Blameless in Abaddon Aug 01 2022 In Towing Jehovah, the discovery of the two-mile-long corpse of God in the mid-Atlantic proved a serious menace to both navigation and to faith. But was God truly dead, as the nihilists and the New York Times believed? In *Blameless in Abaddon*, His body - comatose yet far from inert - has been hauled from its temporary resting place in the Arctic to Florida, where it has become the Main Attraction at Orlando's Celestial City USA. And now one Martin Candle, a small-time and sore-afflicted judge practicing in Abaddon Township, Pennsylvania, proposes further travels for the Corpus Dei: to the World Court in The Hague, to answer for history's injustices large and small. In his quest to counter the world's great theodicies, Martin embarks on an astonishing odyssey through the mind of the Creator, where Lot's wife proves a most convenient way of adding salt to a margarita glass, early hominids vigorously debate Augustinian doctrine over jasmine tea, and Martin's alter ego, Job, keeps an eternal vigil atop his dung heap. Once the Trial of the Millennium has begun, Martin will understand why Abaddon is another name for Hell. God hunting simply is not a sport for amateurs.

And the Last Trump Shall Sound Jun 06 2020 A near-future 'alternate history,' *And the Last Trump Shall Sound* is a series of three stories detailing our future as a divided nation. A politically fractured nation watches as the Republicans solidify their hold over the US with a series of electoral victories and judicial appointments. Mike Pence leads the country, succeeding Donald Trump as the flag-bearer of an increasingly populist movement. There are parts of the country, however, that cannot abide by what they view as a betrayal of the nation's founding principles. At what point do these communities break down and the unthinkable suddenly becomes the only possible solution. Harry Turtledove, James Morrow, and Cat Rambo give us three novellas, each following the other, describing the frightening possible consequences of our increased polarization

The Logic of Political Survival Apr 16 2021 The authors of this ambitious book address a fundamental political question: why are leaders who produce peace and prosperity turned out of office while those who preside over corruption, war, and misery endure? Considering this political puzzle, they also answer the related economic question of why some countries experience successful economic development and others do not. The authors construct a provocative theory on the selection of leaders and present specific formal models from which their central claims can be deduced. They show how political leaders allocate resources and how institutions for selecting leaders create incentives for leaders to pursue good and bad public policy. They also extend the model to explain the consequences of war on political survival. Throughout the book, they provide illustrations from history, ranging from ancient Sparta to Vichy France, and test the model against statistics gathered from cross-national data. The authors explain the political intuition underlying their theory in nontechnical language, reserving formal proofs for chapter appendixes. They conclude by presenting policy prescriptions based on what has been demonstrated theoretically and empirically.

The Last Witchfinder Mar 28 2022 Jennet Stearne's father hangs witches for a living in Restoration England. But when she witnesses the unjust and horrifying execution of her beloved aunt Isobel, the precocious child decides to make it her life's mission to bring down the Parliamentary Witchcraft Act. Armed with little save the power of reason, and determined to see justice prevail, Jennet hurls herself into a series of picaresque adventures—traveling from King William's Britain to the fledgling American Colonies to an uncharted island in the Caribbean, braving West Indies pirates, Algonquin Indian captors, the machinations of the Salem Witch Court, and the sensuous love of a young Ben Franklin. For Jennet cannot and must not rest until she has put the last witchfinder out of business.

The Asylum of Dr. Caligari Dec 25 2021 "No one does history-meets-the-fantastic like Morrow. *The Asylum of Dr. Caligari* is a great example—Impressionism versus expressionism, psychology in the asylum of 'dreams,' the weaponization of art, big laughs and big ideas, a wild imagination, and smooth, subtle writing." —Jeffrey Ford, author of *A Natural History of Hell* It is the summer of 1914. As the world teeters on the brink of the Great War, a callow American painter, Francis Wyndham, arrives at a renowned European insane asylum, where he begins offering art therapy under the auspices of Alessandro Caligari—sinister psychiatrist, maniacal artist, alleged sorcerer. And determined to turn the impending cataclysm to his financial advantage, Dr. Caligari will—for a price—allow governments to parade their troops past his masterpiece: a painting so mesmerizing it can incite entire regiments to rush headlong into battle. *The Asylum of Dr. Caligari* is a timely tale that is by turns funny and erotic, tender and bayonet-sharp—but ultimately emerges as a love letter to that mysterious, indispensable thing called art.

Galapagos Regained Oct 23 2021 James Morrow's *Galápagos Regained* centers on the fictional Chloe Bathurst, an unemployed Victorian actress who finds work on Charles Darwin's estate, nurturing the strange birds, exotic lizards, and giant tortoises he brought back from his trip around the world. When Chloe gets wind of the Great God Contest, sponsored by the Percy Bysshe Shelley Society—£10,000 to the first petitioner who can prove or disprove the existence of a Supreme Being—she decides that Mr. Darwin's materialist theory of speciation might just turn the trick. Cherish Farrah Jul 08 2020 Named A Most Anticipated Book of 2022 by "Medium" "BookRiot" "BookPage" "CrimeReads" "Tor Nightfire" "Bookshop" "Book Talk" "BiblioLifestyle" and more! From bestselling author Bethany C. Morrow comes a new adult social horror novel in the vein of Get Out meets My Sister, the Serial Killer, about Farrah, a young, calculating Black girl who manipulates her way into the lives of her Black best friend's white, wealthy, adoptive family but soon suspects she may not be the only one with ulterior motives. . . . Seventeen-year-old Farrah Turner is one of two Black girls in her country club community, and the only one with Black parents. Her best friend, Cherish Whitman, adopted by a white, wealthy family, is something Farrah likes to call WGS—White Girl Spoiled. With Brianne and Jerry Whitman as parents, Cherish is given the kind of adoration and coddling that even upper-class Black parents can't seem to afford—and it creates a dissonance in her best friend that Farrah can exploit. When her own family is unexpectedly confronted with foreclosure, the calculating Farrah is determined to reassert the control she's convinced she's always had over her life by staying with Cherish, the only person she loves—even when she hates her. As troubled Farrah manipulates her way further into the Whitman family, the longer she stays, the more her own parents suggest that something is wrong in the Whitman house. She might trust them—if they didn't think something was wrong with Farrah, too. When strange things start happening at the Whitman household—debilitating illnesses, upsetting fever dreams, an inexplicable tension with Cherish's hotheaded boyfriend, and a mysterious journal that seems to keep track of what is happening to Farrah—it's nothing she can't handle. But soon everything begins to unravel when the Whitmans invite Farrah closer, and it's anyone's guess who is really in control. Told in Farrah's chilling, unforgettable voice and weaving in searing commentary on race and class, this slow-burn social horror will keep you on the edge of your seat until the last page.

Bible Stories for Adults Oct 03 2022 Short fiction of biblical proportions—and bent—from the science fiction satirist and author of The Godhead Trilogy. James Morrow, “the most provocative satiric voice in science fiction,” unabashedly delves into matters both sacred and secular in this collection of short stories buoyed by his deliciously irreverent wit (The Washington Post). Among the dozen selections is the Nebula Award-winning story, “The Deluge,” in which a woman of ill repute is rescued by the crew of the ark, who must deal with the consequences of their misguided act of mercy. Also included is a follow-up to the Tower of Babel fable, an unprecedented nativity, and an attempt to stand so-called creation science on its head. Nothing is spared in a collection that “deliciously skewer[s] not only Judeo-Christian mythology but other sacred cows of modern society, from capitalism to New Age spiritualism” (Booklist). “Morrow’s is a blend of parody and commentary which challenges readers to reflect upon the human spiritual condition.” —Midwest Book Review

Included are the semicontinuity theorems and the local completeness theorem of Kuranishi. Readers are assumed to know some algebraic topology. Complete references are given for the results that are used from elliptic partial differential equations. The book is suitable for graduate students and researchers interested in abstract complex manifolds.

"Morrow hilariously joins the ranks of the great satirists." —*The Denver Post* "[An] insanely ingenious plot, reminiscent, variously, of B-science-fiction movies in the 1950s, Evelyn Waugh's *The Loved One*, and Terry Southern at his most charmingly deranged." —*Kirkus Reviews* "Any novel that springs from a sparkling intellect rather than a dreary neurosis is cause for celebration, and *The Eternal Footman*, with its load of truth and laughter, justifies a considerable quantity of champagne." —Tom Robbins, *New York Times*—bestselling author of *Even Cowgirls Get the Blues*

His least profound response is to drop his cigarette into the crease in his chair. So begins the wildest SF novel since the passing of Philip K. Dick. Patrick O'Leary's *Door Number Three* is a constant wellspring of surprise and wonder, a novel about a young man of today and a woman from somewhere else who is out to love or kill him - or both. The whole, apparently real, world and everything in it can never be the same again. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Forger's Daughter Oct 11 2020 When a scream shatters the summer night outside their country house, reformed literary forger Will and his wife Meghan find their daughter Maisie shaken and bloodied, holding a parcel her attacker demanded she present to her father. Inside is a literary rarity the likes of which few have ever handled, and a letter laying out impossible demands regarding its future. After twenty years of living life on the straight and narrow, Will finds himself drawn back to forgery, ensnared in a plot to counterfeit the rarest book in American literature: Edgar Allan Poe's first publication, *Tamerlane*. Facing threats to his life and family, coerced by his former nemesis and fellow forger Henry Slader, Will must rely on the artistic skills of his other daughter Nicole to help create a flawless forgery of this 1827 publication regarded as the Holy Grail of American letters. Part mystery, part case study of the shadowy side of the book trade, and part homage to the writer who invented the detective tale, *The Forger's Daughter* portrays the world of literary forgery as diabolically clever, genuinely dangerous and inescapable, it would seem, to those who have ever embraced it.

The Godhead Trilogy May 18 2021 The award-winning, irreverent, and darkly funny trilogy from "the most provocative satiric voice in science fiction" (*The Washington Post*). The complete *Godhead Trilogy* from James Morrow, including *Towing Jehovah*, *Blameless in Abaddon*, and *The Eternal Footman*. In the *World Fantasy Award*-winning *Towing Jehovah*, God is dead, and Anthony Van Horne must tow the corpse to the Arctic (to preserve Him from sharks and decomposition). En route Van Horne must also contend with ecological guilt, a militant girlfriend, sabotage both natural and spiritual, and greedy hucksters of oil, condoms, and doubtful ideas. *Blameless in Abaddon*, a *New York Times* Notable Book of the Year, is "funny, ferocious fantasy" (*Philadelphia Inquirer*). God is a comatose, two-mile-long tourist attraction at a Florida theme park—until a conniving judge decides to put Him on trial in *The Hague* for crimes against humanity. *The Eternal Footman* completes Morrow's darkly comic trilogy about God's untimely demise. With God's skull in orbit, competing with the moon, a plague of "death awareness" spreads across the Western hemisphere. As the United States sinks into apocalypse, two people fight to preserve life and sanity. A few highlights: a bloody battle on a New Jersey golf course between Jews and anti-Semites; a theater troupe's stirring dramatization of the *Gilgamesh* epic; and a debate between Martin Luther and Erasmus. Morrow also gives us his most chilling villain ever: Dr. Adrian Lucido, founder of a new pagan church in Mexico and inventor of a cure worse than any disease.

Age of Certainty Jul 20 2021 *Age of Certainty* gives ten authors' answers to the question, "What if God existed?" Suppose the theory is true that we're biologically hardwired to believe in God - Brandon H. Bell wonders if that's evidence enough that He is objectively real. ... Imagine the traditional, Western version of God - now imagine along with Patrick Evans if the God revealed tomorrow has absolutely nothing to do with any of that. ... David J. Fielding introduces a character who wouldn't hesitate to kill God for the evil He has brought to bear, even if the result is just another form of an absence of good. ... and Nebula Award laureate James Morrow asks if God would exist in the absence of misleading proof planted by a talking, time-traveling cyborg tortoise who shoots lasers out his eyes. Edited and Introduced by William Freedman, with a cover by Elena Nazzaro, other contributors include Jennifer Rachel Baumer, Ron S. Friedman, James Hartley, Brian K. Lowe, Ian R. Thorpe and Jeffrey Witthauer.
