American Cars, 1960-1972 Feb 02 2020 The automotive industry underwent great change in the 1960s and the early 1970s. The continuing trend toward market consolidation, the proliferation of sizes and nameplates, and the "need for speed" characterized this period, loosely labeled as the muscle car era. This is an exhaustive reference work to American made cars of model years 1960-1972. Organized by year (and summarizing the market annually), it provides a yearly update on each make's status and production figures, then details all models offered for that year. Model listings include available body styles, base prices, engine and transmission choices, power ratings, standard equipment, major options and their prices, curb weight and dimensions (interior and exterior), paint color choices, changes from the previous year's model, and sales figures. Also given are assembly plant locations and historical overviews of each model nameplate. The book is profusely illustrated with 1,018 photographs.

The Ultimate Owner's Manual Mar 05 2020 New from Edmund, a complete guide to buying, financing, insuring & maintaining cars. The book will analyze how to negotiate the purchase of a new or used car, how to finance, insure & prepare for selling a car. A section will explain dealer options that do not add value at resale. Chapters on car care will explain the need for basic maintenance & will provide easy-to-use charts to aid the user in keeping maintenance records.

VW Golf, GTI, Jetta and Cabrio, 1999 Thru 2002 Jun 19 2021 Every Haynes manual is based on a complete teardown and rebuild, contains hundreds of "hands-on" photos tied to step-by-step instructions, and is thorough enough to help anyone from a do-it-yourselfer to a professional.

Mike Royko: The Chicago Tribune Collection 1984-1997 Jun 07 2020 Mike Royko: The Chicago Tribune Collection 1984-1997 is an expansive new volume of the longtime Chicago news legend's work. Encompassing thousands of his columns, all of which originally appeared in the Chicago Tribune, this is the first collection of Royko work to solely cover his time at the Tribune. Covering politics, culture, sports, and more, Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaper man. Organized chronologically, these columns display Royko's talent for crafting fictional conversations that reveal the truth of the small-minded in our society. From cagey political points to hysterical take-downs of "meatball" sports fans, Royko's writing was beloved and anticipated anxiously by his fans. In plain language, he "tells it like it is" on subjects relevant to modern society. In addition to his columns, the book features Royko's obituary and articles written about him after his death, telling the tale of his life and success. This ultimate collection is a must-read for Royko fans, longtime Chicago Tribune readers, and Chicagoans who love the city's rich history of dedicated and insightful journalism.
