Warfield, provides the tools global accounting students need to understand what IFRS is and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. New *Global Accounting Insights* highlight the important differences that remain between IFRS and US GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, *Intermediate Accounting: IFRS Edition* includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course. **Intermediate Accounting** Sep 09 2020 The Kieso, Weygandt, Warfield, Young, Wiecek: *Intermediate Accounting* text has an outstanding reputation as "THE" text for the course and is viewed as a reliable resource by accounting students, faculty and professionals. After listening carefully to instructors and students alike, and after having built on what we have learned over eight

successful editions and more than 25 years of being the market leader, we are confident that the Ninth Edition is the best one yet! The integration of the new *International Accounting Standards* and their comparison with the new *Private Entity GAAP*, enhances the main goal of the book " to help students understand, prepare and use financial information by linking education with the 'real-world' accounting environment". Our industry-experienced and leading-edge author expertise in the field of IFRS, combined with an update of the text's technical content ensures that accounting faculty and students can continue to rely on Kieso, especially during a time of change. Even though the rapidly changing landscape of Canadian and international accounting is a focus of the text, the authors continue their emphasis on helping students understand the core concepts that are at the heart of the accounting profession. The chapters are interesting, informative and pedagogically sound. Clear explanations of important issues, concepts, and business transactions are provided, followed by examples of how these are applied in practice. Interesting examples show how the resulting numbers are used, and how "real life" Canadian companies actually account for and report their accounting transactions and results.
