Give Me Liberty! Oct 22 2021 The leading text in the U.S. survey course.

Free Soil, Free Labor, Free Men Sep 08 2020 Since its publication twenty-five years

ago, *Free Soil, Free Labor, Free Men* has been recognized as a classic, an indispensable contribution to our understanding of the causes of the American Civil War. A key work in establishing political ideology as a major concern of modern American historians, it remains the only full-scale evaluation of the ideas of the early Republican party. Now with a new introduction, Eric Foner puts his argument into the context of contemporary scholarship, reassessing the concept of free labor in the light of the last twenty-five years of writing on such issues as work, gender, economic change, and political thought. A significant reevaluation of the causes of the Civil War, Foner's study looks beyond the North's opposition to slavery and its emphasis upon preserving the Union to determine the broader grounds of its willingness to undertake a war against the South in 1861. Its search is for those social concepts the North accepted as vital to its way of life, finding these concepts most clearly expressed in the ideology of the growing Republican party in the decade before the war's start. Through a careful analysis of the attitudes of leading factions in the party's formation (northern Whigs, former Democrats, and political abolitionists) Foner is able to show what each contributed to Republican ideology. He also shows how northern ideas of human rights--in particular a man's right to work where and how he wanted, and to accumulate property in his own name--and the goals of American society were implicit in that ideology. This was the ideology that permeated the North in the period directly before the Civil War, led to the election of Abraham Lincoln, and led, almost immediately, to the Civil War itself. At the heart of the controversy over the extension of slavery, he argues, is the issue of whether the northern or southern form of society would take root in the West, whose development would determine the nation's destiny. In his new introductory essay, Foner presents a greatly altered view of the subject. Only entrepreneurs and farmers were actually "free men" in the sense used in the ideology of the period. Actually, by the time the Civil War was initiated, half the workers in the North were wage-earners, not independent workers. And this did not account for women and blacks, who had little freedom in choosing what work they did. He goes on to show that even after the Civil War these guarantees for "free soil, free labor, free men" did not really apply for most Americans, and especially not for blacks. Demonstrating the profoundly successful fusion of value and interest within Republican ideology prior to the Civil War, *Free Soil, Free Labor, Free Men* remains a classic of modern American historical writing. Eloquent and influential, it shows how this ideology provided the moral consensus which allowed the North, for the first time in history, to mobilize an entire society in modern warfare.

Give Me Liberty! Aug 20 2021 Adopted at over 600 universities, colleges, and schools across the country, Eric Foner's *Give Me Liberty!* is making a difference in the American history survey course.

Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Creating a Cash Cow in Kenya Aug 27 2019 "What started as an eight-month assignment turned into a six-year adventure and the creation of a social business to help Kenya's farmers lift themselves out of poverty. The social business, Juhudi Kilimo, provides microloans to enable smallholder farmers to buy productive assets, such as cows, tools and so on. Since its foundation in 2009, Juhudi Kilimo has provided over 50,000 loans worth \$30 million and financed the purchase of 23,100 cows by some of Kenya's poorest farmers. In its six years Juhudi managed to rack up an impressive list of international investors The Rockefeller Foundation, The Ford Foundation, Acumen Fund, Soros Economic Development Fund, Grameen Foundation, Deutsche Bank and Kiva.org. The company also won a Charles Schwab Social Entrepreneur of the Year Award and part of CIO Magazine's top 100 list. The challenges faced by the company in its early years reveal a dark underbelly of investor greed, corruption and the deep multicultural misunderstandings that can lead to conflicts. The company was driven by a young entrepreneur from the US, who admits he had no idea what he was doing but learned along the way. The lessons he presents here can help guide those starting new ventures or trying to defy the odds with a new social business in East Africa. The business stories are intertwined with his adventures, racing camels, running from rhinos and much more."--Summary from Amazon.

Give Me Liberty! An American History Nov 03 2022 Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. McPherson's evaluation of his politics and wartime strategies, Sean Wilentz's perspectives on Lincoln's party politics, and Eric Foner's assessment of his views on slavery and race. 15,000 first printing.

Gateway to Freedom: The Hidden History of the Underground Railroad Jan 31 2020 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground

railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

Cooking for One Cookbook Jul 27 2019 Loaded With Delicious, Healthy, Quick 'N' Easy Recipes For YOU Time poor? Looking for recipes that're easy and efficient to make while also maintaining a budget?
