwards at Nismes, and lastly at Charenton. The Editor has bestowed considerable pains on it to improve it. To distinguish his additions from the original, he has enclosed them in brackets. French essays & essay-writing Nov 14 2021

Essay-Writing for Schools Nov 02 2020 Excerpt from Essay-Writing for Schools: A Practical Exposition of the Principles of This Form of Composition, Illustrated by Models and by Examples Drawn From the English Classics: And Designed to Meet the Requirements of the Public Examinations A Sense of the importance of teaching the use of the English language to English boys and girls, has been growing of late years in the minds of all those who have devoted consideration to the subject of education. The difficulty has been to find a practical system. The problem involved is two-fold: it is necessary to have, first, a method of teaching the pupil to acquire subject-matter; and, second, a method of teaching him to acquire the art of expression. This little book is an attempt to solve the problem. It is addressed to the pupil; and is designed both for individual use and for class-teaching. With regard to the use of the book for individual study, nothing need be said; but as regards its use in class-teaching, a word may be permitted; the author having employed the system which his book embodies, during an experience of class-teaching extending over several years, with encouraging results. The teacher's object being to induce the pupil to think for himself, the lessons fall naturally into the form of question and answer. The answers must of course be given in the book; but, as they are supposed to emanate from the pupil - and, in practice, a surprising number do so emanate - the pupils in class must keep their books closed during the working of the preliminary steps of a subject. The Humble Essay Jul 18 2019 Unlike other composition books, The Humble Essay is written for students who wisely have no intention of becoming English majors. It provides the concepts they need to write thoughtful and effective college essays, but it does so with brevity, humor, and jargon-free language that will not put them gently to sleep. If you or your students need to learn to write college essays without falling asleep, this could well be the book you're looking for.

Models for Writers May 28 2020 It's a simple, best-selling combination that's worked for over 20 years -- short, accessible essays and helpful, thorough writing instruction. Models for Writers continues to offer thought-provoking selections organized to demonstrate not only the rhetorical patterns that students will use in their own essays but also the elements and language that will make those essays effective. With a wide variety of new selections and new attention to sentence grammar, reading comprehension, and critical thinking, the new edition of Models for Writers once again stakes its claim as America's best-selling short essay reader.

Short Takes Jul 10 2021 This lively collection of short, readable essays provides readily accessible models of the various rhetorical modes, including argument. Representing a mix of ages, genders, and cultures, the readings illustrate primary and secondary patterns of exposition through a variety of familiar, interesting topics while the extensive apparatus promotes an understanding of the choices writers make.
