Development Plan  
May 12 2021 "Your  
View Matters -  
Personal  
Development Plan"  
is designed to help  
you shape your  
view by helping you  
discover who you  
are. You are  
unique. You have a  
purpose and a set  
of skills that  
NOBODY else has!  
You are here for a  
reason! The sooner  
you understand  
what that reason is,  
the sooner you can  
step into your  
destiny and  
influence your  
future to shape it  
however you want.  
This plan utilizes all  
three books in the  
"Your View  
Matters" series  
("Your View  
Matters - the  
Genesis",  
"Anthroveration"  
and "Kings, Queens  
and Killers"). You

can purchase the  
"Personal  
Development Plan"  
manual and one  
book, or two books  
or all three at once.  
This is your plan so  
you work it on your  
time and on your  
budget. You decide  
how to make it  
work for you. Your  
view matters  
because you  
matter.

ability to discover everything about a potential partner before ever meeting them. You can learn their age, religious affiliations, education, expectations, interests, hobbies, and so on. Internet dating allows you to chat online and get to know someone before meeting them. There is also the ability to meet people on a varied schedule you do not have to meet them face-to-face right away. Other advantages include protection of your personal identity, the exchange of photos, the ability to be yourself, less cost, and the ability to search by sexual or ethnic preference, all of which will increase the chances of

finding that special someone. Aside from the many advantages, online dating has disadvantages as well. For example, you could be starting an online relationship with someone who, in actuality, does not look like they do in their photos or their personality is not as they described, it might have to be a long distance relationship, or they have a hidden criminal agenda. This is why you need the assistance of this groundbreaking new book that covers it all, allowing you to find the right partner and make your online dates safe and secure. The book features many available online

dating services, such as PerfectMatch, which employs a scientific method to locate matches. eHarmony has a compatibility system that only pairs you with compatible singles. Yahoo Personals helps you choose from thousands of members to find singles in your area. True.com is likely the only dating site that checks new members for criminal activity and marriage history. Match.com guarantees you will meet someone special within six months or they will extend your membership by six months at no cost to you. Also detailed are

**Killers of the King** May 24 2022  
January, 1649. After seven years of fighting in the bloodiest war in Britain's history, Parliament had overpowered King Charles I and now faced a problem: what to do with a defeated king, a king who refused to surrender?

Parliamentarians resolved to do the unthinkable, to

disregard the Divine Right of Kings and hold Charles I to account for the appalling suffering and slaughter endured by his people. A tribunal of 135 men was hastily gathered in London, and although Charles refused to acknowledge the power of his subjects to try him, the death sentence was unanimously passed. On an icy winter's day on a scaffold outside Whitehall, in an event unique in English history, the King of England was executed. When the dead king's son, Charles II, was restored to the throne, he set about enacting a deadly wave of retribution against all those - the

lawyers, the judges, the officers on the scaffold - responsible for his father's death. Some of the 'regicides' - the killers of the king - pleaded for mercy, while others stoically awaited their sentence. Many went into hiding in England, or fled to Europe or America. Those who were caught and condemned suffered agonising and degrading ends, while others saw out their days in hellish captivity. Bestselling historian Charles Spencer explores this violent clash of ideals through the individuals whose fates were determined by that one, momentous decision. A
