[Dear Theo](#) Jun 25 2019 "Written from the heart and without restraint, alive."—The New York Times Vincent van Gogh, the great but tormented artist, bared his tortured yet ecstatic soul in his letters to his confidant and companion, his beloved brother Theo. These letters reveal the man behind such masterpieces as *The Starry Night* and *The Bedroom*—a desperate man whose quest for love became a flight into madness and for whom every day was a "fight for life." Irving Stone, acclaimed author of *Lust for Life* and other remarkable biographic novels, has collected Vincent van Gogh's fascinating letters to Theo. Here we see the great artist as a human being as well as a man with an appointment with destiny. Van Gogh is a man struggling with doubts and fears, beset by poverty and mental illness, but also a painter who dares to break all the rules of academic art to create priceless masterpieces never honored during his lifetime. He was part of the coterie of great artists of his day while as the same time an intimate of aging streetwalkers. These letters are outpourings of his soul that paint a vibrant self-portrait in words equal to the intensity and emotion his painting created. This is the personal story of a legend.

**The Writing in the Stone** Sep 28 2019 The landscape of this dark and powerful story is the ancient world of Assyria some 3000 years ago, a time when writing was in the world's oldest script, cuneiform, and the domination of unseen forces firmly in the hands of the state's leading Exorcist. In the capital, Nineveh, resides a deep and complex man, the power behind the King of the World. Faced with unforeseen disaster that threatens his authority, he emerges as a psychopathic killer. The author uses his familiarity with ancient writings preserved in the world's museums to recreate a vanished world in which those who step from the shadows in ruthless violence to pursue ultimate control show themselves at the same time to be disconcertingly human. The tight prose and graphic illustrations make this a gripping and unusual tale not of this world, but at the same time weirdly familiar.

**New Dutch Swing** Nov 30 2019 New Dutch Swing is a panoramic history of two generations of improvisers and composers and a collective portrait of a musical world both strange and familiar. Combining oral history with critical evaluations of recordings and reconstructions of key events, Kevin Whitehead documents a sort of alternative universe for jazz, where humor counts for more than dead seriousness; where the boundaries between music and theater blur; where a unique blend of cultural influences, from Surinamese to South African, find their way into the mix; and where pranksters Charles Ives and Thelonious Monk are major influences, along with the minimalism of Terry Riley and Holland's Louis Andreissen (whose own boogie-woogie roots are bared). Drawing on the testimony of non-Hollanders as diverse as Steve Lacy, Butch Morris, Evan Parker, John Tchicai, and Yo-Yo Ma, as well as on the recollections of dozens of Dutch musicians, including Misha Mengelberg, Han Bennink, Willem Breuker, Louis Andriessen, and Maarten Altena, Whitehead steps back to track the development of conducted improvising, game pieces, portable electronic instruments, and the birth of the European free jazz scene in the 1960s. For music fans who have enjoyed the records and concerts of such artists as the ICP Orchestra, the Willem Breuker Kollektief, and the Clusone Trio as well as for those for whom they are unfamiliar, New Dutch Swing presents a unique and engaging exploration of one of contemporary jazz's most vital scenes.
