Little Broken Things Mar 31 2020 "If you liked Big Little Lies, you'll want to crack open [Little Broken Things]." —Southern Living An unforgettable and moving novel about an affluent suburban family whose carefully constructed façade crumbles with the unexpected arrival of an endangered young girl. I have something for you. When Quinn Cruz receives that cryptic text message from her older sister Nora, she doesn't think much of it. They haven't seen each other in nearly a year and their relationship consists mostly of infrequent phone calls and the occasional email. But when a haunted-looking Nora shows up just hours later, a chain reaction is set into motion that will change both of their lives forever. Nora's "something" is more shocking than Quinn could have ever imagined: a little girl, cowering and wide-eyed. Nora hands her over to Quinn with instructions to keep her safe and disappears, leaving Quinn as the unlikely caretaker of a girl introduced simply as Lucy. "Steeped in menace...a race-to-the-finish family drama" (People), Little Broken Things explores life and death, family and freedom, and the lengths one woman will go to protect the ones she loves.

The Net Beneath Us Apr 12 2021 "He promised her he would never let go. She's willing to risk everything to hold on. In the aftermath of her husband's logging accident, Elsa has more questions than answers about how to carry on while caring for their two small children in the unfinished house he was building for them in the woods of rural Wisconsin. To cope with the challenges of winter and the near-daily miscommunications from her in-laws, she forges her own relationship with the land, learning from and taking comfort in the trees her husband had

loved. If she wants to stay in their home, she must discover her own capabilities, and accept help from the people and places she least expects. Dunbar, drawing from her own lived experiences, vividly describes the wonder and harshness of life off the grid. Told over the course of a year, *The Net Beneath Us* is a lyrical exploration of loss, marriage, parenthood, and self-reliance; a tale of how the natural world-without and within us-offers us healing, if we can learn where to look"--

Carolina—a sleepy little place with all the trappings of an ordinary Southern town: two Baptist churches, friendly smiles coupled with silent judgments, and an unquenchable appetite for pork products. Beneath the town’s cheerful façade, however, Bleak Creek teens live in constant fear of being sent to the Whitewood School, a local reformatory with a history of putting unruly youths back on the straight and narrow—a record so impeccable that almost everyone is willing to ignore the suspicious deaths that have occurred there over the past decade. At first, high school freshmen Rex McClendon and Leif Nelson believe what they’ve been told: that the students’ strange demises were all just tragic accidents, the unfortunate consequence of succumbing to vices like Marlboro Lights and Nirvana. But when the shoot for their low-budget horror masterpiece, PolterDog, goes horribly awry—and their best friend, Alicia Boykins, is sent to Whitewood as punishment—Rex and Leif are forced to question everything they know about their unassuming hometown and its cherished school for delinquents. Eager to rescue their friend, Rex and Leif pair up with recent NYU film school graduate Janine Blitstein to begin piecing together the unsettling truth of the school and its mysterious founder, Wayne Whitewood. What they find will leave them battling an evil beyond their wildest imaginations—one that will shake Bleak Creek to its core. Praise for *The Lost Causes of Bleak Creek* “*The Lost Causes of Bleak Creek* is like your best friend from high school—kind of weird and a little twisted, but no matter how much trouble they caused, they always made you laugh. Peace Like a River Oct 31 2022 When Israel Finch and Tommy Basca, the town bullies, break into the home of school caretaker Jeremiah Land, wielding a baseball bat and looking for trouble, they find more of it than even they expected. For seventeen-year-old Davey is sitting up in bed waiting for them with a Winchester rifle. His younger brother Reuben has seen their father perform miracles, but Jeremiah now seems as powerless to prevent Davey from being arrested for manslaughter, as he has always been to ease Reuben's daily spungy struggle to breathe. Nor does brave and brilliant nine-year-old Swede, obsessed as she is with the legends of the wild west, have the strength to spring Davey from jail. Yet Davey does manage to break out. He steals a horse, and disappears. His family feels his absence so sorely, the three of them just pile into their old Plymouth, towing a brand new 1963 Airstream trailer, and set out on a quest to find him. And they follow the outlaw west, right into the cold, wild and empty Dakota Badlands. Set in the 1960s on the edge of the Great Plains, *PEACE LIKE A RIVER* is that rare thing, a contemporary novel with an epic dimension. Told in the touching voice of an asthmatic eleven-year-old boy, it revels in the legends of the West, ~~Access Free~~

[Mariette in Ecstasy](#) Jan 10 2021 The highly acclaimed and provocatively rendered story of a young postulant's claim to divine possession and religious ecstasy.

Lord Chesterfield's Letters Aug 24 2019 `My object is to have you fit to live; which, if you are not, I do not desire that you should live at all.' So wrote Lord Chesterfield in one of the most celebrated and controversial correspondences between a father and son. Chesterfield wrote almost daily to his natural son, Philip, from 1737 onwards, providing him with instruction in etiquette and the worldly arts. Praised in their day as a complete manual of education, and despised by Samuel Johnson for teaching `the morals of a whore and the manners of a dancing-master', these letters reflect the political craft of a leading statesman and the urbane wit of a man who associated with Pope, Addison, and Swift. The letters reveal Chesterfield's political cynicism and his belief that his country had `always been goverened by the only two or three people, out of two or three millions, totally incapable of governing', as well as his views on good breeding. Not originally intended for publication, this entertaining correspondence illuminates fascinating aspects of eighteenth-century life and manners. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and

My Old Man and the Mountain Jan 28 2020 In 1963, the world followed the first American Mount Everest Expedition, and watched as "Big Jim" Whittaker became the first American to stand on top of the world. He returned home a hero. *My Old Man and the Mountain* is Leif Whittaker's engaging and humorous story of what it was like to "grow up Whittaker," as the youngest son of Jim Whittaker and Dianne Roberts, and amid an extended family of accomplished climbers. The Sky, the Stars, the Wilderness Sep 25 2019 "Two appealing short stories and an exquisite novella" about the relationship between humans and the natural world around them (Kirkus Reviews). This is a "wondrous" (GQ) collection of short fiction exploring the subtle interplay between predator and prey, from "a literary titan" (The New York Times Book Review). In the title story, a woman has returned to live on the west Texas ranch that has been in her family since Texas was a republic. Her mother, who died when she was a child, is buried there; the three men who raised her—her father, grandfather, and Old Chubb, a Mexican ranch hand—are gone; and her brother, like herself, is childless. Soon, all that will be left of the family is the land: "I suppose the land is all we will leave behind," she reflects. "In that way it is both our parents and our children." Land is central to the other tales here as well. In *The Myths of Bears*, a man tracks his wife through a winter wilderness as she both lures and eludes him. And in *Where the Sea Used to Be*, an ancient ocean buried in the foothills of the Appalachians becomes a battleground for a young wildcat oilman and his aging mentor. "Rick Bass is a first

My Reading Life May 26 2022 Bestselling author Pat Conroy acknowledges the books that have shaped him and celebrates the profound effect reading has had on his life. Pat Conroy, the beloved American storyteller, is a voracious reader. Starting as a childhood passion that bloomed into a life-long companion, reading has been Conroy’s portal to the world, both to the farthest corners of the globe and to the deepest chambers of the human soul. His interests range widely, from Milton to Tolkien, Philip Roth to Thucydides, encompassing poetry, history, philosophy, and any mesmerizing tale of his native South. He has for years kept notebooks in which he records words and expressions, over time creating a vast reservoir of playful turns of phrase, dazzling flashes of description, and snippets of delightful sound, all just for his love of language. But for Conroy reading is not simply a pleasure to be enjoyed in off-hours or a source of inspiration for his own writing. It would hardly be an exaggeration to claim that reading has saved his life, and if not his life then surely his sanity. In My Reading Life, Conroy revisits a life of reading through an array of wonderful and often surprising anecdotes: sharing the pleasures of the local library’s vast cache with his mother when he was a boy, recounting his decades-long relationship with the English teacher who pointed him onto the path of letters, and describing a profoundly influential period he spent in Paris, as well as reflecting on other pivotal people, places, and experiences. His story is a moving and personal one, girded by wisdom and an undeniable honesty.

The High Divide Jul 16 2021 “Lin Enger sets out from the conventions of the traditional Western and brings the reader into new emotional territory, that of the soul of an exquisitely drawn American family. *The High Divide* is a novel to get lost in.”

—James Scott, author of *The Kept In 1886*, Gretta Pope wakes up one morning to discover that her husband is gone. Ulysses Pope has left his family behind on the far edge of Minnesota’s western prairie, with only the briefest of notes and no explanation for why he left or where he’s heading. It doesn’t take long for Gretta’s young sons, Eli and Danny, to set off after him, leaving Gretta no choice but to search for the boys and their father in hopes of bringing them all home. Enger’s breathtaking portrait of the vast plains landscape is matched by the rich expanse of his characters’ emotional terrain, as pivotal historical events--the bloody turmoil of expansionism, the near total demise of the bison herds, and the subjugation of the Plains Indians--blend seamlessly with the intimate story of a family’s sacrifice and devotion. “[A] masterfully told Western reinvention of Homer’s *Odyssey* . . . set against a backdrop of beauty and danger . . . In its narrative simplicity and emotional directness, it is reminiscent of John Ford’s classic *The Searchers*.” —Publishers Weekly, starred review “Enger’s novel is told in beautifully exact, liquid language that wastes no time, just as one cannot afford to waste time when making a journey such as the Pope family’s. Highly recommended.” —Library Journal, starred review “A deeply moving, gripping novel . . . Layered with meaning, this remarkable novel deserves to be read more than once. *The High Divide* proves Enger’s chops as a masterful storyteller.” —Ann Weisgarber, author of *The Promise* “A gripping story with well-portrayed, complex, and sympathetic main characters and a complement of believable secondary figures in a vividly described region nearing the close of an era. Enger’s free

author worth watching.” —Booklist “The High Divide, a novel about a family in peril, is haunting and tense but leavened by considerable warmth and humanity. Enger writes with durable grace about a man’s quest for redemption and the human capacity for forgiveness.” —Benjamin Percy, author of Red Moon

[Peace Like a River](#) Sep 29 2022 Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

Memories Of A Catholic Girlhood Nov 27 2019 Blending memories and family myths, Mary McCarthy takes us back to the twenties, when she was orphaned in a world of relations as colourful, potent and mysterious as the Catholic religion. There were her grandmothers: one was a blood-curdling Catholic who combined piousness and pugnacity; the other was Jewish and wore a veil to hide the disastrous effects of a face-lift. There was wicked Uncle Myers who beat her for the good of her soul and Aunt Margaret who laced her orange juice with castor oil and taped her lips at night to prevent unhealthy 'mouth-breathing'. 'Many a time in the course of doing these memoirs,' Mary McCarthy says, 'I have wished that I were writing fiction.' But these were the people, along with the ladies of the Sacred Heart convent school, who helped to inspire her devastating sense of the sublime and ridiculous and her witty, novelist's imagination.

Leif, a poet as well as a skater, invites Matthew to take part in an experiment with tarot cards. It's easier to know what's in other people's minds than most people realize, Leif and his friends claim. Do they believe in telepathy? Can they actually do it? Instead of writing his dissertation, Matthew soon finds himself falling for Leif and entangled with his friends, who are as idealistic as the Occupy encampment they like to visit. news coverage, internet outrage, and legal repercussions overwhelms them. Elspeth and Raleigh, two of Leif's oldest friends, will see their relationship tested by the strain of criminal charges. Chris and Julia, who drifted into the group more recently, will have their loyalties questioned. Diana, a hardheaded sociologist, will need to find a way to stand with her friends without compromising her skepticism. And Matthew, entranced by the man at the center of it all, will have to decide what he owes Leif and how much he's willing to give. All six will be forced to reckon with the catch-22s of transparency and the insidious natures of power and privilege. Overthrow is about the aftermath of idealism--about what happens after new technologies have begun to change the boundaries that we imagine around ourselves. Caleb Crain has captured with astonishing sensitivity, acuity, and grace the unease and ambiguity that threaten our contemporary lives, and has written a beautiful novel about the redemptive possibilities of love and friendship.

Palacio, #1 New York Times bestselling author of *Wonder* Perfect for readers who love *Liar and Spy*, *Counting by 7s*, and *Bridge to Terabithia*, a heartwarming and transformative novel about family, loss, and never giving up from beloved author Karen Foxlee. Lenny Spink is the sister of a giant. Her little brother, Davey, suffers from a rare form of gigantism and is taunted by other kids and turned away from school because of his size. To escape their cruel reality, Lenny and Davey obsess over the entries in their monthly installment of Burrell's Build-It-at-Home Encyclopedia set. Lenny vows to become a beetle expert, while Davey decides he will run away to Canada and build a log cabin. But as Davey's disease progresses, the siblings' richly imagined world becomes harder to cling to in this deeply moving and original novel about grief, family, and wonder. "An imaginative and surprisingly tender story of the unbreakable bond between siblings."--Booklist, starred review "Lyrical and emotionally complex."--Kirkus "The **Hearts of**

Virgil Wander Jun 26 2022 Midwestern movie house owner Virgil Wander is "cruising along at medium altitude" when his car flies off the road into icy Lake Superior. Virgil survives but his language and memory are altered and he emerges into a world no longer familiar to him. Awakening in this new life, Virgil begins to piece together his personal history and the lore of his broken town, with the help of a cast of affable and curious locals - from Rune, a twinkling, pipe-smoking, kite-flying stranger investigating the mystery of his disappeared son; to Nadine, the reserved, enchanting wife of the vanished man, to Tom, a journalist and Virgil's oldest friend; and various members of the Pea family who must confront tragedies of their own. Into this community returns a shimmering prodigal son who may hold the key to reviving their town. With intelligent humor and captivating whimsy, Leif Enger conjures a remarkable portrait of a region and its residents, who, for reasons of choice or circumstance, never made it out of their defunct industrial district. Carried aloft by quotidian pleasures including movies, fishing, necking in parked cars, playing baseball and falling in love, Virgil Wander is a swift, full journey into the heart and heartache of an often overlooked American Upper Midwest by a "formidably gifted" (Chicago Tribune) master storyteller.
