The tribes on my frontier, by Eha Dec 26 2021

The Dragon's Rebellious Sacrifice Nov 24 2021 In a world where she had no autonomy over her body, she refused to bend. But when she is sacrificed to a dragon, she'll become eager to submit. When Rose Bishop and her twin sister go on the latest in an endless line of casting calls, neither dreams their next role will be that of real-life damsels in distress. Kidnapped and taken to another realm, they come face to face with men who turn into dragons. Dragon shifter Ilia has called dibs on the last couple of women that have come beyond the Veil. Unfortunately, none of his brothers have respected his dibs. When the latest arrivals are delivered, Ilia's certain he's finally found the perfect match. So why does his future mate's sister make his beast feel consumed with a fiery heat of desire? When one of the shifters claims Rose's sister is his mate, Rose is prepared to do whatever is necessary to protect her and her twin. But safeguarding her heart won't be quite so easy when her new brother-to-be can't seem to take his golden gaze, or his hands, off Rose?

Though she can't seem to form the words to give Ilia explicit consent, she also can't seem to get enough of his delicious kisses and seductive touches. It takes Ilia only one encounter to realize the sister he truly wants is Rose. But why can't she admit the fact of her desire for him as well? Lucky for Rose, Ilia is fluent in the language of safewords and knows exactly how to push her limits to get her to admit what she truly wants. Just when Ilia has everything he's ever dreamed of within his grasp, a menace from his past threatens his chance at love as well as his humanity. If you love alpha male shifters, fated mates, and steamy romance with a touch of 80's nostalgia, then you don't want to miss *The Last Dragons* series!

[The Fight for Peace](#) Apr 05 2020

[The Blue Frontier](#) Aug 02 2022 Argues that Qing China was not just a continental empire, but a maritime power protecting its interests at sea.

[Green Dragon, Sombre Warrior](#) Apr 29 2022 The ancient Chinese divided the zodiac into four quadrants, each with its own ruler - the Green Dragon of the East, the Scarlet Phoenix of the South, the White Tiger of the West and the Sombre Warrior of the North. They believed that these, and the interaction of the five elements - wood, fire, earth, metal and water - governed human affairs and that together they demonstrated a unity in multiplicity, a harmony in divergence. Taking the same frame of reference, Liam d'Arcy Brown set out to travel to the four corners of the People's Republic in an attempt to reconcile modern China's seemingly irreconcilable extremes. His 10,000-mile journey took him to an isolated fishing community in the East China Sea, a tropical holiday resort on the tip of Hainan Island, a Muslim city on the Silk Road and a riverside village in remote Manchuria. In each, he discovered aspects of China that the wider world seldom glimpses. Yet despite the astonishing contrasts of her physical and social geography, the variety of her peoples and the tangled web of her many histories and possible destinies, some constants remain. Pork buns steaming in a bamboo basket, gold Chinese characters pasted to a doorway on a red paper diamond, empty crates of beer bottles, a battered thermos flask stencilled with the Double Happiness symbol - all these endure.

Where the Dragon Meets the Angry River Sep 10 2020 China's meteoric rise to economic powerhouse might be charted with dams. Every river in the country has been tapped to power exploding cities and factories—every river but one. Running through one of the richest natural areas in the world, the Nujiang's raging waters were on the verge of being dammed when a 2004 government moratorium halted construction. Might the Chinese dragon bow to the "Angry River"? Would Beijing put local people and their land ahead of power and profit? Could this remote region actually become a model for sustainable growth? Ed Grumbine traveled to the far corners of China's Yunnan province to find out. He was driven by a single question: could this last fragment of wild nature withstand China's unrelenting development? But as he hiked through deep-cut emerald mountains, backcountry villages, and burgeoning tourist towns, talking with trekking guides, schoolchildren, and rural farmers, he discovered that the problem wasn't as simple as growth versus conservation. In its struggle to "build a well-off society in an all-round way," Beijing juggles a host of competing priorities:

health care for impoverished villagers; habitat for threatened tigers; cars for a growing middle class; clean air for all citizens; energy to power new cities; rubber for the global marketplace. *Where the Dragon Meets the Angry River* is an incisive look at the possible fates of China and the planet. Will the Angry River continue to flow? Will Tibetan girls from subsistence farming families learn to read and write? Can China and the United States come together to lead action on climate change? Far-reaching in its history and scope, this unique book shows us the real-world consequences of conservation and development decisions now being made in Beijing and beyond.

Who Owns Whom May 07 2020

Governing China's Multiethnic Frontiers Apr 17 2021 Leading scholars examine the Chinese government's administration of its ethnic minority regions, particularly border areas where ethnicity is at times a volatile issue and where separatist movements are feared. Chapters focus on the Muslim Hui, multiethnic southwest China, Inner Mongolia, Xinjiang, and Tibet. Together these studies provide an overview of government relations with key minority populations, against which one can view evolving dialogues and disputes. Contributors are Gardner Bovington, David Bachman, Urady E. Bulag, Melvyn C. Goldstein, Mette Halskov Hansen, Matthew T. Kapstein, and Jonathan Lipman.

Dragon Frontier: Burning Moon Oct 04 2022 *Dragon Frontier: Burning Moon* is the second book in the rip-roaring new *Dragon Frontier* series - a wild west fantasy adventure series for 9+ readers. Perfect for fans of *How To Train Your Dragon* and Christopher Paolini's *Eragon*. The *Wild West*: where great possibility also brings grave danger. During the Great Black Dragon's attack on the wagon train, Jake Polson's family went missing. Since then he's been having terrifying dreams, and he's sure this means they're still alive. To uncover the truth, Jake needs help. With his own faithful dragon, Match, by his side, Jake must make the dangerous journey far into the Land of the Red Moon. Jake is determined nothing will stop him, but there are darker forces at play than he could ever imagine. Out on the frontier, an evil force is waiting . . . 'A rousing, well-executed piece of fiery pulp adventure *****' SFX 'A cracking fantasy-tinged Wild West yarn . . . hot stuff' Financial Times About the author: Dan Abnett is a multiple New York Times best-selling novelist. He is the fan-favourite author of over thirty *Warhammer* and *Warhammer 40,000* novels, and has sold nearly three million copies in over a dozen languages. He has also written novels for franchises such as *Torchwood*, *Primeval* and *Doctor Who*. When he's not being a novelist, he writes screenplays and video games, and he has written some of the most famous superhero comics in the world, including *Iron Man*, *Thor* and *The Guardians of the Galaxy* at *Marvel*, and *Superman*, *Batman*, *The Legion of Superheroes*, and *Wonder Woman* at *DC Comics*. *Dragon Frontier* is his first series for younger readers. Also available: *Dragon Frontier* ????? Jul 21 2021

The Black Dragon Mar 05 2020 A thousand years ago, on the world of *Claire-Agon*, a war raged between men and dragons. When an expedition of elite warriors goes missing in the fetid *Kero Swamp*, *Olivia Moross*, Priestess of *Astor* and daughter of the regional

prefect, is caught in the conflict between her divine holy order, the sinister Kesh wizards, and the nobles of the ruling class of Ulatha. Seeking the fate of the lost expedition, and struggling to learn what might exist in the desolate Kero Swamp, Olivia finds herself battling human, beastly and supernatural forces. With the help of her father's nobles, and an unexpected Ranger of the Arnen, she must not only save her town, but also remain true to her beliefs in the pursuit of the truth. Olivia soon discovers that in the world of Claire-Agon, when dealing with a Black Dragon, sometimes dead is better.

New Space Frontiers Dec 14 2020 An optimistic look at space travel not only showcases the groundbreaking technology of today but also speculates on what lies beyond today's hardware, in a book that looks at both governmental and commercial strategies for space exploration and where in the universe they may lead humans in the future.

The Reason for Dragons Dec 02 2019 Wendell is a high school outcast who lives a lonely, suburban existence, losing himself in books in order to avoid his distant, motorcycle-riding stepfather, Ted. When the school bullies convince Wendell to venture into the forest around their neighborhood and explore the long-abandoned Renaissance Faire grounds they all believe to be haunted, Wendell is surprised to find a man living in the barn — and even more surprised by the man himself. His new acquaintance seems the definition of crackpot, believing himself to be a medieval knight named Sir Habersham, tasked with the duty of slaying the dragon he insists is wandering the woods. But when Wendell starts hearing rumblings — and listening to Habersham's stories — he starts to wonder if, perhaps, it could all be true. In a heartfelt coming-of-age story, Wendell must defy logic in order to follow his heart.

The Rings of Haven Jan 27 2022 In the second installment of the Frontiers Saga, the crew members of the "Aurora" encounter several serious setbacks on their return voyage.

The Dragon Queen May 19 2021 It is that time known as the Dark Ages, the Romans have abandoned Britain's shores, leaving behind a brutal, fear-filled twilight world where magic and superstition, strife and warfare hold sway. Into this world is born the daughter of a pagan queen. Her name is Guinevere and to the all-seeing, power-hungry sorcerer Merlin, she represents a grave threat. Sent into hiding in the remote north, she grows up under the protection of a shape-shifting wolf and a wayward druid, watched over by dragons - yet through his dark arts, Merlin tracks her down. He knows her destiny and will stop at nothing to prevent what has been foretold. For if Guinevere becomes queen and Arthur, king, together they will bring a peace to the land that will leave the sorcerer but a shrivelled and empty old magician in a weary cloak. What Merlin doesn't realise is that Guinevere has inherited dazzling powers of her own. With Arthur trapped in a netherworld from which the only escape is death, Guinevere must call upon the ancient, primal spirits and beings who walked this earth when it was still young to help her in her final confrontation with the High Druid himself... Dark, exciting, highly original and utterly compelling, THE DRAGON QUEEN is set in a brutal, grittily and historically authentic Celtic world where the Pagan and the Christian battle for supremacy. Full of wild magic, both benign and malign, romance, superstition, wonder, bloody battles and wonderfully well-wrought characters, and written with a fresh, contemporary voice, this novel turns the legend of King Arthur and his mercurial queen well and truly on its head.

Dragon Frontier - Burning Moon Sep 03 2022 Dragon Frontier: Burning Moon is the second book in the rip-roaring new Dragon

Frontier series - a wild west fantasy adventure series for 9+ readers. Perfect for fans of How To Train Your Dragon and Christopher Paolini's Eragon. The Wild West: where great possibility also brings grave danger. During the Great Black Dragon's attack on the wagon train, Jake Polson's family went missing. Since then he's been having terrifying dreams, and he's sure this means they're still alive. To uncover the truth, Jake needs help. Dragon Frontier is his first series for younger readers. Also available: Dragon Frontier Chasing the Dragon Mar 29 2022 Until it was pulled down, the Walled City was Hong Kong's most foreboding territory. It was a lawless place, dominated by the Triads, and which the police hesitated to enter. Strangers were unwelcome. Drug smuggling and heroin addiction flourished, as did prostitution and pornography, extortion and fear. When Jackie Pullinger set sail from England in 1966 she had no idea that God was calling her to the Walled City. Yet, as she spoke of Jesus Christ, brutal Triad gangsters were converted, prostitutes quit, and Jackie discovered a new treatment for drug addiction: baptism in the Holy Spirit.

In My Dreams Jul 09 2020 A child's imagination takes him on a wild journey as he sleeps soundly at night. He meets lions in the jungle, swims alongside sea creatures, and soars through the sky on the back of a silvery dragon. This magical tale will delight all ages.

The Legend of Corinair Jul 01 2022 The "Aurora"'s dangerous, exciting voyage continues in the third installment of the Frontiers Saga.

The Rand McNally World Atlas of Exploration Nov 12 2020 Text, illustrations, and maps detail the exploits and routes of the world's explorers and pathfinders, from Phoenician traders to twentieth-century astronauts, revealing their motives and means and the consequences of their voyages

The Freedom Frontier Mar 17 2021 The thrilling final instalment of the action-packed METAWARS series. With the Guardians and Millennials eliminated, Jonah and Sam are left to fend for themselves. When they discover their enemy, Granger, is also on his own they take the ultimate leap of faith and join forces to survive...and save humanity. The future of the world on and off-line is at stake and Jonah will not stop until he prevails. Even if it means making the ultimate sacrifice.

Smaug Sep 30 2019 How did the filmmakers manage to take the Dragon that has lived in millions of readers' imaginations and turn him into a totally unique and unforgettable living, breathing character? The answer can be found in *Smaug: Unleashing the Dragon*. Packed with stunning, exclusive new images, it reveals how he grew out of countless fantastical concept designs into the beast that is unleashed in awesome digital glory. Compiled by the Academy Award-winning Weta Digital and Weta Workshop teams, who provide fascinating insights telling the story of the Dragon's creation, this is the perfect companion for every fan who was blown away by Smaug, the Magnificent!

The Dragon and the Eagle Oct 24 2021 This stimulating, uniquely organized, and wonderfully readable comparison of ancient Rome and China offers provocative insights to students and general readers of world history. The book's narrative is clear, completely jargon-free, strikingly independent, and addresses the complete cycles of two world empires. The topics explored include nation formation, state building, empire building, arts of government, strategies of superpowers, and decline and fall.

Ep. #6 - Head of the Dragon Aug 29 2019 "Time is running out ... An ally has all but fallen ... Resources are running low ... The time for attack has come ... The Alliance must strike deep into the heart of the empire. This time, the Aurora will be going home, or going to her grave."--Page 4 of cover.

The Frontiers of Public Diplomacy Feb 13 2021 This edited volume provides one of the most formidable critical inquiries into public diplomacy's relationship with hegemony, morality and power. Wherein, the examination of public diplomacy's 'frontiers' will aid scholars and students alike in their acquiring of greater critical understanding around the values and intentions that are at the crux of this area of statecraft. For the contributing authors to this edited volume, public diplomacy is not just a political communications term, it is also a moral term within which actors attempt to convey a sense of their own virtuosity and 'goodness' to international audiences. The book thereby provides fascinating insight into public diplomacy from the under-researched angle of moral philosophy and ethics, arguing that public diplomacy is one of the primary vehicles through which international actors engage in moral rhetoric to meet their power goals. *The Frontiers of Public Diplomacy* is a landmark book for scholars, students and practitioners of the subject. At a practical level, it provides a series of interesting case studies of public diplomacy in peripheral settings. However, at a conceptual level, it challenges the reader to consider more fully the assumptions that they may make about public diplomacy and its role within the international system.
