ERISA Law Answer Book Jul 29 2019 Taking a practical "how-to" approach, ERISA Law Answer Book places an emphasis on decisionmaking as it focuses on questions commonly asked of pension and health plan advisors in connection with the administration of retirement programs. Rather than merely citing the Code and Regulations for authority and identifying cases that support the proposition or answer given, this work sets forth a discussion of case authorities that have death with the relevant situation at hand, and provides a careful analysis of how those cases apply. Key topics covered include: benefit arrangements subject to ERISA - construing and interpreting ERISA plans - notice, reporting and disclosure - plan funding - plan distribution - benefit accrual and vesting - fiduciary duties and liabilities - preemption - standard of review - bankruptcy. The Project Management Answer Book Mar 29 2022 If it's essential to project management... it's in here! The first edition of The Project Management Answer Book addressed all the key principles of project management that every project manager needs to know. With a new chapter on scrum agile, updates throughout, and many new PMP® test tips, this new edition builds on that solid foundation. The structure of this update maps closely to the PMBOK® Guide, Fifth Edition, and is designed to assist anyone studying for the PMP® and other certification exams. Helpful sections cover: • Networking and social media tips for PMs, including the best professional organizations, virtual groups, and podcast resources • The formulas PMs need to know, plus a template to help certification candidates prepare and self-test for their exams • Quick study sheet for the processes covered on the PMP® exam • Key changes in PMBOK® Guide, Fifth Edition, for readers familiar with earlier versions who want "the skinny" on the new version. PMs at every level will find real gold in the information nuggets provided in this new edition. Those new to project management will find the comprehensive coverage and the depth of the answers especially valuable, and will like the easy-to-read style and Q&A format. For experienced managers looking for new tools and skills to help them pass their PMP® or other certification exams, this is a must-have resource.
