The End of Ownership Sep 07 2020 An argument for retaining the notion of personal property in the products we “buy” in the digital marketplace. If you buy a book at the bookstore, you own it. You can take it home, scribble in the margins, put it on the shelf, lend it to a friend, sell it at a garage sale. But is the same thing true for the ebooks or other digital goods you buy? Retailers and copyright holders argue that you don't own those purchases, you merely license them. That means your ebook vendor can delete the book from your device without warning or explanation—as Amazon deleted Orwell's 1984 from the Kindles of surprised readers several years ago. These readers thought they owned their copies of 1984. Until, it turned out, they didn't. In *The End of Ownership*, Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace, and make an argument for the benefits of personal property. Of course, ebooks, cloud storage, streaming, and other digital goods offer users convenience and flexibility. But, Perzanowski and Schultz warn, consumers should be aware of the tradeoffs involving user constraints, permanence, and privacy. The rights of private property are clear, but few people manage to read their end user agreements. Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits. But, most important, it would affirm our sense of self-direction and autonomy. If we own our purchases, we are free to make whatever lawful use of them we please. Technology need not constrain our freedom; it can also empower us.

The Carrot and the Stick Aug 19 2021 In today's business environment, companies that find and win points of strategic control are those that win. This book is about not only how to spot them, but how to control them and extend them to multiple market opportunities.

Revoked Aug 26 2019 This feels like a bad one. This is the gut feeling of Cam Clay—a seasoned detective in the Calgary Police's Violent Crimes Division—as he approaches an unassuming house in the city's northwestern suburbs. It is his first day back at work after thirty days of forced vacation, and nothing can prepare him for the grisly crime scene inside. A mother and child lie brutally murdered. Still reeling from the horrific events that led to his “vacation,” Clay must try and remain calm as he pieces together the scattered facts: the victim's husband is in jail for battery; her brother, out of prison on parole, is discovered at the scene, but there is no physical evidence to tie him to the crime; and a registered sex offender who lives on the street is found to have had a suspiciously close relationship with the deceased. However, just as the investigation seems to progress towards resolution, everything unravels into more confusion and violence. People continue to die, and it's clear that someone will do whatever it takes to ensure the truth doesn't get out. Determined in his pursuit of justice—and endangering aspects of his sanity and romantic life along the way—Cam Clay becomes embroiled in this bloody plot in order to solve the crime. His tireless work soon catches the eye of the unidentified killer, who then turns his murderous sights on Clay and everyone he holds dear.

Charleston Harbor Novels: Books 1 - 3 Jul 06 2020 Books 1 -3 Charleston Harbor Novels SWEET INDULGENCE Annie McPherson has had it with all the blind dates her grandmother and auntie set her up with. Her focus is the Sweet Indulgence cupcake bakery now. Recovering from a gut-wrenching break-up, women are the last thing on Jack's mind. After a quick stop to the new and upcoming cupcake shop to pick up cupcakes for his niece's birthday party, Jack meets reserved Annie. While helping him with his order, Annie notices his warm smile, the way he laughs when he gets icing on his fingers and then licks them like a big kid, and the cheesy grin when he realizes he's been caught, and for a fleeting moment wishes he'd been one of her blind dates. Jack leaves with the cupcakes but Annie's twinkling eyes makes her hard to forget and for a brief moment, he considers taking home something other than cupcakes. Annie watches him go but a little voice deep inside hopes he'll return and this time for something other than cupcakes. SWEET MAGNOLIA Exhausted after the grand wedding, Jack and Annie set off to California for their honeymoon only to be called back early because of a fire to the bakery. The fire is extensive and they aren't sure if Sweet Indulgence can be saved. But the Powell's don't give up. As Jack and Annie rebuild Sweet Indulgence together, life throws them another much more pleasant surprise. One due in nine months. Follow along with Jack, Annie and the rest of the Powell's in book two of the Charleston Harbor Novels where you'll smile a little, cry a little and root for the family in their ever quest to build a life together. SWEET CAROLINA When a hurricane threatens to wreak havoc on the South Carolina coast, Annie battens down the hatches at Sweet Magnolia while Jack checks on Lady Powell down at the dock. But when Jack doesn't return promptly, Annie sets off in the rain and wind to find him. Her discovery hits her harder than the storm leaving her breathless and scared. Laugh a little, cry a little as you follow along with Jack, Annie and the rest of the family in the third installment of the Charleston Harbor Novels.

Cleaning Hacks Jan 12 2021 Clean everything in your home from your clothes and sheets to your shower curtain, vents—even the inside of your washing machine—with this simple short-cuts using all-natural cleaning products. Did you know you should be cleaning your sponge on a weekly basis by putting it in the microwave for just 90 seconds? Or that you could use a rubber glove to clean up pet hair instead of a lint brush? Or that wax paper can be used to make your faucets and sink fixtures shine instead of a chemical polish? Avoid long lists of mysterious chemicals and skip buying multiple cleaning products and get back to basics and use simple, all-natural solutions that are safe, inexpensive, and effective. Take control of your cleaning to-do list with these easy, natural cleaning methods. With this book, you'll learn to: —Use vinegar to clean out a washing machine that's starting to smell —Mix lemon juice and salt to really clean out the cracks in your cutting board where food can get stuck —Rub chalk onto a greasy stain to help absorb extra oils before washing And much more! Organized by cleaning project, you'll be able to find the perfect easy solution for all your cleaning jobs, however large or

small, with this handy guide!

Living Decor Nov 21 2021 There's more to living with plants than simply bringing home a houseplant. Living Decor shows you how to artfully integrate greenery into your space. Living Decor is a manual to introducing the life, beauty, and health benefits of plants into your home in creative ways. Authored by Maria Colletti (Terrariums: Gardens Under Glass), this lovely book is an easy read, and brings fun to creating your own arrangements with moss, succulents, air plants, and other favorite indoor greenery. To tie it all together, Living Decor also offers simple guidance for taking care of your plants and DIY tips. This guide to houseplants takes you through modern trends in filling your space with plants, such as display with macramé, concrete planters, new plant stands for popular botanicals like Fiddle Leaf Figs and Monstera, and also shows what a beautiful, unique, and even artistic experience living with plants can be. More than that, you'll find endless ideas for botanical styling from the author, as well as a large network of shopkeepers and interior designers who bring you into their homes to see remarkable interior design that celebrates everything green.

Transitioning from School to Adulthood Jul 30 2022 Just as schools educate young people to become responsible citizens who can navigate the world of post-secondary education, careers, and social life, dedicated parents also want their child to mature and be independent and happy. Youth who transition to adulthood encounter many obstacles, including finances, skills for independent living, job security, and social connections. *Transitioning from School to Adulthood: Practical Activities for Youth with Autism Spectrum Disorder (ASD) and Other Disabilities* is a collection of descriptions, instructions, and practice activities for young people who face more barriers than most emerging adults. These activities are helpful for teachers, service providers, and parents assisting individuals with ASD, along with other disorders, such as Cognitive Disorders, Developmental Delays, and Specific Learning Disabilities. The activities are designed by future teachers, undergraduate students in the education major. Leaving the school environment and preparing for adulthood is a time of profound change. The adult world encompasses many firsts for young people. Planning for the changes enables more positive outcomes. The chapters in this book describe activities for independent life or supported environments, step-by-step instructions, and practice exercises. The areas of concentration include Socialization, Independent Living, Employment, Education, Self-Advocacy, and Health and Hygiene.

Tempting Justice Jun 16 2021 "You have the right to remain silent. Anything you say can and will be used against you in a court of law...." My name is Gabrielle Reed. I'm a date for hire at the elite Temptations Escort Agency. I love my job. I love sex. And I love the men. But most of all, I love the power. I decide who, I decide when, and I decide if. Until I met Detective Cameron Justice. I should have told him no when he asked me on a date. I should have told him no when he asked me to bed. I should have told him no when he asked to be mine. And I should have told him the truth instead of the lies. Because good things don't happen to girls like me. I should have known any control I had was an illusion. And now it's too late.

The End of Ownership Oct 09 2020 An argument for retaining the notion of personal property in the products we "buy" in the digital marketplace. If you buy a book at the bookstore, you own it. You can take it home, scribble in the margins, put it on the shelf, lend it to a friend, sell it at a garage sale. But is the same thing true for the ebooks or other digital goods you buy? Retailers and copyright holders argue that you don't own those purchases, you merely license them. That means your ebook vendor can delete the book from your device without warning or explanation—as Amazon deleted Orwell's 1984 from the Kindles of surprised readers several years ago. These readers thought they owned their copies of 1984. Until, it turned out, they didn't. In *The End of Ownership*, Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace, and make an argument for the benefits of personal property. Of course, ebooks, cloud storage, streaming, and other digital goods offer users convenience and flexibility. But, Perzanowski and Schultz warn, consumers should be aware of the tradeoffs involving user constraints, permanence, and privacy. The rights of private property are clear, but few people manage to read their end user agreements. Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits. But, most important, it would affirm our sense of self-direction and autonomy. If we own our purchases, we are free to make whatever lawful use of them we please. Technology need not constrain our freedom; it can also empower us.

Tipp Talk 2012 Dec 11 2020 "Tipp Talk," a weekly newspaper column, explores life in small-town America. Covering the 2012 calendar year, this collection recounts the changes and challenges, events and activities that took place in Tipp City, Ohio. These recollections are interspersed with vignettes about day-to-day life, including thoughts on the writer's decision to shutter his downtown business and why small-town life is something to be coveted, not avoided.

Revenue Management in the Lodging Industry May 16 2021 This book provides an end-to-end view of revenue management in the hospitality industry. The book highlights the origins of hotel reservations systems and revenue management, challenges unique to hotels, revenue management models, new generation retailing, and personalization and steps required to remain competitive in the marketplace. This book is intended for practitioners to understand the basics and have a comprehensive view of the impacts of revenue management on product distribution, reservations, inventory control, including the latest advances in the field of attribute-based room pricing and inventory control. There are several aspects of revenue management that are not covered in books and journal articles such as hotel pricing, hotel fully allocated costs, content parity, impact of Online Travel Agencies on hotels, competitive revenue management and attribute-based room pricing and inventory control which represents the last frontier in hotel revenue management with intelligent retailing. Leveraging emerging technologies, such as Artificial Intelligence and Blockchain and the future state of revenue management, are also addressed.

Fury Duty Jul 18 2021 In a dystopian future, the roles of judge and jury pale in comparison to the responsibility of Juror No. 13. It is his destiny to carry out his Fury Duty, or face dire consequences. - The weekly Test Kitchen dinner parties are always a culinary delight. That is, until one takes an especially delectable turn. - Here is the Church, and it may spell the doom of a teenager and a young girl who find their hometown suddenly deserted. - It's Business as Usual for a lecherous sales supervisor who has his eye on the beautiful receptionist, who just might be a vampire. - Take a Picture, it will last longer, when a woman finds herself pursued and terrorized by a savage trucker. - The Visitor at the Door inspires his hospitalized son, and gives him encouragement, when he needs it the most. - A woman struggles to overcome her Fear of Open Spaces when the undead rise to inherit the Earth. - Nightmares can hurt you only when you're alone. There is always a choice for those with the strength to create one.

Health Librarianship: An Introduction Jan 30 2020 Intended for students interested in careers as health sciences librarians, this insightful book presents a current view of trends and issues in the field of health librarianship from leading scholars and practitioners. • Presents current information on key issues and trends in health librarianship from contributors with many decades of combined experience • An ideal textbook for students interested in careers as health sciences librarians

Single and Forced to Mingle Mar 14 2021 “Hilarious.” —Cosmopolitan A laugh-out-loud, tongue-in-cheek guidebook filled with hilarious and helpful advice—from how to dodge family members’ unwanted questions about babies to successfully creating a fake partner during wedding season—for anyone trying to survive and thrive in the midst of singledom. Perfect for fans of *Hey Ladies!* and *Single State of Mind*. So, you’re single. Whether existing sans partner is a new state of being or you’ve been on this solo journey for a while, the fact of the matter is this: being single is actually awesome. You can do whatever you want, travel wherever you want, and be your truest, most free self. But there are a lot of people out there—your mom, your married best friend, the wedding industry, society—who see things differently. To them, singledom is something to avoid at all cost, no matter how many times you tell them you love your life the way it is. The limit does not exist when it comes to telling Aunt Carol you still don’t want to be set up with her neighbor’s ex-stepson. Now, Melissa Croce gives you the tips, tricks, and sage advice you need to graciously endure all of the cringe-worthy scenarios your single self may dread, from awkward small talk with an ex to navigating well-meaning but insensitive relatives. And it helps you truly flourish in your singledom, offering activities like quizzes aimed at helping you find a new hobby and tarot spreads for that cozy Saturday night in. Part real-world guide, part commiseration, and part celebration, *Single and Forced to Mingle* will steer you through the ups and downs of being single, reminding you just how good it feels to be free.

Erector Set: A Box Set Nov 29 2019 Erected An accident, an unexpected meeting—and a sizzling attraction. The first meeting between Josh McMann and Vanessa Bowen is anything but promising. He's just finished a successful dinner with a client and she's shrieking that someone's stolen her brand-new car. The walking cast on her leg doesn't help matters. Not a good way to start either a personal or business relationship... One thing leads to another and soon her next collision is an off-the-charts one with Josh in bed. But there's more than sex at stake here and it will take real commitment to get past the trust issues they both have. Hammered She was the one he didn't want to run from—but she ran first. Alex McMann is the financial brains behind the ride to stardom of McMann Brothers Development. He and his brothers, Josh and Tyler, cut a wide swathe in commercial development. The only place he can't seem to get satisfaction is in the bedroom. Enter Olivia, sharp, smart and sexy, who challenges him in and out of the bedroom and turns his life upside down. For the first time, he's the one chasing the relationship and she's the one walking away. Alex will need a miracle to convince her to take a chance on him—permanently. Nailed Why could he only find her when she appeared as Flame? Tyler McMann—contractor by day, Dom by night. Jenyfer Mayhew—accountant by day, sought-after sub by night. She's the masked Flame, the star of *Finesse*, an upscale private dungeon where the only numbers that count are how many strokes of the paddle a sub can take. Tyler is one of its best customers, a place where he can shuck the discipline of his work and indulge his fantasies. The chemistry between the two lights up the sky. But when he learns her real identity, he has to work hard to keep her from running and realize she can truly depend on him.

Clean My Space Oct 01 2022 The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: • Identify the most important areas (MIAs) in your home that need attention • Select the proper products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa’s incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute “express clean” routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa’s simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

Still Propped Up at the Bar Jun 24 2019 After publishing *Who's the Old Broad at the Bar?* in 2010 and *Funkytown* in 2011, I knew a third book of essays was in the cards. There was more to say. And since life is a great mix of the sad and sweet, I hope to have captured more incidents from my life with some humor and humility. "The road that is built in hope is more pleasant to the traveler than the road built in despair, even though they both lead to the same destination."

Julian's Shadow Nov 09 2020 Julian St. Laurent is being targeted for murder and doesn't know why. For the antiquities professor, life's highway has been a cone-cluttered construction project. Julian is blindsided by yet another “cone” when he is drawn into the homicide investigation of his best friend, the Reverend Cooper Saltonstall. In the process he is forced to reevaluate all the previously conceived truths of his life. Julian finds Cooper's personal Bible. Marked in the margins, in red ink, is a single word: Amphilochus. The rubric leads him on the quest for an ancient papyrus originally discovered in an Alexander the Great treasure trove by U.S. Special Forces while foraging through caves in the Hindu Kush mountain range in Afghanistan. Following an obscure set of clues left by Cooper, Julian and Livy, his former lover, are on their own to find the ancient document. They elude their pursuers only to become buried in the catacombs of Boston's Trinity Church. It is September 11, 2001. In the shadow cast by the day, Julian contemplates the loathsome and absurd cruelties perpetrated by humans upon other humans—in his circumstance and in the World Trade Center—simply in the name of two-thousand-year-old scripture. As the magnitude of the World Trade Center attack filters through the airwaves, Julian asks himself, What if the scriptures are wrong? Uncertainty tears at him. Should he keep the text hidden? Or should he expose it to the world in order to bring scrutiny upon all scripture with possible calamitous repercussions that could wreak havoc on Western Civilization?

Contemporary Marketing Apr 26 2022 CONTEMPORARY MARKETING, Seventeenth Edition, is the proven, premier teaching and learning resource for foundational marketing courses. The authors provide thorough coverage of essential marketing principles, exploring all components of the marketing mix, and providing practical guidance to help students prepare for successful marketing careers. Love Hawaiian Style Dec 31 2019 Three sexy former navy heroes and the heroines they can't resist. Spend a little time on the shores of Hawaii and fall in love with the friends and family from the Big Island Dive shop. This boxed set of the first three books in the Aloha series includes *Aloha Texas*, *Almost Paradise* and *Mai Tai Marriage*. *Aloha Texas: What If the Last Place You Want to Go is the One Place You Need to Be?* Former navy diver Nicholas Harper likes his new world as captain of a dive boat in Hawaii. That is until a phone call from the past changes everything. Now his uncomplicated life suddenly becomes very complicated. Powerhouse attorney Kara Lynn O'Conner's world revolves around her small Texas town where life is easy and safe. Focusing on her career keeps her dark secrets locked away, until a new case forces her to face the unthinkable. When the past surges into the present can Nick and Kara find a way to bring their two worlds together? *Almost Paradise: She Wants Everything He Doesn't Think He Deserves* Owner of the Big Island Dive shop, former Navy Explosive Ordinance Disposal tech Billy Everett is going through the motions of living. Love, marriage and children are the last

thing on his mind when a beautiful friend falls into his arms. Angela Carson's life is not unfolding according to plan. She's twelve years behind the curve in her search for love, marriage and babies. With her biological clock raising its ugly head, she never expects to meet Mr. Right in time. Is a friend in need enough to reveal the best things in life don't need a plan? Mai Tai Marriage: Lexie Hale is happily single and loving her life in Hawaii as a dive instructor and manager of the Big Island Dive shop. Lt. Commander James Borden thinks he's found the perfect navy wife for a man like him, until his prospective bride goes AWOL. After a few too many Mai Tais on a Honolulu beach, all it takes is three shoelaces, two wedding leis, and a bowl of sand to turn both their worlds completely upside down. Find out what happens when just pretend becomes all too real, and Lexie and James wind up in a Mai Tai Marriage. More in the Aloha Series: Dive into You Book 4 Look of Love Book 5 Love by Design Book 6 Love Walks In Book 7 Waikiki Wedding Book 8 Shell Game Book 9 Beach reads, contemporary romance, navy heroes, fans of Cora Seton, SEAL romance,

Deadly Retribution Jul 26 2019

Health Care in Crisis Apr 02 2020 More and more not-for-profit hospitals are becoming financially unstable and being acquired by large hospital systems. The effects range from not having necessary life-saving equipment to losing the most experienced nurses to better jobs at other hospitals. In Health Care in Crisis, Theresa Morris takes an in-depth look at how this unintended consequence of the Affordable Care Act plays out in a non-profit hospital's obstetrical ward. Based on ethnographic observations of and in-depth interviews with obstetrical nurses and hospital administrators at a community, not-for-profit hospital in New England, Health Care in Crisis examines how nurses' care of patients changed over the three-year period in which the Affordable Care Act was implemented, state Medicaid funds to hospitals were slashed, and hospitals were being acquired by a for-profit hospital system. Morris explains how the tumultuous political-economic changes have challenged obstetrical nurses, who are at the front lines of providing care for women during labor and birth. --

Economics: Private & Public Choice May 04 2020 Learn to apply economic concepts to the world around you as ECONOMICS: PRIVATE AND PUBLIC CHOICE, 17E highlights current economic conditions. Reader-friendly coverage analyzes and explains the latest economic activity, from the recession of 2008-2009 to the 2020 economy shutdown from the COVID-19 pandemic. This edition dispels common economic myths with economic insights that clarify current issues and controversies. You examine the importance of entrepreneurship while an emphasis on public choice provides a unique economic perspective on the political process and why government actions sometimes fail to deliver desired outcomes. You also learn how to apply economic concepts to relevant topics, such as student loans, and how events, such as the Great Suppression of 2020, affect opportunities. You study the importance of international trade as a source of economic growth and higher living standards. Most importantly, you learn how to use economics to make better decisions in your career, investments and handling of risk in your personal life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Heartbeats Sep 27 2019 Heartbeats returns readers to the quaint resort town of Sun Valley, Idaho with a moving story about three sisters rebuilding their lives when they've got nothing left to lose. Karyn Macadam is starting over after losing her husband to a skiing accident. She's given her heart to a handsome backcountry pilot and has a new job running the Sun Valley Lodge. Finally, her trampled heart is healing. That is, until a surprise visitor shows up and creates a plot twist that will shock even the most ardent readers. Leigh Ann Blackburn faces an unexpected turn of events that opens old wounds and upends the world Leigh Ann has carefully built—and the results, though not entirely what she expected, might be what she's been yearning for all along. Joie Abbott's long-awaited new beginning comes with unanticipated twists and turns . . . and a risk that will cost her far more than she could have imagined—perhaps more than she can survive. "Welcome into a family you feel you've known for years." A great reading option for fans of Debbie Macomber and Susan Wiggs.

Microeconomics: Private & Public Choice Jun 04 2020 Learn to apply microeconomic concepts to the world around you as MICROECONOMICS: PRIVATE AND PUBLIC CHOICE, 17E highlights current economic conditions. Reader-friendly coverage analyzes and explains the latest consumer and firm behavior. You see how theories apply to issues in health care, earnings differences between genders, labor unions, environment and resource exhaustion and even the economic shutdown from the 2020 COVID-19 pandemic. This edition dispels common economic myths with microeconomic insights that clarify current issues. You see how topics apply to common issues, such as student grants and loans. This edition offers a unique public choice perspective on the political process and delves into why government actions sometimes fail to deliver desired outcomes. You also learn the importance of entrepreneurial discovery and dynamic competition on economic growth. In addition, you study international trade as a source of economic growth and higher living standards. Most importantly, you learn to recognize microeconomic principles at work in your life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Start Me Up Mar 02 2020 My wicked sense of humor has made me a local celebrity, but no one knows how much pain lies behind those jokes. Especially not the women who frequent my bar, because I never get too close. And I never let a woman see the real me, only the radio personality. Then I met her. Shelby Drake. Career-focused, goal-oriented, and completely buttoned-down, the shy accountant isn't the kind of woman I'd usually notice. But her soft mouth, hidden curves, and deep sensuality blow my mind. And after a drunken one-night stand, I'm certain I want more. Now I'm on a sensual mission. Because no matter what it takes, I'm going to prove to Shelby that opposites really do attract. Who's Your Man of the Month? When a group of fiercely determined friends realize their beloved hang-out is in danger of closing, they take matters into their own hands to bring back customers lost to a competing bar. Fighting fire with a heat of their own, they double down with the broad shoulders, six-pack abs, and bare chests of dozens of hot, local guys who they cajole, prod, and coerce into auditioning for a Man of the Month calendar. But it's not just the fate of the bar that's at stake. Because as things heat up, each of the men meets his match in this sexy, flirty, and compelling binge-read romance series of twelve novels releasing every other

week from New York Times bestselling author J. Kenner. "With each novel featuring a favorite romance trope—beauty and the beast, billionaire bad boys, friends to lovers, second chance romance, secret baby, and more—this series hits the heart and soul of romance." — New York Times bestselling author Carly Phillips Each book is a STANDALONE romance with an HEA and an overarching story about the friends and the bar. Totally hot and utterly binge-worthy! Down On Me Hold On Tight Need You Now Start Me Up Get It On In Your Eyes Turn Me On Shake It Up All Night Long In Too Deep Light My Fire Walk The Line

Consumer Behavior Feb 22 2022 CONSUMER BEHAVIOR combines a foundation in key concepts from marketing, psychology, sociology, and anthropology with a highly practical focus on real-world applications for today's business environment. There are a wide variety of latte recipes. Make a different one every day. There are also several recipes for cocoa if your taste buds prefer a chocolate flavor. Why brew the same cup of coffee every day when you can create a special treat by following one of the recipes included in this book. They are simple and the directions are easy to follow.

Strategic Management: Concepts and Cases: Competitiveness and Globalization Nov 02 2022 Introduce your students to strategic management with the market-leading text that sets the standard for the course area. Written by respected scholars who have taught strategic management at all educational levels, Hitt, Ireland, and Hoskisson's latest edition provides an intellectually rich, yet thoroughly practical, analysis of strategic management. The classic industrial organization model is combined with a resource-based view of the firm to provide students with a complete understanding of how today's businesses establish competitive advantages and create value for stakeholders. Cutting-edge research is presented with a strong global focus, featuring more than 500 emerging and established companies. All-new opening cases introduce chapter concepts and mini cases offer new contexts of study. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Sweet Indulgence Aug 07 2020 Real Men Eat Cupcakes. Just ask Annie McPherson? Annie McPherson has had it with all the blind dates her grandmother and auntie set her up with. Her focus is the Sweet Indulgence cupcake bakery now. Women are the last thing on Jack's mind. After a quick stop to the new and upcoming cupcake shop to pick up cupcakes for his niece's birthday party, Jack meets reserved Annie. While helping him with his order, Annie notices his warm smile, the way he laughs when he gets icing on his fingers and then licks them like a big kid, and the cheesy grin when he realizes he's been caught, and for a fleeting moment wishes he'd been one of her blind dates. Jack leaves with the cupcakes but Annie's twinkling eyes make her hard to forget and for a brief moment he considers taking home something other than cupcakes. Annie watches him go but a little voice deep inside hopes he'll return and this time for something other than cupcakes. A note from the author: If you enjoy reading light, sweet romance, think Hallmark, then you'll enjoy the first installment of the Charleston Harbor Novels. Book 1 sets the series up by introducing you to the characters and locations. Follow along with books 2, 3, and 4 and watch as Annie and Jack create a life built on love and trust. And although each book can be read as a stand-alone, it's much more fulfilling if you read the entire set.

Earth Day Dec 23 2021 Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

The Road Gets Longer If I Stop Feb 10 2021 Rick Garvia is a writer, amateur landscaper, former professional homebuilder, traveler, yoga hack, reader, wine drinker, amateur photographer, boulder mover, dog lover, loud sneezer, spelling snob, coffee drinker, father, brother, son and a happily married regular guy facing growing older with equal amounts of frustration, amazement and aplomb. The Road Gets Longer If I Stop is a collection of short stories from his popular blog. Described as "out-of-the-box, insightful, humorous, and smart," each story digs deeper yet barely scratches the surface of a life spent trying to figure things out. The colorful short stories, insightful musings and razor sharp dialogue will capture the reader's imagination and curiosity.

Tucker's Discovery Oct 28 2019 An incredible scientific discovery with the potential to benefit all of mankind has an unintended consequence: geopolitical chaos. Leaders of nations threatened by the discovery dispatch assassins to eliminate the threat. Other state-sponsored agents are tasked to secure the secret formula for their own duplicitous motives. Desperate people do desperate things. The fragile order of power and wealth between leaders of nations and the precarious relationship between true relevance and those leaders grasping for relevance are challenged by the impact of the discovery. Tucker Cherokee is the last person alive that knows how to make the discovery work. It surprised him that people would want to kill or kidnap him because of that knowledge. Staying alive became an unwanted adventure. Fortunately, he knew just the right person to keep him alive.
