15+ Political Science. Classics Collection. Illustrated Apr 22 2022 What is Political Science? Within human society, it is customary to distinguish between the following spheres: economic, political, social, and spiritual. The political sphere is important in that it involves and determines the interactions of different political powers. This understanding lies at the foundation of any political analysis of public life. Politics as a specific sector within human society is as old as it is modern. Many famous statesmen and scientists are credited as the authors of laws and political systems. In today's global community, facing growing pressures of political extremism and radicalism, knowledge of basic political science principles should help students develop a democratic ethos and foster qualities, such as political tolerance, compromise, and cooperation, while learning to express and defend their interests in a civilized manner. The foundation of political science lies in the accumulated knowledge of mankind. Each included piece of this collection is required reading at some of the best universities on the planet including: Harvard, Princeton, Yale, and Columbia Universities, the Massachusetts Institute of Technology (MIT), and the Universities of Oxford and Cambridge, among others. Sun Tzu: The Art of War Lao Tzu: Tao Te Ching Plato: The Republic Marcus Aurelius: Meditations Niccolo Machiavelli: The Prince Thomas More: Utopia Tommaso Campanella: The City of the Sun Francis Bacon: The New Atlantis Thomas Paine: Common Sense John Stuart Mill: Utilitarianism Karl Marx and Friedrich Engels: The Communist Manifesto Vladimir Lenin: The State and Revolution Rosa Luxemburg: Reform or Revolution Peter Kropotkin: The Conquest of Bread Emma Goldman: Anarchism: What It Really Stands For Leon Trotsky: Fascism: What It Is and How to Fight It

Jamieson, Fausset, and Brown Commentary on the Whole Bible, Deluxe Edition Jan 27 2020 This is the Deluxe Edition of Jamieson, Fausset, and Brown's Commentary. It is a verse-by-verse account of the Bible with great scholarly insight and attention to the historic teachings of Orthodox Christianity. It has great attention to detail, while bringing clarity to the full meaning and inferences of words, verses, and passages, offering an in-depth understanding of the Bible. Though detailed, it is not overly technical, making it one of the core books for ministers and laity alike. This four volume set is well known for its scholarship and accurate understanding of the Scriptures. C. H. Spurgeon's opinion of the work was so great that he said, "It contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed and used it diligently." Some of its key features are: - An introduction to each book of the Bible supplying a complete summary of the context - An in-depth understanding of the original biblical languages making comparison to modern language easy - Extensive cross-referencing throughout the text linking passages and their meanings - Exposition of words and phrases in boldface enabling quick definition - An easy to follow format Published by Delmarva Publications, this handsome one volume, has all of the 9 volumes of the commentary included. It has an easy to read typeface and includes a well-organized layout providing ease of transition from passage to passage. Its interior style matches its cover providing continuity and an attractive combination. All volumes have a linked table of contents to help you quickly and easily navigate to your desired scripture. It has been proofread many times to make it one of the most accurate e-text versions available.

The Ernest Hemingway Collection (15+) Mar 21 2022 Hemingway was awarded the 1954 Nobel Prize in Literature. He published seven novels, six short-story collections, and two nonfiction works. Many of his works are considered classics of American literature. His economical and understated style—which he termed the iceberg theory—had a strong influence on 20th-century fiction. The Sun Also Rises The Torrents of Spring The Old Man and the Sea The Snows of Kilimanjaro Three Short Stories & Ten Poems

King In Black Jan 19 2022 Collects King In Black: Return of the Valkyries (2021) #1-4. Once there was an entire army of Valkyries, but now Jane Foster is the only one. And when Knull and his symbiote horrors come to Earth — and the planet's guardian, the Sentry, falls — all Jane sees when she looks at our big blue planet is a vision of death. To help stop the King in Black, Jane must rebuild the Valkyries — starting with Hildegarde, a warrior from Asgard's hallowed halls, and the X-Man Dani Moonstar, a former Valkyrie herself. But what Jane doesn't know is she was never the only Valkyrie after all! Who is the fourth warrior? Elsewhere, unknown to Jane, Knull's power has spread across the galaxy and infected creatures even older than the gods...and it may not matter how many Valkyries Jane can bring to their aid!

All The Little Things Your Health Needs Right Now Mar 09 2021 How To Be Healthy? Is a question asked by over 200 million Human beings monthly, because Health is so paramount. If there is no Health, then

there is no Life. And since your Health is all that you really have, then you can see why so many people want to know how to be healthy. Because with your Health you can do anything, and I do mean anything. But with anything else that you have, whether it's money, whether it's beauty, whether it's royalty and whether it's success; you can never really enjoy them all without good health. And even if you did not have any of those attributes, then you could easily build them up if you have energy from great health. You are a being who was created to live in perfect communion with God, to be disease free, to be living off the earth, to be a perfect specimen of a being. All because you were given the great gift where your body has the ability to heal itself... <https://www.jamesdazoloute.net/> For More

It's the Little Things Sep 27 2022 Examines the small behaviors and habits that create barriers and misunderstandings between blacks and whites, drawing on case studies to reveal the various misconceptions and to explain what they mean and how to avoid them.

Ralph Waldo Emerson: Essays and Lectures (LOA #15) May 31 2020 Our most eloquent champion of individualism, Emerson acknowledges at the same time the countervailing pressures of society in American life. Even as he extols what he called "the great and crescive self," he dramatizes and records its vicissitudes. Here are all the indispensable and most renowned works, including "The American Scholar" ("our intellectual Declaration of Independence," as Oliver Wendell Holmes called it), "The Divinity School Address," considered atheistic by many of his listeners, the summons to "Self-Reliance," along with the more embattled realizations of "Circles" and, especially, "Experience." Here, too, are his wide-ranging portraits of Montaigne, Shakespeare, and other "representative men," and his astute observations on the habits, lives, and prospects of the English and American people. This volume includes Emerson's well-known Nature; Addresses, and Lectures (1849), his Essays: First Series (1841) and Essays: Second Series (1844), plus Representative Men (1850), English Traits (1856), and his later book of essays, The Conduct of Life (1860). These are the works that established Emerson's colossal reputation in America and found him admirers abroad as diverse as Carlyle, Nietzsche, and Proust. The reasons for Emerson's influence and durability will be obvious to any reader who follows the exhilarating, exploratory movements of his mind in this uniquely full gathering of his work. Not merely another selection of his essays, this volume includes all his major books in their rich entirety. No other volume conveys so comprehensively the exhilaration and exploratory energy of perhaps America's greatest writer. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Pirate Craft Book May 11 2021 Contains 15 fantastic, easy-to-make pirate-themed projects suitable for boys and girls.

15N Tracing of Microbial Assimilation, Partitioning and Transport of Fertilisers in Grassland Soils Aug 14 2021 This book presents innovative research on soil nitrogen cycling and nitrate leaching with a view to improving soil management and fertiliser nitrogen use efficiency and reducing nitrogen leaching losses. In this regard, nitrogen-15 (15N)-labelled fertiliser was used as a biochemical and physical stable isotope tracer in laboratory and field experiments. The major outcome of the research was the development,

validation and application of a new compound-specific amino acid ^{15}N stable isotope probing method for assessing the assimilation of fertiliser nitrogen by soil microbial biomass. The novelty of the method lies in its tracing of incorporated nitrogen into newly biosynthesised microbial protein in time-course experiments using gas chromatography-combustion-isotope ratio mass spectrometry. The approach provides previously unattainable insights into the microbial processing of different nitrogen fertilisers in different soils. Further, it identifies the mechanistic link between molecular-scale processes and observations of field-scale fertiliser nitrogen immobilisation studies. The method and the results presented here will have far-reaching implications for the development of enhanced recommendations concerning farm-based soil management practices for increasing soil productivity and reducing nitrogen losses, which is essential to minimising environmental impacts.

A Complete Concordance to the Holy Scriptures of the Old and New Testament, Or, A Dictionary and Alphabetical Index to the Bible ... Aug 02 2020

The Englishman's Hebrew and Chaldee Concordance of the Old Testament Dec 18 2021

Every Man in His Humour Jun 12 2021 This is the 1601 quarto version of Ben Jonson's play, set in Florence. The text is edited and modernised, and instead of endorsing the folio version as the superior play, the introduction seeks to understand this version on its own terms.

Little Things Aug 26 2022 THE BIG BAD Since her mother's death, Buffy Summers has had a hard time keeping her chin up. Suddenly finding herself alone and in charge of Dawn is certainly daunting, and being responsible, at the same time, for saving the world...well, it's pressure. And lately the Slayer is feeling bogged down by the little things. Buffy has a toothache, but no dental insurance...as if her financial problems weren't overwhelming enough already. And Anya and Xander are being held hostage in their own home by a plague of ants. Everyone is determined not to sweat the small stuff -- until Spike discovers economy-sized evil wreaking havoc in Weatherly Park. Mini-monsters are perfectly capable of mega-trouble, and in order to stop them, the Slayer's going to have to think...small!

The Englishman's Hebrew and Chaldee concordance of the Old Testament [based on the unpubl. work of W. De Burgh, ed. by G.V. Wigram.]. Nov 05 2020

Artificial Life Jul 13 2021 Around the age of sixteen, poet Zeinab Arjah fell upon great emotional turmoil. She turned to religion and found comfort in her faith, but she also turned to the written word. She posted many of her verses online in the hopes of reaching other people facing similar troubles in an effort to say, "You are not alone." Artificial Life, written over the course of two years, is a collection of her emotionally charged poetry. Each poem reveals a different level of darkness and sometimes light. Expressing good times or bad, her poems reverberate with the human condition, as we've all felt passion, love, friendship, and even the terrible pain of loss. Her words are lyrical and filled with imagery. She speaks to the difficult reality of life and seeks to find hope even in the darkest of times. She bridges the gap between actuality and the realm of imagination, but even in the most fantastical of phrases, Arjah pursues the path of living a life filled with joy and peace.

The Self-interpreting Bible Apr 29 2020

A Complete Concordance to the Old and New Testament: Or a Dictionary and Alphabetical Index to the Bible ... Feb 26 2020

A Complete Concordance to the Holy Scriptures of the Old and New Testament ... By Alexander Cruden ... The Seventh Edition, Revised and Improved ... Including a Compendium of the Bible ... By the Author of the Concordance. With a Sketch of His Life and Character, by the Rev. Jabez Bunting. [With a Portrait.] Dec 06 2020

The Gold of Revelation Aug 22 2019 The Gold of Revelation is a collection of approximately 1000 proverbs that the Father had me write over the course of about six years. These proverbs cover many different areas of life and obedience—from thoughts, to speech, to patience, purity, wisdom, strength, and endurance. Many proverbs contrast the wisdom of right living to the foolishness of ignorance by the way people respond, think, or behave. These proverbs are profitable for instruction, correction and reproof, for learning obedience and training in righteousness. They are open to the wise and the unwise, the schooled and the unschooled, the skilled and the unskilled, that all may learn wisdom, understanding and discernment and the practical insight of prudence.
