[Homeopathic Care for Cats and Dogs, Revised Edition](#) Nov 17

2021 Most people understand homeopathy as a treatment for people, but as this book shows, our four-legged friends can benefit from it as well. First published in 1999, *Homeopathic Care for Cats and Dogs* quickly became a bestseller and an important resource for anyone looking for a more organic approach to caring for their cats and dogs. Using accessible language, author Don Hamilton gives readers an authoritative overview of animal homeopathy, covering history, treatment principles, homeopathic disease theory,

and simple methods for using homeopathic remedies. *Homeopathic Care for Cats and Dogs* offers expert guidance on home care and diet, how to obtain the information needed to choose a homeopathic remedy, how to dose remedies, how to choose the potency, and when to repeat remedies if necessary. The book lists organ systems by chapter, providing concise descriptions of symptoms, including how to evaluate patients' illnesses and when to seek veterinary care. Remedy and supplement suggestions follow disease descriptions. Each section contains the principal remedies needed for treatment. The book ends with a materia medica, which gives more comprehensive remedy information for each medicine listed in the book. This updated edition contains a new chapter on the human-animal relationship, timely information on vaccines, as well as new remedy information in every chapter.

*Organic Housekeeping* Oct 04 2020 Longing for a kinder, gentler world? As the old saying goes, everything begins at home, and odds are, if you live in the all-American household, the air inside is more toxic than the air outside, even if you live in the most polluted of cities. You regularly handle the filthiest object in your home -- the kitchen sponge -- and put the same chemicals on your face that are used in brake fluid and antifreeze. The cleaning agents

and personal care products commonly marketed to and used in American homes contain not only some very dangerous, toxic chemicals, but they also create an "overly clean," chemically bombed-out house that compromises immune systems. And with more than fifty million Americans suffering from allergies and other autoimmune diseases -- not to mention the developing and fragile immune systems of children and seniors -- large numbers of people are actually being made sicker and sicker by their homes. Learn to live a clean, healthy, more economical way with Ellen Sandbeck, the nontoxic avenger. In this must-have book for the twenty-first-century home, this passionate, witty advocate of all things organic will teach you how to maintain every part of the home -- from living room to septic tank, kitchen floor to bathroom sink -- using safe, simple cleansers and quick preventative measures as well as the most effective organic products on the market to get the job done. Learn time-saving, preventative housekeeping, such as taking thirty seconds to clean the shower while you shower. Take care of bathroom stains with baking soda and vinegar rather than commercial, toxic bathroom "bombs" peddled to you with such force by manufacturers. Need whiter whites? There is no bleaching power on earth stronger than the sun. Snow clean your fine rugs. Choose fruits and vegetables from the relatively
