other long-lost and forgotten
drag racing facilities from the
1950s, 1960s, and 1970s. In
the first volume, the author
examined the birth of drag
racing and its subsequent
popularity that invaded every
city and community across
America. Unfortunately, after
the initial explosion of
popularity, it waned, and
various drag strips closed for a
myriad of reasons. Financial
pressure for the real estate
they occupied, suburban
sprawl, and waning
participation were all reasons
for the change in fortunes for
the small, and even not-so-
small, racetracks. The first
volume was great, but readers
demanded more! *Lost Drag*
Strips II picks up where the
first volume left off, covering
even more tracks with archival
photos of racing in the tracks'
heyday, the cars that ran there,
and coverage of the tracks as
they exist today. This volume

also includes some of the tracks that survived, those that fought off the economic demons and the urban sprawl and continue to run today.

Tracks in this volume include: Fort Wainwright/Racing Lions Motorsports Park, Avenue G Drag Strip, Fremont/Baylands Drag Strip, San Fernando Drag Strip, Fontana Drag City, Inyokern Drag Strip, Kahuku Air Strip, Las Vegas Speedrome, Continental Divide Raceways, SRCA Drag Strip, Southwest Raceway, Willow Run Raceway, Minnesota Dragways, KCTA Drag Strip, Detroit Dragway, Niagara Airport Dragstrip, New York National Speedway, York US 30 Drag-O-Way, South Mountain Raceway, La Place Dragway, Yellow River Drag Strip, Thunderbolt Dragway, and more.
