Penicillin is a power antibiotic that has been around in one form or another since the beginning of time. This book tells you in a few simple steps how to make it yourself in a survival situation. Don't buy this expecting a long drawn out scientific way to make Penicillin. It is VERY simple if you know how and takes only one page of this guide up. The rest is other natural cures that have kept me glued together without many visits to the doctor for over 30 years.This is by no means a substitute for modern medicine however in a survival situation where modern medicine is not available, this knowledge is priceless and could quite possibly save your life. Easy Money and Other Stories Sep 29 2019 ""In a terrifically impressive collection of short short-fictions, Steve Evans takes us on a tour of the metaphorical sinkholes of suburbia. Via his observant eye and febrile imagination, we behold the mischievous and manic, the tawdry and tragic, and more. We come upon familiar scenes that then glow in a broadband delivery of hyper-realism. Second-hand books become a successful stalking strategy. A private letter-burning becomes a communal cleansing. In a final afternoon tea, a potential inheritance is consumed in gold-leaf-infused cakes. A deposit-secured wedding cake, a promised book of window paintings, a

normal Bay-City tram ... never arrive.'" Moya Costello, author of 'The Office as a Boat: a chronicle'

It's So Easy (and other lies) Jun 06 2020 Explosive autobiography of Guns N' Roses and Velvet Revolver bass guitarist Duff McKagan Duff McKagan was a co-founder of Guns N' Roses, with a 13-year tenure on bass in what was at the time the biggest band on earth. As well as pulling together the classic line-up (Slash on guitar, Steven Adler on drums, rhythm guitarist Izzy Stradlin and vocalist Axl Rose), Duff was the unofficial musical director of the band and the most experienced

musician, and played bass, drums and guitar, as well as co-writing many of the songs. Over the years, Guns N' Roses have broken many records in rock history - APPETITE FOR DESTRUCTION is the most successful debut album in the history of recorded music; the band's 1991 records, USE YOUR ILLUSION parts 1 and 2, debuted at one and two on the album charts, a feat never achieved before or since; and their 28-month ILLUSION world tour is still the longest running concert tour in history. Duff charts the rise of the group, and his own fall, as with success came heavy drinking and drug use, culminating in his hospitalisation for acute pancreatitis in 1994. Forced to sober up, Duff started taking an interest in business, eventually completing a degree in economics and making a killing on the stock market. He has since worked with Slash in another band, Velvet Revolver, and has continued to play with various artists over the last 15 years. IT'S SO EASY (AND OTHER LIES) is the explosive memoir of a great rock musician who, against the odds, has lived to tell the tale.
