The Adventures of Rusty Jul 06 2020 Rusty, the boy whose stories have charmed and entertained children for years, brings together his best adventures in one volume! From the time he was a boy living with his grandparents in Dehra, surrounded by an assortment of odd animals, people and relatives, to when he gets sent away to school, then makes his way to London and becomes a writer, Rusty's had more adventures than we can count. This omnibus edition contains his best, funniest, most exciting escapades. In these pages, there's Toto, the monkey that travelled in a bag on a train; an encounter with a leopard; life as a young writer in faraway London; and the return home to roots that were always loved and never forgotten. An evergreen classic of children's writing in India, *The Adventures of Rusty* will be enjoyed like never before. *The Royal Bee* Jan 30 2020 Based on a true story, *The Royal Bee* is an elegantly

written tale that pays tribute to a young boy's courage and strength of character. Song-ho is a young Korean boy destined by birth to a life of poverty. Barred from going to school--only the sons of wealthy families could attend--he dreams of learning to read and write. Then one day he hears the sound of a school bell and follows it deep into the valley. There, the school master turns him away, but Song-ho's boldness and determination earn him a chance at gaining an education nevertheless. Dramatically illustrated with richly textured oil paintings, the story offers glimpses of daily life in Korea a century ago--for both the rich and the poor.

From Blood and Ash Oct 09 2020 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the

Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow

of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
